

Fund 10030: Contributory Fund

Contributory Overview

Fund 10030, Contributory Fund, was established in FY 2001 to reflect General Fund support for agencies or organizations that receive County contributions. FY 2022 contributory funding totals \$14,493,160 and reflects a decrease of \$14,300 or 0.1 percent from the FY 2021 Adopted Budget Plan funding level of \$14,507,460. The required Transfer In from the General Fund is \$14,492,449, a decrease of \$14,300 from the FY 2021 Adopted Budget Plan level. Individual contributions are described in detail on the following pages.

Contributory funding is in compliance with the Board of Supervisors' policy to make General Fund appropriations of specified amounts to various nonsectarian, nonprofit, or quasi-governmental entities for the purpose of promoting the general health and welfare of the community. Contributory agency positions are not part of the County merit system and funding for all contributory agencies is reviewed annually. Each request is reviewed on the basis of the benefit to Fairfax County citizens, contractual or regional commitments, the responsibilities of state agencies, and a prior County commitment of funding. When appropriate, a nonprofit agency that provides specific contractual partnership services may be referred to Fund 10020, Consolidated Community Funding Pool, for funding consideration by the Consolidated Community Funding Advisory Committee.

Since public funds are being appropriated, disbursements provided to designated agencies are currently made contingent upon submission and review of quarterly, semiannual, and/or annual reports. This oversight activity includes reporting requirements prescribed by the County Executive, requiring designated agencies to accurately describe the level and quality of services provided to County residents, as well as the overall financial strength and stability of the County's contributory agencies. Various County agencies may be tasked with oversight of program reporting requirements. Contributory agencies that do not file reports as requested, may, at the discretion of the County Executive, have payments withheld until appropriate reports are filed and reviewed.

It should be noted that population is used by several of the organizations as the basis for their requests for FY 2022 funding from Fairfax County. The population figures cited by the individual organizations for Fairfax County may differ somewhat from one another due to the particular projection service utilized.

FY 2022 Funding Adjustments

The following funding adjustments from the FY 2021 Adopted Budget Plan are necessary to support the FY 2022 program:

FY 2022 Baseline Adjustments (\$14,300)

A net decrease of \$14,300 reflects adjustments associated with contributions based primarily on legal requirements, per capita calculations, contractual or regional commitments, membership dues, as well as increased support for arts and cultural activities in the County. The following summaries describe these adjustments in more detail by program area.

The **Legislative-Executive Functions/Central Service Agencies** program area increases \$17,237 based on an increase of \$12,206 or 1.6 percent for the Northern Virginia Regional Commission and \$9,021 or 0.7 percent for the Metropolitan Washington Council of Governments (COG). There is a decrease of \$3,465 or 2.1 percent for the Northern Virginia Transportation Commission and a decrease of \$525 for the Virginia Association of Counties. It should be noted that population, as determined by the County's Department of Management and Budget, may differ from other particular projection services, e.g., Weldon Cooper Center for Public Service, used by various contributory agencies as the basis for their contributions.

The **Public Safety** program area remains flat in FY 2022 compared to FY 2021.

The **Health and Welfare** program area decreases \$18,381 or 0.5 percent due to a decrease for the Northern Virginia Healthcare Center/Birmingham Green Adult Care Residence, known collectively as Birmingham Green, based on actual costs and utilization rates at the facility.

The **Parks, Recreation and Cultural** program area decreases \$14,170 or 0.3 percent due to a decrease for the Northern Virginia Regional Park Authority based on changes in population share among member jurisdictions.

The **Community Development** program area increases \$1,014 or less than one percent due to an increase of \$1,505 or 17.7 percent for the Architectural Review Board. The increase was partially offset by a decrease of \$491 for Northern Virginia Community College.

The **Nondepartmental** program area remains at the FY 2021 level.

Changes to FY 2021 Adopted Budget Plan

The following funding adjustments reflect all approved changes in the FY 2021 Revised Budget Plan since passage of the FY 2021 Adopted Budget Plan. Included are all adjustments made as part of the FY 2020 Carryover Review, FY 2021 Mid-Year Review, and all other approved changes through December 31, 2020:

Carryover Adjustments \$625,000

As part of the FY 2020 Carryover Review, the Board of Supervisors approved one-time funding in the amount of \$600,000 to support the Turning Point Suffragist Memorial. The Board also approved one-time funding in the amount of \$25,000 for the Washington Council of Governments to support the Agricultural Task Force.

