

County of Fairfax, Virginia

Proposed January 2020 Service Changes

**Eagle View Elementary School
September 19, 2019**

Welcome

- Service overview
- Proposal details
 - Service Changes
- Q & A
- Open house discussion

Service Overview

Adjustments to existing routes include: 306, 395, 640, 650, and 950

- Adjust bus travel times and/or route alignments to improve schedules and better address trip needs.

Route 306

- Add travel time to the route to improve on time performance

Service Overview

Route 395

- Increase performance
- Eliminate stop at Backlick North Park-and-Ride
- Service replaced by new Express Route 396

NEW Route 396 Backlick North Park-and- Ride to Pentagon

- New point-to-point express bus service in the I-95/395 corridor
- Subject to funding through the NVTC Commuter Choice Grant Program

Service Overview

Route 640

- Modify one trip (4:30 PM) leaving Vienna Metro and the corresponding return trip from Stone Road
- Revise route travel time to improve on-time performance

Route 650

- Realign Sullyfield Circle diversion
- Revise route travel time to improve on time performance

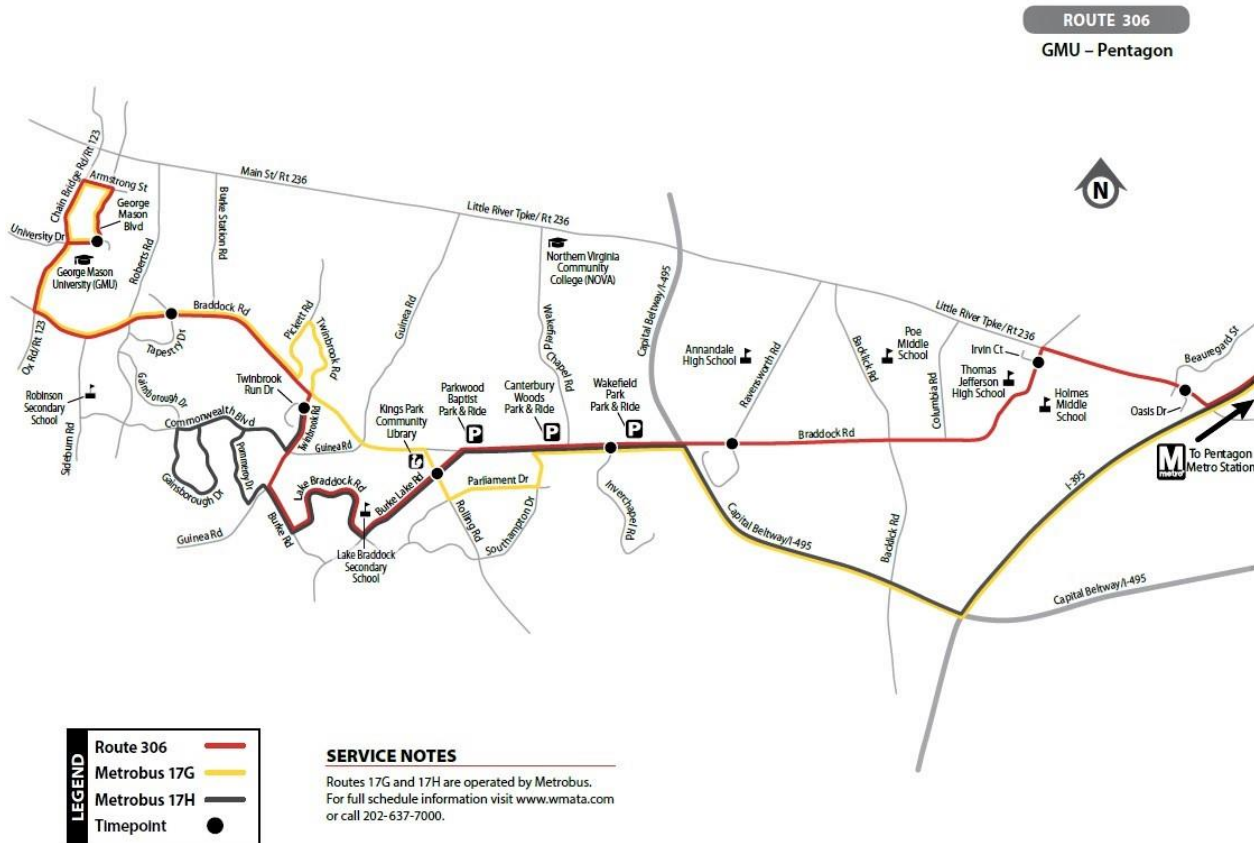

Route 950

- Time adjustment to improve schedule and on-time performance

Route 306: GMU - Pentagon

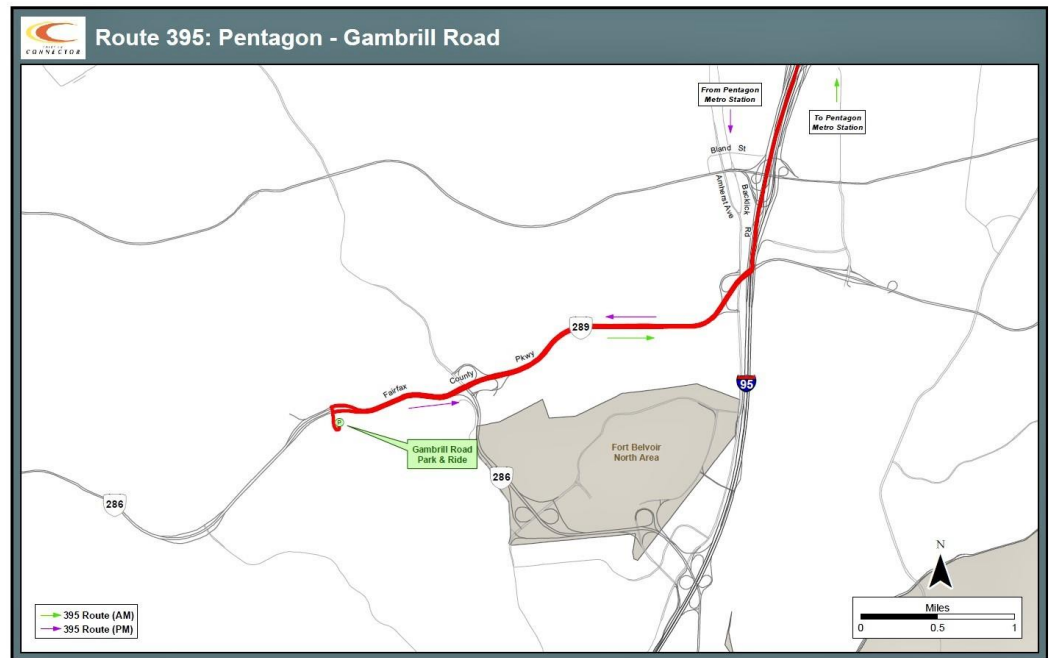

Running time adjustments to improve on-time performance and enhance the customer experience

Route 395: Gambrill Road - Pentagon

- Elimination of Backlick North Park-and-Ride stop
- Add one PM trip to increase capacity
- Improve connectivity
- Improve on-time performance

