**Sales to Participating Entities:** AEPA Member Agencies require that all awarded Vendor Partners offer the Member Agency contract opportunity to all qualified Participating Entities of the cooperative.

**Legal Obligations:** All Vendor Partners shall comply with all applicable Federal, State, and Local Laws, Codes, and Regulations while fulfilling the contract. #### **4. State Specific Terms and Conditions**

##### **1. California, Monterey County Office of Education dba CalSave**

###### **1) Governing Law and Venue**

The laws of the State of California govern the Contract and prevail in the interpretation and administration of the Contract. California-specific Terms and Conditions prevail over any General Terms and Conditions. Each provision of law and clause required by law to be included in the Contract shall be deemed to be inserted herein, and the Contract shall be read and enforced as though it were included. If through mistake or otherwise any such provision is not included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction.

The venue for any litigation arising out of or related to the Contract shall be with either the Superior Court in and for the County of Monterey, State of California or the Federal District Court for the Northern District of California, San Jose Division.

##### **2. Authority**

For California, this request for bids is issued under the authority of the elected Monterey County Superintendent of Schools, who administers the Monterey County Office of Education (MCOE), located at 901 Blanco Circle, Salinas California, 93912. In this document, MCOE may be referred to as Agency, being distinct from other parties who may use this contract who are hereinafter referred to as Local Education Agencies (LEAs), regardless of their hierarchy or their political and organizational status as schools or municipalities.

##### **3. CalSave and CalBuy, Administration, and Agent**

Contracts awarded and Awarded Contractors/Vendors will automatically be part of the CalSave and CalBuy programs, and by bidding a Vendor must agree to participate. CalSave is cooperative purchasing program founded by the Monterey County Office of Education and administered by the Epylon Corporation under a contract with MCOE. MCOE is the lead agency for all Contracts, and the Monterey County Superintendent of Schools is the authority for the solicitation, evaluation, and award of all contracts. Epylon serves as MCOE's agent, but only the Monterey County Superintendent of Schools has the authority to award contracts. CalSave may also do business as CalBuy in certain jurisdictions. Correspondence and communication related to the contract award or administration of the program should be directed to Epylon, 630 San Ramon Valley Blvd., Suite 210, Danville, CA 94526.

MCOE reserves the right to change agents or to change the contact name of existing Agent's personnel administering the contract. If Agent or Agent's personnel change, Awarded Contractors/Vendors will be notified with new instructions.

##### **4. Transaction Fees**

Transaction Fees are the funding source for the operation of the self-supporting CalSave cooperative purchasing program. Awarded Contractors/Vendors shall be required to pay a Transaction Fee for all purchases by LEAs and other eligible entities made through the awarded Contract. For the purpose of this bid through Monterey County Office of Education and all Contracts awarded using this document, the Transaction Fee shall be 2 percent of Net Sales, which means gross sales less returns and cancelled orders within 30 days, shipping and sales and other taxes (excluding taxes based on net income). Transaction Fees will not be charged to or paid by the buyers themselves. Neither Awarded Contractor/Vendor nor its designated authorized reseller(s) shall itemize any additional amount corresponding to the Transaction Fees in the awarded Contract prices. This Transaction Fee applies to all orders, regardless of the method used to submit the order, or the quantity or dollar amount of the order.

Epylon will collect the full Transaction Fee on behalf of the CalSave and CalBuy programs, unless otherwise advised by Epylon. The Contractor/Vendor will make all participation fee payments within two weeks after sending the quarterly report. Checks are to be made payable to the Epylon Corporation and sent to 630 San Ramon Valley Blvd., Suite 210, Danville, CA 94526.

##### **5. Non-Conforming Jurisdictions**

Notwithstanding Section 4 (immediately above) no Transaction Fee is authorized to be charged to Awarded Contractors/Vendors for sales within any jurisdiction where prohibited by law or local- government policy. Instead, the cost of products, services, licenses, and goods sold under this contract in such jurisdictions shall be the same as for all school districts in all other counties of California. However, any LEA using this contract where Section 4 fees are not permitted shall be required to

pay a 2 percent fee for use of the contract, imposed by MCOE on the authority of Public Contract Code Section 20118 and 20652, which allows MCOE to charge reasonable costs to the public corporation or agency for furnishing the services incidental to the purchase of items under contract.

## **6. CMAS Conversion**

If an Awarded Vendor uses an MCOE or another AEPA-affiliated contract for the purpose of obtaining a separate CMAS (California Multiple Awards Schedule) contract from the State of California, the Awarded Vendor is responsible for paying both the CMAS fee and MCOE's 2 percent transaction fee for all orders submitted under the authority of the CMAS program. In exchange for this fee, the Vendor is given a license to use and duplicate MCOE/AEPA terms and conditions for the purpose of applying for a CMAS contract. Also, CalSave or CalBuy will post pricing allowing prospective buyers to check for pricing that is compliant with the MCOE and CMAS contract. Vendor must comply with MCOE's quarterly reporting requirements. Public records of sales through CMAS will be used to verify quarterly reports and sales made through the CMAS program.

## **7. Reports**

The Contractor/Vendor will compile a quarterly report listing each purchase made by participating Agencies and persons under this contract, and send them by the 15th of April, July, October, and January to Racquel Landolf with the e-mail address of [rlandolf@epylon.com](mailto:rlandolf@epylon.com). These reports shall be in Microsoft Excel format and shall have file names that identify the contractor/Vendor and the month being reported. The file at a minimum shall include the fields listed below and shall allow for sorting on any of these fields:

- Date of Order
- Name of Participating Agency (LEA)
- Description of Item Purchased
- Manufacturer's SKU Number
- Quantity
- Contract Unit Price
- Extended Price
- List Price Before AEPA Discount

## **8. Length of Term**

The term of the agreement shall commence on the date of the award and continue as stipulated in General Terms and Conditions, unless terminated, canceled, or extended. Contract may be terminated by MCOE if LEAs have not used the contract in any 12-month period, or if orders from participating LEAs do not total \$10,000 in any 12-month period. California statutory term limits and extensions shall apply. In no case will the Contract be in force for more than three years at one time.

