Policy Title: Adoption, and Cancellation of Policy
Date Adopted: January 28, 2015

Purpose
To specify methods, responsibilities, and procedures to be followed by the Board and CSB when formulating, establishing, reapproving and canceling Board policy.

Policy
Board policy will be established using the following guidelines:

1. Any person may present an issue for policy consideration to the Board.
2. If the Board agrees that a policy on a particular subject should be developed, it will direct the Executive Director to draft a policy for its review.
3. Formal Board adoption of policy routinely shall proceed as follows:
   a. The Executive Director or designee shall present a draft policy to the appropriate committees and the Board for review and comment.
   b. The review process will facilitate maximum consumer and family member participation, including the posting of polices being considered on the CSB website for public review and comment.
   c. A new policy may be adopted or a previously approved policy may be revised in a two-month cycle. The first presentation shall be for information and the second for approval.
   d. If the new or revised policy is considered by the Board to be responsive to emergency circumstances, the Board may adopt the policy at the first presentation.
4. Reapproval of a policy which contains no revisions or cancellation of a policy may occur upon its first presentation.
5. All policies will be reviewed by the Board and reapproved at least every three years.
6. The sole responsibility for review and action on policy matters lies with the Board.