The following pages provide background information and summary budget data for organizations receiving FY 2022 contributory funding.

Dulles Area Transportation Association	\$15,000	\$15,000	\$15,000	\$15,000

The Dulles Area Transportation Association (DATA) is a public-private, nonprofit, 501(c)(3) tax exempt transportation management association dedicated to improving transportation in a 150-square mile area around Dulles Airport including Route 28, Route 50, Route 7, and Dulles Corridor (the Greater Dulles Area). Its membership is composed of elected officials of the Commonwealth of Virginia, Fairfax County, Loudoun County, and the towns of Herndon and Leesburg; senior executives of the Metropolitan Washington Area Airports (MWAA); and other employer firms, property owners and business professionals, with membership open to all. DATA currently has over 50 dues-paying individual corporations and businesses, and governmental or quasi-governmental organizations. There are an additional 50 non-paying local representatives to the General Assembly, representatives of citizen associations, and affiliate members (e.g., Fairfax County Chamber of Commerce), none of whom are obligated to pay dues but allow similar memberships in their organizations.

DATA provides a neutral public forum for identifying transportation needs within the Greater Dulles Area, as well as generating solutions to meet them. DATA plans and conducts transportation seminars in support of efforts to improve transportation in the greater Dulles area in conjunction with regional members of the Commonwealth Transportation Board and other local governing bodies. Other programs emphasize congestion management and mobility approaches including heavy and light rail, bus rapid transit, and highway improvements. The effects of greenhouse gases and climate change will be explored further. DATA staff also works with the County’s Department of Transportation to execute targeted projects aimed at raising employer and citizen awareness of the challenges and possible solutions to traffic congestion in the region.

The FY 2022 Fairfax County funding amount for the Dulles Areas Transportation Association is \$15,000, which is consistent with the FY 2021 Adopted Budget Plan.

Metropolitan Washington Council of Govts.	\$1,203,241	\$1,231,388	\$1,256,388	\$1,240,409

The Metropolitan Washington Council of Governments (COG) is the regional planning organization of the Washington, D.C. area's local governments. COG works toward solutions to regional problems such as transportation, affordable housing, emergency preparedness and environmental issues. Currently, 22 area jurisdictions are members, including Fairfax County. Funding for COG is provided through federal and state grants, special contributions (fees for services) and local government contributions. Annual COG contributions are based on the per capita rate multiplied by the population estimates provided by member jurisdictions. The FY 2022 per capita rate is \$0.770, compared to the FY 2021 rate of \$0.775.

The FY 2022 Administrative Contribution totals \$912,450, an increase of \$4,847 over the FY 2021 Adopted Budget Plan of \$907,603. COG calculates each jurisdiction's share based on the region's estimated population. In addition to the Administrative Contribution of \$912,450 and Special Contributions of \$327,959 (\$163,296 for the Regional Environmental Fund, \$120,504 for the Regional Public Safety Fund and \$44,159 for Water Resources) for a total Fund 10030 contribution

Fund 10030: Contributory Fund

of \$1,240,409, an amount of \$14,000 is budgeted in Fund 40170, I-95 Solid Waste Disposal, and \$355,657 (\$271,265 for Water Resource Planning, \$72,892 for Blue Plains Users, and \$11,500 for the Community Engagement Campaign) is budgeted in Fund 69010, Sewer Operation and Maintenance. The total FY 2022 County contribution to COG is \$1,610,066.

As part of the *FY 2020 Carryover Review*, the Board of Supervisors approved one-time funding in the amount of \$25,000 to COG to support the Agricultural Task Force.

National Association of Counties	\$21,635	\$21,635	\$21,635	\$21,635

The National Association of Counties (NACo) is an organization that represents and informs participating governments of current developments and policies that affect services and operations. NACo acts as a liaison with other levels of government, works to improve public understanding of counties, serves as a national advocate for counties and provides them with resources to find innovative methods to meet the challenges they face. NACo is involved in a number of special projects that deal with issues such as homeland security, energy, environment, housing, and land use, among others.

An amount of \$21,635 is included for FY 2022 dues, which is consistent with the FY 2021 Adopted Budget Plan.

