Note: Customer may purchase NetMotion Software, Inc. ("NetMotion") licenses and services ("NetMotion Services") at the prices listed above. NetMotion Services listed in the pricing sheet marked with an asterisks *** cannot be mixed or matched with other NetMotion Licenses or Services. Verizon Wireless is not the licensor of the NetMotion Services and makes no representations or warranties whatsoever, either express or implied, with respect to them. NetMotion Services are manufactured by NetMotion. NetMotion Software is subject to a separate End User License Agreement (EULA) with NetMotion, found at <https://www.netmotionsoftware.com/legal-and-copyright>. Use of the NetMotion licenses or NetMotion Services is deemed to be the Customer's acceptance of the terms of the EULA. Customer must accept the EULA as the party liable for each license, and agrees that the Customer will comply with the obligations under the EULA. Verizon Wireless reserves the right to (i) modify or discontinue the Solution in whole or in part and/or (ii) terminate the Solution at any time without cause. Customer's sole and exclusive remedy for any damages, losses, claims, costs, and expenses arising out of or relating to use of the Solution will be termination of service.

Any additional NetMotion Services must be obtained directly from NetMotion either upon purchase or installation of the NetMotion Services. NetMotion Services are subject to NetMotion's terms and conditions and can be viewed here: <https://www.netmotionsoftware.com/legal-and-copyright>.

Verizon Wireless will direct NetMotion to fulfill Customer's NetMotion Services order. Basic functionality questions and other general customer support can be obtained by calling Verizon Wireless Customer Support. All other customer support questions and issues for NetMotion Services must be obtained directly from NetMotion Software, Inc. If Verizon Wireless, in its sole discretion, determines that an inquiry from a subscriber is related to NetMotion Services and is not one concerning Equipment or Wireless Service, it may transfer the service request to appropriate NetMotion representatives.

Intrepid Networks®: Government Subscribers

Intrepid Networks provides a real-time situational awareness solution for both public and private organizations. Intrepid Networks solution suite is suited for emergency response agencies within the public sector, as well as any private sector companies that require day-to-day operational efficiencies and tracking needs. The solution provides critical end-user-level situational awareness which substantially improves operational efficiency and reduces the communication loop.
