Call Filter Service Attachment to Verizon Wireless Agreement

Note: A profile is defined as a customer's overarching account of record under which Customer may have multiple billing accounts. This Call Filter Service Attachment ("Call Filter Attachment") to the Agreement between Customer and Verizon Wireless sets forth the terms and conditions specific to the Call Filter Service (described below) to be provided by Verizon Wireless to Customer hereunder. If there are any inconsistencies between this Call Filter Attachment and the Agreement, this Call Filter Attachment shall control with respect to the Call Filter Service functionality or operation. Any capitalized but undefined terms used in this Call Filter Attachment shall have the meanings given such terms in the Agreement.

- 1. Call Filter Service Overview.** Verizon Wireless's Call Filter Service allows Customer to manage its calls (the "Service").
- 2. Call Filter and Call Filter Plus Service Description.** Call Filter is available to Customer for no additional monthly charges, and provides spam protection (spam alerts, blocking and reporting). Call Filter Plus provides added protection with caller ID and other premium features for a monthly charge, which are set forth in Exhibit A attached hereto. Call Filter utilizes network-based functionality to provide spam alerts and caller ID information on Customer's devices, and will not require the Call Filter application for these features. Spam blocking and other enhanced spam protection tools require the Call Filter application and a compatible device. Availability of certain features will vary depending on the device. For a full list of compatible devices and available features by device, click on Supported Devices at <https://www.verizonwireless.com/solutions-and-services/call-filter/>. Basic phones will receive network-based spam protection. Call Filter requires Verizon Wireless's 4G LTE network; limited features of the Service may be available if Customer is roaming on a VoLTE network outside of Verizon Wireless's 4G coverage area.
- 3. Call Filter Limitations.** Call Filter is not available for incoming calls from restricted or unlisted numbers. Call Filter does not detect spam calls from international numbers, but Customer may choose to block calls from international numbers. Call Filter utilizes analytics and databases that are continually evolving, including spam reporting by customers. Call Filter may not work with some of our other services like NumberShare or eSIM lines.
- 4. Spam Protection and the Call Filter Application.** Call Filter will alert Customer when Customer receives potential spam calls and allows Customer to turn on the spam filter to automatically block (send directly to voicemail) spam calls based on Customer's preferred risk level (as determined by Customer in the Call Filter application). If Customer enrolls in Call Filter through the Call Filter application, Verizon will automatically turn on Customer's spam filter to block all high-risk spam calls, but Customer can always turn off or adjust the blocking within the Call Filter application. Call Filter Plus, provides additional protection with caller ID for unknown numbers, access to a risk assessment meter for each spam call, reverse spam number lookup, and additional categories of spam alerts including "Robo Caller" or "Potential Fraud." With Call Filter Plus, depending upon Customer's device, Customer may also be able to view a list of callers that have been identified as spam or blocked, and block and un-block specific numbers. Call Filter's spam detection and block management may inadvertently mislabel or block legitimate callers including those to whom Customer may have given consent to communicate with via Customer mobile number. Customer should check Customer voicemail to determine if the caller is legitimate (if they left a voice message and if Customer have voicemail enabled). Verizon Wireless does not guarantee that all calls that are spam will be detected. Customer's spam settings such as spam filters and personal block and spam lists will be permanently deleted once Customer changes devices, uninstalls the Call Filter application, unsubscribes or downgrades the Service, or in the case of Android users, disables the Call Filter application or clear application cache or data.
- 5. Caller ID.** Caller ID, available with Call Filter Plus, displays the name, phone number, city and state of a caller's phone number, if these details are available and supported by Customer's device. Some devices may only display the caller's name as the Call Filter may not be available on all devices. Some devices also allow identification of text messages when using an eligible messaging application. Android users may also see the caller's uploaded photo if available.
- 6.** The caller's identity may not show if they are labelled as Robo Caller, Potential Spam or Potential Fraud on certain operating systems. Customer's saved contact names will show instead of the caller identification (so if a call would normally show as a Robo Caller with the Service, but is in Customer's list of contacts, that contact name will show instead). If Customer uploads a photo, Customer's photo will be seen by other Verizon Wireless customers that use the Service but will not override a Customer's contact photo (uploading is not available for all devices).
- 7. Data Charges.** Subject to the Agreement, data charges may apply for download of the application and use of the Service. Call Filter does not operate on Wi-Fi, so data charges may apply when using the Service even if Customer device is also connected to Wi-Fi. If Customer's device is eligible for the uploading or receiving of a picture, data charges apply to such uploading and also for receiving pictures. Such data charges will be billed to Customer's Verizon Wireless account according to Customer's data plan.

Contract 4400006679

Amendment 13

The Service will automatically renew every month unless canceled. For Call Filter Plus, Customer will be billed a Monthly Access Fee as specified in Exhibit A.

8. **Privacy.** Verizon Wireless may use information about Customer's activity in the Service, subject to our Privacy Policy, which can be found at <http://www.verizon.com/about/privacy/>. In order to provide the Service to Customer, Verizon Wireless will access the following information: MTN, contacts, call log, and messages (Android devices only). Verizon Wireless does not share information for any other purposes other than to render the Service. While a Customer end user can review or turn off these permissions at any time in the device settings, without access to that information, the Service will not be provided to that device.
9. **Licenses and Restrictions.** Call Filter is the property of Verizon Wireless or its licensors. Call Filter software and any application installed on Customer devices are licensed and not sold to Customer. Verizon Wireless and its licensors grants to Customer a limited, non-exclusive, revocable, non-transferable, personal, non-commercial license to use the Service for its intended use, in the United States.
10. **Restrictions on Use.** Customer will not, or permit anyone else to, sell, resell, distribute, sublicense, loan, lease, otherwise transfer, alter, modify, merge, adapt, copy, delete, record, translate, publish, upload, transmit, export, create derivative works of, make any commercial use of, reverse engineer, decompile, attempt to derive the source code, or disassemble the Service of any software that forms part of the Service. Customer may not use the Service or any part of it for any improper use (including infringement of copyright or other intellectual property rights) and must follow all laws. Customer will not alter, disable, or circumvent any features embedded in the software. All rights not expressly granted to Customer herein are reserved. Verizon Wireless may revoke this license at any time without notice.
11. **Branding.** All trademarks, service marks, trade names, logos, domain names, and any other features of Verizon Wireless's brand are the sole property of Verizon Wireless and Verizon Wireless does not grant any rights to such branding to Customer for any use at all. Customer may not remove or alter any copyright, trademark, or other intellectual property notices of the Service.
12. **User Content.** For certain eligible devices, the Service allows Customer to upload a photo to display. Customer may choose to attach a photo from Customer own photo gallery, a new photo that Customer take, or a photo available for use from an Internet search that Customer conducts. Customer is responsible for any content that Customer uploads to the Service. Verizon Wireless does not monitor or control the content Customer chooses to send via the Service and, Verizon Wireless disclaims all responsibility for such content. Photos that Customer did not take may be subject to copyright protection which limits or prohibits their copying, transmission and/or use. Customer agrees that Customer will not attach copyrighted content in a way that infringes any copyright, and that Customer is wholly responsible for any copyright infringement resulting from Customer's conduct. If Customer is unsure about whether Customer's conduct is lawful, Customer should not attach the content.
13. **Digital Millennium Copyright Act Notice.** If Customer believe that Customer content has been improperly used in the Service in a way that constitutes copyright infringement please contact Verizon at the address below. Pursuant to Title II of the DMCA, all claims alleging copyright infringement for material that is believed to be residing on Verizon's system or network should be promptly sent in the form of written notice to Verizon's Designated Agent. The Designated Agent for DMCA Notice is:

Verizon Copyright Department
1320 North Courthouse Road, Floor 9
Arlington, Virginia 22201, U.S.A.
Fax 703.351.3669
Email DMCA@verizon.com

NOTE: No other notices or communications should be sent to the Designated Agent, who is appointed solely for the purpose of receiving notices of claims alleging copyright infringement under the DMCA. Specific requirements for proper notification of claimed infringement are set forth in the DMCA (see 17 U.S.C. § 512(c)(3)). Valid notification must be a written communication that includes all of the following elements:

1. Signature of copyright owner or person authorized to act on behalf of the owner;
2. Identification of copyrighted work claimed to be infringed;
3. Identification of the material claimed to be infringing or to be the subject of infringing activity and information reasonably sufficient to permit the service provider to locate the material;

Contract 4400006679

Amendment 13

Page 6 of 80

4. Information reasonably sufficient to permit the service provider to contact the complaining party (address, phone number and, if available, email address);
5. A statement that the complaining party has a good faith belief that use of the material in the manner complained is not authorized by the copyright owner, its agent, or the law; and
6. A statement that the information in the notification is accurate, and under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of the exclusive right allegedly being infringed.

It is the policy of Verizon that upon receipt of a valid DMCA notice Verizon will remove or disable access to allegedly infringing material. There are substantial penalties for false claims (see 17 U.S.C. § 512(f)).

14. **Open Source and Third Party Licenses.** Customer's use of the Service is subject to open source licenses that form part of the Service. Certain software or technical information is licensed from third parties, and may be covered by one or more U.S. Patents, pending U.S. patent applications, and pending counterpart European and international patents. The open source licenses that form part of the Service are as follows:

15. **Termination.** Subject to the dispute resolution provision in the Agreement, Verizon may limit, suspend, terminate or discontinue the Service, or certain features or functions of the Service, at any time without notice, including if Customer breaches this Call Filter Attachment. Customer may terminate Customer's use of the Service at any time by unsubscribing to the Service.
16. **DISCLAIMER OF WARRANTIES.** THE SERVICE AND ANY INCLUDED APPLICATION IS PROVIDED BY VERIZON OR ITS LICENSORS 'AS IS', WITHOUT WARRANTIES, EXPRESS OR IMPLIED, OR CONDITIONS OF ANY KIND, INCLUDING FOR MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT. CUSTOMER USES THE SERVICE AT ITS OWN RISK. VERIZON WIRELESS AND ITS LICENSORS, AND VENDORS MAKE NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE ACCURACY, AVAILABILITY, COMPLETENESS, USEFULNESS, SECURITY, RELIABILITY, INTEROPERABILITY, OR THAT THE SERVICE WILL BE UNINTERRUPTED, VIRUS FREE, OR COMPATIBLE WITH YOUR DEVICE OR THAT THE SERVICE WILL MEET YOUR EXPECTATIONS AT ALL OR AS TO THE IDENTIFICATION, LABELING, SPAM OR BLOCK MANAGEMENT, OR BLOCKING OF CALLS. VERIZON WIRELESS AND ITS LICENSORS, AND VENDORS DO NOT PROVIDE ANY WARRANTY (EXPRESS OR IMPLIED) OR GUARANTEE THAT ALL SPAM, ROBOCALLER AND FRAUDULENT CALLERS WILL BE IDENTIFIED, LABELED CORRECTLY OR BLOCKED. THE SERVICE COULD CAUSE DAMAGE TO CUSTOMER, ITS DATA, DEVICES, SOFTWARE OR HARDWARE.

 - 2.1.1 **Ticket Tracking.** Shows the number of network tickets in open status and the number of tickets opened in the last 30 days.
 - 2.1.2 **Unplanned Events.** Near real-time network events displayed on a map, hover over to get more details.
 - 2.1.3 **Planned Maintenance.** Details of planned maintenances in the next 2 weeks (data updates every 30 minutes). Table shows planned maintenance detail for the specific customer.
 - 2.1.4 **Data Usage.** Shows the enterprise level data usage for the time period of the 15th to the 14th of each month.
 - 2.1.5 **Device Models.** Bar chart for the top 10 devices used by the enterprise customer.
 - 2.1.6 **Static Coverage Map.** Verizon static coverage maps for 1X, EVDO, LTE, 5G (where available) AWS, CatM, 1X roaming and EVDO roaming.
 - 2.2. **Premium features.** Premium features include all of the basic features in addition to the following:
 - 2.3 **Experience.** Single device's overall performance, score trend and anomaly devices. Users can access decision tree to see components making up the score.
 - 2.4 **Site Proximity.** Shows the azimuth and approximate distance for the nearest servicing nodes
 - 2.5 **Near-Real Time LTE coverage.** Provides map of LTE network coverage, updated about every 15 minutes.
 - 2.6 **Device Location.** Shows the general location (within 1000 meters) of connected 3G and 4G devices
 - 2.7 **Connected Devices.** Number of devices connected to the network in the last one hour.
 - 2.8 **Weather Overlays.** Provides weather overlays, including radar from last 2 hours.
 - 2.9 **Custom map Analytics.** Check network and device analytics in a selected custom service area (Network Event Analytics and Impacted devices).
 - 2.10 **Service Notifications.** Virtualized self-portal for setting up custom alert on different features.
 - 2.11 **Service Diagnostics Tool.** Device level troubleshooting reports.
3. **Service Limitations.** The coverage maps depicted are not a guarantee of coverage and may contain areas with no service. These maps reflect a general depiction of predicted and approximate wireless coverage of the Verizon Wireless Network and the networks of other carriers. Even within a coverage area, there are many factors, including a customer's equipment, terrain, proximity to buildings, foliage, and weather that may impact service. An all-digital device will not operate or be able to make 911 calls when digital service is not available. Some of the coverage area includes networks run by other carriers whose coverage depiction is based on their information and public sources, and we cannot ensure its accuracy. Although some alerts displayed on this service may generally impact your coverage area, your wireless service may not be affected. Some alerts reflect scheduled maintenance and have no impact on services. Your authorized contact will receive notifications regarding potential outage impacts.
4. **Customer Obligations.**
 - 4.1 Customer should use the user's guide before contacting Verizon Wireless for support. The user's guide contains many helpful tools and can be accessed by clicking on the question mark icon in the upper right corner of the tool.
 - 4.2 Customer must provide its users access to the Wireless Network Performance tool through My Business. Customer acknowledges and agrees that the provision of such access to individual users will allow such users to have access to the Device Location feature, if Customer selects the Premium option. Customer shall be solely responsible for any use by its users of that Device Location functionality, including, but not limited to, providing any training that may be required regarding the appropriate business use of such functionality and ensuring compliance with the terms of section 6 below.
5. **Fees.** Customer can select between the basic and premium packages (the "Fees"). The Fees are set forth in Exhibit A for the features described in Section 2 above. Customer can choose between monthly or annual billing and can choose the auto renewal option. Customer may change its subscription to the Service within the MyBusiness portal as described in this Section 5. If Customer chooses the monthly billing option, Customer can upgrade to the annual billing and such upgrade will be effective at the beginning of the next monthly billing cycle. Customer acknowledges that in the event of such an upgrade, Customer's monthly charge for the current month will not be prorated. If Customer is on the monthly billing plan, the monthly fee will be determined on the billing cycle date based on the number of active Devices that are on the same profile/Company ID and billing cycle. Any Active devices that are added or removed from Customer's account during a billing cycle will incur the monthly charge associated with such active devices, which will be

Contract 4400006679

Amendment 13

reflected on the invoice for the following monthly billing cycle. If Customer selects annual billing, Customer will incur a one-time charge that will be included in Customer's next monthly invoice. If Customer requests a change from annual to monthly billing, Customer may only make such a selection at the end of the annual term and prior to such term auto renewing, if Customer selected the auto-renew option. For such a change from annual to monthly billing to be effective, Customer must cancel annual billing at the end of the annual billing term and place a new order for monthly billing. For any Customer requested downgrade from the Premium to Basic package, Customer must cancel the Premium package and place a new order for the Basic package. For any Customer requested upgrade from Basic to the Premium package, the monthly fee will be prorated.

