CIP Project Locations

Summary
The link below provides a Fairfax County interactive map which includes a comprehensive view of all CIP project locations.

Projects are grouped into categories and contain status information. In addition, the projects can be filtered by Supervisory District.

How to Use
Navigate by either using the zoom +/- button or with your mouse scroll bar. Click, hold, and drag with your mouse to move around the map.

Click on the icons to view pop-up project information, including project name, category, status, and address.

- Use the Filter widget to filter by category, Supervisory District, and/or project status.
- Use the Bookmark widget to zoom to a specific supervisor district.
- Legend defines map symbols.
- Select Home to return back to the full county extent.

Use the search bar to search by address or place.
