

Response to Questions on the FY 2011 Budget

Request By: Supervisor Cook

Question: What is the cost savings that could be realized by eliminating programs that duplicate programs covered by the federal and state governments (consumer protection, EEO, etc.)?

Response: While a comprehensive summary of County programs like Consumer Protection, Equal Employment Opportunities etc., and how they compare with any federal or state programs is not available, the Lines of Business exercise from January 2008, available online at http://www.fairfaxcounty.gov/dmb/2008_lobs.htm , provides some information about County services and the federal or state mandates behind them.