6. **Privacy; Notice and Consent.** "Mobile Device" (means any mobile device, including, but not limited to, smartphones, tablets, smartwatches or other wearables, laptops and netbook computers) that Customer provides to its End Users with Verizon Wireless MTNs. "End User" means any person (e.g., employee, contractor) to whom Customer has provided a Mobile Device and whose Location Information can be viewed by Customer using the Wireless Network Performance Service. "Location Information" means data that can be used to describe, determine or identify the location of the Mobile Device. Location Information may be presented in many forms such as latitude/longitude data, cell site/sector data, WiFi SSID, device signal strength or other format regardless of accuracy, type or source. Customer will be able to access information about all Mobile Devices associated with Customer's Verizon Wireless account.
- 6.1. **Customer will obtain affirmative, opt-in consent from End Users as appropriate to access, use, copy, store, collect or disclose Location Information.** Customer will not access, use, copy, store or disclose any Location Information until the consent outlined below has been obtained. Customer shall ensure that each End User is provided with clear, conspicuous and comprehensive notice about how Location Information will be accessed, used, copied, stored, collected or disclosed by Customer and/or third parties (as applicable) in Customer's privacy policy and ensure that such notice is presented to End Users for acceptance prior to use of the Service and readily available and easily accessible by End Users. Depending upon the type of service and the means by which the notices can be presented to the End User, the notices shall be displayed on a device, a website or a formal written paper contract or other mechanism as appropriate.
- 6.2. **Revocation of Consent.** As appropriate, Customer will ensure that each End User may deny, revoke or withdraw consent, through readily available means and/or mechanisms at any time. If consent is denied, revoked or withdrawn, Customer may not access or collect End User's Location Information or perform any other actions for which the End User's consent has been denied, revoked or withdrawn.
- 6.3. **Use and Storage of Location Information.** Customer may only use Location Information for the sole purpose of using the Service and as provided in the notice to the End User and shall only access, use, disclose and maintain Location Information as long as notice, consent and all other legal and End User requirements have been satisfied and maintained. Location Information shall not be accessed, used, copied, stored or disclosed for any other purpose without the explicit prior consent of the End User. Verizon does not provide Customer with access to any stored Location Information.
- 6.4. **Privacy and Safeguard Considerations.** Customer must implement security measures and safeguards that protect End User privacy and safety. It may be necessary to encrypt Location Information, provide periodic notices to End Users, send reminder messages to End Users, utilize audible, visual or other types of notifications and/or implement report abuse processes as appropriate in order to mitigate the risk of End Users being located without their knowledge and consent.
- 6.5. **Record Retention.** Customer must maintain records of any notice, consent and revocation for as long as the Wireless Network Performance Services are in use, plus an additional five (5) years. VZW can request this information at any time and it shall be provided to VZW within seven (7) business days of request.
7. **Customer Representations and Warranties.** Customer understands and agrees that Customer and any Customer agents and representatives may be subject to additional unanticipated obligations and legal requirements as a result of developing, distributing, operating or permitting distribution and/or use of the Service. In addition and supplemental to Customer's compliance with laws and obligations under the Agreement, the Service must, at all times, comply with all applicable federal, state and local government laws, criminal, civil and statutory laws, rules and regulations, industry practices, third party guidelines, policies and requirements, including but not limited to (a) all applicable consumer protection, marketing, data security, export and privacy laws, (b) Federal Trade Commission Privacy Initiatives, and (c) the CTIA Best Practices and Guidelines for Location-Based Services.

4G FWA Backup Mobile Broadband Share Plan
This plan is not eligible for monthly access fee discounts.

Monthly Access Fee	\$20.00
Domestic Data Allowance	2 GB
Domestic Data Allowance Overage	\$10.00 per GB
Rate Plan #	52913

Note: This plan is intended for business use only. Current coverage details and additional plan information can be found at www.verizonwireless.com. This plan is restricted to the Verizon Wireless 5G Nationwide® network and 4G LTE network (domestic and international roaming are not available). For avoidance of doubt, the Verizon Wireless 5G Nationwide network is a separate network from the Verizon Wireless 5G Ultra Wideband network. Only Customer-provided, 5G Nationwide or 4G LTE router devices may be activated on this plan.

During an outage of the primary connection, all usage within the billing cycle in excess of the domestic data allowance will be charged at the overage rate of \$10.00 per GB.

Data Sharing: Lines on the same billing account on custom share plans with the same data overage rate can share data. At the end of each billing cycle, any unused data allowances will be applied to the overages of other lines, beginning with the line with the lowest overage.

This plan is approved for use as a backup solution for business continuity only and is not to be used for primary connectivity. This plan may be used with a private network. Router devices must be approved for use on the Verizon Wireless network; no other device types may be activated on this plan. Lines on this plan cannot place or receive voice calls or send/receive text, picture or multimedia messages.

Verizon Mobile for Microsoft Teams is a service that utilizes existing Verizon Wireless network services to route calls through Microsoft Teams. The wireless feature, when applied to an eligible Verizon Wireless voice plan, will fully integrate your chosen Verizon Wireless Telephone number into the cloud calling and team collaboration solution offered by Microsoft. Once connected, you are able to use your wireless numbers to receive inbound and make outbound calls directly through your Enterprise Microsoft Teams instance for treatment and management.

The end user will switch to Microsoft Teams provided voice mail and must setup according to established Microsoft configuration and procedures.</p> <p>Wireless Priority Service. Wireless Priority Service (WPS) is impacted by call routing to Microsoft. Verizon will support WPS call prioritization at its radio access network. Such prioritization will be removed when the call is transferred to the Microsoft Data network for PBX call routing.</p> <p>Vendor Privacy. Verizon Mobile for Microsoft Teams enables Verizon wireless smartphone voice communications by routing calling through Microsoft Teams. When you enable this feature, Verizon shares information with Microsoft about end users, such as the phone number and call-related data. This information will be handled by Microsoft in accordance with Microsoft's privacy practices. You authorize Verizon to share your data with Microsoft and acknowledge that any customer requirements for data security will be covered under your separate agreement with Microsoft.</p>		
<p>Availability: This feature is available to any U.S. federal, state and local government customers ("USG Customers") that do not require high security FED RAMP compliance and utilize Microsoft Teams GCC Low or Medium government security platforms. Verizon Mobile for Microsoft Teams Terms and Conditions Addendum

Verizon Mobile for Microsoft Teams is a service that utilizes existing Verizon Wireless network services to route calls through Microsoft Teams (the "Service"). The service, when applied to an eligible Verizon Wireless voice plan, will fully integrate your chosen Verizon Wireless telephone number into the Microsoft Teams cloud calling and team collaboration solution. Once connected, your end user will be able to use their wireless numbers to receive inbound and make outbound calls integrated with their Enterprise Microsoft Teams instance. The end user's wireless number becomes a true Microsoft Teams endpoint allowing them to access the Microsoft Teams enterprise experience enabled by your Microsoft Teams license while utilizing the existing Verizon Wireless network services enumerated on your voice plan for PSTN and wireless termination. This provides the end user the option of placing outbound calls through the traditional collaboration enhanced Microsoft Teams application, integrated IP Phone, or now directly through the native dialer on the end user's Verizon mobile device.

Before you start using the Service, we want you to know some important things.

This Addendum modifies the contract (the "**Agreement**") between you as our Customer ("**you**") and Verizon Wireless ("**Verizon**", "**VZW**", "**we**" or "**us**") under which you purchase cellular service. It sets forth the terms and conditions under which you agree to use and we agree to provide the Service. By using the Service, you accept these Terms and Conditions, which may be modified by us from time to time. By continuing to use the Service after we have notified you of changes, you agree to accept those changes.

1. **Customer Agreement.** Your use of the Service is subject to all of the terms in your Agreement, whether the Service is paid for by a business customer or by an end user.
2. **Term.** Notwithstanding any provisions to the contrary regarding service or term commitments in any other part of the Agreement, the following provisions govern the use of the Service. When Verizon Mobile for Microsoft Teams is activated, service for each line will be on a month-to-month basis. You may terminate the Service for any line upon thirty (30) days prior written notice, without penalty.
3. **How the Service Works.** For the Service to work, you must select the lines on your companies' profile to which you wish to add the Verizon Mobile for Microsoft Teams feature. Each Verizon Mobile for Microsoft Teams phone number must be added to a single smartphone 4G or 5G capable device. Verizon will enable the Service and send the applicable telephone number(s) you assigned to the identified Microsoft Teams customer tenant. Once the telephone number is available to assign in Microsoft Teams it is your responsibility to complete setup with your Teams interface to create users and assign them to the appropriate telephone number. Once assigned Verizon will route all traffic to and from Teams to the PSTN as needed to complete calls utilizing the Verizon wireless cellular network.

4. Verizon Mobile for Microsoft Teams Management and Support

Verizon Management. Verizon will manage and support call routing into our platform, to Microsoft, and to the PSTN as needed for external termination. Verizon will provide appropriate administration tools to allow you to add or remove the feature from your Verizon line and to understand the feature routing status for each provisioned line. Verizon will communicate with Microsoft to send the telephone numbers assigned by you to Microsoft. Verizon will route calls to Microsoft once configuration is completed in Microsoft Teams to allow successful calling.

Microsoft Management. Microsoft is responsible to handle active calls once sent by Verizon and to apply any call treatments based on current Microsoft Teams PBX call configurations established by you. Microsoft is solely responsible for any voice mail or call recording as is set in the Microsoft Teams platform. All Microsoft Teams phone or device apps are managed and controlled exclusively by Microsoft. All licensing for feature management is similarly managed and controlled by Microsoft with capabilities available per your Microsoft Teams licensing agreements.

5. Feature Responsibilities

Verizon is removing many features from the Verizon subscriber wireless service so that there is no conflict with the Microsoft Teams PBX. Please see the responsibility matrix below to determine ownership and configuration management for each defined feature.

Key Definitions

***Inbound Caller ID Number** – This is supported and displayed as received by Verizon.

***Inbound Caller ID Name** – Receipt of Inbound CNAM is dependent on the wireless subscriber's active subscription to the *Premium Caller ID Calling Name* service offered by Verizon.

***Outbound Caller ID Number** – Supported through Microsoft Teams Caller ID Policy Settings.

***Outbound Caller ID Name** – Verizon Mobile for Microsoft Teams end users must use Verizon services to set outbound Caller ID Name (CNAM). Corporate accounts may update all lines with *Share Name ID* feature or use the *Company Name ID* service for individual line identification.

6. Charges

Charge Initiation. For each Verizon Mobile for Microsoft Teams line activated, Verizon will charge a monthly fee (Monthly Recurring Fee) for the Service, and Verizon will bill data, voice, and messaging charges based on your existing service plan. The charge will begin when the Service has been successfully added and the telephone numbers are available for assignment to any identified user setup by your Microsoft Teams administrator.

Charge Termination. Line level Monthly Recurring Fee will be stopped only when your Verizon administrator removes the Service from the given telephone number and associated voice service plan. Termination is not dependent on Microsoft Teams routing status and telephone number association.

General. Charges for international use may apply according to your Verizon Wireless calling plan. You may be assessed additional 911 surcharges if required by law, for up to a maximum of three devices on each mobile phone number during the applicable billing cycle.

7. Emergency 911 Calls

Description. 911 will be terminated by Verizon Wireless according to the end user's cellular geo-location if dialed from an assigned mobile device native dialer using the Verizon cellular network. If 911 is dialed from a Microsoft provided app on the phone, laptop, tablet, or desktop; or from a stationary desk IP Phone using a data network connection, the location defined for 911 by your Microsoft Administrator within Microsoft Teams will be used for routing purposes.

Microsoft Configuration. It is your responsibility to update the assigned 911 address for each user according to the management policies defined by Microsoft. If there is no address assigned within Microsoft Teams for a user initiating a 911 call from a Microsoft Teams client application or connected IP phone, Verizon will complete the call into an Emergency Call Relay Center for live address determination and or verification.

Data or Wi-Fi Origination. When using a Verizon Mobile for Microsoft Teams desk phone or data connected app, voice functionality (including the ability to make 911 calls) will not be available during a power outage, connectivity failure or other service disruption. Note: the end user can make a 911 call over a Wi-Fi connection when using the Service, but is advised that 911 calls over a Wi-Fi connection will not work if there is a failure of the connection, electrical power, or the 911 system does not recognize the end user's address.

Emergency Calling Testing. Emergency calling testing for both native and ported numbers must be performed by you unless additional professional services are ordered via a separate Professional Services Order. You must ensure that a test emergency call is placed and that the address as shown in the relevant local emergency number management system is validated as being correct.

End User Notification. You are solely responsible for informing your end users about any emergency calling restrictions. Your failure to do so may result in emergency calls failing to be delivered or being sent to the wrong location and thus delay or preclude emergency service response, which could result in injury or death.

8. Privacy. We may use information about your use of the Service in accordance with the [Verizon Privacy Policy](#).

Vendor Privacy. Verizon Mobile for Microsoft Teams enables Verizon wireless smartphone voice communications by routing calling through Microsoft Teams. When you enable this feature, Verizon shares information with Microsoft about end users, such as the phone number and call-related data. This information will be handled by Microsoft in accordance with Microsoft's privacy practices. You authorize Verizon to share your data with Microsoft and acknowledge that any customer requirements for data security will be covered under your separate agreement with Microsoft.

9. Confidentiality. You agree that any information (e.g., Microsoft Customer Tenant ID) that is shared with Verizon in configuring Verizon Mobile for Microsoft Teams will remain our Confidential Information.

10. Third Party Products

General. If you use any third party products or applications with Verizon Mobile for Microsoft Teams, you authorize us to share information with third parties, including Microsoft, that is necessary for these services to operate. Some information from those third party products or applications may be transmitted into your account with us if you authorize such transmissions (Third Party Account Information) and any such Third Party Account Information transmitted to our applications or services will then be covered by our Privacy Policy. You may opt not to disclose such information to us from third party products or applications, but keep in mind some information may be needed in order for you to take advantage of some or all of the applications' or products' intended features.

Disclaimer. With respect to all third party products and applications, you agree that: (1) we disclaim all warranties, express or implied, (2) we are not responsible and shall have no liability for such products or applications, and (3) you are solely responsible and liable for you and your end user's use of such products and applications.

11. Service Limitations

Services Compatibility. The Service is not compatible with certain Verizon services such as One Talk, Premium Voice Mail, Voice Mail Block, and Number Share. These services must be removed prior to feature enablement and may not be enabled while Verizon Mobile for Microsoft Teams service is active.

(x)11 Services. Verizon will support all (N)11 services from the users assigned mobile device native dialer. Microsoft does not support the following (N)11 services from their managed calling applications or IP phones accessed over a data network: 211, 311, 511, 711, 811.

Dial Plan Conflicts. Microsoft Teams is responsible for all dial plan permissions. For any calling permissions that Verizon allows but Microsoft Teams does not allow, the Microsoft Teams PBX will be in control of that permission. This includes for international dialing/calling capability, and any caller ID specified

Short Dial. Verizon will not support short dialing from the Verizon wireless phone native dialer to another Microsoft Teams Enterprise user.

Voice Mail Removal and Retention. Adding the Verizon Mobile for Microsoft Teams feature will remove the Verizon voice mail associated to any existing and identified wireless line. It is your or your end user's responsibility to move and save any needed voicemail prior to activation of the Service with Verizon. Verizon does not guarantee that voice mail will be retained in any form. The end user will switch to Microsoft Teams provided voice mail and must setup according to established Microsoft configuration and procedures.

