Part F.2A – Core List Price Schedule
AEPA #022-G Technology Catalog

INSTRUCTIONS: Complete the following information for **all core items listed below**. These are higher usage items. **You must give a bid price for at least 60 percent of these items (7,143) to be responsive.** If you choose to offer any substitutions, enter your product information in Columns K through P.

NOTE: The Net Effective Price MUST be consistent with the percentage discounts listed on the F.1 tab. Failure to have prices correspond may be cause for rejection of your offer.

Part F.2A is a REQUIRED FORM

From Part B Terms and Conditions about Substitutions: "If substitute equivalent products are proposed in the bid, the Bidder must provide a detailed comparison for each to include a list of all the significant qualities of the product named in the specification and those of the proposed alternate product(s). Significant qualities include attributes such as performance, weight, size, durability, visual effect and specific features and requirements indicated. AEPA members reserve the right to reject a proposed substitute product if upon review, it is judged not equal to or better than the named product in the specification. In is in the best interests of bidders to price more than 60 percent of the items on the Core List in case any substitutions are deemed not equivalent or if insufficient information is given to establish an equivalency."

NOTE: The Net Effective Price MUST be consistent with the percentage discounts listed on the F.1 tab. Failure to have prices correspond may be cause for rejection of your offer.

4474	Enterprise Storage	StarTech.com 2 Port PCI Express FireWire Card - PCIe 1394a FireWire Adapter	The PCI Express Firewire card lets you add 2 FireWire 400 ports to your desktop PC allowing you to connect IEEE 1394A FireWire devices such as digital cameras external hard drives DV camcorders printers. This PCI Express firewire adapter reduces performance bottlenecks by offering support for data transfer rates up to 400Mbps to each port. For broad compatibility the PCIe firewire adapter supports Windows and macOS 10.10-10.13 and includes full profile and half height installation brackets	PEX1394A2V2					4474
