MEMORANDUM

DATE: May 3, 2021

TO: Board of Supervisors

FROM: Bryan J. Hill / Jule

County Executive

SUBJECT: Adoption of the FY 2022 Budget Plan

Attached for your review are the following documents:

1. Board revenue and expenditure adjustments approved at the Budget Mark-up on April 27, 2021 (Attachment I);

- 2. Resolution Adopting Tax Rates for FY 2022 (Attachment II);
- 3. FY 2022 Appropriation Resolution for County Agencies/Funds (Attachment III);
- 4. FY 2022 Appropriation Resolution for School Board Funds (Attachment IV);
- 5. FY 2022 Fiscal Planning Resolution (Attachment V); and
- 6. FY 2022 General Fund Statement; FY 2022 General Fund Expenditures by Agency; FY 2022 Expenditures by Fund, Appropriated; and FY 2022 Expenditures by Fund, Non-Appropriated (Attachment VI).

The attachments noted above provide the official documentation of the adjustments made by the Board of Supervisors on April 27, 2021, associated with the markup of the FY 2022 budget. It should be noted that the Board took final action on the FY 2022-2026 Capital Improvement Program during budget mark-up on April 27.

The Real Estate Tax rate to be approved by the Board will decrease from \$1.15 per \$100 of assessed value to \$1.14 per \$100 of assessed value. The Personal Property Tax rate will remain at \$4.57 per \$100 of assessed value for most classes of personal property. In addition, the Stormwater fee will remain at \$0.0325 per \$100 of assessed value.

Approval of the FY 2022 Appropriation Resolutions, the FY 2022 Fiscal Planning Resolution, and the FY 2022 Resolution Adopting Tax Rates will result in a FY 2022 General Fund Disbursement level of \$4.53 billion, which is a decrease of \$185.35 million, or 3.9 percent, from the *FY 2021 Revised Budget Plan* and an increase of \$55.40 million, or 1.2 percent, over the <u>FY 2021 Adopted Budget Plan</u>. The FY 2022 School transfer for operations totals \$2.17 billion. In addition, \$197.12 million is transferred to School Debt Service and \$13.10 million is transferred to School Construction. Total County transfers to support Schools are \$2.38 billion or 52.6 percent of total County Disbursements.

Board of Supervisors Adoption of the FY 2022 Budget Plan Page 2

The net change in positions in FY 2022 is an increase of 109 positions over FY 2021. This increase is the result of the addition of positions associated with required staffing for new facilities, such as the South County Police Station and the Scotts Run Fire Station; to address increasing workloads, such as in the Office of the Commonwealth's Attorney; and to support Board priorities, such as the Diversion First program and the Opioid Task Force

In summary, the Board actions that are necessary are as follows:

- Adopt the Resolution which sets the FY 2022 tax rates for real and/or personal property, and for the local districts (community centers and sanitary districts) (Attachment II);
- Adopt the FY 2022 Appropriation Resolution for County Agencies and Funds (Attachment III);
- Adopt the FY 2022 Appropriation Resolution for School Board Funds (Attachment IV);
- Adopt the FY 2022 Fiscal Planning Resolution (Attachment V); and
- Amend the sewer ordinance as set forth in the materials submitted by staff to the board at the public hearing of April 13, 2021.

FY 2022 Budget Mark-Up

I will next outline and move approval of the budget proposal:

Add-On Adjustments

This package begins with a balance of \$9.99 million available after the adjustments included in the County Executive's Add-On package of April 19, 2021. This balance is attributable to updated revenue projections, consistent with adjustments included as part of the *FY 2021 Third Quarter Review* and reflecting updated information regarding BPOL Taxes.

Add-On Adjustments		
	FY 2022	
FY 2022 Advertised Balance	\$0	
Net Revenue Adjustments	\$18,898,257	
General Fund Transfer to E-911 Fund (to offset declining Communication Sales and Use Tax revenue)	(\$6,109,799)	
Land Development Services expenditure adjustment (Net zero impact - completely offset by revenue included in \$18.9 million above)	(\$2,796,273)	
Appropriation of state revenue for the Army Museum in Contributory Fund	\$0	
Subtotal:	\$9,992,185	
Balance as of Add-On	\$9,992,185	

Adjustments Recommended by Board

The FY 2022 Advertised Budget Plan attempted to address a myriad of County priorities with only a modest increase in revenue projected. With additional resources required to staff the planned opening of new facilities, support necessary to continue initiatives such as the Diversion First program and Opioid Task Force, and baseline funding needed to support the Body Worn Camera program and pandemic response efforts, the proposed budget included a number of adjustments which will allow the County to move forward on a number of community priorities.

However, with the limited resources available, the County Executive did not propose pay increases as part of the FY 2022 proposal, which marked the second straight year without base pay adjustments. As County employees have continued to admirably serve the community through a difficult year, the proposed budget was disappointing. Across the region, the pandemic has impacted the budgets of various jurisdictions differently. Compared to Fairfax, many of our neighboring jurisdictions benefited more from increases in residential real estate and suffered less from the drop in commercial real estate. As a result, our employees have seen surrounding jurisdictions propose pay adjustments for the upcoming budget year.