## **9. Marketing and Advertising under this Agreement**

Vendor will actively promote the use of this contract by LEAs in California. Vendor must comply with the marketing plan offered as part of its bid submission. Unless other arrangements are made with the CalSave administrator, Vendor is also required to perform the following:

- Vendor will include the approved CalSave logo, web address, and toll-free number in all print electronic mail and other advertising and promotion intended for release to California K-12 schools, excluding national marketing releases.
- The CalSave logo and associated CalSave information shall be of a clearly readable size and in appropriate proportion to other elements in the printed material.
- Vendor agrees to provide CalSave with a copy or proof sheet of the advertisement or promotion material. Vendor will provide CalSave with date of release and name of publication, journal, etc.
- Vendor shall place a supplied CalSave Vendor sign on booths, tables, etc. of any or all exhibits for which the Vendor displays/participates at California tradeshow, conventions, and the like. Vendor will supply in advance scheduled exhibit dates. Vendor agrees to make available at the exhibit CalSave supplied brochures or other promotion materials.
- Vendor agrees to insert the approved CalSave logo, web address, and toll-free number on the Vendor's web site promoting or a specific CalSave landing page and providing a link to the CalSave website.
- Vendor will supply product catalog information, product description, pricing, etc., in a spreadsheet format as specified by CalSave for inclusion on the CalSave website.

- Vendor agrees to cooperate in developing appropriate website content to promote its products, services, and their advantages to school districts.
- Requested materials will be submitted to CalSave within 30 days.

#### **10. Conformance to Public Contract Code 20111**

An award by the Monterey County Superintendent of Schools under this solicitation will be for the purchase of equipment, materials, supplies, services, or repairs to be furnished, sold, or leased in accordance with Public Contract Code 20111 and 20650. Awards shall include allowance for installation and assembly services incidental and necessary to the use of the equipment, materials, supplies, and repairs purchased or leased.

#### **11. Conformance to Public Contract Code 20118 and 20652**

All public agencies (LEAs) are authorized by law to purchase off a contract awarded by an agency that has itself gone to bid, including all K-12 schools districts, college districts, special community districts and JPAs serving education, pursuant to Public Contract Code Sections 20118 and 20652. Using these statutes, the Monterey County Office of Education hereby declares its intent and authorization to make all contracts awarded under this contract "piggybackable" by other agencies in the state. The Agency waives any right to receive payment from other California agencies making purchases off the awarded contracts and those agencies will make payment directly to the vendors. Any legislative changes to Public Contract Codes 20118 and 20652 during the term of the contract(s) with Award Vendor(s) shall apply to the contract(s) immediately when such changes become law.

#### **12. Additional Piggyback and Standard School Supply and Equipment Authority**

The Monterey County Office of Education declares that items, materials, personal property, equipment, and licenses under Contract as a result of this Invitation to Bid will qualify as items to be included within its Standard School Supply and Equipment List. Because many County Offices of Education have banded together to create both the EdBuy and the CalSave programs for the purpose of collectively creating both a standard School Supply & Equipment List and cooperative contracts, the items solicited and awarded through this bid may also constitute a portion of an official Standard School Supply and Equipment List for other participating County Offices of Education and County Superintendents of Schools. Purchases by other County Offices of Education and LEAs may be made, not only in accordance with Public Contract Code 20118 and 20652, but also in accordance with Education Code 38110 and 38112 dealing with cooperatives and Standard School Supplies & Equipment.

#### **13. Intended for Personal Property**

An award by the Monterey County Superintendent of Schools under this solicitation will be for the purchase of equipment, materials, supplies, services, or repairs to be furnished, sold, or leased in accordance with Public Contract Code 20111 and 20650. Awards shall include allowance for installation and assembly services incidental and necessary for use of the equipment, materials, supplies, and repairs purchased or leased. When any services or repairs fall into a category of Public Works as defined in Public Contract Code 22002, an LEA may use this California contract only up to \$14,999 for labor and services, but for an unlimited dollar amount for any supplies, materials, equipment or personal property to be staged and ready for use in a local Public Works project. Other rules may apply in the event an MCOE contract award is converted to a CMAS contract.

#### **14. Public Works Limitations**

When Public Works services cost \$15,000 or more, an LEA, under most situations, must bid itself independently for the services and labor related to the public work, but may use this contract for the contracted supplies, material or equipment related to the project. If circumstances allow, LEAs may also combine this competitively bid contract with other alternative authorities for Public Works projects as may be allowed by law, such as Public Contract Code 22030, Education Code 17406 or Government Code 1466. LEAs should consult with their own legal counsel to see if such statutes apply to their Public Works projects.

#### **15. Start Date**

Once the award is made to the Contractor/Vendor and signatures have been placed on the contract from both parties, the Awarded Contractor/Vendor is authorized to begin selling to eligible Agencies. MCOE will begin informing LEAs of the Contract once the Contract has been signed.

#### **16. Posted Prices and Requests for Quotes**

The Awarded Contractor/Vendor, in cooperation with MCOE's agent, must make provision for LEAs to quickly ascertain bid

prices by posting prices, posting a link or contact for prices, distributing catalogs and price lists, responding to requests for quotations, or participating in eCommerce.

