Section 1 - Representations and Covenants

1. REPRESENTATIONS AND COVENANTS

Commitments

GovMVMТ views the relationship with an awarded Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Supplier.

The successful foundation of the partnership requires commitments from both GovMVMТ and the Supplier. GovMVMТ requires the Supplier to make the four commitments set forth below (Executive, Value, Differentiator, Sales and Marketing) to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies.

2.1 Executive Commitment

- (i) A true partnership: Supplier shall have full commitment of the Master Agreement from the highest executive level of the organization at any time. This includes being supported by the Supplier's senior executive management.
- (ii) The pricing, terms and conditions of the Master Agreement shall be Supplier's leading contractual offering of Products and Services to all eligible Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's primary offering and not just one of Suppliers contract options.
- (iii) Supplier's sales force (including inside, direct and/or authorized dealers, distributors, and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.
- (iv) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.
- (v) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.
- (vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from GovMVMТ concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's GovMVMТ program and linked to GovMVMТ website and shall implement and support such web page.

Section 1 - Representations and Covenants

- (vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the GovMVMТ program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.
- (viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

2.2 Value Commitment

- (i) Supplier represents to GovMVMТ that the pricing in the scope of products offered under the Master Agreement is equal or better than any other pricing options it offers to public agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.
- (ii) Contracts Offering Lower Prices. If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.
 - A. Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.
 - B. Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

Section 1 - Representations and Covenants

- C. Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.
- (iii) Deviating Buying Patterns. Occasionally GovMVM T and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the pricing under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.
- (iv) Supplier's Options in Responding to a Third-Party Procurement Solicitation. While it is the objective of GovMVM T to encourage Public Agencies to piggyback onto the Master Agreement rather than issue their own procurement solicitations, GovMVM T recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:
- A. Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation process.
 - B. Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.
 - C. If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.
 - D. Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 2, including without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

Section 1 - Representations and Covenants

- E. Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative consideration.

- 2.3 Differentiator Commitment.** Supplier shall demonstrate the value, competitive scope, and differentiating factors of the agreement against alternative procurement options in the marketplace at every opportunity. The success of this program lies directly with properly positioning this contract vehicle as the premier cooperative purchasing option for public agencies.

Supplier can accomplish this by highlighting such facts as:

- A. Lead Public Agency process
- B. Non-profit structure
- C. Public Benefit Programs
- D. Value Commitments
- E. Advisory Council Oversight
- F. Dedicated Field Team

Supplier agrees that while this agreement brings significant value to Public Agencies, it is not an exclusive agreement and can be utilized at the discretion of the Participating Public Agencies.

- 2.4 Sales and Marketing Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's best overall value to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

- (i) Supplier Sales. Supplier shall be responsible for proactive sales of Suppliers Products and Services to Public Agencies and the timely follow-up to sales leads identified by GovMVMT. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the GovMVMT logo. GovMVMT hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the GovMVMT name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the GovMVMT name, trademark, or logo shall inure to the benefit of GovMVMT. GovMVMT shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide GovMVMT with its logo and the standards to be employed in the use of the logo for the purposes of reproducing and using Supplier's name and log in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist GovMVMT by providing

At a minimum, Supplier's initiative shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

- (ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the GovMVMT branding and logo standards and guidelines. Prior to use by Supplier, all GovMVMT related marketing material must be submitted to GovMVMT for review and approval.
- (iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and GovMVMT program. GovMVMT shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.
- (iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:
 - A. A dedicated GovMVMT internet web-based home page that is accessible from Supplier's home page or main menu navigation containing:
 - 1) GovMVMT standard logo with Founding Sponsor logos;
 - 2) Copy of original procurement solicitation, including all addenda;
 - 3) Copy of Master Agreement including all amendments;
 - 4) Summary of Products and Services pricing;

 - 6) Other promotional material as requested by GovMVMT;
 - 7) A dedicated toll-free national hotline for inquiries regarding GovMVMT; and
 - 8) A dedicated email address for general inquiries in the following format: GovMVMT@(suppliername).com.
- (v) Electronic Registration: Supplier shall be responsible for ensuring that each Public Agency has completed GovMVMT's online registration process prior to processing the Public Agency's first sales order.

