INSTRUCTIONS – TRUST INFORMATION FORM

GENERAL: This form provides the Clerk of Court with the information necessary to qualify trustees. This sheet contains special instructions to help you fill out this form. If you have any questions, you should contact the Fiduciary Section. You should contact the Clerk's office for an appointment before you go to the courthouse. Please complete as much of this form as possible before you meet with the Probate Clerk.

Line 1: If this is a trust created by a will, then state the decedent's full name, followed by the work "Deceased". If this is an inter vivos trust created by a person who was living at that time, state that person's name. If this is a trust created or augmented by court order (or authorized by court to be created or augmented by an individual or organization) as part of a settlement of a legal action, put the work "Court" on this line.

Line 4: This line is to be used to identify the trustee or co-trustees, if more than one.

Line 5: Because of the difficulty on determining exact values at the time of qualification, the Clerk will accept a reasonable estimate of the fair market value of the trust's personal property and if you do not know the actual value of the trust's real property, then you may use its assessed value for local real estate tax purposes.

Line 7: A person under a disability as defined in Virginia Code §8.01-2 is not eligible to qualify. You are considered to be under a disability if (1) you have been convicted of a felony and are still in prison; (2) you are under 18 years of age; (3) you are a drug addict or alcoholic as defined in Virginia Code §37.2-100; (4) you are an incapacitated person as defined in Virginia Code §64.2-2016.

Lines 8-10: A "yes" answer does not automatically disqualify a person from serving. Each case must be decided by the court based on its specific facts.