The 2 percent Transaction Fee on all sales is a cost of doing business to the Vendor and the requirement for the fee is publicly disclosed in these bid documents for the edification of all buying agencies and LEAs. Transaction fees should not appear as a line item on a quotation or on listed bid pricing. The final price quoted or displayed must be inclusive of the participation fee on all pricing and quotations.

#### **17. Submission of Orders and Delivery**

After entering into an agreement with MCOE, an LEA electing to use this Contract will enter into a separate contract with the Vendor by way of a purchase order or separate contracting document ("Separate Contract"). Purchase orders will be issued by participating LEAs to contractor/Vendor.

LEAs will fax or mail purchase orders directly to the CalSave office fax at (866) 488-3729) unless other arrangements have been made and agreed to by the CalSave Administrator. LEAs may also use Epylon eCommerce software for transmission of purchase orders. Standard business practice is for all purchase orders received by 3:00 p.m. Pacific Time to be logged and forwarded to the appropriate Vendor on the same day received, unless unusual circumstances occur. It is the responsibility of the awarded/Vendor contractor to track any purchase order received directly from an LEA and to include that order on quarterly reports.

Awarded Contractor/Vendor will deliver goods, services, and corresponding invoices directly to the participating LEAs and receive payments directly from the participating LEAs as per bid specifications.

## **2. Colorado, Colorado BOCES Association (CBA)**

### **A. Additional Agency Terms and Conditions**

**Advertising:** CBA will require a marketing flier, in electronic format, and timely updates from each vendor promoting the contract and AEPA/CBA relationship. CBA will assist in the development of the marketing flier and other appropriate materials which will include logos representing the vendor/AEPA/CBA. This flier will be for distribution and dissemination to all qualified customers through the CBA website and other appropriate and available methods.

**Sales to Qualified Customers:** Boards of Cooperative Educational Services (BOCES) in Colorado are legislatively created cooperative organizations directed by Colorado state statute 22-105 to serve all qualified agencies in a cooperative manner. BOCES are governed by publicly elected officials and by state and federal laws. No agency is obligated to use these services and contracts, but they find the benefits of low price and the satisfied bidding process most advantageous. Qualified agencies in Colorado include all public or private educational institutions, K-12 and higher education, all non-profit organizations, and all county or local governmental agencies. CBA requires that all participating vendors offer the Agency contract opportunities to all qualified customers.

#### ***A. Procedure for Processing Orders:*** Once the award is made to the vendor.

- CBA will inform its members of the contract by:
  - i.* Including the contract in the agency database that is available on the CBA website
  - ii.* Announcing the award through normal communication channels, CBA member presentations as well as regular electronic and direct mail communications.
  - iii.* Offering the opportunity to the vendor to publish their marketing information on the CBA website link to cooperative purchasing opportunities.
- A listing of CBA members, institutional names, contact names, addresses and phone numbers is available to the vendors through the CBA website. At this point the vendor must contact the members and qualified customers; and the customers have the right to contact the vendors directly. Note: CBA requires the awarded vendors to take ownership and actively promote the contract in cooperation with CBA to all members and qualified customers.
- When the customer identifies a desired product or service as available through the AEPA/CBA contract and agrees on price as presented to the customer by the awarded AEPA/CBA vendor, the customer then issues to the vendor a purchase order for that item or service.
- The awarded price must include an additional two percent (2%) administrative fee in the total cost (not as a separate line item), based on the total cost of goods and services including installation. This fee is to be forwarded by the vendor to CBA after the sale and payment is made to the vendor. Payment shall be made to CBA on a quarterly basis along with the complete sale report as specified in the general terms and conditions.
- The sale and transaction may continue without delay or anticipation of the CBA denial of said transaction.
- The administrative fee percentage (2%) is based on the total sale of goods and services including installation and must be included in the original cost quoted to the customer. In the event of a lease, the total administrative fee for the value of goods and services shall be paid to CBA by the vendor at the front end of the lease.

Vendor makes all deliveries and installation of products and services. CBA does not warehouse items nor provide services.

### **3. Connecticut, Capitol Region Education Council (CREC)**

#### **A. ADDITIONAL MEMBER AGENCY GENERAL TERMS AND CONDITIONS**

**Affirmative Action** - The Contractor must have an employment policy that there shall be no discrimination against anyone on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, physical disability or sexual orientation in the hiring, upgrading, demotions, recruitment, termination and selections for training, in any manner prohibited by the laws of the United States or of the State of Connecticut. The Contractor further agrees to be an "affirmative action-equal opportunity employer."

**Applicability of Contract Provisions to Connecticut Participants** - The Capitol Region Education Council (CREC) is the AEPA Member Agency. Any entity that uses the contract awarded by CREC under this document is referred to as a "Participant." The bidder that is awarded the contract by CREC is referred to as the "Contractor."

#### **Conflict of Interest**

The Contractor shall disclose any relationship with a CREC employee that would not be considered an "arms-length" or independent transaction, as described below. This disclosure must be made in writing to CREC for an evaluation. CREC will respond to this disclosure in writing.

A CREC employee (including independent contractors for purposes of this definition) placing an order or recommending a vendor must disclose any relationship with that vendor which would not be considered an "arms-length" or independent transaction. This disclosure must be made in writing to CREC for an evaluation. CREC will respond to this disclosure in writing.

For a transaction to be considered "arms-length" or "independent", a CREC employee should not be influenced, dependent upon, guided or controlled by a vendor into choosing that vendor, or item to purchase; nor should it appear to a third party that a CREC employee made a purchasing decision which appears to be based upon a personal relationship between the CREC employee and vendor.