Northern Virginia Regional Commission	\$743,197	\$744,711	\$744,711	\$756,917

The Northern Virginia Regional Commission (NVRC) is a regional council of local governments in Northern Virginia created in 1969 pursuant to the Virginia Area Development Act and a regionally executed charter. In 1995, the Virginia Area Development Act was amended and renamed the Regional Cooperation Act. It sets forth the purpose of planning district commissions as follows: "...to encourage and facilitate local government cooperation in addressing, on a regional basis, problems of greater than local significance. The cooperation resulting from this Act is intended to assist local governments in meeting their own problems by enhancing their abilities to recognize and analyze regional opportunities and take account of regional influences in planning and implementing their public policies and services."

NVRC's policies and programs are established by a 25-member Board of Commissioners composed entirely of elected council and board members of NVRC's 14 member localities. The work of the Commission is supported in part by contributions from the member local governments and by appropriations from the Virginia General Assembly.

NVRC serves as a neutral forum for decision-making; provides member governments with the information and analyses necessary to make sound local and regionally beneficial decisions; provides professional and technical services to enable member governments to plan for their future individually and as a region; and carries out programs and functions at the request of member governments to supplement their own capacities or to achieve economies of scale through regional approaches. NVRC's services are divided into regional policy programs such as the legislative program; demographics and information services; environmental and land use; and human services programs.

Fund 10030: Contributory Fund

The total FY 2022 Fairfax County contribution is \$756,917, an increase of \$12,206 or 1.6 percent over the FY 2021 Adopted Budget Plan contribution of \$744,711. This amount provides for the annual contribution of \$661,465, as well as special contributions of \$48,110 to support the Occoquan Watershed Management Program, \$20,346 for the Four-Mile Run Watershed Program, and \$13,329 for the Northern Virginia Waste Management Program. The amount also includes \$13,667 to complete a major update to the Northern Virginia Regional Water Supply Plan. Fairfax County's share of the plan's total cost is \$41,000, to be paid over the next three years. The FY 2022 per capita rate of \$0.60 is unchanged from FY 2021.

Northern Virginia Transportation Comm.	\$164,451	\$163,471	\$163,471	\$160,006

The Northern Virginia Transportation Commission (NVTC) is the executive agency of the Northern Virginia Transportation District. It was established by state statute as a political subdivision of the Commonwealth of Virginia. The principal business activity of the Commission is to manage and control the functions, affairs, and property of the Northern Virginia Transportation District, as defined in the Transportation Act of 1964. It represents its constituent jurisdictions (Alexandria, Falls Church, Fairfax City, Arlington County, Fairfax County and Loudoun County) on the Washington Metropolitan Area Transportation Authority (WMATA) Board.

Each NVTC jurisdiction is assigned a percentage of the local portion of NVTC's administrative budget based on the jurisdiction's share of state aid received by NVTC in the previous year. This is determined by the application of a subsidy allocation model that projects the total amount of state aid received by the region and local jurisdictions. This model contains seven formulas including such variables as Metrorail construction costs, Metrorail service costs, ridership volume and population. These calculated percentages for each jurisdiction are applied to NVTC's remaining administrative budget after other revenue sources such as state aid, interest earned, and project chargebacks have been applied.

Based on its share of revenue received by NVTC on behalf of Fairfax County, the total FY 2022 County contribution is \$160,006, a decrease of \$3,465 or 2.1 percent from the FY 2021 Adopted Budget Plan contribution of \$163,471.

Virginia Association of Counties	\$240,655	\$245,469	\$245,469	\$244,944

The Virginia Association of Counties (VACo) is an organization dedicated to improving County government in the Commonwealth of Virginia. To accomplish this goal, the Association represents Virginia counties regarding state legislation that would have an impact on them. The Association also provides conferences, publications and programs designed to improve county government and to keep county officials informed of recent developments in the state, as well as across the nation.

The FY 2022 Fairfax County contribution to VACo is \$244,944, a decrease of \$525 or 0.2 percent from the FY 2021 Adopted Budget Plan contribution of \$245,469. The funding level is based on an assumed population increase of two percent annually. The per capita rate of \$0.21 remains unchanged.

Washington Airports Task Force	\$50,000	\$50,000	\$50,000	\$50,000

The Commonwealth of Virginia, Fairfax County, the private sector, and other local governments support the Washington Airports Task Force. Its purpose is to develop markets, as well as promote domestic and foreign usage of the Metropolitan Washington airports. It has yielded hundreds of millions of dollars in economic return for the Washington region and the Commonwealth of Virginia, including investment, tourism income, trade opportunities and jobs. Both Dulles and Washington National airports continue their significant impact on Fairfax County's economy.

