By mutual agreement, Contract 4400011828 is revised as follows:

- Replace Amendment 2 for "Audio Teleconferencing, MS Teams Integration" dated July 23, 2024.

Service Description	Quantity of Users	Billing Increment	Cost Per Minute	Non-Recurring Charges (NRC)	1-year and 5-year Service Term - Monthly Recurring Charges (MRC)	Additional Charges	Service Delivery Days
Cox Business Cloud Voice for Microsoft Teams	0-1,000	Monthly	N/A	\$0	\$5.49	N/A	20
	1,001-5,000				\$4.49		
	5,001 +				\$3.49		

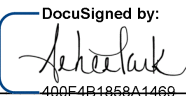

The tiered pricing above shall be determined and applied as set forth in this paragraph. The parties agree that in connection with only the purchase of the Services listed in the table above ("Teams Services"), on a quarterly basis (i.e. in April, July, October and January of each year) the parties shall hold a meeting and shall review the then-current purchase of installed Teams Services by Fairfax County Public Schools ("FCPS"). Following each quarterly meeting an accounting of the quantity of users for the Teams Services shall be completed and on or before the last day of the month in which the accounting takes places (i.e. April 30, July 31, October 31 or January 31, as the case may be) the Monthly Recurring Charges for the Teams Services shall be adjusted and applied beginning with the following month. By way of example, if the accounting of Teams Services shows a total of 5,500 users, the adjusted MRC for all 5,500 shall be \$3.49 each.

All other prices, terms and conditions remain unchanged.