Section 1 - Representations and Covenants

- (vi) Supplier's Performance Review: Upon request by GovMVMT, Supplier shall participate in a performance review meeting with GovMVMT to evaluate Supplier's performance of the covenants set forth in this Agreement.

- (vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to GovMVMT (collectively "Supplier Content") for use on GovMVMT websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to GovMVMT and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publicly perform, publicly display, and use Supplier Content in connection with GovMVMT websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to GovMVMT as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party.

Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as "Supplier's Commitments" and are comprised of the Executive Commitment, Value Commitment, Differentiator Commitment and Sales and Marketing Commitment):

(a) **Executive Commitment:**

- (i) A true partnership: Supplier shall have full commitment of the Master Agreement from the highest executive level of the organization at any given time. This includes being supported by the supplier's senior executive management.
- (ii) The pricing, terms and conditions of the Master Agreement shall be the Supplier's preferred contractual offering of Products and Services to all eligible Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's preferred offering and not just one of Supplier's contract options.
- (iii) Supplier's sales force (including inside, direct and/or authorized dealers, distributors, and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.
- (iv) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall offer the Master Agreement to all Public Agencies located within the state.

(b) **Value Commitment:**

(i) Supplier represents to GovMVMt that the overall pricing in the scope of products and services offered under the Master Agreement is equal to or better than any other pricing options it offers to public agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) Contracts Offering Lower Prices. If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

- A. Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.
- B. Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.
- C. Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) Deviating Buying Patterns. Occasionally GovMVM T and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third-Party Procurement Solicitation. While it is the objective of GovMVM T to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, GovMVM T recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

- A. Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.
- B. Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.
- C. If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.
- D. Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.
- E. Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

- (c) Differentiator Commitment. Supplier shall demonstrate the value, competitive scope, and differentiating factors of the agreement against alternative procurement options in the marketplace at every opportunity. The success of this program lies directly with properly positioning this contract vehicle as the premier cooperative purchasing option for public agencies.

Supplier can accomplish this by highlighting such facts as:

- Lead Public Agency process
- Non-profit structure
- Public Benefit Programs
- Value Commitments
- Advisory Council Oversight
- Dedicated Field Team

Supplier agrees that while this agreement brings significant value to Public Agencies, it is not an exclusive agreement and can be utilized at the discretion of the participating Public Agencies.

(d) **Sales and Marketing Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to properly position the value of the Master Agreement as Supplier's preferred contract for Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) **Supplier Sales.** Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by GovMVMT. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. Supplier's sales materials targeted towards Public Agencies should include the GovMVMT logo. GovMVMT hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the GovMVMT name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the GovMVMT name, trademark, or logo shall inure to the benefit of GovMVMT. GovMVMT shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide GovMVMT with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist GovMVMT by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides pricing equal to or better than the Supplier's best available pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) **Branding and Logo Compliance.** Supplier shall be responsible for complying with the GovMVMT branding and logo standards and guidelines. Prior to use by Supplier, all GovMVMT related marketing material must be submitted to GovMVMT for review and approval.

(iii) **Sales Force Training.** Supplier shall train its national sales force on the Master Agreement and GovMVMT program. GovMVMT shall be available to train on

a national, regional or local level and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

A. A dedicated GovMVMT internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

1. GovMVMT standard logo;
2. Copy of original procurement solicitation and all addenda;
3. Copy of Master Agreement including all amendments.
4. Summary of Products and Services pricing.
5. Electronic link to GovMVMT' online registration page;
6. Other promotional material as requested by GovMVMT.
7. A dedicated toll-free national hotline for inquiries regarding GovMVMT.
8. A dedicated email address for general inquiries in the following format: GovMVMT@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed GovMVMT's online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by GovMVMT, Supplier shall participate in a performance review meeting with GovMVMT to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to GovMVMT (collectively "Supplier Content") for use on GovMVMT websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to GovMVMT and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publicly perform, publicly display, and use Supplier Content in connection with GovMVMT websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to GovMVMT as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

3.4. Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between GovMVMT and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at GovMVMT's sole discretion.