The FY 2022 Fairfax County contribution is \$50,000, which is consistent with the FY 2021 Adopted Budget Plan. The contribution will be used to maintain a comprehensive, proactive marketing and sales program to promote the region's air service opportunities to the world's airlines and other air service providers; encourage improvement of airport access; ensure adequate air traffic control, homeland security and customs support services from the federal government; and support the Metropolitan Washington Airports Authority's capital development.

NOVARIS	\$9,577	\$9,577	\$9,577	\$9,577

The Northern Virginia Regional Identification System (NOVARIS) utilizes state-of-the-art computer equipment to identify criminals by categorizing and matching fingerprints. It enables police to match a fingerprint found at the scene of a crime with any individual who has been arrested in the Washington Metropolitan area by comparing the print or partial print with all prints in the database.

Participating Washington metropolitan area jurisdictions share costs associated with NOVARIS based on the sworn police population of each jurisdiction as approved by the NOVARIS Advisory Board on July 30, 1997. As of FY 2008, Montgomery and Prince George's counties no longer participate in NOVARIS as those jurisdictions have joined a Maryland regional fingerprint system. However, Loudoun County and the Virginia State Police joined NOVARIS in FY 2008. The system is housed in Fairfax County and is staffed by personnel contributed by the participating jurisdictions. Fairfax County exercises a fiduciary responsibility for the financial management and operation of NOVARIS, with the County contribution made through the Contributory Fund.

The total Fairfax County FY 2022 funding is \$9,577, which is consistent with the FY 2021 Adopted Budget Plan. The contribution consists of the County's annual share of costs associated with operations and upgrades of NOVARIS.

The Health Systems Agency (HSA) of Northern Virginia is a regional body charged with coordinating and improving the health care system for Northern Virginia. To accomplish this, the agency establishes short-term objectives and long-range goals, as well as prepares annual implementation plans. In addition, HSA promotes and assists in community-oriented planning among and within local health care systems, documents and evaluates the need for new services in the region, and reviews health service and facility capital expenditure proposals subject to certificate of public need regulation filed by health service provider organizations in the region. Member jurisdictions include the counties of Fairfax, Arlington, Loudoun, and Prince William, as well as the cities of Fairfax, Alexandria, Manassas, and Falls Church. Funding contributions to HSA from local jurisdictions are encouraged but are not required.

The FY 2022 funding amount for the Health Systems Agency is \$108,200, which is consistent with the FY 2021 Adopted Budget Plan. The contribution is based on a per capita rate of \$0.10 and Fairfax County's 2010 Census population figures. In FY 2022, revenue of \$247,695 is projected to be received from four sources: local government contributions, \$181,450 or 73 percent; contract studies, \$38,000 or 15 percent; Contract Certificate of Public Need (COPN) fees of \$16,000 or 7 percent; and Reserves of \$12,245 or 5 percent. Fairfax County is the largest local government contributor in FY 2022, providing \$108,200 or 60 percent of the support received from the local government units.

In January 2009, members of the Medical Care for Children Advisory Council and private citizens concerned about health care for children in Fairfax County formed the Medical Care for Children Partnership which is dedicated to conducting fundraising support on behalf of the County for the care of uninsured children in Fairfax County.

MCCP receives funding from Fairfax County as its sole local government source. The Fairfax County FY 2022 contribution is \$237,000, which is consistent with the FY 2021 Adopted Budget Plan.

Northern Virginia Healthcare Center/ Birmingham Green Adult Care Residence	\$2,808,377	\$2,867,393	\$2,867,393	\$2,849,012

Birmingham Green, a collective name, was founded in 1927 as a District Home under legislation passed in 1918 by the General Assembly. The District Home legislation encouraged jurisdictions to join together to establish facilities for indigent persons who need a permanent home and also require assistance with daily living activities. Fairfax was one of five jurisdictions that agreed to participate in the District Home in Manassas.

The property, which is located on 54 acres, includes an original building from 1927, a 180-bed nursing facility, and two joint apartment-type buildings for 92 assisted living residents. The counties of Fairfax, Fauquier, Loudoun, and Prince William, as well as the City of Alexandria established the Northern Virginia Healthcare Center Commission in 1987. Each jurisdiction is represented by a member on the Commission.

