

# Office of the Sheriff

## Mission

To operate the Adult Detention Center; provide security for the courtrooms, courthouse, and surrounding complex; and serve/execute civil law process on behalf of the courts. In addition to our core functions, the Sheriff's Office is actively engaged with the diverse community we serve.

## Focus

The Sheriff's Office of Fairfax County was established when the County was formed in 1742. The Virginia Constitution, Article VII, Section 4; and the Code of Virginia, Sections 8.01-295; 53.1-68; 53.1-133; 53.1-119 and 120, establish the Sheriff's Office as the primary law enforcement authority over the courthouse, local jail, and correctional facilities, and as the provider of courtroom security. The Sheriff's Office is responsible for managing the Fairfax County Adult Detention Center (ADC) and Alternative Incarceration Branch (AIB), providing security in all courthouses and in the judicial complex, and executing civil law processes. The Sheriff's Office works in partnership with the Fairfax County Police Department, the Fire and Rescue Department, and other local, state, and federal law enforcement agencies. The Sheriff's Office has civil and concurrent criminal jurisdiction in the County of Fairfax, City of Fairfax, and the Towns of Vienna and Herndon.

The Sheriff's Office receives funding support from the State Compensation Board for a portion of salaries and benefits for a limited number of sworn positions. Other sources of revenue include reimbursement from the Virginia Department of Corrections for the housing of state prisoners, room and board fees collected from individuals incarcerated in the ADC, as well as grants awarded by the U.S. Department of Justice for housing undocumented criminal aliens. The Sheriff's Office also receives revenue from medical co-pay fees collected from inmates, Alternative Incarceration room and board fees, court security fees, and Sheriff's fees.

Four agency cost centers define and support the agency's mission: the Administrative Services Division, the Courts Services Division, the Confinement Division, and the Support Services Division.

The Administrative Services Division provides managerial direction for the agency. This division incorporates Command and Internal Affairs, and five branches: Human Resources, Training, Information Technology, Professional Services, and Financial Services.

The Human Resources Branch handles recruitment, retention, employee relations, classification, and payroll for an agency of over 600 positions. The Training Branch operates the In-Service Section of the Fairfax County Criminal Justice Academy, which has the responsibility to ensure all Police and Sheriff staff members meet their annual Mandatory In-Service Training Requirements (MIR). The Information Technology Branch splits its duties between servicing the technology-related needs of staff and for the operation of the ADC, and those related to services for the inmate population.

Professional Services ensures the appropriate data is collected for accreditation audits. This branch also coordinates the Sheriff's Office community relations programs, such as child safety seat inspections and the child identification program. The Financial Services Branch manages the financial responsibilities of the agency to include the agency's warehouse, which orders and issues equipment and supplies for both inmates and staff.

Included in the Administrative Services Division is the salary supplement paid by the County for eligible State Magistrates per the Code of Virginia, Section 19.2-46.1. Magistrates are state employees and are not part of the organizational structure of the Sheriff's Office.

The Court Services Division provides for the security of courtrooms and County courthouses, and the service of legal process, such as evictions, subpoenas, levies, seizures, and protective custody orders. This division is composed of the Court Security Branch and the Civil Enforcement Branch. Deputy sheriffs also protect special justices who conduct commitment hearings for persons with mental illness.

The Confinement Division is the largest component of the Sheriff's Office. The Confinement Division manages the operation of the ADC, which includes four confinement squads, the Classification Section, and the Records & Transportation Section. The confinement squads are also responsible for the operation of the Satellite Intake Center at the Mount Vernon District Police Station managing inmates sentenced to the Weekend Incarceration Program and staffing the Merrifield Crisis Response Center for Diversion First. The Classification Section is responsible for determining appropriate housing locations for inmates in the ADC, as well as performing disciplinary hearings for inmates who have been charged with violating the rules of the ADC.

Diversion First is the result of a collaboration between the Sheriff's Office, Police Department, Fire and Rescue Department, Fairfax County court system, and the Fairfax-Falls Church Community Services Board, to reduce the number of people with mental illness in local jails by diverting non-violent offenders experiencing mental health crises to treatment instead of incarceration. Positions supporting Diversion First have continued to allow the Sheriff's Office to dedicate additional staff and provide support 24 hours a day, 7 days a week at the Merrifield Crisis Response Center where non-violent offenders who may need mental health services can be served by a trained Crisis Intervention Team (CIT) instead of being taken to jail. Having diversion services available around the clock is a foundational aspect of Diversion First and is recognized as a best practice in crisis intervention.