Wireless Priority Service. Wireless Priority Service (WPS) is impacted by call routing to Microsoft. Verizon will support WPS call prioritization at its radio access network. Such prioritization will be removed when the call is transferred to the Microsoft data network for call routing.

Network Performance Dependency. Call routing and overall quality of service is dependent upon Microsoft for completion. Verizon is not responsible for call traffic while it is in the Microsoft Azure data center(s) or network for routing and termination, nor if delivered through customer specific non-Verizon owned data networks for app or IP phone connectivity.

12. Important Service Disclosures. YOU ACKNOWLEDGE AND AGREE THAT THE SERVICE IS IMPLEMENTED WITHOUT SPECIFIC CONTROLS THAT MAY GENERALLY BE REQUIRED OR CUSTOMARY FOR CUSTOMERS IN ANY PARTICULAR INDUSTRY AND ARE NOT DESIGNED TO SATISFY ANY SPECIFIC LEGAL OBLIGATIONS. YOU ARE SOLELY RESPONSIBLE FOR DETERMINING THAT THE SERVICE SATISFIES ANY LEGAL, REGULATORY OR CONTRACTUAL OBLIGATIONS YOU MAY HAVE. YOU AGREE THAT YOU AND YOUR END USERS WILL USE THE SERVICE IN ACCORDANCE WITH ALL APPLICABLE LAWS AND NOT TO USE THE SERVICE IN ANY MANNER THAT MAY IMPOSE LEGAL, REGULATORY OR CONTRACTUAL OBLIGATIONS ON US, OTHER THAN THOSE WITH WHICH WE HAVE EXPRESSLY AGREED TO COMPLY IN THIS ADDENDUM.

13. Service. We grant you a limited, non-exclusive, non-transferable license to use the Service solely as authorized in this Addendum. All rights regarding use of the Service are not expressly granted in this Addendum are reserved by Us and/or any third-party licensors.

You may not adapt, alter, modify, reverse engineer, de-compile, disassemble, translate, attempt to derive source code from or create derivative works of the Service, or otherwise tamper with or modify any security features or other Service components for any reason (or allow or help anyone else to do so). You also agree to follow all rules and policies applicable to the Service, including the installation of required or automated updates, modifications and obtaining available patches to address security, interoperability and/or performance issues.

Disclaimer of Warranty. THE SERVICE AND THIRD PARTY PRODUCTS ARE PROVIDED "**AS IS**" AND "**AS AVAILABLE**" WITHOUT WARRANTIES, EXPRESS OR IMPLIED, OF ANY KIND BY EITHER US, OUR AFFILIATES, OFFICERS, EMPLOYEES, LICENSORS, CONTRACTORS, AND AGENTS (TOGETHER, THE "**VERIZON PARTIES**"), INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, NON-INFRINGEMENT OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE VERIZON PARTIES AND ANY THIRD PARTY MOBILE APPLICATION STORE OPERATORS FROM WHICH YOU OR YOUR END USERS DOWNLOAD THE MICROSOFT TEAMS MOBILE APP OR THIRD PARTY PRODUCTS WILL NOT BE LIABLE TO YOU OR ANYONE ELSE FOR ANY LOSSES OR DAMAGES OF ANY KIND OR ANY SECURITY ISSUES THAT MAY RESULT FROM YOU OR YOUR END USERS USE OF THE SERVICE. NO ADVICE OR INFORMATION GIVEN BY THE VERIZON PARTIES SHALL CREATE ANY WARRANTY HEREUNDER.

STANDARD INSTALL	POTSOLVE_INSTALL	Under the standard installation process for the POTSolve system, the site point of contact (POC) is asked to contact their monitoring service to place fire and security panels into test mode for at least four hours when life safety lines are involved. The POTSolve enclosure and 66-block are then mounted, by CSG Technicians, the system is powered up, and internet connectivity is confirmed. Two speed tests are performed and documented, and the ATAs are verified to be online. Test calls are made from the 66-block for all provisioned lines before crossconnects are started, and the site POC confirms that fire and security panels are in test mode. Cross- connect wiring is removed from the existing demarc punch down, and connections are made to the POTSolve 66-block for each provisioned line. Each line is tested as close to the device as possible, and if no access is available, testing is conducted at the POTSolve 66- block. SITE SURVEY	POTSOLVE_SITE_SURVEY	POTSolve site survey, by CSG technicians, is On-Site Support (OSS), of the installation process includes identifying the installation area, which requires a 2ft by 2ft backboard space in the demarcation area, and verifying the AC power outlet within 5ft of the install area. OSS also ensures the verification of the Verizon LTE signal and, if the signal is below acceptable levels, the identification and documentation of the best pathway and mounting area for an external antenna. Existing lines being replaced by POTSolve in the demarc area are traced and tagged, and if there are multiple demarcs, the corresponding lines for each demarc are identified. OSS checks for an active LAN connection within 10ft of the install area for life safety lines and verifies that all devices moving to POTSolve are functioning correctly. Post-install, photos are taken of the end devices, the entire room where the demarc is located, demarc punch down fields, proposed backboard space, closest power outlet in relation to the install area, and the closest active LAN connection when life safety lines are involved.	776202	\$299.00	N/A

CSG POTsSolve Terms & Conditions

These Terms and Conditions ("Terms") describe, and govern the acceptance and use of, the POTS replacement services provided by Connected Solutions Group, LLC ("CSG") set forth below by your Organization ("You" or "Customer"). By completing the ordering process for the Services, Customer agrees to these Terms.

1. Services. CSG will provide certain POTS replacement services ("Services") to Customer.

2. Use of Services.

2.1. **Acceptable Use Policy.** Customer shall not use the Services: (a) for any unlawful or immoral purpose; (b) to reverse engineer, copy, decompile, disassemble, circumvent, or violate the integrity of any aspect of the Services; or (c) to upload or transmit viruses or any other type of malicious code that will or may be used in any way that will affect the functionality or operation of the Services.

2.2. **User Portal.** In order for Customer to gain full access to our Services, Customer may be required to access an online user portal. This user portal may collect certain Customer information (such as IP address) or place a cookie on Customer devices for Service-related purposes, such as recognizing Customer when Customer accesses the portal.

3. Suspension and Termination.

3.1. Notwithstanding anything to the contrary contained herein, CSG may suspend or terminate the Services, and Customer's account access, if: (a) Customer materially breaches these Terms, including any obligations under the Acceptable Use Policy; or (b) CSG deems necessary to protect the Services.

3.2. Under no circumstances will CSG be liable to Customer by reason of the suspension or termination of the Services in accordance with these Terms for compensation, reimbursement or damages of whatsoever nature including, without limitation, for (i) indirect or consequential damages, (ii) loss of prospective compensation or earnings, (iii) goodwill or loss thereof, or (iv) expenditures, investments, or any type of commitment made in connection with the business of Customer or in reliance on the existence of these Terms.

4. Representations. Customer represents to CSG that Customer has the full right, power, and authority to purchase the Services and Customer's use of the Services shall be in accordance with these Terms.

5. Intellectual Property. As between CSG and Customer, CSG shall own and retain all rights, title and interests in and to the Services and any derivative works (collectively, "CSG IP"). Customer acknowledges that it has no right or interest in the CSG IP (except as expressly permitted by these Terms).

6. DISCLAIMER OF WARRANTY. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, CSG MAKES NO REPRESENTATIONS, WARRANTIES OR GUARANTEES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WITH RESPECT TO CONDITION OR QUALITY, PERFORMANCE, MERCHANTABILITY, FITNESS, CAPACITY OR DURABILITY FOR ANY PARTICULAR PURPOSE OR USE OR NON- INFRINGEMENT, AND EXPRESSLY DISCLAIMS ANY OTHER REPRESENTATION, WARRANTIES AND GUARANTEES WITH RESPECT TO THE SERVICES.

7. LIMITATION OF LIABILITY; EXCLUSION OF DAMAGES. TO THE EXTENT PERMITTED BY LAW, CSG AND ANY AUTHORIZED RESELLER OF THE SERVICES WILL NOT BE LIABLE FOR ANY INCIDENTAL, SPECIAL, OR EXEMPLARY DAMAGES (INCLUDING, WITHOUT LIMITATION DAMAGES FOR LOSS OF PROFITS, LOSS OF GOODWILL, BUSINESS INTERRUPTION, LOSS OF BUSINESS OPPORTUNITY, OR ANY OTHER PECUNIARY LOSS) SUFFERED BY CUSTOMER RELATED TO OR ARISING OUT OF THE SERVICES AND/OR FROM ANY OTHER CAUSE WHATSOEVER, EVEN IF CSG HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. MOREOVER, IN NO EVENT WILL CSG'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THESE TERMS, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, EXCEED THE AMOUNT PAID BY CUSTOMER FOR THE SERVICES DURING THE TWELVE MONTHS PRIOR TO THE APPLICABLE CLAIM ARISING. IN NO EVENT WILL CSG OR ANY AUTHORIZED RESELLER OF THE SERVICES BE LIABLE, IN ANY WAY, FOR A SERVICE FAILURE, OR LACK OF SERVICE, IN ANY OF THE FOLLOWING SITUATIONS: (A) POWER FAILURE, (B) SUSPENDED OR TERMINATED BROADBAND SERVICE, (C) SUSPENSION OF SERVICES DUE TO BILLING ISSUES, (D) USE OF CERTAIN FEATURES WHICH ARE NOT COMPATIBLE WITH 911 SERVICES, AND/OR (E) ANY OTHER SERVICE OUTAGES NOT DESCRIBED HEREIN. EACH AND EVERY PROVISION OF THESE TERMS WHICH PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER, OR EXCLUSION OF DAMAGES, IS EXPRESSLY INTENDED TO BE SEVERABLE AND INDEPENDENT FROM ANY OTHER PROVISION.

8. 911 Terms and Conditions. The Services are provided subject to the terms and conditions set forth in the Appendix to these Terms.

9. General Provisions.

9.1. Severability. Each provision of these Terms will be valid and enforceable to the fullest extent permitted by law. If any provision of these Terms is found, to any extent, be invalid or unenforceable, the remainder of this Agreement will not be affected by such invalidity or unenforceability.

9.2. Survival. Any section of these Terms that may last after termination of these Services shall survive the termination of these Services.

APPENDIX

911 Terms and Conditions

1. 911 Terms and Conditions. CSG provides its 911 Services (defined below) subject to the terms and conditions set forth below (the "911 Terms").

1.1. Definitions. For the purposes of these 911 Terms, the following terms will have the following meanings:

1.1.1. "911 Call(s)" means any call made dialing the digits 9-1-1, regardless of whether such call is made using Basic 911, Enhanced 911, or a PSAP.

1.1.2. "911 Services" means functionality that allows end users to contact emergency services by dialing the digits 9-1-1.

1.1.3. "Approved Uses" means the provision of Enhanced 911 and/or Basic 911 to (a) 911 Users who principally utilize such services at such 911 User's residence and occasionally at other locations; (b) 911 Users that are enterprises that use either an on-site or PBX during customary business hours and should reasonably be expected to have reasonably customary 911 usage patterns due to the nature of such enterprise's business or operations; for clarity, the provision of Enhanced 911 service and/or Basic 911 service to enterprises that use either an on-site or hosted PBX but operate outside customary business hours, including, without limitation, assisted living facilities, nursing homes and other similar facilities, and to which (c) and/or (d), below, do not apply; or should not reasonably be expected to have reasonably customary 911 usage patterns due to the nature of such enterprise's business or operations, do not constitute "Approved Uses"; (c) 911 Users that operate non-emergency call center(s) that should reasonably be expected to have only occasional use of 911 due to the nature of such call center's business or operations; for clarity, central station alarm and other similar call centers that direct calls to emergency services do not constitute "Approved Uses"; and (d) 911 Users that operate call center(s) that support the deaf and/or hard of hearing community, which are more commonly known as "relay services."

1.1.4. "Basic 911" means the ability to route an emergency call to the designated entity authorized to receive such calls serving the Customer's Registered Emergency Address. With Basic 911, the 911 professional answering the phone will not have access to the 911 User's telephone number or emergency address information unless the 911 User provides such information verbally during the emergency call.

1.1.5. "E911 Authority" means a municipality or other state or local government unit, or an authorized agent of one or more municipalities or other state or local government units to whom authority has been lawfully delegated to respond to public emergency telephone calls, at a minimum, for emergency police and fire services through the use of one TTN. For clarity, an E911 Authority may be an individual PSAP, or an entity responsible for the management and operation of multiple PSAPs within a given geographic area.

1.1.6. "911 User" means the individual placing a 911 Call from a 911 User's TTN (defined below).

1.1.7. "Enhanced 911" or "E911" means the ability to route an emergency call to the designated entity authorized to receive such calls serving the Customer's provided address and to deliver the Subscriber's telephone number and corresponding Registered Emergency Address or REA information automatically to the 911 professional answering the call.

1.1.8. "P-Asserted-Identity" means a header field used among trusted SIP entities (typically intermediaries) to carry the identity of the user sending a SIP message as it was verified by authentication.

1.1.9. "Private Branch Exchange" or "PBX" means a telephone system within an enterprise that switches calls between enterprise users on local lines while allowing all users to share a certain number of external phone lines.

1.1.10. "Public-Service Access Point" or "PSAP" means an answering location for 911 Calls originating in a given area. The E911 Authority may designate a PSAP as primary or secondary, which refers to the order in which calls are directed for answering. Primary PSAPs answer calls; secondary PSAPs receive calls on a transfer basis. PSAPs are public safety agencies such as police, fire, emergency, medical, etc., or a common bureau serving a group of such entities.

Contract 4400006679

Amendment 13

Page 33 of 80

1.1.11. "Registered Emergency Address" or "REA" means the physical address provided by the Customer to be used for E911 and Basic 911, which may be used to dispatch police, fire, emergency medical and other emergency response resources.

1.1.12. "SIP" means Session Initiation Protocol, which is the signaling protocol used between VoIP networks to establish, control and terminate voice calls.

1.1.13. "Subscriber" means an end user or telephone device assigned a DID.

1.1.14. "Trunk Number" or "TTN" means a United States or Canada telephone number bought by the Customer and assigned to a trunk for use with CSG's elastic SIP trunking service.

1.1.15. "VoIP" means Voice over Internet Protocol.

1.2. Service Description and Use of Service.

1.2.1. E911 Services. With E911, when a Customer places a 911 Call, such call will typically be routed to the local PSAP that covers Customer's REA. In limited circumstances, as further described below, the 911 Call may be routed to a PSAP. Regardless of which PSAP the 911 Call is routed to, if and only if the associate trunk is properly provisioned, the 911 professional will receive the (1) TTN associated with the 911 Call and (2) Customer's REA. Customer understands that Customer, and not CSG, must properly provision elastic SIP trunking origination services for each trunk associated with each of their TTNs in order for an emergency operator to receive the associated TTN and Customer's REA.

1.2.2. Basic 911. With Basic 911, when a Customer places a 911 Call, this call is always sent to the local PSAP serving the Customer's physical location. 911 professionals answering 911 Calls from Customer will not automatically receive the associated TTN or REA because the PSAP to which the 911 Call was routed will not be equipped to receive, capture, or retain Customer's assigned TTN or REA. Accordingly, Customer must provide both call-back and emergency address information to the 911 professionals. If the 911 Call is dropped or disconnected, or if the Customer is unable to speak, then the 911 professional will not be able to call the Customer back or dispatch emergency assistance to the Customer's physical location. As additional local PSAPs are able to answer E911 calls, CSG may upgrade Customer from Basic 911 to E911 service. CSG is not obligated, however, to notify Customer of the upgrade. In limited circumstances, Customers equipped with Basic 911 may have their calls routed to a PSAP, as further described below.

