BE SMART. BE SAFE. BE SEEN.

Pedestrian Safety Tips

- ◆ Always **BE SEEN** — make yourself visible to drivers and bus operators. Make eye contact with drivers before crossing in front of a vehicle.
- ◆ Use sidewalks, crosswalks, and pedestrian signals wherever available.
- ◆ No sidewalks? Walk on the shoulder facing oncoming traffic.
- ◆ After exiting a bus, wait until it leaves and traffic clears before crossing the street. Avoid crossing the street in front of a stopped bus.
- ◆ Consider putting on light-colored or reflective materials in the early morning and at night.
- ◆ Use a flashlight to walk safely in the dark and to signal bus operators.
- ◆ **BE SAFE** — avoid distractions from electronic devices or headphones, especially near transit centers.

Consejos de Seguridad para Peatones

- ◆ Siempre **SEA VISTO** — permanezca visible a los operadores del bus. Haga contacto visual con los conductores antes de cruzar frente a un vehículo.
- ◆ Use la acera, el cruce peatonal, y las señales para peatones.
- ◆ ¿No hay aceras? Camine seguro y mirando al tráfico en sentido contrario a usted.
- ◆ Después de bajar del bus, espere hasta que el bus se aleje y no haya tráfico antes de cruzar la calle. Evite cruzar la calle frente a un bus detenido.
- ◆ Considere vestir ropa clara o que contenga elementos reflectantes muy temprano en las mañanas o en la noche.
- ◆ Use una linterna para caminar con seguridad en la oscuridad y visibilizarse a los operadores del bus.
- ◆ **ESTÉ SEGURO** — evite distracciones de dispositivos electrónicos o auriculares, especialmente cerca a centros de tránsito.