The present nursing home, Birmingham Green Healthcare Facility, opened in May 1991. The nursing facility accepts residents who are eligible for long-term care Medicaid and who are referred by the five participating jurisdictions. In Fairfax, social workers from the Department of Family Services screen and refer eligible individuals. A few persons are admitted for only rehabilitation and their care is paid for by Medicare or private insurance. For diversification of funding, but in keeping with the mission of serving indigent persons, a limited number of persons who pay privately are admitted.

The old District Home, a licensed assisted living facility, adjacent to the nursing facility, now accepts private pay residents with moderate incomes. The District Home continues to operate under the auspices of the Commission. This facility provides room and board, along with assistance in activities of daily living for older adults and adults with disabilities.

Willow Oaks, a 92-unit licensed assisted living facility replaced the original 64-bed District Home in 2008. Funding for the new facility was primarily provided through the U.S. Department of Housing and Urban Development. As with the nursing facility, individuals are referred by the five participating jurisdictions. To be admitted, individuals must be eligible for auxiliary grants, which supplement the individuals' incomes. Medicaid provides for needed medical care.

Operating costs for Birmingham Green are partially covered through the Medicaid and General Relief programs at the maximum rates established by the state. To the degree that these funds, along with some additional funds from Medicare, other insurance, and private pay, are inadequate to cover the full costs of the operation of the facility, the sponsoring jurisdictions then subsidize Birmingham Green on a user formula basis. Each jurisdiction pays for Personnel Services and Operating Expenses at a level proportionate to the number of the jurisdiction's residents.

The total FY 2022 Fairfax County funding for these facilities is \$2,849,012, a decrease of \$18,381 or 0.6 percent compared to the FY 2021 Adopted Budget Plan contribution of \$2,867,393. The increase is based on actual costs and utilization rates at the facilities.

Volunteer Fairfax	\$441,142	\$405,772	\$405,772	\$405,772

Volunteer Fairfax is a private, nonprofit corporation created in 1975 and incorporated in the Commonwealth of Virginia. The center promotes volunteerism through a network of over 1,000 nonprofit and public agencies by mobilizing people and other resources to improve the community. Its primary goals are to assist private nonprofit and public agencies in developing strong, efficiently managed organizations and volunteer programs; to increase corporate and citizens' direct involvement in the community; to provide programs and services through partnerships that contribute to the resolution of community issues; and to increase the public's awareness of both the need for and the benefits of volunteer service to the community. The scope of the center's work also includes active participation in emergency preparedness activities and coordination through its support of the Citizen Corps, the County's Emergency Management Coordinating Council and Emergency Operations Center, the Northern Virginia Voluntary Organizations Active in Disaster, and the Metro Coalition of Volunteer Centers.

The center receives funding from Fairfax County as its sole local government source. In addition to the annual contribution, Fairfax County provides in-kind office space to the center. The Fairfax County FY 2022 contribution is \$405,772, which is consistent with the FY 2021 Adopted Budget Plan contribution.

Established in 1964, the Arts Council of Fairfax County, Inc., now doing business as ARTSFAIRFAX, is a private, nonprofit organization whose mission is to be the voice of the arts in Fairfax County, dedicated to fostering dynamic and diverse local arts, ensuring that the arts thrive by providing vision, leadership, capacity building services, advocacy, funding, education, and information. ARTSFAIRFAX is the designated arts service organization for Fairfax County, distributing County funds to the arts and providing arts services for the benefit of the arts and Fairfax County residents, workers, and visitors.

FY 2022 funding of \$1,104,445 for operating support and funding for arts grants is consistent with the FY 2021 Adopted Budget Plan. Total funding for arts grants is \$596,900, of which no more than \$50,000 will be used to support the administrative costs of the Grants Program. ARTSFAIRFAX manages County arts grants through a competitive, transparent, peer-panel review process meeting 'best practices' standards in grant making. Grants panel reviews are open to the public. Arts grants are given for both operating and programmatic purposes. Arts grant recipients leverage private funding and enable the arts to continue to flourish in the County. These grants require that the recipient demonstrate that it has attracted two net new dollars for every one awarded through the arts funding pool. As art organizations are struggling to survive the ongoing effects of the COVID-19 pandemic, the County has approved the suspension of the matching requirement for FY 2021 and until the economy recovers. Waiving the match is an effective way to provide relief to the arts organizations without additional cost to the County.

including its own concert series at the GMU Center for the Arts, programs in the public schools, master classes for young music students, and free “Arts in the Parks” concerts throughout Fairfax County in the summer.