The following are examples when a transaction is NOT considered arms-length or independent: (1) when there exists a personal relationship between a CREC employee and a vendor, (2) when there exists the potential for a personal benefit to a CREC employee, or (3) the parties to a business deal are dependent upon one another for "something" other than the purchase itself.

In addition, the Contractor shall, if given a copy of the potential Participant's conflict of interest policy, follow the process in that policy, or otherwise disclose to a potential Participant any relationship that would not be considered an "arms-length" or independent transaction with that Participant, as described above. This disclosure must be made in writing to the chief official (for example, the Superintendent at a board of education) at the potential Participant.

Determination of the existence of a conflict of interest does not prohibit CREC and/or a Participant from entering into the contract and purchase order, respectively.

***Financing Arrangements** - Any financing arrangements (including lease purchasing arrangements) will be made directly between the Contractor and a Participant. Financing arrangements may be subject to additional laws, rules and regulations, terms and conditions not described in this document and are subject to separate negotiation with each Participant that is interested in such an arrangement. Each Participant should seek its own legal advice prior to entering into a financing arrangement. CREC must receive a report annually summarizing the executed lease purchases along with the summary of the customer purchases. CREC will not collect lease payments or be involved in the terms and conditions of the lease. All lease arrangements are between the Contractor and the Participant only.*

**Freedom of Information Act** - The Contractor acknowledges that CREC and some Participants are subject to the Freedom of Information Act, Connecticut General Statutes Sections 1-200 et seq., and submitted to CREC and/or such Participants may be made available to the public under the provisions of the Freedom of Information Act.

**Incorporation of Bid Documents** - The bid documents, including all appendices executed by Contractor that have been accepted by CREC (the "Bid") are specifically incorporated into this Contract.

**Independent Contractor** - The Contractor shall not be held or deemed in any way to be the agent or employee of CREC and/or a Participant. It is the intention of the parties that the Contractor shall be and is to be considered an independent contractor.

**Marketing and Advertising** - Contractor agrees to provide CREC with a copy or proof sheet of all advertisements, customer communications or promotional material for prior approval.

**Modification to Bid Language in the AEPA Invitation for Bid** - The Bidder by submitting its bid hereby declares that this Bid is  
AEPA IFB #018 Part C Member Agency  
Terms & Conditions

made without any connection with any other person or persons making any proposal for the same items, that it is in all respects fair and without collusion or fraud and that no person acting for or employed by CREC or a Participant is directly or indirectly interested in the proposal or in the goods or services to which it relates, or in any portion of the profits therefrom.

All Terms and Conditions for Connecticut apply to work in these states. It is the Contractor's obligation to ensure that the purchaser fully understands the AEPA contract, including whether it is allowable under applicable state regulations.

#### **4. Florida, Panhandle Area Education Consortium/Florida Buy Purchasing Program**

##### **A. Additional Agency Terms and Conditions**

Vendor Contact: Vendor will designate to the Panhandle Area Educational Consortium Florida Buy, one individual who will represent them during the agreement period. This contact person will correspond with each ordering member for technical assistance, problems, or questions that may arise, including instructions if different contacts for different geographical areas are needed. This information will be distributed to all school districts upon award of this bid. Vendors may use this contract to sell products or services in addition to school districts to any government agency, non-profit organizations or institutions.

Vendor agrees to abide by all federal, state and local laws and regulations. It is the responsibility of the Vendor to determine applicability and requirements of any such laws and to abide by them.

All terms and conditions may be modified and revised by PAEC Florida Buy with the written consent of both PAEC Florida Buy and the Awardee.

PAEC Florida Buy, at its discretion, may offer the use of the awarded agreement to governmental entities such as state agency purchasing programs, to extend the use of the contract to eligible users. This option will be referred to as an Interlocal Agreement. CPC must receive a report annually, summarizing the executed lease purchases along with a summary of the participating agencies' purchases. CPC will not collect lease payments or be involved in the terms and conditions of the lease. All lease arrangements are between the Vendor and the participating agency. The Vendor agrees that leases will comply with the Uniform Commercial Code. The applicable administrative fee must be included in the lease cost based on the total value of the goods and applicable services purchased. This fee is referred to under the Technical Specifications. The Vendor should attempt to work with CPC's current leasing vendor. Note, the current leasing vendor may require a minimum purchase amount to begin the leasing process. Should the Vendor be required to utilize their own financial leasing company, this should be noted/requested as an exception. In the event of a lease, the total administrative fee for the value of goods shall be paid to CPC by the vendor at the front end of the lease. CPC reserves the right to review all purchase orders, lease documents and invoices to ensure contract compliance.
- e. **Marketing and Promotion:** Upon award and completion of the vendor orientation, CPC will promote the contract opportunity via its websites. CPC will also announce the new partnership in its newsletters and will publish the contract and marketing information through hard copy marketing items (i.e. flyers, postcard) and electronic email. Contracts will also be promoted at applicable trade shows, conferences, and meetings regularly. CPC may assist in the development of these materials if requested by the Vendor, but in all cases shall have the authority to review and approve any marketing materials. If a website is used, the link will be made available from the CPC website. Any web page or link, or other marketing tools shall be dedicated to CPC information only.
- f. **Non-Discrimination:** Any resulting contract for on or behalf of participating agencies, said Vendor agrees to:
  - i.   - ii. That no contractor, material supplier, or vendor, shall, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause (1) of this section, or on being hired, prevent, or conspire to prevent, the person or persons from the performance of work under any contract on account of race, creed, or color;
  - iii. That a violation of this section is a misdemeanor; and
  - iv. That this contract may be canceled or terminated by the state, county, city, town, school board, or any other person authorized to grant the contracts for employment, and all money due, or to become due under the contract, shall be forfeited for a second or any subsequent violation of the terms or conditions of this contract.
- g. **Participating Agency:** A participating agency shall be defined under Minnesota Statutes M.S. §471.59, and M.S. §123A.21, Sub. 11 and South Dakota Statutes §5-18A-37. An eligible agency includes any school, higher education, city, county, other governmental agency, nonprofit organization, or other entity contracted to conduct business on behalf of a participating agency provided that they are required to follow state and local procurement regulations.
- h. **Prompt Payment:** Participating Agencies will follow M.S. §471.425 regarding prompt payment of local government bills.

