

## Response to Questions on the FY 2010 County's Line of Business & Schools Program Review Processes Fall 2008

**Request By:** Supervisor Gross

**Question:** What is the overall land value of properties maintained across the County by the Park Authority? Along with the value of each property please note whether it is staffed.

**Response:** Response provided by the Fairfax County Park Authority:

The assessed value of properties maintained by the Fairfax County Park Authority is \$1,720,241,459, based on information from the Fairfax County Department of Tax Administration. The attached shows the value of each property. Parks that are shaded on the attached list are staffed. There are 417 properties and 32 are staffed. It should be noted that of the 32 staffed properties, four properties (Flatlick, Lewinsville, Mason and Pimmit Run Stream Valley) have maintenance staff only and provide no direct service to the public.