3.5. Indemnity. Supplier hereby agrees to indemnify and defend GovMVMT, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV **PRICING AUDITS**

4.1. Supplier shall, at Supplier's sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. GovMVMT and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. GovMVMT shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at GovMVMT's sole cost and expense. Notwithstanding the foregoing, in the event that GovMVMT is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, GovMVMT shall have the ability to conduct a reasonable audit of Supplier's pricing at Supplier's sole cost and expense during regular business hours upon reasonable notice. GovMVMT may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for the cost of the audit. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

ARTICLE V **FEES & REPORTING**

5.1. Administrative Fees. Supplier shall pay to GovMVMT a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of one and three-quarter percent (1.75% or lower according to the volume tiers below) of aggregate purchases made during each calendar month (individually and collectively, "Administrative Fees"). GovMVMT was founded on the principle of large volumes of purchases resulting in aggressive discounts and a great resulting value for those purchasing entities. We believe in additional value and increased savings that result from growth in the program and larger spend volume. This value should exist for the public agency and the supplier, and thus an incentivized tier structure has been developed to assure that these savings are passed along to the agencies and suppliers in the program. Tiered Administrative fees are outlined below based on Suppliers Annual sales volume. Supplier's annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to

GovMVMT, or its designee or trustee as may be directed in writing by GovMVMT.

Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. GovMVMT agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency’s costs incurred in connection with managing the Master Agreement nationally.

Administrative Fee Tiers*

Annual Contract Spend Low	Annual Contract Spend High	Administrative Fee
\$0	\$15,000,000	1.75%
\$15,000,001	\$25,000,000	1.5%
\$25,000,001	\$75,000,000	1.25%
\$75,000,001	> \$75,000,001	1.00%

*Tiered administrative fee structure is based on annual reported sales volume. Sales volume is calculated from January 1st – December 31st of the current calendar year. When a tier level is met, supplier will be moved to subsequent fee percentage on the next reported monthly report.

5.2. Sales Reports. Within thirty (30) days of the end of each calendar month, Supplier shall deliver to GovMVMT an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month (“Sales Report”). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. Submitted reports shall be verified by GovMVMT against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing. GovMVMT reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its future potential program sponsors and state associations.

5.3. Exception Reporting/Sales Reports Audits. GovMVMT or its designee may, at its sole discretion, compare Supplier’s Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, future potential sponsors, advisory council members or GovMVMT staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by GovMVMT, GovMVMT shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to resolve the discrepancy to GovMVMT’s reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to GovMVMT’s trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to GovMVMT in writing to reporting@govmvt.org. If Supplier does not resolve the discrepancy to GovMVMT’s reasonable satisfaction within thirty (30) days, GovMVMT shall have the right to engage outside services to conduct an independent audit of Supplier’s reports. Supplier shall solely be responsible for the cost of the audit.

5.4. Online Reporting. Within forty-five (45) days of the end of each calendar month, GovMVMT shall provide online reporting to Supplier containing Supplier's sales reporting for such calendar month. Supplier shall have access to various reports through the GovMVMT intranet website. Such reports are useful in resolving reporting issues and enabling Supplier to better manage their Master Agreement.

