Guide to Paying for CSB Services

Fees

The CSB charges fees to help pay some of the cost of our services. We ask you for information so that we can set your fees appropriately. We update this information at least once a year, or whenever your information changes.

The CSB accepts cash, check, money order, and credit cards for payment at the time services are provided. The CSB will file health insurance claims for you with most insurance plans.

Health Insurance

The CSB has agreements with the following health insurance plans and can file claims and accept reimbursement, but you are responsible for paying all insurance copays, coinsurance, and deductibles. Please check with your insurance provider on what applicable copays, coinsurance, and deductibles may apply to your services with the CSB:

- Virginia Medicaid
- Aetna Better Health
- Anthem
- CareFirst Blue Cross
- Kaiser in partnership with Virginia Premier*
- Magellan Complete Care
- Optima Health
- Virginia Premier
- Medicare
- Tricare Standard

*Some health plans, like Kaiser Permanente of the Mid-Atlantic, will only pay for services performed by a provider within their network, Kaiser’s partnership with Virginia Premier is not included in these restrictions for certain services. The CSB cannot accept those types of health insurance plans as payment for CSB services.

Please check with the CSB staff or your insurance company if you have any questions.

Fee for Missed Appointments

If you are unable to keep your scheduled appointment, please notify your site’s front desk staff, case manager, or therapist at least the day prior to your appointment. If you do not provide this advance notification and do not appear for your appointment, the CSB will charge you a $25 fee for the missed appointment.

Financial Assistance
You may be eligible for financial assistance if you:
• Live in Fairfax County or in the cities of Fairfax or Falls Church
• Have limited or no health insurance
• Are not eligible for Medicaid
• Demonstrate financial need with proper documentation

Ability to Pay
The CSB provides a basic subsidy of its fees based on the Ability to Pay Scale. The cost-sharing percentage is determined by income and household size, as reflected in your most recent financial documentation. Certain services and in unique circumstances are not applicable to the Ability to Pay scale and are not subject to be subsidized.

Please ask for a copy of the most current Ability to Pay Scale to determine your cost-sharing percentage.

Payment Options
Don’t let your payments fall behind! Delinquent accounts may be placed for collection. Instead, speak with CSB billing staff about a payment plan or supplemental fee subsidy.

Should your account be past due or turned over to a collection agency, you will be subject to the full amount outstanding plus any applicable collection agency fees. Collection agency fees can range from 20%-30% more than your original balance.

Affordable Care Act
You can obtain the necessary coverage through your job, through a government program such as Medicaid or Medicare, through the health insurance marketplace in Virginia, or directly from an insurance company. Ask to speak with a CSB Benefits Specialist about your options.

Annual Review of Fees
Fees are reviewed and established annually by the CSB Board of Directors and submitted to the Fairfax County Board of Supervisors and the Fairfax and Falls Church City Councils. Your account will be reviewed annually so that the most accurate and current information is used to determine your fees.