1.2.3. PSAP Service. Certain TTNs will not have access to either Basic 911 or E911 services. If Customer has TTNs that do not have access to either E911 or Basic 911, 911 Calls will be routed to a PSAP. A 911 professional at the PSAP will ask for the 911 User's name, telephone number, and location, and then transfer the 911 User to the appropriate local PSAP or otherwise determine the best way to provide emergency services to the 911 User. As with Basic 911, 911 professionals answering calls in a PSAP will not receive the 911 User's TTN or REA because PSAPs are not equipped to receive, capture or retain this information. Accordingly, the 911 User must provide this information to the 911 professional. Other reasons that a 911 User's 911 Calls may be sent to a PSAP is if (a) there is a problem validating the REA provided by Customer during provisioning, (b) Customer is located in an area that is not covered by the landline 911 network, or (c) Customer has Basic 911 or E911 service but these calls fail to complete and are routed to a PSAP for failover purposes.

1.3. Notwithstanding any term or condition of these 911 Terms to the contrary, Customer will only utilize CSG's E911 and/or Basic 911 services pursuant to these 911 Terms for Approved Uses.

1.4. Customer will not block their TTN on a device they are using when placing a 911 Call and the TTN shall be made available in the From/P-Asserted-Identity SIP headers of the incoming SIP request.

1.5. Customer acknowledges and agrees that CSG can only provide E911 call routing in territories where the PSAP or E911 Authority offers E911. All other 911 calls made by 911 Users successfully registered in CSG's database will be routed using the ten-digit outbound trunks or a 911 professional.

1.6. Customer will provide CSG with and keep current the correct and valid REA for each TTN for which the Customer desires 911 Services. The REA provided must include sufficient information to enable emergency responders to locate the 911 User and must comply with all Multi-line Telephone System ("MLTS") requirements applicable to Customer. For example, one MLTS requirement may be that for Customer located in a multi-floor building, Customer must include a floor or suite number as part of the REA. CSG AND ITS AUTHORIZED

RESELLERS WILL NOT HAVE ANY LIABILITY WHATSOEVER FOR ANY DAMAGE, LIABILITIES, LOSSES, OR ANY OTHER CONSEQUENCES CAUSED BY CUSTOMER'S FAILURE TO KEEP ITS INFORMATION UPDATED. Customer will provide a TTN with Customer call presented to CSG for processing. CSG will have no obligation to provide 911 Services with respect to any Customer call that does not include a TTN and will not be liable for any claims arising from any efforts undertaken by CSG to provide 911 Services under such circumstances.

1.7. Customer Obligations. (i) Customer will be solely responsible for compliance with all applicable laws and/or other governmental requirements imposed or required by any state or other applicable governmental authority; and (ii) Customer will inform any party using (or any party that might use) the 911 Services of the difference between traditional 911 and VoIP 911 service in compliance with all applicable laws and/or other governmental requirements imposed or required by any governmental authority, including, without limitation, the Federal Communications Commission ("FCC"). For clarity, CSG will not be responsible if 911 Service is unavailable due to loss of power; certain features may not be compatible with 911 service; and CSG reserves the right to refuse provisioning or modification of features or service if such provisioning or modification adversely affects 911 service. Customer agrees not to move any equipment associated with the 911 Services and acknowledges that any such movement could impact 911 Services functionality and/or the ability to determine the location of the equipment. CSG and its authorized resellers disclaim all liability arising out of any movement of the equipment by Customer.

1.8. Customer Testing. Customer will be solely responsible to test the 911 Services after installation and periodically throughout the 911 Term (as defined in below) and will notify CSG if Customer notes any issues at any time with the Service. Customer agrees to test 911 Services and share the results of such testing at the request of CSG.

1.9. Equipment; Connection; Customer's Responsibilities. CSG will not provide any equipment or any electronic tools, except as may be expressly agreed to and set forth in writing. Customer must connect to CSG's network in a manner and at locations determined by CSG. If Customer elects to self-install, Customer will, at Customer's sole cost and liability as between Customer and CSG, be solely responsible for installing any and all equipment, software and the like necessary for Customer to use the 911 Services.

1.10. Charges and Rates. If applicable, Customer shall pay an additional fee per TTN enabled to use the 911 Services ("911 Fee").

1.11. Term. The term of these 911 Terms shall be the same as the period during which the CSG is providing the Services (the "911 Term").

1.12. DISCLAIMER. CUSTOMER ACKNOWLEDGES AND AGREES THAT CSG'S EMERGENCY SERVICE IS INTERNET-BASED AND THAT INTERNET 911 SERVICES ARE DIFFERENT THAN THAT OF A TRADITIONAL WIRELINE SERVICE. CUSTOMER FURTHER ACKNOWLEDGES THAT THE CSG EMERGENCY SERVICE MAY NOT SUPPORT BASIC 911 OR E911 DIALING IN THE SAME MANNER AS A TRADITIONAL WIRELINE PHONE SERVICE. FOR BASIC 911 OR E911 TO BE ACCURATELY ROUTED TO THE APPROPRIATE EMERGENCY RESPONDER, THE CUSTOMER MUST PROVIDE THE REA FOR THE ASSOCIATED TTN IN ACCORDANCE WITH THE CUSTOMER DOCUMENTATION

1.13. CUSTOMER ACKNOWLEDGES THAT THERE ARE POTENTIAL COMPLICATIONS ARISING FROM BASIC 911 OR E911 DIALING. SPECIFICALLY, CUSTOMER ACKNOWLEDGES AND AGREES TO INFORM ALL EMPLOYEES, GUESTS, AND OTHER THIRD PERSONS WHO MAY ALSO BE 911 USERS THAT BASIC 911 AND E911 SERVICES WILL NOT FUNCTION IF THERE IS A SERVICE FAILURE DUE TO ANY OF THE FOLLOWING CIRCUMSTANCES: (A) POWER FAILURE, (B) SUSPENDED OR TERMINATED BROADBAND SERVICE, (C) SUSPENSION OF SERVICES DUE TO BILLING ISSUES, (D) USE OF CERTAIN FEATURES WHICH ARE NOT COMPATIBLE WITH 911 SERVICES, AND/OR (E) ANY OTHER SERVICE OUTAGES NOT DESCRIBED HEREIN. CSG RESERVES THE RIGHT TO REFUSE PROVISIONING OR MODIFICATION OF FEATURES OR SERVICE IF SUCH PROVISIONING OR MODIFICATION ADVERSELY AFFECTS THE 911 SERVICES.

1.14. CUSTOMER FURTHER ACKNOWLEDGES THAT FAILURE TO PROVIDE A CORRECT PHYSICAL ADDRESS IN THE REQUISITE FORMAT MAY CAUSE ALL BASIC 911 OR E911 CALLS TO BE ROUTED TO AN EMERGENCY SERVICE PROVIDER NOT LOCATED NEAR THE CUSTOMER. FURTHERMORE, CUSTOMER RECOGNIZES THAT USE OF THE 911 SERVICES FROM A LOCATION OTHER THAN THE LOCATION INDICATED IN THE REA MAY RESULT IN BASIC 911 OR E911 CALLS BEING ROUTED TO AN EMERGENCY SERVICE PROVIDER NOT LOCATED NEAR THE CUSTOMER.

1.15. CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER CSG, ITS UNDERLYING CARRIER, AND ANY OTHER THIRD PARTIES INVOLVED IN THE ROUTING, HANDLING, DELIVERY OR ANSWERING OF 911 SERVICES OR IN RESPONDING TO 911 CALLS, NOR THEIR DIRECTORS, MEMBERS, OFFICERS, SHAREHOLDERS, EMPLOYEES, OR AGENTS MAY BE HELD LIABLE

FOR ANY CLAIM, DAMAGE, LOSS, FINE, PENALTY, OR COST (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES AND COSTS) AND CUSTOMER HEREBY WAIVES ANY AND ALL SUCH CLAIMS OR CAUSES OF ACTION, ARISING FROM OR RELATING TO THE PROVISION OF ALL TYPES OF EMERGENCY SERVICES TO CUSTOMER.

1.16. Limitation of Liability.

1.16.1. Customer agrees that CSG and its authorized resellers, and their respective directors, officers, members, shareholders, employees, and agents will not be liable for any loss or damage sustained by Customer or 911 Users due to any failure in or breakdown of the communication facilities associated with providing the 911 Services, or for any delay, interruption, or degradation of the Services whatsoever; provided, however, that CSG remains liable for any gross negligence or willful misconduct by CSG, its directors, members, officers, shareholders, employees, and agents.

1.16.2. In no event will the liability of CSG and its authorized resellers, to Customer for any loss arising out of the 911 Services provided pursuant to these 911 Terms or any errors, interruptions, defects, failures or malfunctions of the 911 Services provided pursuant to these 911 Terms, including, without limitation, any and all equipment and data processing systems associated therewith, exceed an amount equal to the total amount paid by Customer during the twelve (12) month period preceding the first incident out of which the liability arose. Customer waives any claim that these exclusions or limitations deprive it of an adequate remedy or cause these 911 Terms to fail of their essential purpose. Customer further acknowledges, understands and agrees that CSG has no control over how a foreign administration or third party carrier establishes its rules and conditions pertaining to international telecommunications service.

MARKETSPARK GENERAL TERMS AND CONDITIONS

These General Terms and Conditions (these “**Terms**”) govern the provision and use of equipment, software and services related to the conversion of plain old telephone service (“**POTS**”) to reliable cellular connections by MarketSpark, Inc. (“**MarketSpark**”) to your organization (“**You**” or “**Customer**”). By completing the ordering process for the Services, Customer agrees to these Terms.

1. Provision of Equipment and Services. Customer agrees to acquire from MarketSpark the Services and Equipment (as defined below), which may include accompanying software (“**Software**”). Customer acknowledges that a site survey is recommended to determine scope of the Services to be provided. Customer agrees to coordinate with MarketSpark on the details of the set-up, installation, and testing of the Services.

1.1. Equipment. MarketSpark shall provide the necessary hardware (together with applicable Software, “**Equipment**”) to deliver the Services. Customer acknowledges that the Equipment is provided exclusively for use by Customer. Customer acknowledges that any unauthorized sale may result in the immediate voiding of any warranties that may have been passed through to Customer. Certain equipment required to provide the Services may be supplied by Customer and shall include, but not be limited to, the following: routers, switches, firewalls, digital phones, faxes, signal boosting equipment, and fire panels, among other equipment (such Customer-supplied equipment is collectively the “**CPE**”).

2. Services. For purposes of POTS replacement, MarketSpark shall provide certain services to Customer (“**Services**”), which shall include but not be limited to the following:

2.1. POTS replacement line(s) at each of the Customer locations as selected and identified by Customer (“**Customer Locations**”).

Contract 4400006679

Amendment 13

Page 39 of 80

- 2.2. Installation of the Services by MarketSpark up to the demarcation point(s) (each, a “**Dmarc**”) at the Customer Locations. Dmarcs are defined as Customer’s main distribution frame (MDF), intermediate distribution frame (IDF), or computer or server room and may vary by location. Where MarketSpark is provisioning Services to a Dmarc at a Customer Location, Customer is responsible for providing all necessary and/or reasonably requested access rights, space, and power for MarketSpark’s facilities and equipment at the Dmarc. If MarketSpark is unable to access the require Customer Location at the agreed upon date and time, Customer may be charged additional costs associated with rescheduling the installation.
 - 2.2.1. For clarity, MarketSpark’s obligation is to provide a dial tone to the Dmarc. Any additional installation services or coordination with other service providers or personnel may result in additional fees, which shall be approved by Customer in advance and subject to these Terms. MarketSpark’s technical support team is available for remote services at no additional charge to resolve connectivity with on-premises equipment.
- 2.3. Setup and installation Services provided by MarketSpark to install Equipment in the Customer Locations as provided in these Terms.
- 2.4. Testing of new POTS replacement line(s) to the Dmarc(s).
- 2.5. Monitoring, management, and, solely for Equipment not owned by Customer, break-fix Services for the Equipment installed by MarketSpark in the Customer Locations.
- 2.6. Access to MarketSpark’s portal for the purposes of monitoring Services at the Customer Locations and making changes such as call forwarding and other changes allowed using the portal.
- 2.7. MarketSpark is not responsible for the timeline to port Customer’s existing numbers. Although carriers are required to transfer their customers’ numbers upon request, execution time varies and is beyond the control of MarketSpark.
3. **Suspension and Termination.** MarketSpark may suspend or terminate the Services if Customer materially breaches these Terms and fails to cure such breach within thirty (30) days following MarketSpark’s written notice specifying such breach.
4. **Customer Responsibilities.** In addition to Customer’s other responsibilities under these Terms, Customer agrees that anyone using the Services will: (i) not use the Services for any illegal purposes and comply with all federal, state, and local laws, rules, regulations and tariffs that apply to the Services, the Equipment, or these Terms; (ii) be solely responsible to establish and maintain security measures (including, without limitation, codes, passwords, or other features) necessary to restrict access to Customer’s computers, servers, or other CPE through the Services; (iii) be solely responsible for all fraudulent, unauthorized, illegal, or improper use of the Services and/or Equipment by persons accessing those Services through Customer’s facilities, CPE, or Customer Location; and (iv) authorize and identify to MarketSpark at least one individual who is authorized to represent Customer on any aspect of the Services and Customer’s account (including all requests for moves, additions, deletions or changes to the Services) (each, an “**Authorized Individual**”). Customer’s list of Authorized Individuals must be kept current at all times. A change requires the authorization of a currently Authorized Individual for Customer’s account. Updates and authorizations shall be sent to support@MarketSpark.com. Customer further agrees to keep the Equipment at the Customer Location where it has been installed and to not make any alterations, additions, or replacements to the Equipment except as authorized in writing by MarketSpark.
5. **911 Terms and Conditions.** The Services are provided subject to the 911 terms and conditions as set forth in the Appendix to these Terms.