5.5. Usage Reporting. Within thirty (30) days of the end of each contract year, Supplier shall deliver to GovMVMT an electronic usage report of all sales under the Master Agreement, including:

- (i) Supplier's Product Number
- (ii) Product Description
- (iii) Manufacturer Name
- (iv) Manufacturer Number
- (v) Unit of Measure
- (vi) GovMVMT Price
- (vii) Number of times ordered
- (viii) Units sold
- (ix) Sales by Manufacturer

5.6. Supplier's Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at GovMVMT's sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

EXHIBIT D
MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement (“Agreement”) is entered into by and between those certain government agencies that execute a Lead Public Agency Certificate (collectively, “Lead Public Agencies”) to be appended and made a part hereof and other government agencies (“Participating Public Agencies”) who register to participate in the GovMVMT Purchasing Cooperative on the GovMVMT website (<https://www.govmvt.org/>).

RECITALS

WHEREAS, after a competitive solicitation and selection process by Lead Public Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers (each, a “Contract Supplier”) have entered into Master Agreements with Lead Public Agencies to provide a variety of goods, products and services to the applicable Lead Public Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Lead Public Agencies through GovMVMT Purchasing Cooperative and provide that Participating Public Agencies may purchase Products and Services at the same terms, conditions and pricing as the Lead Public Agency, subject to any applicable Federal laws, local purchasing ordinances and laws of the State of purchase;

WHEREAS, the parties desire to comply with the requirements and formalities of any intergovernmental cooperative act, if applicable, to the laws of the State of purchase;

WHEREAS, the parties hereto desire to conserve resources and reduce procurement cost; and

WHEREAS, the parties hereto desire to improve the efficiency, effectiveness and economy of the procurement of necessary Products and Services.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties agree as follows:

1. Each party will facilitate the cooperative procurement of Products and Services.
2. The procurement of Products and Services subject to this Agreement shall be conducted in accordance with and subject to the relevant statutes, ordinances, rules and regulations, that govern each party’s procurement practices.
3. The cooperative use of Master Agreements obtained by a party to this Agreement shall be in accordance with the terms and conditions of the Master Agreement, except as modification of those terms and conditions is otherwise allowed or required by applicable law.
4. The Lead Public Agencies will make available, upon reasonable request, information regarding the Master Agreement which may assist in improving the procurement of Products and Service by the Participating Public Agencies.
5. The Participating Public Agency will make timely payments to the Contract Supplier for Products and Services received in accordance with the terms and conditions of the procurement. Payment, inspections and acceptance of Products and Services ordered by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency. Disputes between the Participating Public Agency and Contract Supplier are to be resolved in accordance

with the law and venue rules of the State of purchase unless otherwise agreed to by the Participating Public Agency and Contract Supplier.

6. The Participating Public Agency shall not use this Agreement as a method for obtaining additional concessions or reduced prices for similar Products or Services. Master Agreements may be structured with not-to-exceed pricing, in which case the Contract Supplier may offer the Participating Public Agency and the Participating Public Agency may accept lower pricing or additional concessions for purchase of Product and Services through the Master Agreement.
7. The Participating Public Agency shall be responsible for the ordering of Products and Services under this Agreement. The Lead Public Agency or any other party shall not be liable in any manner for any violation by the Participating Public Agency, and, to the extent permitted by applicable law, the Participating Public Agency shall hold the Lead Public Agency and any other party harmless from any liability that may arise from the acts or omissions of the Participating Public Agency.
8. The exercise of any rights or remedies by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency.
9. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of the Agreement shall survive any such termination.
10. This Agreement shall be effective after execution of the Lead Public Agency Certificate or Participating Public Agency registration on the GovMVMT website, as applicable.

6. Contract Work Hours and Safety Standards Act

Applicability: This required Contract provision applies to all procurements over \$100,000 that involve the employment of mechanics, laborers, and construction work. This clause is not required for procurements under FEMA's Public Assistance (PA) Program and does not apply to all FEMA grant and cooperative agreement programs. The NFE will need to check with their applicable FEMA grant representative to determine if this provision is required for the procurement.