The County’s contribution to the FSO supports all facets of the orchestra – Masterworks concerts, educational outreach, and special concerts. County support in FY 2022 will allow the orchestra to continue its valuable partnership with the Fairfax County Public Schools and the Fairfax County Park Authority to provide music literacy and outreach programs. FSO will continue to expand its Symphony Creating Outreach Resources for Educators (SCORE) program, an interactive and flexible program serving elementary, middle, and high school band and orchestra students in Fairfax County Public Schools. In addition, FSO will continue to perform free events at County parks and historic sites.

The FY 2022 funding included for the Fairfax Symphony Orchestra is \$261,032, which is consistent with the FY 2021 Adopted Budget Plan.

Since FY 2005, the Board of Supervisors has provided funding to support construction of the U.S. Army Museum at Fort Belvoir in the southeastern part of Fairfax County. The museum opened in November 2020 and is expected to draw approximately 740,000 visitors annually. The museum features unique educational programs and resources in the areas of technology, history, geography, political science, engineering, and civics for students of all ages.

All of the branches of the military either already have a centralized museum or are in the process of building one. The Air Force Museum is at Wright-Patterson Air Force Base, Ohio; the Navy Museum is at the Washington Navy Yard; and the U.S. Marine Corps opened its National Heritage Center at Quantico Marine Base, less than 20 miles south of Fort Belvoir in Prince William County in 2006. A County contribution of \$150,000 has been included for the U.S. Army Museum for FY 2022, which is consistent with the FY 2021 Adopted Budget Plan.

acres are in Fairfax County. Parklands within the system include: Bull Run, Bull Run Marina, Fountainhead, Sandy Run, Pohick Bay, Carlyle House Historic Park, Potomac Overlook, Upton Hill, Algonkian, Red Rock, the W&OD Trail, Occoquan, Hemlock Overlook, Cameron Run, Gateway, Meadowlark Gardens, Ball's Bluff, Temple Hall, Brambleton, Aldie Mill and Blue Ridge Park. In addition, the NVRPA administers extensive regional historic and conservation properties throughout Northern Virginia. These community resources are supported primarily from the annual contributions of its six member jurisdictions: the counties of Fairfax, Loudoun and Arlington, and the cities of Fairfax, Alexandria, and Falls Church. Each member jurisdiction's contribution is in direct proportion to its share of the region's population. In the past decade, the entire population served by the NVRPA grew to 1.9 million residents and is expected to approach 2.0 million in 2021.

Fairfax County's contribution to the Northern Virginia Regional Park Authority in FY 2022 is \$2,229,880, a decrease of \$14,170 or 0.6 percent from the FY 2021 Adopted Budget Plan contribution of \$2,244,050 based on changes in the County's population. The per capita rate remains \$1.95 in FY 2022.

In addition to the operating contribution, an amount of \$3,000,000 has been included in Fund 30010, General Construction and Contributions. This funding will serve as the FY 2022 annual capital contribution.

A private/public partnership was established in 1968 between the Wolf Trap Foundation and the National Park Service for the operation of the Wolf Trap Farm Park for the Performing Arts in Vienna, Virginia. The partnership was founded through a gift of land to the United States Government. The National Park Service maintains the property and conducts parking and audience management. The Foundation is responsible for all other aspects of running the facility, including the presentation of a wide variety of performances and educational programs. Foundation programs reach nearly 410,000 people in Fairfax County each year at two sites: the Filene Center, a 7,000-seat outdoor amphitheater in a park-like setting; and the Barns of Wolf Trap, two 18th Century barns reconstructed at Wolf Trap using original building materials and techniques.

In FY 1999, Fairfax County began to contribute funding to Wolf Trap to support the Foundation's efforts to provide Fairfax County citizens with access to the best possible performing arts, and to position Fairfax County nationally as a leader in the arts and arts-in-education. Educational programs focusing on Fairfax County's young children and their teachers, parents and caregivers include development workshops for teachers, family involvement workshops, and field trip performances. For example, Wolf Trap is partnering with Fairfax County Public Schools to develop and evaluate new techniques of using the arts to advance science, technology, engineering, and math (STEM) learning among kindergarten students.