- j. **Vendor Orientation (CPC 101):** The Vendor and their participating resellers/sub-contractors will be required to participate in an online training session that is designed to educate the Vendor and resellers/sub-contractors on the purpose and nature of CPC. The Vendor will not be marketed to participating agencies until they have completed the vendor orientation session.

#### 2. Additional Participating Agency Terms and Conditions for Non-Construction Products and Services

If requested by CPC, the contracted vendor will work with CPC to develop an order form, or order forms, containing the most

commonly purchased items, that CPC can utilize to market the contracted vendor to its participating agencies.

### 3. Additional Participating Agency Terms and Conditions for Construction Related Products and Services

Upon acceptance and approval of the Vendor's offer by AEPA, CPC will independently consider the offer and conduct a conference call with the Vendor to determine if the Vendor can meet the requirements for construction-related products and services and to enter and execute a contract in the state of Minnesota. The contracted vendor will be required to work with CPC's participating agencies and require that an architect's signature or certification is noted on the specifications as required by **Minnesota Statute §326.12 subd. 3**. With certain exceptions, **Minnesota Rules part 1800.5200, subpart 1**, requires a licensed architect or engineer to prepare and certify specifications for building alterations or renovations. Once CPC and the Vendor can confirm that business can be conducted in Minnesota, CPC will make a final decision to complete the contract execution process.

For all quotes provided to participating agencies, for construction-related projects, products, and services, the contracted vendor must also send a duplicate quote to CPC. The quote provided to CPC must include the contact information of the participating agency.

**Performance Bond (for construction and/or installation related projects):** Performance bonds will be required on all projects valued at fifty-thousand dollars (\$50,000) or more in Minnesota and North Dakota and, twenty-five thousand dollars (\$25,000) or more in South Dakota. All performance bonds will be issued by a corporate surety authorized to do business in the state in which the work will be conducted and by a surety listed in the US Treasury Circular 570. Performance bonds will be posted by the Vendor and submitted to the specific participating agency for the assigned project. Should the contract be the result of a piggyback agreement, performance bonds will reflect each state's bonding requirements.

The Vendor will execute a performance bond in an amount equal to one hundred percent (100%) of the value specified in the contract between the participating agency and the Vendor unless the participating agency requires less to be posted. This bond will protect all persons supplying labor and material to the Vendor for the performance of the work provided in the contract. Subcontractors who may work on the contract may have to provide the Vendor with a performance bond. If the contract price increases after the bond is provided, the participating agency may consider obtaining additional bonds from the Vendor.

The Vendor will deliver the performance bond to the eligible participating agency at the time the contract is executed between the agency and the Vendor. Work will not commence between the Vendor and the eligible participating agency until the performance bond is received by the participating agency and a copy has been sent to CPC via email (info@purchasingconnection.org). The Vendor will be responsible for providing CPC with a copy of all contracts and bonds following CPC purchasing procedures. Should the Vendor fail to satisfactorily perform the contract, the bonding company that provided the performance bond will be required to pay the dollar amount of the bond to the participating agency.

It is the Vendor's responsibility to ensure that they can obtain the required bonding for all construction products based on an awarded contract arising from this solicitation. Payment will not be issued for any project for which the required bonds have not been received.

With said construction based project, the participating agency may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this solicitation and resulting Master Contract Agreement (i.e. project timeline, completion dates, progress payments, delivery requirements, invoice requirements, etc.). Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Vendor and the participating agency. CPC, its agents, members, and employees shall not be a party to any claim for breach of such agreement.

**4. Insurance:** The Vendor shall purchase, maintain and provide certification from the insurer for minimal coverage during the life of an awarded contract, to include, but not limited to, comprehensive public and/or commercial liability, errors and omissions, workman's compensation, unemployment, and other insurance coverage required by and applicable to each of CPC's individual state's statutes and federal laws which proposed products and services will be offered and provided. The Vendor shall provide a Certificate of Insurance (COI) from the issuing company or their authorized agent, identifying the coverage required below and identifying CPC as a "Certificate Holder". Any required insurance that is canceled before the expiration date of the contract agreement, the issuing company will send immediate notice to CPC. Respondents shall provide a statement of insurance from the issuing company or their authorized agent with their proposal. The Vendor shall meet the following requirements:

1. Commercial General Liability: \$1,000,000 each occurrence, \$500,000 annual aggregate
2. Automobile Liability: \$1,000,000 each occurrence
3. Workers Compensation: \$100,000

CPC reserves the right to consider and accept alternate forms and plans of insurance or to require additional or more extensive coverage for any individual requirement. The Vendor shall provide the COI with their submission.

### 5. Procedure for Contract Award, Notification and Processing Orders

Once the award is recommended by the AEPA Review Committee, CPC considers the recommendation based on the value of the potential contract for its participating agencies. Participating agency is defined as any city, county, public or private educational agency, nonprofit or governmental agency that is a participant of CPC. In the event of an award by the Board of Directors, CPC will inform its members of the award and contract by the following methods along with contract instructions and ordering process.