6. LIMITED WARRANTY. OTHER THAN THE WARRANTIES DEFINED IN THESE TERMS, MARKETSPARK DISCLAIMS ALL OTHER EXPRESS WARRANTIES AND ALL WARRANTIES, DUTIES, AND OBLIGATIONS IMPLIED OR IMPOSED BY LAW, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, AND ANY WARRANTY FROM USAGE OF TRADE, COURSE OF DEALING, OR COURSE OF PERFORMANCE, AMONG OTHERS. CUSTOMER IS SOLELY RESPONSIBLE TO SELECT, USE, AND DETERMINE THE SUITABILITY OF MARKETSPARK SERVICES AND THE EQUIPMENT, AND MARKETSPARK WILL HAVE NO LIABILITY FOR THAT SELECTION, USE, OR SUITABILITY. MARKETSPARK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE OR THE FITNESS OF THE SERVICES FOR A PARTICULAR PURPOSE. MARKETSPARK DOES NOT REPRESENT THAT THE SERVICES OR THE EQUIPMENT WILL MEET CUSTOMER'S REQUIREMENTS OR PREVENT UNAUTHORIZED ACCESS TO CUSTOMER'S COMPUTERS, NETWORK, SERVERS AND OTHER EQUIPMENT OR TO ANY DATA, INFORMATION, OR FILES ON ANY OF THEM. WHENEVER CUSTOMER IS ENTITLED TO MARKETSPARK'S INTEREST IN ANY EQUIPMENT, MARKETSPARK **WILL ASSIGN SUCH EQUIPMENT "AS-IS, WHERE-IS," EXCEPT THAT MARKETSPARK WILL WARRANT THE ABSENCE OF ANY ENCUMBRANCES.**
7. **MarketSpark Intellectual Property.** Customer acknowledges and agrees that in order for MarketSpark to perform one or more of its obligations in connection with specific Software (or any specific parts thereof), MarketSpark may, in some instances, need to utilize certain of MarketSpark's own proprietary pre-existing code, technology, or software ("**MarketSpark IP**"). Such MarketSpark IP shall not be deemed included in the Services provided hereunder, and all rights in and to such MarketSpark IP are and shall remain the sole and exclusive property of MarketSpark.
8. **Indemnification.** MarketSpark shall release, indemnify, defend, and hold harmless Customer from and against any and all losses, damages, liabilities, costs (including reasonable attorneys' fees) incurred by Customer resulting from any third-party claim, suit, action, or proceeding that (i) the MarketSpark IP, Services, or any use of the Services in accordance with these Terms, infringes or misappropriates such third party's US intellectual property rights, or (ii) results from MarketSpark's gross negligence or willful misconduct; provided that in each instance, Customer provides prompt notification in writing of such claim and cooperates with MarketSpark.
9. **LIMITATIONS OF LIABILITY.**
- 9.1. EXCEPT WITH RESPECT TO MARKETSPARK'S OBLIGATIONS OF INDEMNIFICATION PURSUANT TO SECTION 8, A BREACH OF THE OBLIGATIONS OF CONFIDENTIALITY UNDER SECTION 10, OR INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY, IN NO EVENT WHATSOEVER SHALL MARKETSPARK OR ITS AUTHORIZED RESELLERS BE LIABLE UNDER ANY CAUSES OF ACTION FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES, OR OTHER SIMILAR TYPE OF DAMAGES, INCLUDING BUT NOT LIMITED TO DAMAGES BASED UPON LOSS OF DATA, LOSS OF PROFITS, AND/OR LOSS OF BUSINESS, OR LOSS, DAMAGE, OR DESTRUCTION OF ANY PROPERTY, WHETHER CUSTOMER, CUSTOMER'S PERMITTED ASSIGNEE, OR ANY OTHER TRANSFEREE SUFFER THAT LOSS OR DAMAGE, ARISING OUT OF OR IN ANY WAY RELATED TO THESE TERMS, WHETHER UNDER CONTRACT, TORT OR ANY OTHER CAUSE OF ACTION AND WHETHER OR NOT MARKETSPARK OR ITS AUTHORIZED RESELLERS ARE INFORMED, KNEW OR SHOULD HAVE KNOWN, OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE, UNLESS SUCH DAMAGES ARE DUE TO THE WILLFUL MISCONDUCT OF MARKETSPARK. EXCEPT WITH RESPECT TO MARKETSPARK'S OBLIGATIONS OF INDEMNIFICATION PURSUANT TO SECTION 8, IN NO EVENT SHALL MARKETSPARK OR ITS AUTHORIZED RESELLERS BE LIABLE TO CUSTOMER FOR ANY AMOUNTS IN EXCESS OF AMOUNTS ACTUALLY PAID BY CUSTOMER FOR THE SERVICES. MARKETSPARK IS NOT LIABLE FOR THE CONTENT, ACCURACY, OR QUALITY OF INFORMATION TRANSMITTED THROUGH ITS EQUIPMENT, FACILITIES, OR SERVICES, OR THROUGH THE EQUIPMENT, AND CUSTOMER AGREES TO ASSUME ALL RISK OF TRANSMITTING, RECEIVING, OR USING ANY SUCH CONTENT OR INFORMATION. THE LIMITATIONS ON LIABILITY SET FORTH IN THIS SECTION REPRESENT A FUNDAMENTAL TERM OF THE SERVICES AND NEITHER MARKETSPARK NOR CUSTOMER WOULD HAVE AGREED TO THESE TERMS WITHOUT THEIR INCLUSION.
- 9.2. MarketSpark does not control how emergency 911 calls are answered or handled by any local emergency response center. MarketSpark disclaims all liability and responsibility for the actions and conduct of any and all national and local emergency response centers. MarketSpark relies entirely upon third parties to route emergency 911 calls to local and national emergency response centers. MarketSpark and its authorized resellers disclaim any and all liability and responsibility resulting from the absence, failure or outage of the emergency 911 services, including without limitation the emergency dialing service or access to emergency service personnel, or in the event such third-party data used to route the calls is incorrect or produces an erroneous result. Neither MarketSpark nor its officers, directors, members, shareholders, employees or authorized resellers may be held liable for any claim, damage or loss, and

Customer hereby waives any and all such claims or causes of action arising from or related to, emergency 911 Services; provided, however, that this disclaimer will not apply to MarketSpark where such claims arose from MarketSpark's gross negligence, recklessness or willful misconduct. MarketSpark is not liable for errors or omissions in any information about Customer in any published directory. Customer agrees to be solely responsible for ensuring the accuracy of any information about Customer in any published directory.

10. Confidentiality. "Confidential Information" shall include, without limitation, knowledge about business formulas, products, processes, techniques, technology, research, services, trade secrets, inventions, copyrights, patents, patent applications, contracts, marketing materials and strategies, software programs, financial information, and all concepts, plans, proposals, or information about MarketSpark's current, future, and proposed business or any of MarketSpark's customers, whether or not such information would be enforceable as a trade secret. Confidential Information also includes proprietary or confidential information of any third party who may disclose information to MarketSpark in its course of business. Except as required by law, Customer will not, without prior written consent from MarketSpark, disclose to any individual or entity any such Confidential Information, and will use such information only as may be reasonably necessary as it pertains to these Terms. Confidential Information disclosed under these Terms shall be treated with the same degree of care (provided that such is at least a reasonable degree of care) to avoid disclosure to third parties as Customer would normally use to protect its own confidential or proprietary information.

11. Maintenance. MarketSpark may perform maintenance that may affect the availability or functionality of all or part of the Services. Except in emergencies, MarketSpark will endeavor to provide prior notice of maintenance windows. Any impact on the Services as a result of maintenance will not be deemed a breach of these Terms and will not entitle Customer to any credit, refund, or right to terminate any affected Service.

12. Representations. Customer represents to MarketSpark that Customer has the full right, power, and authority to purchase the Services and Customer's use of the Services shall be in accordance with these Terms.

13. General.

13.1. Severability. If any court should declare any one provision of these Terms to be invalid, then the other provisions will remain in effect.

13.2. Survivability. Any section of these Terms that may last after termination of these Services shall survive the termination of these Services.**APPENDIX**

911 TERMS AND CONDITIONS

MarketSpark provides its 911 Services (defined below) subject to these 911 Terms and Conditions (the "911 Terms").

- 1. 911 Definitions.** For the purposes of these 911 Terms, the following terms will have the following meanings:
 1. "911 Call(s)" means any call made dialing the digits 9-1-1, regardless of whether such call is made using Basic 911, Enhanced 911, or a PSAP.
 2. "911 Services" means functionality that allows end-users to contact emergency services by dialing the digits 9-1-1.
 3. "Approved Uses" means the provision of Enhanced 911 and/or Basic 911 to (a) End Users who principally utilize such services at such End User's residence and occasionally at other locations; (b) End Users that are enterprises that use either an on-site or hosted Private Branch Exchange ("PBX") during customary business hours and should reasonably be expected to have reasonably customary 911 usage patterns due to the nature of such enterprise's business or operations; for clarity, the provision of Enhanced 911 service and/or Basic 911 service to enterprises that use either an on-site or hosted PBX but operate outside customary business hours, including, without limitation, assisted living facilities, nursing homes and other similar facilities, and to which Sections 1.c.vii and/or 1.d, below, do not apply; or should not reasonably be expected to have reasonably customary 911 usage patterns due to the nature of such enterprise's business or operations and do not constitute "Approved Uses"; (c) End Users that operate non-emergency call center(s) that should reasonably be expected to have only occasional use of 911 due to the nature of such call center's business or operations; for clarity, central station alarm and other similar call centers that direct calls to emergency services do not constitute "Approved Uses"; and (d) End Users that operate call center(s) that support the deaf and/or hard of hearing community, which are more commonly known as "relay services."

Contract 4400006679

Amendment 13

Page 42 of 80

4. "Basic 911" means the ability to route an emergency call to the designated entity authorized to receive such calls serving the Customer's Registered Emergency Address. With Basic 911, the 911 professional answering the phone will not have access to the End User's telephone number or emergency address information unless the End User provides such information verbally during the emergency call.
 5. "E911 Authority" means a municipality or other state or local government unit, or an authorized agent of one or more municipalities or other state or local government units to whom authority has been lawfully delegated to respond to public emergency telephone calls, at a minimum, for emergency police and fire services through the use of one TTN. For clarity, an E911 Authority may be an individual PSAP, or an entity responsible for the management and operation of multiple PSAPs within a given geographic area.
 6. "End User" means the individual placing a 911 Call from a Customer's TTN (defined below).
 7. "Enhanced 911" or "E911" means the ability to route an emergency call to the designated entity authorized to receive such calls serving the Customer's provided address and to deliver the Subscriber's telephone number and corresponding Registered Emergency Address or REA information automatically to the 911 professional answering the call.
 8. "P-Asserted-Identity" means a header field used among trusted SIP entities (typically intermediaries) to carry the identity of the user sending a SIP message as it was verified by authentication.
 9. "Private Branch Exchange" or "PBX" means a telephone system within an enterprise that switches calls between enterprise users on local lines while allowing all users to share a certain number of external phone lines.
 10. "Public-Service Access Point" or "PSAP" means an answering location for 911 Calls originating in a given area. The E911 Authority may designate a PSAP as primary or secondary, which refers to the order in which calls are directed for answering. Primary PSAPs answer calls; secondary PSAPs receive calls on a transfer basis. PSAPs are public safety agencies such as police, fire, emergency, medical, etc., or a common bureau serving a group of such entities.
 11. "Registered Emergency Address" or "REA" means the physical address provided by the Customer to be used for E911 and Basic 911, which may be used to dispatch police, fire, emergency medical and other emergency response resources.
 12. "SIP" means Session Initiation Protocol, which is the signaling protocol used between VoIP networks to establish, control and terminate voice calls.
 13. "Subscriber" means an End User or telephone device assigned a TTN.
 14. "TTN" or "MarketSpark Trunk Number" means a United States or Canada telephone number bought by the Customer from MarketSpark and assigned to a trunk for use with MarketSpark's elastic SIP trunking service.
 15. "VoIP" means Voice over Internet Protocol.
- 2. 911 Service Description and Use of Service.**
1. **E911 Services.** With E911, when an End User places a 911 Call, such call will typically be routed to the local PSAP that covers Customer's REA. In limited circumstances, as further described below in Section 1.c.ii, the 911 Call may be routed to a Regardless of which PSAP the 911 Call is routed to, if and only if the associate trunk is properly provisioned, the 911 professional will receive the (1) TTN associated with the 911 Call and (2) Customer's REA.
 2. **Basic 911.** With Basic 911, when an End User places a 911 Call, this call is always sent to the local PSAP serving the End User's physical location. 911 professionals answering 911 Calls from End Users will not automatically receive the associated TTN or REA because the PSAP to which the 911 Call was routed will not be equipped to receive, capture, or retain End User's assigned TTN or REA. Accordingly, End Users must provide both call-back and emergency address information to the 911 professionals. If the 911 Call is dropped or disconnected, or if the End User is unable to speak, then the 911 professional will not be able to call the End User back or dispatch emergency assistance to the End User's physical location. As additional local PSAPs are able to answer E911 calls, MarketSpark will upgrade Customer from Basic 911 to E911 service. MarketSpark is not obligated, however, to notify Customer of the upgrade. In limited circumstances, Customers equipped with Basic 911 may have their calls routed to a PSAP, as further described below.
 3. **PSAP Service.** Certain TTNs will not have access to either Basic 911 or E911 services. If Customer has TTNs that do not have access to either E911 or Basic 911, 911 Calls will be routed to a PSAP. A 911 professional at the PSAP will ask for End User's name, telephone number, and location, and then transfer the End User to the appropriate local PSAP or otherwise determine the best way to provide emergency services to the End User. As with Basic 911, 911 professionals answering calls in a PSAP will not receive the End User's TTN or REA because PSAPs are not equipped to receive, capture or retain this information. Accordingly, the End User must provide this information to the 911 professional. Other reasons that an End User's 911 Calls may be sent to a PSAP is if (a) there is a problem validating the REA provided by Customer during provisioning, (b) Customer is located in an

Contract 4400006679

Amendment 13

Page 43 of 80

area that is not covered by the landline 911 network, or (c) Customer has Basic 911 or E911 service but these calls fail to complete and are routed to a PSAP for failover purposes.

3. Notwithstanding any term or condition of these 911 Terms to the contrary, Customer will only utilize MarketSpark's E911 and/or Basic 911 services pursuant to these 911 Terms for Approved Uses.
4. Customer will ensure that End Users do not block their TTN on a device they are using when placing a 911 Call and the TTN shall be made available in the From/P-Asserted-Identity SIP headers of the incoming SIP request.
5. Customer acknowledges and agrees that MarketSpark can only provide E911 call routing in territories where the PSAP or E911 Authority offers E911. All other 911 calls made by End Users successfully registered in MarketSpark's database will be routed using the ten-digit outbound trunks or a 911 professional.
6. Customer will provide MarketSpark with and keep current the correct and valid REA for each TTN for which the Customer desires 911 Services. The REA provided must include sufficient information to enable emergency responders to locate the End User and must comply with all Multi-line Telephone System ("MLTS") requirements applicable to Customer. For example, one MLTS requirement may be that for each End User and Subscriber located in a multi-floor building, Customer must include a floor or suite number as part of the REA. MARKETSPARK WILL NOT HAVE ANY LIABILITY WHATSOEVER FOR ANY DAMAGE, LIABILITIES, LOSSES, OR ANY OTHER CONSEQUENCES CAUSED BY CUSTOMER'S FAILURE TO KEEP ITS AND ITS END USERS' REA INFORMATION UPDATED. Customer will provide a TTN with every Subscriber and/or End User call presented to MarketSpark for processing. MarketSpark will have no obligation to provide 911 Services with respect to any Subscriber or End User call that does not include a TTN and will not be liable for any claims arising from any efforts undertaken by MarketSpark to provide 911 Services under such circumstances.
7. **Customer Obligations.** (i) Customer will be solely responsible for compliance with all applicable laws and/or other governmental requirements imposed or required by any state or other applicable governmental authority; and (ii) Customer will inform any party using (or any party that might use) the 911 Services of the difference between traditional 911 and VoIP 911 service in compliance with all applicable laws and/or other governmental requirements imposed or required by any governmental authority, including, without limitation, the Federal Communications Commission ("FCC"). For clarity, MarketSpark will not be responsible if 911 Service is unavailable due to loss of power; certain features may not be compatible with 911 service; and MarketSpark reserves the right to refuse provisioning or modification of features or service if such provisioning or modification adversely affects 911 service.
8. **Customer Testing.** Customer will be solely responsible to test the 911 Services after installation and periodically throughout the Term and will notify MarketSpark if Customer notes any issues at any time with the Service. Customer agrees to test 911 Services and share the results of such testing at the request of MarketSpark.
9. **Equipment; Connection; Customer's Responsibilities.** MarketSpark will not provide any equipment or any electronic tools, except as may be expressly set forth in writing and executed by Customer and MarketSpark. Customer must connect to MarketSpark's network in a manner and at locations determined by MarketSpark. Customer will, at Customer's sole cost and liability as between Customer and MarketSpark, be solely responsible for (i) providing and successfully installing any and all equipment, software and the like necessary for End Users to use any service offered or sold by Customer; and (ii) any and all support for any End User to which Customer offers or sells services.
10. **Charges and Rates.** If applicable, Customer shall pay an additional fee per TTN enabled to use the 911 Services ("911 Fee").
11. CUSTOMER ACKNOWLEDGES AND AGREES THAT MARKETSPARK'S EMERGENCY SERVICE IS INTERNET-BASED AND THAT INTERNET 911 SERVICES ARE DIFFERENT THAN THAT OF A TRADITIONAL WIRELINE SERVICE. CUSTOMER FURTHER ACKNOWLEDGES THAT THE MARKETSPARK EMERGENCY SERVICE MAY NOT SUPPORT BASIC 911 OR E911 DIALING IN THE SAME MANNER AS A TRADITIONAL WIRELINE PHONE SERVICE. FOR BASIC 911 OR E911 TO BE ACCURATELY ROUTED TO THE APPROPRIATE EMERGENCY RESPONDER, THE CUSTOMER MUST PROVIDE THE REA FOR THE ASSOCIATED TTN.
12. CUSTOMER ACKNOWLEDGES AND AGREES TO INFORM END USERS OF THE POTENTIAL COMPLICATIONS ARISING FROM BASIC 911 OR E911 DIALING. SPECIFICALLY, CUSTOMER ACKNOWLEDGES AND AGREES TO INFORM ALL EMPLOYEES, GUESTS, AND OTHER THIRD PERSONS WHO MAY ALSO BE END USERS THAT BASIC 911 AND E911 SERVICES WILL NOT FUNCTION IF THERE IS A SERVICE FAILURE DUE TO ANY OF THE FOLLOWING CIRCUMSTANCES: (A) POWER FAILURE, (B) SUSPENDED OR TERMINATED BROADBAND SERVICE, (C) SUSPENSION OF SERVICES DUE TO BILLING ISSUES, (D) USE OF CERTAIN FEATURES WHICH ARE NOT COMPATIBLE WITH 911 SERVICES, AND/OR (E) ANY OTHER SERVICE OUTAGES NOT DESCRIBED HEREIN. MARKETSPARK RESERVES THE RIGHT TO REFUSE PROVISIONING OR MODIFICATION OF FEATURES OR SERVICE IF SUCH PROVISIONING OR MODIFICATION ADVERSELY AFFECTS THE 911 SERVICES.
13. CUSTOMER FURTHER ACKNOWLEDGES THAT FAILURE TO PROVIDE A CORRECT PHYSICAL ADDRESS IN THE REQUISITE FORMAT MAY CAUSE ALL BASIC 911 OR E911 CALLS TO BE ROUTED TO AN EMERGENCY SERVICE