The Support Services Division provides the services necessary to support the operations of the ADC and AIB. The Support Services Division has three branches: Alternative Incarceration, Services, and Medical Services.

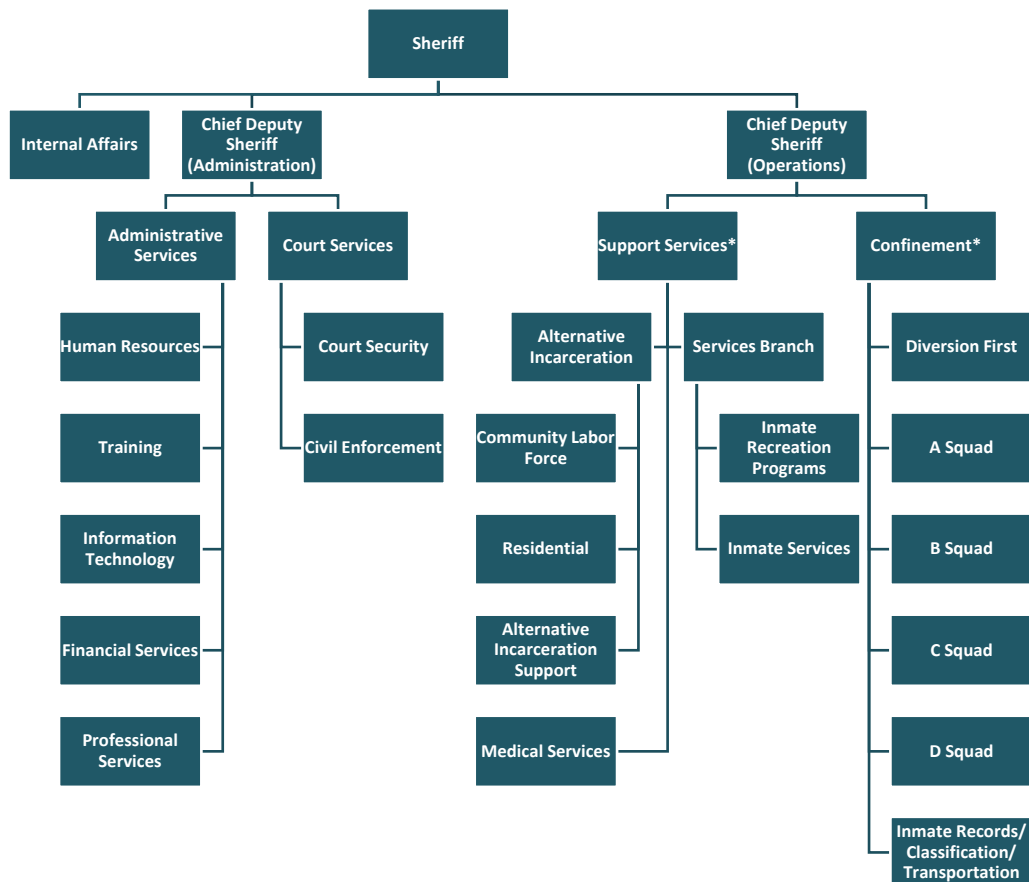

The AIB provides housing for offenders granted alternative sentencing options, such as Work Release, Electronic Incarceration, and the Community Labor Force (CLF) program. The CLF supervises inmates working in the community. This program provides offender work teams to support community improvement projects, such as landscaping, litter removal, construction, painting, snow removal, and graffiti abatement. They also provide for the removal of trash and unwanted signs at County bus shelters and Park and Ride facilities.

Offenders meet strict eligibility and suitability requirements for this minimum-security environment. All Work Release inmates are monitored with a GPS device. The AIB places emphasis on having offenders defray the cost of their incarceration and meet their financial obligations, which may include fines, court costs, restitution, and child support payments.