NEW Route 396: Backlick North to Pentagon

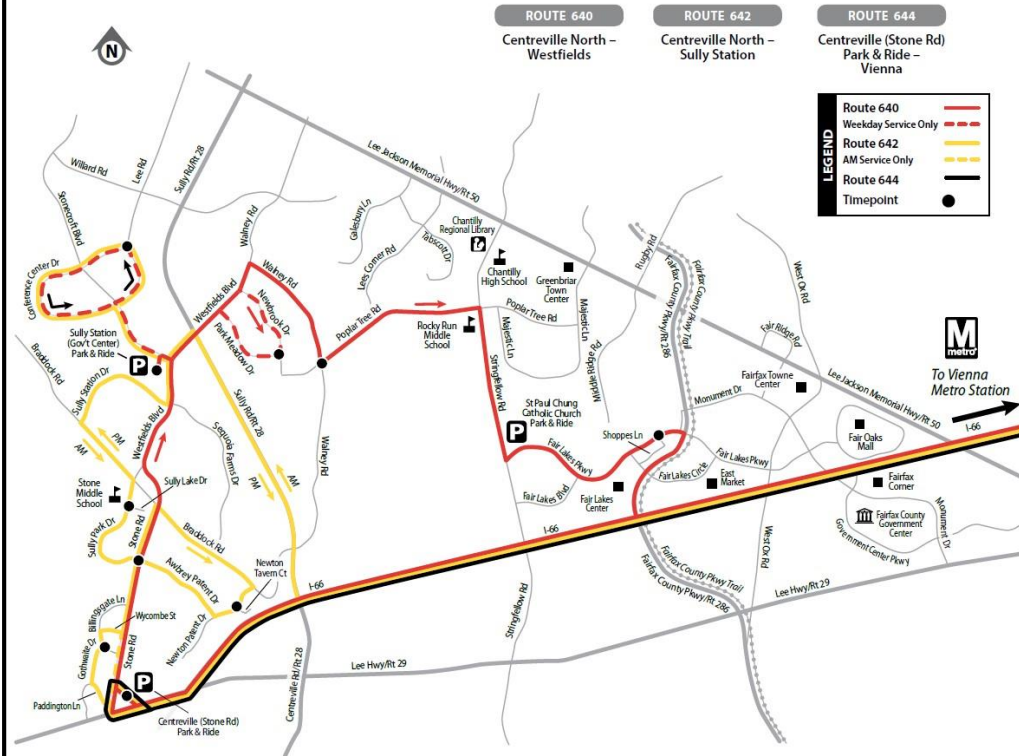

- Route 396 point-to-point Service to the Pentagon from Backlick North Park-and-Ride (replaces Route 395)
- Provides a shorter trip for riders to Backlick North Park-and-Ride by eliminating stop at Gambrill Road Park-and-Ride
- Features 12 in-bound morning and 13 out-bound afternoon trips