Contract 4400006679

Amendment 13

PROVIDER NOT LOCATED NEAR THE END USER. FURTHERMORE, CUSTOMER RECOGNIZES THAT USE OF THE 911 SERVICES FROM A LOCATION OTHER THAN THE LOCATION INDICATED IN THE REA MAY RESULT IN BASIC 911 OR E911 CALLS BEING ROUTED TO AN EMERGENCY SERVICE PROVIDER NOT LOCATED NEAR THE END USER.

14. CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER MARKETSPARK, ITS UNDERLYING CARRIER, AND ANY OTHER THIRD PARTIES INVOLVED IN THE ROUTING, HANDLING, DELIVERY OR ANSWERING OF 911 SERVICES OR IN RESPONDING TO 911 CALLS, NOR THEIR DIRECTORS, OFFICERS, SHAREHOLDERS, EMPLOYEES, OR AGENTS MAY BE HELD LIABLE FOR ANY CLAIM, DAMAGE, LOSS, FINE, PENALTY, OR COST (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES AND COSTS) ARISING FROM OR RELATING TO THE PROVISION OF ALL TYPES OF EMERGENCY SERVICES TO CUSTOMER AND CUSTOMER HEREBY WAIVES ANY AND ALL SUCH CLAIMS OR CAUSES OF ACTION ARISING THEREFROM.
15. **E911 Limitation of Liability.** Customer agrees that MarketSpark, its affiliates, its authorized resellers, and their respective directors, officers, shareholders, employees, and agents will not be liable for any loss or damage sustained by Customer or ANY End Users due to any failure in or breakdown of the communication facilities associated with providing the 911 Services, or for any delay, interruption, or degradation of the Services whatsoever; provided, however, that MarketSpark remains liable for gross negligence or willful misconduct by MarketSpark, its directors, officers, shareholders, employees, and agents.
16. In no event will the liability of MarketSpark or its authorized resellers to Customer for any loss arising out of the 911 Services provided pursuant to these 911 Terms or any errors, interruptions, defects, failures or malfunctions of the 911 Services provided pursuant to these 911 Terms, including, without limitation, any and all equipment and data processing systems associated therewith, exceed an amount equal to the total Charges paid by Customer in the twelve (12) months preceding the claim. Customer waives any claim that these exclusions or limitations deprive it of an adequate remedy or cause these 911 Terms to fail of its essential purpose. Customer further acknowledges, understands and agrees that MarketSpark has no control over how a foreign administration or third-party carrier establishes its rules and conditions pertaining to international telecommunications service.

Service Rate Plan #	70996

Notes: Current coverage details and additional plan information can be found at www.verizonwireless.com. Coverage includes the Verizon Wireless 5G Nationwide® network, 5G Ultra Wideband network, and 4G LTE network. For avoidance of doubt, the Verizon Wireless 5G Nationwide network is a separate network from the Verizon Wireless 5G Ultra Wideband network. Lines activating on this plan must be on a 5G routers installed in mobile vehicle units. A 5G device is required to receive 5G Ultra Wideband (UWB) service.

¹Data usage on this rate plan is not subject to speed reductions (“throttling”) within a given billing cycle. However, in the event data usage exceeds 50GB each billing cycle for three (3) consecutive billing cycles, data throughput speeds will automatically be reduced for data usage exceeding 50GB per billing cycle on a go-forward basis. Data usage for actively engaged and deployed fire, police, emergency medical technicians, emergency management agency, and assigned federal law enforcement users on this plan will not be subject to speed reductions regardless of data usage during any billing cycle. To ensure users are able to maximize their high-speed data use for business applications, video applications will stream at 720p. This service plan includes Mobile Broadband Priority. Mobile Broadband Priority ensures customers can connect to the network with priority by leveraging a pool of radio resources dedicated to enable their connection. Mobile Broadband Priority identifies the user with an Access Priority setting, giving them higher priority for network access than lower Access Class users. Devices utilized in conjunction with this plan are limited to mobile device applications. Verizon Device Protection Options:

Wireless Phone Protection (WPP), Extended Warranty (EW), and Total Equipment Coverage (TEC)

Monthly Price: Current Market Rate – See Verizon's current Device Protection for Business Brochure for pricing details.

<https://www.verizon.com/support/device-protection-brochures/>

Verizon offers ordering entities the ability to enroll in any of the following device protection options that provide coverage for loss, theft, damage or post-warranty defects on eligible devices, along with other benefits. As of the date of this agreement, benefits include coverage for:

- Wireless Phone Protection (WPP) – unlimited cracked screen repairs (for select smartphones, subject to parts availability) or device replacements for lost, stolen and damaged devices. In Florida, WPP coverage includes coverage for post-warranty defects. WPP is an insurance program and includes a claim limit and deductible. - WPP Smartphones/iPhones – 85913
 - WPP All Tablets & Basic - 85912
- Extended Warranty (EW) – unlimited repairs or replacements for post-warranty defects, including battery replacements for battery malfunctions (for select smartphones, subject to parts availability). EW is not available in Florida or for Florida customers. - EW – 79184
 - EW Smartphones (NY) – 87309
 - EW Tablets & Basic (NY) - 87310
- Total Equipment Coverage (TEC) – combines WPP and EW coverage; not available in Florida or for Florida customers. WPP is an insurance program and includes a claim limit and deductible. - TEC Smartphones/iPhones – 81495
 - All Tablets & Basic - 85921

Each device protection option is subject to the Device Protection for Business Terms and Conditions, which should be reviewed prior to enrollment, as the payment of premium is confirmation of agreement with and acceptance of those Terms and Conditions. A copy of the Terms and Conditions can be found in the Device Protection for Business Brochure (link above). The Terms and Conditions will also be delivered to the address of record for the ordering entity's account upon enrollment.

Ts&Cs Disclaimer: Device protection options, benefits and monthly prices/deductibles may change from time to time. WPP is an insurance program and TEC includes WPP. Information about current device protection options and program terms and conditions are available at [Device Protection Brochure & Terms and Conditions Business](#). Not all options presented in the brochure are available to ordering entities. Device protection options, including the benefits offered, monthly premiums and any required deductible, may change from time to time. The ordering entity will be notified of changes to the program in accordance with the Terms and Conditions and applicable laws. The ordering entity may cancel device protection with respect to any Verizon Wireless number at any time.

IMPORTANT NOTE: Not all device protection options presented in the brochure are available to ordering entities.

Data usage for actively engaged and deployed fire, police, emergency medical technicians, emergency management agency, and assigned federal law enforcement users on this plan will not be subject to speed reductions regardless of data usage during any billing cycle. To ensure users are able to maximize their high-speed data use for business applications, video applications will stream at 480p. This plan includes Mobile Broadband Priority and Preemption. Mobile Broadband Priority allows customers to connect to the network with priority by leveraging a pool of radio resources dedicated to enable their connection. Mobile Broadband Priority identifies the user with an Access Priority setting, giving them higher priority for network access than lower Access Class users. Preemption automatically activates to provide approved personnel uninterrupted access to the network in those uncommon times when the network is fully utilized. 911 calls are never preempted.

***Verizon Wireless will proactively contact Customer to facilitate the plan migration as a brief service outage and device reboot may be required in order for the new plan to take effect.**

This plan is available to National Security, Public Safety, and First Responders customers only as defined by the following NAICS (formerly SIC) Codes:

Intrepid Services Agreement

Terms and Conditions

1. DEFINITIONS

In this Agreement, capitalized terms shall have the meanings described on the Order Form or as set out below and in the text of the Agreement:

“Customer Data” means the customer-specific data, including personal data, available to the Customer through the Service. Customer data is further defined as Generic and Unique.

“Generic Customer Data” means information not personal or specific to operations including amount of traffic, usage patterns, and aggregate amounts of unique data.

“Unique Customer Data” means all other information that is not generic, including personal information, specific details of operations, locations, photographs, written communications, recordings, and biometric data.

“Confidential Information” means all information disclosed by one party to the other party that is identified in writing as “confidential” or “proprietary” (or, in the case of oral disclosures, is summarized in writing and delivered to the receiving party within 30 days).

“Devices” means all hardware devices of Customer utilizing the Service, whether provided by Intrepid or from any other third party.

“Initial Term” means the period commencing on the Effective Date and ending on the last day of the Service Period.

“Service” means the online, web-based, and mobile access business application services, including content and associated offline components as well as support and training made available by Intrepid to Customer.

“Service Period” means the period beginning on the Effective Date and continuing for the period set forth on the Order Form.

“User” means any of the Customer’s employees, representatives, consultants, contractors or agents utilizing the Service, with each such person or party who is authorized to use the Service to be supplied with a user identification and/or password by Customer (or by Intrepid at Customer’s request).

2. SERVICES

2.1 Subject to the terms and conditions of this Agreement and payment of all applicable fees and charges, Intrepid grants Customer a non-exclusive, non-transferable, revocable, limited right and license during the Term to use the Service for Customer’s internal, in-house business use only within the United States of America. Intrepid reserves all rights in the Service not expressly granted herein.

2.2 Intrepid reserves the right to perform maintenance of the Service as needed and, except in the event of emergency maintenance, will use commercially reasonable efforts to provide prior notice to Customer of any Service unavailability and the reasons therefore.

2.3 A user account is required to access the Service, which may be used only by authorized Users. User accounts are non-transferable to other organizations or agencies but can be transferred to users in other departments within the purchasing organization or agency. User accounts shall not be shared or utilized by Users in non-purchasing organizations or agencies. Notwithstanding the foregoing, Customer shall make available for audit a list of all Users within five (3) business days when requested by Intrepid.

2.4 Customer is responsible for any and all activities that occur under Customer’s User accounts, including without limitation any loss or damage that results from such use or misuse. Customer shall: (a) report to Intrepid immediately any unauthorized use of any password or account or any other known or suspected breach of security; (b) report to Intrepid immediately any copying or distribution of any content contained in, or accessible through, the Service that is known or suspected by Customer or its Users, and Customer shall take all necessary steps to stop or terminate such conduct; and (c) ensure that use of the Service shall at all times comply with the terms of this Agreement.

2.5 At all times during the Term of this Agreement, Customer will conduct its business and/or operations, and cause its Users to be, in compliance with all federal, state, provincial, local, or similar statutes, laws, ordinances, regulations, rules, codes, orders, conventions, or rules of law (including common law) and governmental orders (collectively, “Laws”), applicable to Customer and Customer’s business and/or operations, including, but not limited to any such Laws with respect to the use of the Service in Customer’s business and/or operations.

2.6 Customer warrants that it is legally entitled to allow Intrepid to monitor the Customer account and each User in the account to process for Generic Customer Data in order to provide improvements to Intrepid products or resolve product defects.

2.7 Customer acknowledges and agrees that Intrepid shall not be responsible for providing internet access or any equipment or services necessary to utilize internet access by Customer or any User.

3. LIMITATIONS AND RESTRICTIONS

3.1 Except as expressly set forth herein, Customer shall not (nor shall it permit others to) (a) copy, market, license, sublicense, sell, resell, transfer, assign, reproduce, distribute or otherwise make available to any third party the Service; (b) modify, adapt or make derivative works based on the software or intellectual property used in the Service; (c) retransmit or link the Service (including “framing” or “mirroring” any content contained in, or accessible from the Service) to any other server, wireless or Internet-based device. Customer shall ensure and be responsible for all of its Users’ compliance with the terms of this Agreement; or (d) store or transmit any Content (as defined herein) that could give rise to civil or criminal liability.

3.2 To the extent that access to any software or other intellectual property is provided to Customer by Intrepid, Customer agrees that it will use such software and intellectual property solely for Customer’s own internal processing operations under this Agreement, and that

Contract 4400006679

Amendment 13

Page 56 of 80

Customer will not directly or indirectly disassemble, reverse engineer, or decompile, modify, create derivative works based on, or translate the Services, or any software or intellectual property included therein, or transfer or otherwise grant any rights in or access to such software or intellectual property in any form to any other party. Customer shall promptly report to Intrepid any actual or suspected violation of this Section 3.2 and shall take all further steps reasonably requested by Intrepid to prevent or remedy any such violation.

3.3 Users may be required to provide information about themselves in order to register for and/or use the Service. Intrepid shall not be responsible for the accuracy of any User information provided, and Customer agrees that any such information shall be accurate. Users are entirely responsible for maintaining the security of their user names and passwords and agree not to disclose such to any third party. Company acknowledges that it is necessary for Intrepid to send certain electronic communications to Users in order to deliver the Service and consents to such communications.

3.4 Customer is solely responsible for the pictures, audio, video, graphics, text, or other content ("Content") sent, displayed, or uploaded by Customer or its Users with or to the Service, either directly or through another application. Except for material that Intrepid licenses to Customer and as otherwise noted in this Agreement, Intrepid claims no ownership of any Content that is transmitted, stored, or processed in Customer's account(s). Intrepid also does not control, verify, or endorse the Content that Customer or its Users make available in the Service.