## Pandemic Response and Impact

During the COVID-19 pandemic, the Sheriff's Office has worked with County stakeholders to mitigate exposure to, and spread of, the coronavirus. The deputies, nurses, and support staff were well-trained and well-prepared to quickly address this crisis while readily adapting to new information. They are on the front lines ensuring the safety, security, and well-being of hundreds of people in the Adult Detention Center and thousands coming through the courthouse. With recommendations and guidance from the Health Department and the Centers for Disease Control and Prevention (CDC), the Sheriff's Office has efficiently and effectively implemented protocols in the ADC that have minimized health risks for staff, visitors, and those entrusted to the care of the Sheriff's Office. Staff members have used personal protective equipment appropriately and responsibly to ensure the available supply can meet ongoing needs. As the pandemic evolves, staff have been reassigned to where the need is greatest. The Sheriff's Office remains a good steward for the County and the people it serves.

## FY 2022 Funding Adjustments

The following funding adjustments from the FY 2021 Adopted Budget Plan are necessary to support the FY 2022 program. Included are all adjustments recommended by the County Executive that were approved by the Board of Supervisors, as well as any additional Board of Supervisors' actions, as approved in the adoption of the Budget on May 4, 2021.

### Employee Compensation \$605,069

An increase of \$605,069 in Personnel Services is included for a 1.00 percent market rate adjustment (MRA) for all employees effective July 2021.

### Opioid Task Force \$466,779

An increase of \$466,779 and 6/6.0 FTE new positions is required to address the growing opioid epidemic. In response to the opioid crisis facing our nation and local communities in Northern Virginia, the Board of Supervisors established an Opioid Task Force to help address the opioid epidemic locally. Funding will support the jail-based Medication Assisted Treatment (MAT) program within the Adult Detention Center to include a MAT Coordinator, a Peer Recovery Specialist, and Nurse Practitioners to allow for 24/7 medical services coverage. It should be noted that an increase of \$206,181 in Fringe Benefits funding was included in Agency 89, Employee Benefits. For further information on Fringe Benefits, please refer to the Agency 89, Employee Benefits, narrative in the Nondepartmental program area section of Volume 1.

### Reduction (\$1,650,000)

A reduction of \$1,650,000 in Personnel Services reflects anticipated savings of \$926,320 based on efficiencies and trends in actual Personnel expenditures and savings of \$723,680 as a result of the County's highly successful Diversion First program which diverts people with mental illness, substance use disorders, and/or developmental disabilities in our community from arrest and incarceration.

**Changes to  
FY 2021  
Adopted  
Budget Plan**

The following funding adjustments reflect all approved changes in the FY 2021 Revised Budget Plan since passage of the FY 2021 Adopted Budget Plan. Included are all adjustments made as part of the FY 2020 Carryover Review, FY 2021 Mid-Year Review, FY 2021 Third Quarter Review, and all other approved changes through April 30, 2021.

**Carryover Adjustments** **\$1,424,328**  
As part of the FY 2020 Carryover Review, the Board of Supervisors approved encumbered funding of \$1,424,328 including \$1,347,487 in Operating Expenses and \$76,841 in Capital Equipment.

**Third Quarter Adjustments** **(\$653,000)**  
As part of the FY 2021 Third Quarter Review, the Board of Supervisors approved funding of \$547,000 in Personnel Services for a one-time compensation adjustment of \$1,000 for merit employees and \$500 for non-merit employees paid in May 2021. The increase was offset by a reduction of \$1,200,000 in Personnel Services expenditures to reflect anticipated savings based on efficiencies and trends in actual Personnel expenditures.

**Cost Centers**

The four cost centers of the Sheriff's Office are Administrative Services, Court Services, Confinement, and Support Services. The cost centers work together to fulfill the mission of the agency and carry out the key initiatives for the fiscal year.

**Administrative Services**

The Administrative Services cost center provides managerial direction for the agency. This division incorporates six sections: Command and Internal Affairs, Professional Services, Human Resources, Training, Information Technology, and Financial Services. ## Performance Measurement Results

The Administrative Services Division currently provides management support for an agency of over 600 staff positions and daily banking services for approximately 700 inmates. Staff services include, but are not limited to, human resources, professional development, training, fiscal management, and technological support. In FY 2020, the Sheriff's Office had two Criminal Justice Academy classes, from which a total of 23 deputy sheriffs graduated. In recruitment, 42 percent of new hires were minorities. In FY 2020, the Sheriff's Office averaged 58 vacancies. It is projected turnover will increase due to the number of staff reaching retirement age.

