

Fund 50800: Community Development Block Grant

Mission To conserve and upgrade low- and moderate-income neighborhoods through the provision of public facilities, home improvements, public services and economic development, and to stimulate the development and preservation of low- and moderate-income housing.

Focus The Community Development Block Grant (CDBG) program seeks to stimulate the development and preservation of low- and moderate-income housing through the provision of loans, public facilities, and improvements directed toward conserving and upgrading low- and moderate-income neighborhoods. It also supports the provision of special outreach and assistance services to low- and moderate-income households. Fairfax County receives an annual Community Development Block Grant through the U.S. Department of Housing and Urban Development (HUD). The use of these funds is subject to eligibility criteria established by Congress for the program and must meet one of three national objectives: (1) benefit low- and moderate-income persons; (2) prevent or eliminate slums or blight; or (3) meet an urgent need in the community. Specific uses of each annual grant are outlined in the One-Year Action Plan. The Board of Supervisors (BOS) has designated the Consolidated Community Funding Advisory Committee (CCFAC) as the citizen advisory group charged with overseeing the Consolidated Plan and One-Year Action Plan processes. A Working Advisory Group (WAG), composed of members of the Fairfax County Redevelopment and Housing Authority (FCRHA) and the CCFAC, discusses community needs and funding priorities to formulate funding recommendations that are included in the One-Year Action Plan. The CCFAC releases the Plan for public comment and forwards the Plan to the BOS for a public hearing and adoption. The Plan is then forwarded to HUD for approval and final grant award.

Historically, CDBG funds have been used for:

- development and preservation of affordable housing;
- neighborhood improvements in communities designated as Conservation or Redevelopment Areas by the Board of Supervisors;
- needed services to the low- and moderate-income population;
- financial and technical assistance to homeowners for housing rehabilitation and repair;
- payments on loans used for affordable housing development; and
- administrative related program costs.

Details for specific projects in Program Year 47 (FY 2022) have been approved by the Board of Supervisors and submitted to HUD as part of the One-Year Action Plan for FY 2022.

A portion of the County's CDBG funding is combined with County General Funds and the Community Services Block Grant into the Consolidated Community Funding Pool (CCFP). CCFP provides funds through a competitive process to non-profit organizations for human services and affordable housing development and preservation. For more information about the CCFP, please see Fund 10020, Consolidated Community Funding Pool, in the General Fund Group section of Volume 2.

FY 2022 Initiatives

In FY 2022, estimated funding of \$5,960,799, an increase of \$351,460, or 6.3 percent, over the FY 2021 Adopted Budget Plan amount of \$5,609,339, is included. Necessary adjustments to the estimate will be made as part of the *FY 2021 Carryover Review* after the final HUD award is received. Anticipated initiatives include the following:

- Funding of \$894,119 is available for targeted public services and affordable housing projects supported by the CCFP.
- Funding of \$559,786 is available for Section 108 Loan Payments. These loans were previously approved by the BOS and HUD, and funded affordable housing preservation and development, construction of the Olley Glen senior apartments and rehabilitation work at Strawbridge Square, and road and storm drainage improvements in five Conservation Areas.
- Funding of \$727,895 is included for Planning and Urban Design, and General Administration. This supports staff and operating costs for overall program management and planning for CDBG and Section 108 Loan programs. This includes preparation of the annual HUD consolidated plans and other program reports, administration and monitoring of non-profit contracts, evaluation of program performance, and planning for the development of affordable housing in the County.
- Funding of \$2,599,303 is allocated to Contingency Fund requirements for rehabilitation and/or Special Needs Housing. Details will be outlined in the One-Year Action Plan for FY 2022.
- Funding of \$653,969 is included for the Homeownership Assistance Program and provides support for the First-Time Homebuyer program, including down payment financial assistance to low- and moderate-income homebuyers, when available. These positions enter application data, maintain waiting lists, process applications, conduct lotteries and annual occupancy certifications, market new and resale units, and counsel applicants.
- Funding of \$405,430 supports staff and operating costs for the Home Repair for the Elderly Program. This program funds minor home repairs to help low-income elderly or disabled residents live in safe and sanitary housing.
- Funding of \$120,297 is included for Fair Housing Program implementation, including conducting and reporting on fair housing tests, investigating fair housing complaints, training rental agents and housing counselors in the County's rental market, and supporting activities that affirmatively further fair housing in the County.
