This Pricing Schedule is part of the Agreement between AT&T and Customer referenced above.

The undersigned, on behalf of Customer, acknowledges that Customer has received and understands the advisories concerning (i) the circumstances under which, and (ii) the non-US countries in which, emergency calling (including but not limited to E911 service or its equivalent in other countries) is not or may not be available, as stated and identified in the AT&T Business Voice over IP Services Service Guide found in the SG Library at <http://serviceguidenew.att.com>. Such circumstances include, but are not limited to, relocation of the User's CPE, use of a non-native or virtual telephone number, failure in the broadband connection, loss of electrical power, and delays that may occur in updating the Customer's location in the automatic location information database. For additional Most of World advisories, see section "Additional Terms," sub-heading "Emergency Calling Most of World".

5. ADDITIONAL TERMS AND CONDITIONS

5.1. Emergency Calling Most of World

Emergency Calling Most of World

At or before Service activation at a Most of World Site with outbound BVoIP calling, Customer certifies it has and agrees to continuously keep individual business lines and other appropriate facilities with a local service provider or other provider capable of, and responsible for, providing Customer access to three-digit emergency dialing services, if AT&T does not provide emergency dialing service and for as long as AT&T provides outbound BVoIP service to that Site. Customer is responsible to ensure that all calls to these emergency dialing service numbers are routed over appropriate facilities to ensure completion provided by that local service provider, or other provider.. AT&T's provisioning of outbound BVoIP service is conditioned upon Customer's full compliance with these obligations, and failure to do so is a material breach of this Agreement.