The Court Services Division has the largest and busiest visitor population of any of the facilities staffed by the Sheriff's Office. In FY 2020, the number of visitors to the court facilities was 505,536, with a total of 249,063 court cases heard. There were 25,765 prisoners escorted to court during this period, with no escapes. Despite good communication and proactive measures by staff, there were two incidents of injury to the public in FY 2020 resulting from physical altercations between family members while in the courthouse. There was also an increase in incident of willful damage to the courthouse or on the judicial complex in FY 2020. The three reported incidents involved a broken window, a broken parking meter, and the intentional flooding of a toilet. In the 98,914 attempts to serve a civil process, there were no incidents of a court case adversely affected by technical error during the service of process. Even though the number of civil processes served continues to decline, service of protective orders remains a major workload indicator for Civil Enforcement deputies.

The Confinement Division maintains order and security within the facility. The agency focus is on maintaining a secure and safe environment and preventing the escape of persons in custody. The average daily inmate population (ADP) in the Adult Detention Center (ADC) and the Alternative Incarceration Branch (AIB) decreased from 964 in FY 2018 to 746 in FY 2020.

Medical staff contacts with inmates increased, with 839,061 occurring in 2020. Inmates' health concerns are increasingly complex and costly, with inmates in correctional facilities having significantly higher rates of disease and infectious disease than the general population, and higher levels of mental health problems and substance use disorders. Consequently, the number of healthcare contacts and prisoner hospital days continue to increase even while the ADP has decreased. The quality of service provided to inmates remains high, as national accreditation and certification standards have been maintained, and performance audits continue to be passed with high marks. It should be noted that Medical Service performance measures are reflected in the Confinement cost center because they directly relate to the Confinement Division; however, financially they are part of the Support Services cost center.

In FY 2020, no inmates died while in the custody of the Sheriff's Office.

The Sheriff's Office has continued to dedicate resources to help those affected by mental illness in Fairfax County. Seven deputies from the Confinement Division and two supervisors are assigned full-time to the Diversion First program. Along with Diversion First, the Sheriff's Office also offers new technologies inside the ADC such as the use of iPads for Tele-psychiatry, which allow confined persons to communicate directly with Mental Health professionals when none are available inside the ADC and their services are needed.

On average the Support Services Division's Alternative Incarceration Branch (AIB) managed 60 minimum and medium security inmates each day in FY 2020. These inmates were assigned to one or more of the Alternative Sentencing programs: Work-Release, Electronic Incarceration Program (EIP), Community Labor Force (CLF), Outside Workforce, Inside Workforce, or Re-Entry. One of the main focuses of the AIB is to place as many eligible and suitable inmates in the Work Release Program or the EIP as possible. In FY 2020, the average number of EIP inmates was approximately three per day. EIP inmates are not housed in the AIB but they are managed by AIB staff. Changes in FY 2014 have made it standard practice for staff to verify EIP eligibility status with the sentencing judge in order to allow consistent access to the program.

The Community Labor Force (CLF) is a safe, low-risk offender, public labor force under the supervision of Deputy Sheriffs. In FY 2020, the average daily number of CLF inmate participants was 16. This number does not include individuals in the Fines Options Program who are not serving jail sentences but are required to complete community service time. Inmates who meet the strict criteria for participation in the CLF are provided the opportunity to work on a crew away from the ADC under the close supervision of a Deputy Sheriff. The CLF's work offers quick and efficient elimination of trash, debris, and graffiti. In addition, the CLF performs landscape maintenance at over 50 County-owned sites, including the Public Safety Complex. The CLF continues to maintain over 400 bus shelters/stops throughout the County by removing trash, performing basic landscaping, and removing graffiti. The CLF has also assisted in snow removal and expanded mowing operations at a significant cost savings to the County. The CLF added rain garden and dry pond maintenance for the Department of Public Works and Environmental Services as a permanent program in FY 2013. In FY 2014, removing signs from high volume public rights-of-way was also added as a new program and continues today. Starting in FY 2017, the Sheriff's Office reported on the total value of work performed by the CLF, without splitting out the amount into routine work and special community improvement projects.