With the funding identified as part of the County Executive's April 19 Add-On memo, an amount of \$9.99 million is available to address pay in FY 2022. However, this funding is not sufficient to provide a significant pay adjustment for both County and School employees. Thus, the \$20 million Economic Recovery Reserve as recommended by the County Executive will be redirected to employee pay. As this reserve was composed of recurring resources, the redirection of this reserve does not exacerbate budgetary challenges in FY 2023. With this reserve, funding just shy of \$30 million is available to be utilized for employee pay in FY 2022.

The Board remains committed to both acknowledging the hard work of our employees and maintaining competitive salaries relative to the market. Thus, in addition to the one-time bonus approved as part of the Board's mark-up of the FY 2021 Third Quarter package, the FY 2022 budget is amended to include a 1 percent pay adjustment for County employees. In addition, as part of the budget guidance included later in this package, the Board will be directing the County Executive to prioritize funding the County's full compensation program as part of the FY 2023 budget.

Similarly, the FY 2022 proposed budget did not include the adjustments to state salary supplements that were originally recommended as part of the FY 2021 budget but were eliminated as a result of the pandemic's impact on the budget. In order to ensure that these state employees – who serve the Fairfax County community every day – are appropriately compensated, funding is included to extend 15 percent salary supplements to support staff in the Office of the Public Defender (OPD) and to implement 15 percent supplements for state Probation and Parole Officers. This action will provide consistency and equity across all County-provided salary supplements for state employees.

To support compensation adjustments for Fairfax County Public School employees, the School Operating Fund transfer is increased by \$15.21 million. This represents just over 50 percent of the additional resources available for employee pay as part of this package and will result in a total increase of \$29.34 million to the School Operating Fund for FY 2022. In addition to the increased County support, it is also anticipated that FCPS will benefit from a net \$4.9 million in increased revenues from the state based primarily on additional sales tax revenue.

As the pandemic has disproportionately impacted those that are most vulnerable in our community, the Board supports the County Executive's recommendation to decrease the Real Estate Tax rate by one penny to \$1.14 per \$100 of assessed value. The Board will also continue to maximize federal stimulus funds to assist those who have been negatively impacted by the pandemic, through support to the County's nonprofit partners and direct assistance to residents for housing, utilities, and food.

Funding Adjustments Recommended by Board		
	FY 2022	
Balance as of Add-On	\$9,992,185	
1.0% Pay Increase for County Employees (scale and pay adjustment)	(\$14,290,000)	
Expand 15% salary supplements to support staff in the Office of the Public Defender	(\$72,887)	
Provide 15% salary supplements to state Probation and Parole Officers	(\$419,953)	
Increase transfer to the FCPS School Operating Fund to support compensation increases	(\$15,209,345)	
Utilize \$20 million Economic Recovery Reserve	\$20,000,000	
Subtotal:	(\$9,992,185)	
Final Remaining Balance/(Shortfall)	\$0	

As a result of these changes, we have a balanced FY 2022 budget.

In addition to the reduction in the Real Estate Tax rate from \$1.15 to \$1.14 per \$100 of assessed value, one other rate decrease is included in this budget:

• A reduction in the Refuse Disposal fee from \$68 to \$66 per ton.

Most taxes and fees in the FY 2022 budget remain unchanged, including:

- Maintaining the Leaf Collection rate at \$0.012 per \$100 of assessed value.
- Maintaining the Stormwater Services district tax rate at \$0.0325 per \$100 of assessed value.
- Maintaining the Phase I Dulles Rail Transportation Improvement District tax rate at \$0.09 per \$100 of assessed value
- Maintaining the Phase II Dulles Rail Transportation Improvement District tax rate at \$0.20 per \$100 of assessed value
- Maintaining the Route 28 Highway Transportation Improvement District tax rate at \$0.17 per \$100 of assessed value
- Maintaining the Reston Service District tax rate at \$0.021 per \$100 of assessed value.
- Maintaining the Tysons Service District tax rate at \$0.05 per \$100 of assessed value

However, this budget does contain some required increases in Refuse and Sewer charges, including:

- An increase in the Refuse Collection fee from \$370 to \$400 per household. It should be noted that this rate was reduced last year from \$385 per household based on the inability to provide yard waste collection during the pandemic.
- An increase in Sewer Service Charges from \$7.28 to \$7.72 per 1,000 gallons
- An increase in the Sewer Service Base Charge from \$32.91 to \$36.54 per quarter
- An increase in the Sewer Availability Charge from \$8,340 to \$8,507

Therefore, having provided public notice and conducted a public hearing as required by Virginia law, <u>I</u> move approval of the FY 2022 Budget as Advertised, with the changes as outlined above, and required Managed Reserve adjustments. The tax and fee adjustments become effective on and after July 1, 2021, unless otherwise noted. These actions result in a balanced budget for FY 2022.