- a. The contract is listed and promoted on the CPC website ([www.purchasingconnection.org](http://www.purchasingconnection.org)).
- b. Announcing the award in CPC newsletters.
- c. CPC will publish the contract and marketing information through a hard copy marketing flier and electronic email. Contracts are promoted through PDF and a hard copy product catalog distributed at statewide trade shows and agency meetings regularly. CPC will require a marketing flyer, brochure, or other similar marketing pieces, in an editable, electronic format, from each vendor promoting the available contract with the vendor, and/or a web page or link. CPC may assist in the development of the marketing flier and material (if requested by the vendor), but in all cases shall have the authority to review and approve any marketing materials. If a web site is used, the link will be made available from the CPC web page. Any web page or link, or other marketing tools shall be dedicated to AEPA information only.
- d. When the member identifies a desired product or service, the member and the vendor may negotiate with each other to establish a description of items and/or services. The vendor shall quote a price to the member, in writing, using AEPA established discounts and including the two percent (2%) administrative fee in the quoted price. The administrative fee shall be based upon the total cost of goods and/or services including installation costs. The administrative fee shall not be listed as a separate line item on the quote. When a member decides to purchase through the CPC-AEPA contract, the member issues the purchase order directly to the vendor. The purchase order must include the total invoiced cost, based on
  - i. The total cost of goods, service, and installation, including the 2% administrative fee.
  - ii. Notification will be made to the vendor in the event the purchase order is not in compliance with the contract and adjustments will be made at that time. CPC and the Vendor will mutually resolve any issues concerning past purchases. The purchase orders are to continue to be processed and viewed as approved unless notified by CPC otherwise. All sales and transactions may continue without delay or in anticipation of the CPC purchase order verification.
  - iii. Once all the items and services on the purchase order have been delivered to the member completely and satisfactorily, the Vendor then files a copy of the final invoice, which is available to CPC by request in support of the quarterly sales summary. The invoice is to be marked "Copy".
  - iv. The Vendor makes all deliveries and installations of products and services. CPC does not warehouse items or provide installation services.
  - v. This administrative fee is to be paid by the vendor to CPC, quarterly, within 20 working days after the end of each fiscal quarter. The AEPA vendor shall also submit to CPC a sales report, in Excel format, listing the following information:
    1. Name of purchasing agency
    2. Address of purchasing agency (city, state, zip code)
    3. Date of purchase
    4. Invoice number
    5. Amount of purchase
    6. Administrative fee generated by sale
    7. Savings generated by saleThis report shall include all sales made and payments received by the vendor in said quarter. The sales report shall be emailed to Melissa Mattson at [mmattson@lcsc.org](mailto:mmattson@lcsc.org) and copied to Lori Mittelstadt at [lmittelstadt@lcsc.org](mailto:lmittelstadt@lcsc.org). Payments must be received either via check or authorized ACH. An ACH enrollment/authorization form must be provided to CPC for completion. ACH remittance notification must be sent to the individual indicated on the ACH enrollment/authorization form prior to ACH payment. If mailing a check, the payment shall be delivered to Melissa Mattson, CPC, 1001 East Mt. Faith, Fergus Falls, MN 56537. The check shall be made out to Lakes Country Service Cooperative.
- vi. CPC requires that all participating vendors offer the contract opportunity to all CPC participating agencies.

6. **Express Online Marketplace:** CPC provides participating agencies with an online purchasing platform called Express. Through Express, agencies can search for and purchase items. Essentially, Express is a one-stop-shop for many of CPC's commodity-based contracts. The Vendor does not have to have an e-commerce site to be included in Express. Express offers integration into two (2) of the main K-12 school financial systems in Minnesota. CPC expects growth in the number of agencies utilizing the marketplace and the volume of sales to grow significantly. CPC will work with the Vendor to determine if the contract agreement is suitable for the online platform. If deemed suitable, CPC will require integration into Express promptly as outlined in the solicitation.

#### 14. **Missouri, EducationPlus (EDPLUS) [Formerly Cooperating School Districts of the Greater St. Louis Area (CSD)]**

##### A. Additional Agency Terms and Conditions

Lease and Rentals: Vendor may allow EDPLUS members to enter into rental, lease, or lease purchase agreements, providing such agreements are in compliance with Missouri statutes and State Department of Education policies, rules and regulations. EDPLUS must receive a copy of the executed leasing documents prior to processing a purchase order. EDPLUS will not collect lease payments. Bidder agrees that leases will be in compliance with the Uniform Commercial Code. All terms of leasing must be included in the proposal, with interest rates described as related to a government standard. Bidder must indicate in its response to this solicitation if the shipping costs for the return of leased or rented equipment are the responsibility of the EDPLUS member, and what that cost will be. No sale of a contract to a third party will be made without first informing EDPLUS and the EDPLUS member of the sale. If Bidder sells a lease contract to a third party, the cost of return must not be greater than the cost of return to the original vendor. A 2% administrative fee must be included in the lease cost based on the total value of the goods purchased. This fee is referred to under ordering process.

##### B. Procedure for Processing Orders

(1.) Once the award is made to the vendor, EDPLUS will inform its members (and non-members eligible to purchase from EDPLUS) of the contract by announcing the award in its periodic newsletter and other EDPLUS presentations as well as regular electronic communications.

(2.) EDPLUS may require a marketing flier from each vendor promoting the contract and AEPA relationship. EDPLUS will assist in the development of the marketing flier and material. This flier will be for distribution as well as posting on the EDPLUS website and disseminated to potential customers. Note: EDPLUS requires the awarded vendor to take ownership and actively promote the contract in cooperation with EDPLUS to all qualified customers.

(3.) When the member identifies a desired product or service as available through the AEPA contract and makes a purchase on the EDPLUS online Marketplace or agrees on price as presented to the member by the awarded AEPA vendor, the member then issues to the vendor a purchase order for that item or service.