Funding Agreements: The regulation at 37 CFR § 401.2 defines funding agreement as "any contract, grant, or cooperative agreement entered into between any federal agency, other than the Tennessee Valley Authority, and any Contractor for the performance of experimental, developmental, or research work funded in whole or in part by the federal government. EXHIBIT G
FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)
RECOMMENDED CONTRACT PROVISIONS

(a) *Definitions.* As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), as used in this clause.

(b) *Prohibitions.*

(1) Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. (2) Unless an exception in paragraph (c) of this clause applies, the Contractor and its Subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:

- (ii) Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;

(c) *Exceptions.*

(1) This clause does not prohibit contractors from providing:

- (i) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or
- (ii) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

EXHIBIT G
FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)
RECOMMENDED CONTRACT PROVISIONS

(2) By necessary implication and regulation, the prohibitions also do not apply to:

- (i) Covered telecommunications equipment or services that:
 - i. Are not used as a substantial or essential component of any system; and
 - ii. Are not used as critical technology of any system.
- (ii) Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

(d) Reporting Requirements.

(1) In the event the Contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the Contractor is notified of such by a Subcontractor at any tier or by any other source, the Contractor shall report the information in paragraph (d)(2) of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause:

- (i) Within one business day from the date of such identification or notification: The Contract number, the order number(s), if applicable; supplier name, supplier unique entity identifier (if known); supplier commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.
- (ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the Contractor shall describe the efforts it undertook to prevent use or submission of covered
- (iii) telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) *Subcontracts.* The Contractor shall insert the substance of this clause, including this paragraph (e), in all subcontracts and other contractual instruments.

13. Domestic Preferences for Procurements

EXHIBIT G
FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)
RECOMMENDED CONTRACT PROVISIONS

Applicability: Applies for purchases in support of FEMA declarations and awards issued on or after November 12, 2020.

As appropriate, and to the extent consistent with the law, the Contractor, should to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products.

For the purposes of this clause:

The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

The Contractor agrees to provide the FEMA Administrator or its authorized representatives access to construction or other work sites pertaining to the work being completed under the Contract.

In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the Participating Public Agency and the Contractor acknowledge and agree that no language in this Contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

15. Changes

To be allowable under a FEMA grant or cooperative agreement award, the cost of any contract change, modification, amendment, addendum, change order, or constructive change must be necessary, allocable, within the scope of the grant or cooperative agreement, reasonable for the scope of work, and otherwise allowable. See 2 CFR § 200.403.

FEMA recommends that all contracts include a changes clause that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the Contract. The language of the clause may depend on the nature of the

RECOMMENDED CONTRACT PROVISIONS

contract and the procured item(s) or service(s). Participating Public Agency should also consult with counsel to determine whether and how contract changes are permissible under applicable state, local, or tribal laws or regulations.

16. DHS Seal, Logo, and Flags

The Contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. The Contractor shall include this provision in any Subcontracts.

17. Compliance with Federal Law, Regulations, and Executive Orders and Acknowledgement of Federal Funding

This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the Contract. The Contractor will comply with all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

18. No Obligation by Federal Government

The federal government is not a party to this Contract and is not subject to any obligations or liabilities to the NFE, Contractor, or any other party pertaining to any matter resulting from the Contract. See 2 CFR § 200.318(k).

19. Program Fraud and False or Fraudulent Statements or Related Acts

The Contractor acknowledges that 31 U.S.C Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Contract.

If Subcontracts are to be let, the Prime Contractor is required to take all necessary steps identified in 2 CFR § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. The necessary steps are as follows:

1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

(4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and

(5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

21. Copyright and Data Rights

Applicability: When a Participating Public Agency enters into a Contract requiring a Contractor or Subcontractor to produce copyrightable subject matter and/or data for the Participating Public Agency under the award, the Participating Public Agency should include appropriate copyright and data licenses to meet its obligations under 2 CFR § 200.315(b) and (d), respectively.

Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with N.J.A.C. 17:27-5.2, or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

C.271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

EXHIBIT H
ATTACHMENT 4

5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

**C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Contractor Instructions**

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**
