Ryder's collection of such Information is for data and informational purposes only and is designed to assist Ryder and Customer to better manage and maintain each Vehicle. Customer shall have the sole responsibility to ensure that all drivers and occupants understand the possibility of the collection and dissemination of such Information.

B. Customer agrees that Ryder may use the Information in furtherance of this Agreement, to locate or recover a Vehicle that is lost, stolen, in need of service, to evaluate the condition of the Vehicle or for any other lawful purpose. Ryder may aggregate the data with information from other vehicles to better service your fleet. In doing so, Ryder may disclose the Information to third parties to assist in managing your fleet but shall remove any information identifying Customer. Ryder agrees to use the same degree of care in handling the Information that it uses to protect its own information.