(4.) The purchase order must include an additional two percent (2%) administrative fee in the total cost, based on the total cost of goods and service including installation and freight if applicable. This fee is to be forwarded by the vendor to EDPLUS after the sale and payment is made to vendor. Payment shall be made to EDPLUS on a quarterly basis along with complete sales history during that period.

(5.) Vendor makes all deliveries and installations of products and services. EDPLUS does not warehouse items nor provide services.

(6.) All participating vendors agree to and are subject to audit proceedings of AEPA member sales.

##### D. Governing Law

**MO. REV. STAT. §70.220. 1.** Any municipality or political subdivision of this state, as herein defined, may contract and cooperate with any other municipality or political subdivision, or with an elective or appointive official thereof, or with a duly authorized agency of the United States, or of this state, or with other states or their municipalities or political subdivisions, or with any private person, firm, association or corporation, for the planning, development, construction, acquisition or operation of any public improvement or facility, or for a common service; provided, that the subject and purposes of any such contract or cooperative action made and entered into by such municipality or political subdivision shall be within the scope of the powers of such municipality or political subdivision.

## 15. Montana, Montana Cooperative Services (MCS)

1. General Standards: Purchases by public entities in excess of \$80,000 are subject to public bid; purchases under this amount are subject to requirements of public contracts. See Sections 7-5-230 I and 7- 5-2304, Montana Code Annotated (Counties); Sections 7-5-4302 and 7-5-4303, Montana Code Annotated (Municipalities).

Note: purchases of less than \$80,000 are not subject to public bid requirements, which provides local government entities with considerable flexibility to make purchases. Public bidding requirements do not appear to prohibit local government entities who are members of AEPA or MCS from soliciting bids from approved vendors for purchases in excess of \$80,000.

2. Local Government Cooperative Purchasing Authority: Local governments may also elect to purchase cooperatively through the Montana Department of Administration in lieu of soliciting their own bids. 51 A.G. Op. 15 (2006). Procurement by government entities generally falls within the Montana Procurement Act, Section 18-4-101, MCA, et seq.

a. Local Governments are authorized to adopt and implement the rules and standards of the Act:

18-4-124. Local government adoption of procurement provisions -- alternative project delivery contracts. (1) A political subdivision or school district may adopt any or all parts of this chapter and the accompanying rules promulgated by the department.

b. Local governmental entities and school districts are specifically authorized to purchase cooperatively in the public interest:

18-4-401. Definitions. As used in this part, the following definitions apply:

(1) "Cooperative purchasing" means procurement conducted by or on behalf of more than one public procurement unit.

(2) "Local public procurement unit" means a county, city, town, or other subdivision of the state or a public agency of any such subdivision; public authority; educational, health, or other institution; to the extent provided by law, any other entity that expends public funds for the procurement of supplies and services; and any non profit corporation operating a charitable hospital.

(3) "Public procurement unit" means a local or state public procurement unit of this or any other state, including an agency of the United States, or a tribal procurement unit.

(4) "State public procurement unit" means a state department, agency, or official that expends public funds for the procurement of supplies and services.

(5) "Tribal procurement unit" means a tribal government, tribal entity, or official of a tribal government located in Montana that expends tribal funds or funds administered by a tribe for the procurement of supplies and services to the extent provided by tribal or federal law.

18-4-402. Cooperative purchasing authorized . The department may participate in, sponsor, conduct, or administer a cooperative purchasing agreement for the procurement of any supplies or services with one or more public procurement units in accordance with an agreement entered into between the participants independent of the requirements of part 3. Cooperative purchasing may include purchasing through federal supply schedules of the United States general services administration, joint or multiparty contracts between public procurement units, open-ended state public procurement unit contracts that are made available to local public procurement units, and competitive contracts established by for-profit, not-for-profit, or nonprofit cooperative entities. (emphasis added).

Note: Cooperative purchasing by local governmental entities may require entering into an agreement with the Montana Department of Administration. This requirement does not appear to preclude local entities from participating as members of purchasing groups.

c. Local governmental entities are authorized to enter agreements with each other in order to purchase cooperatively.

7-11-104. Authorization to create interlocal agreements -- issuance of bonds for joint construction -- hiring of teacher, specialist, or superintendent. One or more public agencies may contract with any one or more other public agencies to perform any administrative service, activity, or undertaking or to participate in the provision or maintenance of any public infrastructure facility, project, or service, including the issuance of bonds for the joint construction of a facility under 20-9-404, the hiring of a teacher or specialist under 20-4-201 or a superintendent under 20-4-401, or the hiring of or contracting with any other professional person licensed under Title 37, that any of the public agencies entering into the contract is authorized by law to perform. The contract must be authorized and approved by the governing body of each party to the contract. The contract must outline fully the purposes, powers, rights, obligations, and responsibilities of the contracting parties. (emphasis added).

3. School and school district cooperative purchasing authority: Schools and school districts are specifically authorized to purchase cooperatively utilizing qualifying purchasing entities:

"A [school] district may enter into a cooperative purchasing contract for the procurement of supplies or services with one or more districts. A district participating in a cooperative purchasing group may purchase supplies and services through the group without complying with the provisions of [soliciting public bids and awarding a contract] if the cooperative purchasing group has a publicly available master list of items available with pricing included and provides an opportunity at least twice yearly for any vendor, including a Montana vendor, to compete, based on a lowest responsible bidder standard, for inclusion of the vendor's supplies and services on the cooperative purchasing group's master list." Section 20-9-204(4), Montana Code Annotated (emphasis added).

Note: Montana's AEPA member, Montana Cooperative Services, meets all of the statutory requirements of Section 20-9-204(4), MCA, with respect to cooperative purchasing groups.