Route 640: Stone Road – Centreville North

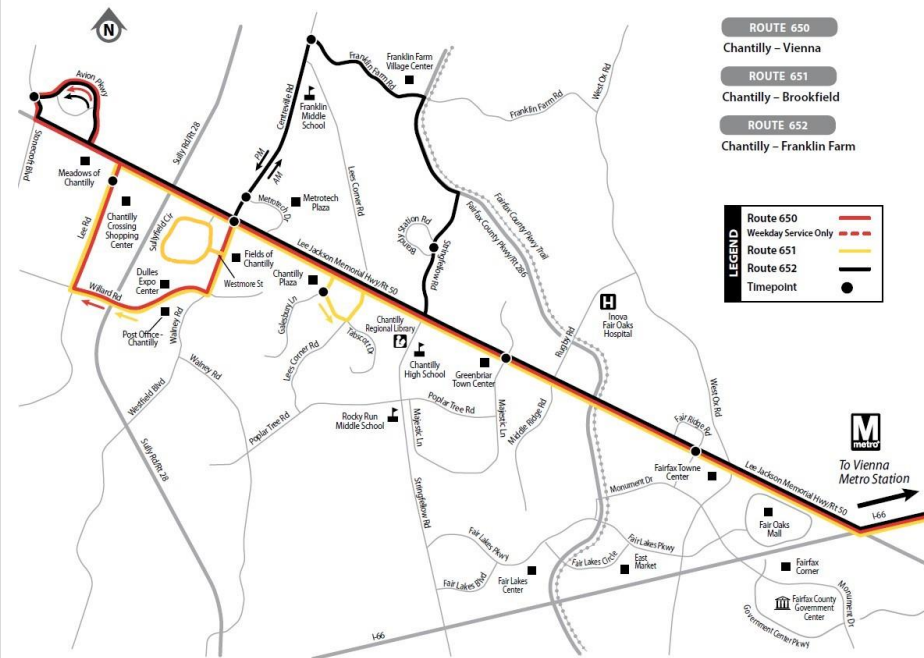

- Modify peak hour trip
 - Affected areas still served by Routes 632 and 642
- Improve on-time performance
 - Route 640 experiences deteriorated on-time performance during the afternoon rush hour due to traffic congestion on I-66
 - Adding more running time to affected trips improves schedule reliability

Route 650: Chantilly

- Realign route off Sullyfield Circle
 - Limited usage
 - Route 651 will provide service to Sullyfield Circle during morning and afternoon rush hour
 - Riders traveling outside rush hour can access service at Walney Road stop

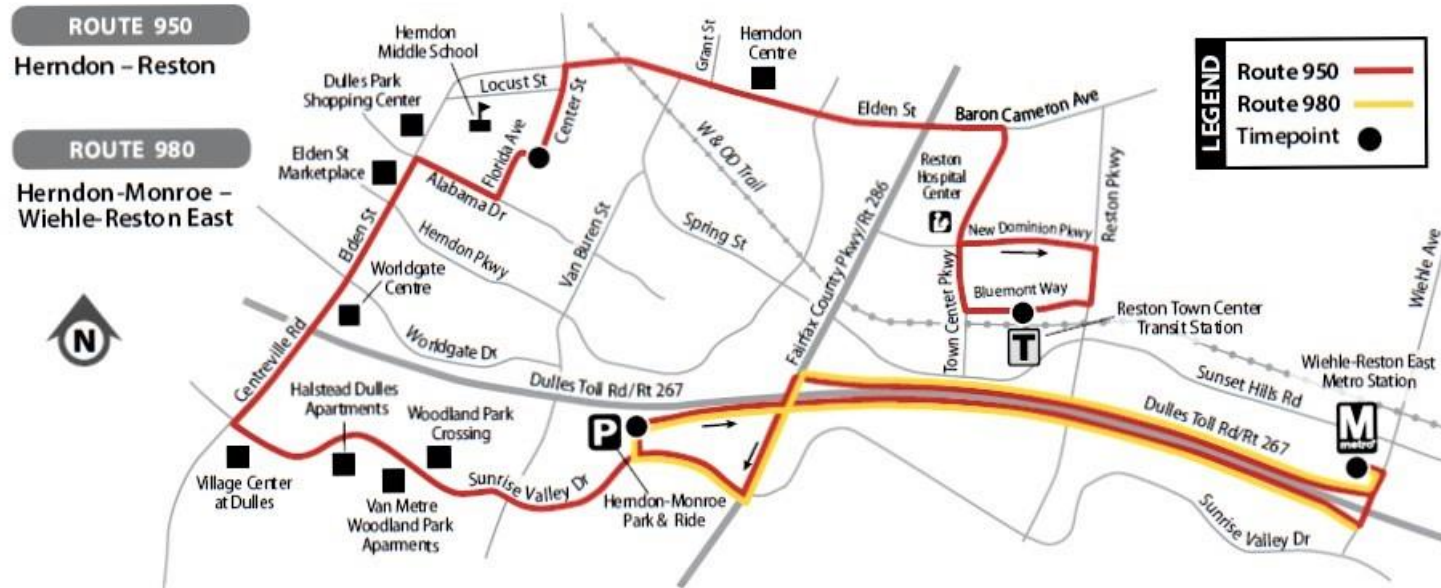

Route 950: Herndon - Reston

Adjust running time on Elden Street to improve on-time performance during high traffic periods

- Saturday eastbound and westbound performance significantly deteriorates between 3:00 PM and 7:00 PM