3.5 The Service provides functions that allow Customer and Users to control who may access Content. If Users enable the features that allow sharing Content with others, anyone with whom Content is shared (including the general public, in certain circumstances) may have access to Content. Customer hereby grants Intrepid and its agents the right to reproduce, distribute, display, and disclose Content with others authorized by Customer or its Users to view such Content as part of Intrepid's provision of the Service to such authorized users.

3.6 Customer represents and warrants that: (a) Customer has all the rights in the Content necessary to use the Service and to grant the rights in this Agreement, and (b) the storage, use, or transmission of the Content doesn't violate any law, this Agreement, or the rights of any third parties. Customer will: (i) be solely responsible for the nature, quality, and accuracy of the Content; (ii) ensure that the Content (including the storage or transmission thereof) complies with this Agreement and any and all applicable laws and regulations; (iii) promptly handle and resolve any notices and claims relating to the Content, including any notices sent by any person claiming that any Content violates any person's rights, such as take-down notices pursuant to the Digital Millennium Copyright Act and any other notices; and (iv) maintain appropriate security, protection, and backup copies of the Content, which may include, Customer's use of additional encryption technology to protect the Content from unauthorized access. Although Intrepid is not responsible for any Content in violation of this provision, Intrepid may delete any Content in violation of any provision in this Agreement of which it becomes aware, at any time without notice. Customer must immediately notify Intrepid in writing of any unauthorized use of (a) any Content (b) any User account, or (c) the Service that comes to Customer's attention. In the event of any such unauthorized use by any third party that obtained access through Customer or its Users, Customer will take all steps necessary to terminate such unauthorized use. Customer will provide Intrepid with such cooperation and assistance related to any such unauthorized use as Intrepid may reasonably request.

3.7 If Customer becomes aware of any violation of this Agreement in connection with use of the Service by any User or person, Customer must notify Intrepid immediately. Intrepid may investigate any complaints and violations that come to its attention and may take any action that it believes is appropriate, including, but not limited to issuing warnings, removing Content, or terminating accounts and/or User profiles. Because situations and interpretations vary, Intrepid also reserves the right not to take any action. Under no circumstances will Intrepid be liable in any way for any data or other Content viewed while using the Service, including, but not limited to, any errors or omissions in any such data or Content, or any loss or damage of any kind incurred as a result of the use of, access to, or denial of access to any data or content.

4. **PROPERTY RIGHTS**

Customer shall remain the sole and exclusive owner of Unique Customer Data. Unique Customer Data may be monitored or evaluated in an emergency situation or with permission or at the request of Customer or its Users for purposes such as assisting in customer operations, performing customer-specific analysis, or improving Intrepid's products. Customer explicitly grants Intrepid the right to monitor network traffic that includes Unique Customer Data for the purpose of optimizing the Service's performance. Intrepid is and shall remain the sole and exclusive owner of the Service and all documentation or other property provided by Intrepid during the Term of this Agreement, including any intellectual property developed, originated, or prepared on behalf of or in conjunction with Customer. This Agreement does not grant to Customer any shared development rights. Customer shall not reproduce in whole or in part (except as permitted under this Agreement), modify, merge, or incorporate any form or portion of the Service with other program material, create derivative work from the Service, reverse engineer, de-compile, or disassemble all or any portion of the Service, and/or disclose, sell, sublicense, or otherwise transfer or make available all or any portion of the Service to any third party without the prior written consent of Intrepid.

5. **WARRANTIES, REMEDIES, LIMITATIONS OF LIABILITY, AND INDEMNIFICATIONS**

5.1 Intrepid warrants to Customer that the Service will be provided in a professional and workmanlike manner. As Customer's exclusive remedy for breach of the foregoing warranty, Intrepid shall, at its option, repair or replace the nonconforming elements of the Service. Intrepid shall have no obligation hereunder if software or other intellectual property used in the Service, or hardware utilizing the

Contract 4400006679

Amendment 13

Page 57 of 80

Service, is modified, altered, merged or subjected to misuse, neglect, accident or improper use by Customer or any third party. If at any time Customer becomes unsatisfied with the Service, Customer's sole remedy is to cease using the Service.

EXCEPT AS EXPRESSLY PROVIDED HEREIN, THE SERVICE IS PROVIDED "AS IS" AND INTREPID, ITS SUPPLIERS AND VENDORS EXCLUDE ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. INTREPID AND ITS SUPPLIERS AND VENDORS SPECIFICALLY DISCLAIM ALL EXPRESS OR IMPLIED WARRANTIES OF DESIGN, NON-INFRINGEMENT, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, THAT THE SERVICE OR DEVICES WILL MEET ALL OF CUSTOMER'S REQUIREMENTS, OR THAT THE SERVICE WILL BE UNINTERRUPTED, TIMELY, SECURE, VIRUS FREE, OR ERROR-FREE. NOR DOES INTREPID (OR ITS VENDORS OR SUPPLIERS) MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SERVICE OR THAT ALL ERRORS IN THE SERVICE WILL BE CORRECTED.

5.2 INTREPID, ITS VENDORS AND SUPPLIERS ENTIRE LIABILITY FOR ANY CAUSE OF ACTION, WHETHER IN CONTRACT, WARRANTY, OR IN TORT (INCLUDING NEGLIGENCE) FOR ALL CLAIMS RELATING TO THIS AGREEMENT AND ITS PERFORMANCE, SHALL BE LIMITED IN THE AGGREGATE TO THE LESSER OF THE FEES PAID BY CUSTOMER TO INTREPID DURING THE TWELVE (12) MONTH PERIOD PRIOR TO THE CLAIM OR \$25,000.

5.3 IN NO EVENT SHALL ANY PARTY BE LIABLE FOR ANY LOST PROFITS, LOST REVENUE, INDIRECT, SPECIAL, CONSEQUENTIAL, OR INCIDENTAL DAMAGES EVEN IF SUCH PARTY HAS BEEN ADVISED OF, OR COULD HAVE REASONABLY FORESEEN, THE POSSIBILITY OF SUCH DAMAGES.

5.4 Customer acknowledges that the limitations of liability and disclaimers of warranty set forth in this Agreement are independent of any remedies hereunder and apply regardless of whether any remedy fails its essential purpose. Customer acknowledges that Intrepid has set the pricing for the Service and other fees and charges in reliance on the disclaimers of warranty and limitations and exclusions of liability set forth in this Agreement and that the same form an essential basis of the bargain between the parties.

5.5 Intrepid shall indemnify Customer from and against any third-party liabilities, losses, damages, claims, suits, and expenses, including reasonable legal expenses, of whatever kind and nature ("Losses"), imposed upon, incurred by or asserted against Customer relating to or arising out of any third-party claim brought against Customer alleging that the Service used as contemplated by this Agreement violates any proprietary rights of such third party. This Section 5.5 states Intrepid's entire obligations regarding infringement of a third party's intellectual property rights with respect to the use of the Service.

5.6 Customer shall indemnify Intrepid, its suppliers and vendors from and against any and all Losses imposed upon, incurred by, or asserted against Intrepid relating to or arising out of a claim alleging that Intrepid's authorized use of the Customer Data violates the proprietary rights of, or has caused harm to, any third party (including, without limitation, any User).

5.7 In addition to, and without limiting, any and all obligations of Customer set forth herein, Customer hereby assumes entire responsibility and liability for any and all damage or injury of any kind or nature to all persons, and to all property, real or personal, caused by, resulting from or associated with the use by Customer, or any of Customer's employees, representatives or agents (whether a User or not), of the Service and agrees to indemnify, defend, and hold harmless Intrepid, its suppliers and vendors from and against any and all Losses or injury to persons or to property caused directly or indirectly by Customer or any of Customer's employees, representatives or agents (whether a User or not), Customer's property or equipment, or any and all persons acting on Customer's behalf or under Customer's supervision or control, whether direct or indirect.

5.8 In consideration of the obligations of Intrepid hereunder, Customer acknowledges that the use of the Service by Customer is voluntary and may involve known and unknown risks that could result in physical injury (including death) and/or property damage. Customer, on behalf of itself and its employees, representatives and agents, (the "Customer Parties") hereby releases, remises, requites, satisfies and forever discharges Intrepid, its suppliers and vendors and their respective heirs, personal representatives, successors and assigns from any and all Losses whatsoever, in law, in equity or in arbitration that the Customer Parties have, had or may have (through all stages of settlement and litigation, including all appeals and all collection proceedings) arising out of or resulting from the Customer Parties' voluntary use of the Service.

5.9 The indemnity obligations set forth in this Section 5 are contingent upon (a) the indemnified party giving prompt written notice of any indemnified claim, (b) the indemnified party allowing the indemnifying party the sole control of the defense and related settlement negotiations for such claim; and (c) the indemnified party providing reasonable assistance and cooperating in the defense and settlement negotiations as requested by the indemnifying party and at the indemnifying party's expense.

6. CONFIDENTIALITY AND DATA PROTECTION

By virtue of this Agreement, each party may have access to the Confidential Information of the other party. The parties expressly acknowledge that the Customer Data shall be governed by Sections 2.7 and 4 and shall not constitute Confidential Information. Each party agrees to keep confidential all Confidential Information disclosed to it by the other party or a third party, and to protect the confidentiality thereof in the same manner as it protects the confidentiality of similar information and data of its own (at all times exercising at least a reasonable degree of care in the protection of such Confidential Information). This Section 7 shall not apply to anything that: (i) is or becomes (through no improper action or inaction by the receiving party) generally available to the public, or (ii) was in the recipient's possession or known by it, without restriction, prior to receipt from the disclosing party, or (iii) was rightfully disclosed to the receiving party

Contract 4400006679

Amendment 13

by a third party, or (iv) is required to be disclosed by a subpoena, request for documents, or other validly issued judicial or administrative process, provided that the party so required to disclose it promptly notifies the other party of the receipt of process and permits the other party a reasonable opportunity to respond to such process; or (v) is necessary to be disclosed by a party in order to meet its obligations under this Agreement. If a party wishes to rely on one of these exclusions it shall give prompt written notice to the other party detailing the relevant information and the reason for disclosure.

7. TERM AND TERMINATION

7.1 This Agreement shall commence on the Effective Date and shall remain in effect through the Initial Term unless earlier terminated as set forth below.

Either party may terminate this Agreement upon notice to the other party if the other party materially breaches this Agreement and such breach is not remedied within 30 days of such notice, except for breaches relating to non- payment for which such cure period shall be 5 business days.

Either party may terminate this Agreement immediately upon notice if the other party becomes subject to any proceeding under any statute of any governing authority relating to insolvency or the rights of creditors that is not dismissed within 60 days, or the equivalent occurs in any jurisdiction.

Upon termination of this Agreement for any reason, all accrued rights to payment shall become due, all licenses shall immediately terminate, Customer shall immediately discontinue all use of the Service and delete or remove any copies of the Service in its possession, and each party shall promptly return (or, if requested by the other party, destroy) all Confidential Information of the other party in its possession. Upon termination, Intrepid may immediately terminate Customer's access to the Service without notice and within 30 days thereafter delete Customer's Data and any related data.

7.2 Sections 1, 2.4, 2.5, 2.6, 3, 4, 5, 6, 7, 8, and 9 shall survive the termination or expiration of this Agreement in accordance with their terms.

8. EXPORT

If, at the time or times of Intrepid's performance hereunder, a validated export license or other export authorization is required for Intrepid or its agents to lawfully export the goods, source code, or technical data from the United States of America or such other country of origin, then the issuance of such license or authorization to Intrepid or its agents in accordance with the rules and regulations of the applicable country(ies) shall constitute a condition precedent to Intrepid's performance of its obligations hereunder. Customer agrees to comply with all applicable export laws and regulations of the United States of America or such other country of origin. Specifically, but without limitation, customer agrees that it will not resell or re-export Intrepid products, source code, or technical data in any form without obtaining appropriate export or re-export licenses from the respective governmental authority of the United States of America, other country of origin, or country of export or re- export. Violation of this provision shall constitute cause for termination of this Agreement by Intrepid without liability to customer.

9. MISCELLANEOUS

9.1 Neither party shall be liable for any delay or failure in performing any of its obligations under this Agreement if such delay or failure is caused by circumstances outside the reasonable control of the party concerned. The Service may be subject to limitations, unavailability, delays, and other problems inherent in the use of the internet, mobile telephone networks and electronic communications. Intrepid is not responsible for any delays, delivery failures, or any loss or damage resulting from the same. Notwithstanding the foregoing, nothing herein shall relieve Customer of its obligations to pay monies due and owing to Intrepid hereunder.

9.2 Intrepid may reference Customer's status as a user of the Service on Intrepid's website, in marketing materials and in sale presentations.

9.3 The waiver by either party of any default or breach of this Agreement shall not constitute a waiver of any other or subsequent default or breach.

9.4 Customer may not assign or transfer any of its rights or obligations under this Agreement in whole or in part without Intrepid's prior written consent. Intrepid may freely assign, transfer, and sub-contract this Agreement and any or all of its obligations herein.

9.5 This Agreement shall not be amended or modified except in a writing executed by the duly authorized representatives of Intrepid and Customer.

9.6 If any provision of this Agreement is held to be invalid or unenforceable, the parties or any applicable tribunal shall substitute an enforceable provision that preserves the original intent and economic positions of the parties and the remaining provisions of this Agreement will remain in full force and effect.

9.7 All notices that are required to be given under this Agreement shall be in writing and sent to the addresses of the parties set out on the Order Form or to such other address as a party may designate by notice to the other party and shall be effective (a) on the date of delivery if sent by recorded delivery;

(b) on the business day following the date of transmission of a fax as evidenced by a successful transmission report; or (c) immediately if delivered personally to the relevant address.

9.8 This Agreement forms the entire understanding of the parties in respect of the matters dealt with in it and supersedes all previous agreements, understandings, proposals, and negotiations between them.

Amendment 13

Page 59 of 80

9.9 This Agreement shall be governed by the laws of the State of Florida, without regard to its conflicts of laws principles. Any suit, action, or proceeding with respect to this Agreement shall be brought in the courts of Orange County, Florida or in the U.S. District Court for the Middle District of Florida, and the parties hereby accept the exclusive jurisdiction of those courts for the purpose of any suit, action, or proceeding.

9.10 The parties acknowledge that they are familiar with transactions of this nature and agree that the fact one of the parties may have drafted or structured any provision of this Agreement shall not be considered in construing the particular provision either in favor of, or against, such party.

9.11 The parties hereto are independent contractors and this Agreement does not create a joint venture or partnership, and neither party has the authority to bind the other party to any third party.

9.12 This Agreement may be executed in any number of counterparts, each of which, when taken together, shall be an original.

ENTERPRISE MESSAGING TERMS OF SERVICE (PUBLIC SAFETY)

Verizon Wireless's Enterprise Messaging Access Gateway platform and portal ("EMAG") allows public safety customers ("Customer") to send high volumes of text messages. This agreement is between Customer as our subscriber and Verizon Wireless ("VZW") and it sets forth the terms and conditions under which Customer agrees to use and VZW agrees to provide access to EMAG. By using EMAG, Customer accepts these Terms of Service ("TOS"), which may be modified by VZW from time to time.