Northern Virginia Community College	\$114,742	\$113,912	\$113,912	\$113,421

Northern Virginia Community College (NVCC) is a comprehensive institution of higher education offering programs of instruction generally extending not more than two years beyond the high school level. The College currently has six campuses (Alexandria, Annandale, Loudoun, Manassas and Springfield for medical education and Woodbridge) with permanent facilities constructed on each site. In addition to the six campuses, the College has centers in Arlington and Reston. Each year, the College serves more than 78,000 students in credit-earning courses and more than 25,000 students in continuing education and training activities.

NVCC projects FY 2022 expenditures of \$250,000 for base operating requirements. The base, which is funded by the governing bodies of the local jurisdictions served by the College, as well as any fund balances support additional services that cannot be provided under the College's annual state fiscal appropriations. For example, local funding provides for increased matching loan funds and support of community service activities. This local funding is for Operating Expenses only and is not applied toward Personnel Services. The local jurisdictions served by the College are requested to contribute their share of the College's base expenditure, which is calculated on a per capita basis as reported by the College using population figures from the Weldon Cooper Center for Public Service.

The FY 2022 Fairfax County contribution to this agency for operations and maintenance is \$113,421, a decrease of \$491 or 0.4 percent from the FY 2021 Adopted Budget Plan contribution of \$113,912. This amount reflects the County's share of the services provided to Fairfax County residents as reported by the College and is 45.4 percent of the local jurisdictions' contributions totaling \$250,000 for FY 2022.

In addition, County funding of \$2,572,937 is included in Fund 30010, General Construction and Contributions, for an annual capital contribution to the College based on a \$2.25 per capita rate using population figures provided by the Weldon Cooper Center. Funding provides for the continued construction and maintenance of various capital projects on college campuses within the NVCC system. Beginning in FY 2021 the NVCC had proposed, and Fairfax County supported, redirecting \$0.50 of the capital contribution rate from the capital program to the operational program to support a new skilled workforce initiative. In FY 2022, the entire capital contribution will support the Online Early College High School initiative with the exception of \$0.50 which will support IT exams and certificates to match the needs of regional employers. The Online Early College Program will offer Fairfax County Public School (FCPS) high school seniors the opportunity to enroll in up to two concurrent college-credit courses. Funding for capital construction projects will continue using balances that exist from previous years' jurisdictional contributions.

Women's Center of Northern Virginia	\$27,023	\$27,023	\$27,023	\$27,023

The Women's Center is a private, nonprofit organization that provides personal and professional development services to women in Northern Virginia. Since FY 1978, the Board of Supervisors has contributed to this center in order to provide free or sliding-fee scale services to Fairfax County female residents who are unemployed, separated, abandoned, or divorced, and the head of a household. Services include individual and group workshop sessions for women covering such areas as divorce, separation, financial planning, and legal rights.

In FY 2022, the Center anticipates receiving requests from County residents for approximately 28,500 hours of direct service to meet their interrelated psychological, practical, legal, and financial needs. Many of these residents are financially disadvantaged and require low-cost services. Access to these services enables community members to become self-sufficient and ultimately more productive community members.

The total FY 2022 Fairfax County funding is \$27,023, which is consistent with the FY 2021 Adopted Budget Plan.

Fairfax Public Law Library	\$92,657	\$92,657	\$92,657	\$92,657

The mission of the Fairfax Public Law Library is to promote justice by providing all citizens with access to legal information. The legal resources available in the Law Library are not available to the public at any other single location within the County. In 2001, Fairfax County, the Clerk of the Court, and the Fairfax Bar Association (FBA) entered into an agreement with regard to the Law Library. The agreement provides that Fairfax County, through the Fairfax County Public Library shall have primary responsibility for the administration of the Law Library, while the FBA has primary responsibility for its management.

Currently located in the Fairfax County Judicial Center, the Fairfax Public Law Library assists the public, as well as members of the legal community, with locating sources for legal information and provides bibliographic instruction. In addition to the collection, the Law Library has eight workstations dedicated to providing general information on divorce, immigration, estate planning and employment for patrons, as well as eight computer workstations where the public may locate sample legal forms and do a variety of research online. In recent years, the Law Library has decreased its printed materials and increased subscriptions to online databases. The Fairfax Public Law Library anticipates serving over 80,000 patrons in FY 2022. Many are in need of legal information because they are unable to afford legal representation but do not qualify for free legal services.

The total FY 2022 Fairfax County funding is \$92,657, which is consistent with the FY 2021 Adopted Budget Plan.
