¹ During the *FY 2011 Carryover Review*, a full review and classification of this fund was conducted by the Department of Finance, who determined that the fund statement should only reflect Tax Increment Financing (TIF) revenue and Special Assessment taxes collected and distributed to the trustee. As a result, the January 2012 assessments are projected to generate \$1.49 million in TIF revenues that will be distributed to the trustee. The Community Development Authority, while related to the County, is a legally separate Authority and is not considered a component unit of the County. Proceeds from the bond sale in June 2011 totaling \$64,801,855 were received directly by the trustee for the Community Development Authority, therefore, the activity is not reflected in the County statements.