- Enterprise Messaging.** VZW provides the EMAG Service through two different EMAG plans. The Enterprise Gateway features allows a Customer to send bulk short message service ("SMS") messages and/or bulk multimedia messaging service ("MMS") messages, as applicable, to VZW subscribers, and send individual-to-individual messages to subscribers of most domestic wireless carriers. The Enhanced Messaging Plans allow Customer to send bulk SMS messages to VZW subscribers and subscribers of eligible North American Numbering Plan ("NAMP") eligible carriers using VZW provided toll-free numbers. The Enhanced Messaging Plans supports the sending and receiving of SMS messages only and not all carriers are supported. Contact your VZW Sales Representative for a complete list of supported destination countries and carriers. Availability, quality of coverage and service is not guaranteed, and supported destination countries may change without notice. Customer acknowledges that intercarrier messaging may be subject to message size, throughput requirements, blocking, throttling and filtering. Delivery of traffic may be affected by another carrier's policies and messaging terms. Customers must have a valid Blanket Purchase Agreement with at least five (5) active Government lines ("MDNs") and a physical address within VZW's licensed service area. Public Safety/First Responders shall not be subject to the minimum five (5) Government lines requirement.-Customer is solely responsible for monitoring its messaging operations. Customers using the EMAG Portal must provide a user ID and password and must safeguard the Portal credentials and prevent unauthorized use. VZW has the right to alter or not offer the EMAG service in part or at all. For the term of the TOS, Customer will receive for use the following depending on plan/features type: For the Enterprise On-Net Plan – Five (5) private On Network Messaging sending numbers for use on the VZW network only. For the Enhanced Messaging Plans – One (1) Toll Free Enhanced Messaging sending number to use with the Enhanced Plan. VZW reserves the right upon prior notice to reclaim any phone number used for EMAG if Customer does not send sufficient traffic over it and the number may be re-assigned to another customer.
- Term and TOS Termination.** The term of this TOS shall be one year from the date the Customer signs the TOS ("Effective Date"). The TOS shall automatically renew for additional terms of one (1) year each, unless either Party shall give notice of cancellation at least thirty (30) days prior to the expiration of the original term or any renewal term or the TOS or service is otherwise terminated as per the terms of this TOS. Either party may terminate this TOS upon thirty (30) day's written notice to the other party for any reason. Fees are payable on a monthly basis and subject to increase upon thirty (30) days' notice to the Customer. Upon termination by the Customer, fees are due and payable up to the end of the month of termination.
- Intellectual Property.** VZW owns all rights, including intellectual property rights, in EMAG and its components, software, tools, portal, documentation, and other materials relating thereto, including modifications, updates, revisions or enhancements. All rights not explicitly given are reserved by VZW.
- License Rights and Restrictions.** Subject to the TOS and all documentation provided by VZW, VZW grants to Customer a personal, revocable, limited, nonexclusive, non-transferable, non-sublicensable license during the Term to access and use EMAG solely to send text and picture messages for internal business use. Customer will not, and will not allow any Third Party to, (a) modify, copy, or otherwise reproduce EMAG in whole or in part; (b) reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code form or structure of any of the elements used in EMAG; (c) provide, lease or lend EMAG in whole or in part to any Third Party; (d) remove any proprietary notices or labels displayed on EMAG; (e) modify or create a derivative work of any part of EMAG; (f) use EMAG for any unlawful purpose; (g) use EMAG for any high risk or illegal activity; (h) use EMAG in contravention of any of VZW's policies, procedures, rules or guidelines provided or made available by VZW or use EMAG in such a way that it interferes with, disrupts, damages, or accesses in an unauthorized manner the servers, networks, or other properties or services of VZW; (i) export or re-export EMAG

without the appropriate U.S. or foreign government licenses; (j) incorporate or combine EMAG in whole or in part with any open source software in such a way that would cause EMAG, or any portion thereof, to be subject to all or part of the license terms of such open source software; or (k) provide access to or use of EMAG to any Third Party or sublicense any rights in EMAG to any Third Party. Customer is not entitled to resell the EMAG services without the express written approval of VZW.

5. **Content.** Customer is solely responsible for its content it transmits through EMAG (or use by any person or entity Customer permits to access EMAG). Provision of intercarrier messaging is provided through a third-party vendor. Customer agrees that its messaging will comply with applicable industry guidelines (e.g. Mobile Marketing Associate's best practices for messaging, and CTIA's Messaging Principles and Best Practices), third-party vendor guidelines and content standards, and VZW content standards (attached hereto as Exhibit "A"), which may updated from time to time ("Messaging Guidelines"). Customer will not send any unsolicited bulk commercial messages (i.e., spam), "phishing" messages intended to access private or confidential information through deception, other forms of abusive, harmful, or malicious, unlawful, or otherwise inappropriate messages, messages which required an opt-in that was not obtained, messages containing executable files or links to other content or premium or similar messages that require a subscription or surcharge, and as otherwise set forth in the Messaging Guidelines or as determined by VZW, in its sole discretion. Customer will not transmit any messages that would violate any federal, state or local law, court order, regulation or the Messaging Guidelines. Customer will cooperate with VZW and/or any governmental authority in investigating any violation or prohibited use of EMAG.
6. **Consent Requirements.** Customer agrees that it will send messages only to subscribers that have opted in to receive its messages by: a) establishing an opt-in process that effectively captures each subscriber's consent to receive Customer's messages, informs subscribers of the nature and scope of Customer's messaging campaigns and any financial obligations associated with the messaging; b) maintaining opt-in records for a minimum of 6 months from the date of a recipient's opt-in consent; and c) immediately complying with subscriber opt-out requests such as STOP, END, CANCEL, UNSUBSCRIBE or QUIT in compliance with the Messaging Guidelines. Customer will send messages that require opt-in consent only to those recipients that have affirmatively opted in to receive such messages. Although VZW may provide in the Portal a way to manage lists of opt-out records, it is up to the Customer to obtain the consents and maintain proper records and VZW accepts no responsibility for consents and retention of such records.
7. **HIPAA.** EMAG is not designed for secure transmission or storage of personal healthcare information. Customer will not use EMAG to store or transmit Protected Health Information ("PHI") as defined in the Health Insurance Portability & Accountability Act of 1996 and the Health Information Technology for Economic and Clinical Health Act of 2009 and accompanying regulations (collectively, "HIPAA"). If Customer is a Covered Entity or a Business Associate as defined by HIPAA, Customer will not use EMAG to store or transmit PHI. To learn more about HIPAA, go to: <http://www.hhs.gov/ocr/privacy/hipaa/understanding/index.html>.
8. **Fees.** Customer will pay monthly to VZW the amount in the below chart for each SMS and/or MMS sent through EMAG. The billing and payment terms set forth in Customer's Government agreement with VZW will apply to the EMAG charges set forth on your VZW bill. VZW reserves the right to increase pricing upon thirty (30) days' notice.
9. **Public Safety/First Responders:** Additionally, for eligible NAICS Customers, Customer acknowledges and agrees that the SMS only \$0.00 Enterprise Messaging Monthly Access Plan is being provided free of charge for the purpose of public safety only and hereby agrees that it will use this plan in good faith for purposes associated with public safety activities and no other activities.
10. **Pilot Mobile Phone.** VZW shall provide Customer with one pilot mobile phone at no charge to manage password setup and resets. Customer should safeguard the pilot mobile phone in case password resets are needed as VZW must rely on regular mail delivery of password resets if the phone is not available (password resets cannot be given over the phone or sent via email). This pilot mobile phone will not be capable of making any voice calls. Customer shall promptly notify VZW if the phone is lost, damaged or stolen and VZW reserves the right to charge Customer for replacement phones.
11. **Security and Unauthorized Code.** Customer will comply with VZW's information security requirements available at <http://www.verizon.com/suppliers> (or successor website) as updated from time to time. Customer will implement and maintain effective administrative, physical and technical security controls to protect VZW's assets, network and other facilities, information and EMAG that Customer accesses or uses. Customer will design, develop, build, operate and maintain your access to EMAG to sufficiently prevent the transmission of Unauthorized Code and mitigate security threats, including, but not limited to, unauthorized access, use or fraud. Customer will not send or introduce any Unauthorized Code to EMAG, VZW's network or any other VZW system or facility. Customer will not use EMAG, or permit any Third Party to use EMAG, to engage in any fraudulent, illegal, or unauthorized use. Customer will continually monitor for the presence of any Unauthorized Code. In the event you detect the presence of any Unauthorized Code, Customer will: (a) notify VZW in writing the same day the Unauthorized Code is detected; (b) promptly remove the Unauthorized Code; and (c) promptly remedy any condition caused by the Unauthorized Code. VZW may audit your use of EMAG. Should such audit request be denied, or should the audit reveal a violation of applicable laws, regulations, policies or procedures, or this TOS, VZW may immediately terminate this TOS and your use of EMAG. "Unauthorized Code" means any virus, Trojan horse, worm, rootkit, back door, trap door, time bomb, drop-dead device, timer, clock, counter or other limiting routine, as well as any other instructions, designs, software routines, or hardware components designed to: (a) disable, erase, or otherwise harm software, hardware, data, text or any other information stored in electronic form; (b) cause any of the

foregoing with the passage of time; or (c) place a program or hardware under the positive control of a Third Party other than an owner or licensee of the program or hardware.

12. Certification Tests. VZW may conduct certification tests in its sole discretion. Customer will pass such certification tests furnished by VZW prior to using EMAG. If Customer fails any such certification tests, then VZW may, in its sole discretion, refrain from providing Customer with access to EMAG.

13. Data Retention and Access. VZW provides access to the metadata relating to the messages (time/date/sent/received) for up to one year. For messages sent or received over the EMAG APIs, VZW provides Customer access to messaging content for up to fourteen (14) days, after which time it is deleted. For messages sent or received over the Portal, VZW retains Customer message content for sixty (60) days, after which time it is deleted.

14. Customer Contact. Customer will provide to VZW contact information including a phone number and email address of an EMAG contact(s), who shall be available during business hours and during such time as Customer utilizes EMAG to assist with the resolving of service matters and trouble shooting. Customer must provide written notice of changes to contact information fourteen (14) days prior.

15. Termination of Service. VZW CAN, WITHOUT NOTICE, LIMIT, SUSPEND, OR CANCEL CUSTOMER'S ACCESS TO OR USE OF EMAG IF CUSTOMER VIOLATES THE RESTRICTIONS OF THIS TOS OR FOR GOOD CAUSE, which shall include, but is not limited to: (a) breaching this TOS or Customer's Government agreement with VZW; (b) spamming or other abusive messaging; (c) using EMAG in a way that adversely affects our network, our customers, or other customers; (d) allowing anyone to tamper with messaging applications in a manner contrary to this TOS; (e) any governmental body of competent jurisdiction suspends or terminates Customer's service or institutes a requirement, ruling or regulation that conflicts with this TOS; or (f) operational or other governmental reasons.

16. Service Limitations. VZW may establish limits on the use of EMAG, including, but not limited to, the number of messages sent over a limited time period (i.e., per minute, hourly and daily), the number of active connections, and recommended connections per group, as set out in our User's Guide (available on the EMAG Portal) which may be updated from time to time. VZW provides no service level commitments or quality of service standards for EMAG. VZW will provide to Customer maintenance, technical and support services for EMAG, as determined by VZW in its sole discretion. VZW may extend, enhance, or otherwise modify EMAG at any time and for any reason without notice. There are limitations to wireless messaging which by their nature do not permit or may delay the delivery of text messages. These limitations include, but are not limited to, network limitations, when a wireless phone is not in range of one of our transmission sites or those of another company that carries our customer calls, insufficient network capacity, interference due to subscriber's equipment, terrain, proximity to buildings, foliage, and weather. Further, VZW does not own or control all of the various facilities and communications lines between a Customer's site and VZW's EMAG access point. Experience by carrier and region may cause the experience to vary. Due to these limitations and the limitation in the number of messages that can be sent, EMAG SHOULD NOT BE USED AS THE SOLE MEANS TO SEND MESSAGES THAT CONTAIN INFORMATION THAT IS ESSENTIAL TO THE PROTECTION OF LIFE OR PROPERTY, OR IS MISSION ESSENTIAL OR CRITICAL IN OTHER WAYS. VZW reserves the right to block any messaging traffic that violates this TOS or harms or may harm VZW, EMAG or our assets, network or facilities.

17. Disclaimer and Limitation of Liability. EMAG IS PROVIDED ON AN "AS IS" BASIS AND CUSTOMER'S USE OF EMAG IS ITS SOLE RESPONSIBILITY. VZW (AND ITS OFFICERS, EMPLOYEES, PARENTS, SUBSIDIARIES AND AFFILIATES), ITS THIRD PARTY LICENSORS, PROVIDERS VENDORS AND SUPPLIERS, DISCLAIM ANY AND ALL WARRANTIES FOR EMAG OR TEXT MESSAGE DELIVERY, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, NONINTERFERENCE, AND THOSE ARISING FROM COURSE OF DEALING, COURSE OF TRADE, OR ARISING UNDER STATUTE. VZW DOES NOT WARRANT THAT EMAG WILL BE WITHOUT FAILURE, DELAY, INTERRUPTION, ERROR, OR LOSS OF CONTENT, DATA, OR INFORMATION. VZW SHALL NOT BE LIABLE FOR ANY FAILURE TO PROVIDE EMAG, FOR ANY CONTENT, AND MAKES NO GUARANTEES THAT ANY TEXT MESSAGE WILL BE DELIVERED. NEITHER PARTY, NOR ITS AGENTS OR VENDORS, SHALL BE LIABLE TO THE OTHER PARTY, ITS EMPLOYEES, AGENTS OR ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES. IN THE EVENT OF ANY BREACH BY VZW OF THIS TOS, VZW'S LIABILITY TO CUSTOMER SHALL NOT EXCEED THE AMOUNT PAID TO VZW BY CUSTOMER UNDER THIS TOS DURING THE PREVIOUS THREE MONTHS.

18. Indemnification. Customer shall defend, indemnify, and save harmless VZW and its successors, assigns, employees, and agents, and their heirs, legal representatives and assigns from any and all claims or demands, including claims for bodily injury or death, or damage to property, arising from Customer's use of EMAG, including reasonable counsel fees and costs.

19. Miscellaneous. Customer will not resell or aggregate EMAG or allow Third Parties to use or access EMAG without prior written permission from VZW. This TOS supplements Customer's Government agreement with VZW as it relates to EMAG. If there are any inconsistencies between this TOS and Customer's Government agreement with VZW, then this TOS shall control with respect to EMAG. Customer agrees that its use of EMAG will comply with any applicable local, state, national and international laws and regulations. This TOS may not be assigned in whole or in part by the Customer with prior written consent of VZW. Any failure of VZW to perform hereunder shall be excused if caused by failure of a third party wireless or telecommunications provider serving a particular area, power failure, national emergency, interference by any governmental agency, acts of God, strikes, other labor disturbance, severe weather conditions, fire, terrorism, riots, war, earthquakes, or any other causes beyond VZW's reasonable control.

Exhibit A
VZW Content Standards

Customer may only provide content that is legal and does not include or provide access to content or material that falls into the following categories:

- Contains anything that is obscene or indecent or anything with strong sexual, explicit or erotic themes or that links to such content;
- Contains hate speech;
- Contains excessive violence;
- Contains extreme profanity;
- Contains misleading or fraudulent claims;
- Promotes or glamorizes alcohol abuse, illegal drug use or use of tobacco products; or
- Promotes a competitor of VZW or its affiliates.

All content must comply with applicable industry standards (e.g., Mobile Marketing Association's Best Practices, CTIA's Wireless Content Guidelines, etc.) and VZW's commercial practices. Additionally, no content and materials included shall disparage VZW or its affiliates. VZW will decide, in its sole discretion, whether the content, material or services provided complies with these standards.