Cooperative purchasing is another tool in the bag for local governmental entities, including school districts, to acquire services and supplies at better prices than may otherwise be available. Membership in MCS provides access to AEPA-approved vendors as well as in-state suppliers who have been carefully vetted for reliability and quality.

### 5. **Procedure for Contract Award, Notification and Processing Orders**

Once the award is recommended by the AEPA Review Committee, NDESC considers the recommendation based on the value of the potential contract for its participating agencies. Participating agency is defined as any city, county, public or private

educational agency, nonprofit or governmental agency that is a participant of NDESC. In the event of an award by the Board of Directors, NDESC will inform its members of the award and contract by the following methods along with contract instructions and ordering process.

- a. The contract is listed and promoted on the NDESC website ([www.ndesc.org](http://www.ndesc.org)).
- b. Announcing the award in NDESC newsletters.
- c. NDESC will publish the contract and marketing information through a hard copy marketing flier and electronic email. Contracts are promoted through PDF and a hard copy product catalog distributed at statewide trade shows and agency meetings regularly. NDESC will require a marketing flyer, brochure, or other similar marketing pieces, in an editable, electronic format, from each vendor promoting the available contract with the vendor, and/or a web page or link. NDESC may assist in the development of the marketing flier and material (if requested by the vendor), but in all cases shall have the authority to review and approve any marketing materials. If a web site is used, the link will be made available from the NDESC web page. Any web page or link, or other marketing tools shall be dedicated to AEPA information only.
- d. When the member identifies a desired product or service, the member and the vendor may negotiate with each other to establish a description of items and/or services. The vendor shall quote a price to the member, in writing, using AEPA established discounts and including the two percent (2%) administrative fee in the quoted price. The administrative fee shall be based upon the total cost of goods and/or services including installation costs. The administrative fee shall not be listed as a separate line item on the quote. When a member decides to purchase through the NDESC-AEPA contract, the member issues the purchase order directly to the vendor. The purchase order must include the total invoiced cost, based on
  - i. The total cost of goods, service, and installation, including the 2% administrative fee.
  - ii. Notification will be made to the vendor in the event the purchase order is not in compliance with the contract and adjustments will be made at that time. NDESC and the vendor will mutually resolve any issues concerning past purchases. The purchase orders are to continue to be processed and viewed as approved unless notified by NDESC otherwise. All sales and transactions may continue without delay or in anticipation of the NDESC purchase order verification.
  - iii. Once all the items and services on the purchase order have been delivered to the member completely and satisfactorily, the Vendor then files a copy of the final invoice, which is available to NDESC by request in support of the quarterly sales summary. The invoice is to be marked "Copy".
  - iv. The Vendor makes all deliveries and installations of products and services. NDESC does not warehouse items or provide installation services.
  - v. This administrative fee is to be paid by the vendor to NDESC, quarterly, within 20 working days after the end of each fiscal quarter. The AEPA vendor shall also submit to NDESC a sales report, in Excel format, listing the following information:
    1. Name of purchasing agency
    2. Address of purchasing agency (city, state, zip code)
    3. Date of purchase
    4. Invoice number
    5. Amount of purchase
    6. Administrative fee generated by sale
    7. Savings generated by saleThis report shall include all sales made and payments received by the vendor in said quarter. The sales report shall be emailed to Jane Eastes at [jeastes@lcsc.org](mailto:jeastes@lcsc.org) and copied to Lori Mittelstadt at [lmittelstadt@lcsc.org](mailto:lmittelstadt@lcsc.org). Payments must be received either via check or authorized ACH. An ACH enrollment/authorization form must be provided to CPC for completion. ACH remittance notification must be sent to the individual indicated on the ACH enrollment/authorization form prior to ACH payment. If mailing a check, the payment shall be delivered to Jane Eastes, NDESC, 1001 East Mt. Faith, Fergus Falls, MN 56537. The check shall be made out to Lakes Country Service Cooperative.
- vi. NDESC requires that all participating vendors offer the contract opportunity to all NDESC participating agencies.

6. **Express Online Marketplace:** NDESC provides participating agencies with an online purchasing platform called Express, powered by EqualLevel. Through Express, agencies can search for and purchase items. Essentially, Express is a one-stop-shop for many of NDESC's commodity-based contracts. A Vendor does not have to have an e-commerce site to be included in Express. NDESC expects growth in the number of agencies utilizing the marketplace and the volume of sales to grow significantly. NDESC will work with the Vendor to determine if the contract agreement is suitable for the online platform. If deemed suitable, NDESC will require integration into Express promptly.

The Contractor will also produce and provide to ESCNJ an annual summary report for all purchases made under each contract awarded by ESCNJ pursuant to this document for a period beginning with the award of the contract and ending December 31 and all consecutive annual periods, if the contract is extended.
7. New Jersey School Districts and other eligible New Jersey Participants are normally exempt from sales tax. The Contractor/Vendor should confirm this exemption and collect a tax-exempt letter from each New Jersey Participant.

#### **C. Members Purchasing Under the Agency**

There are 584 operating school districts in New Jersey and all are eligible for membership. No district is obligated to use these services. Additional New Jersey Participants may include other public educational institutions, public colleges or universities, community colleges, vocational or technical schools, municipal governments, and other governmental, quasi-governmental, or non-profit organizations. The ESCNJ Cooperative Pricing System currently has 1,300+ New Jersey Participants located in all 21 Counties of the State of New Jersey.

#### **CONFLICT OF INTEREST**

An ESCNJ employee (including independent contractors for purposes of this definition) placing an order or recommending a vendor must disclose any relationship with that vendor which would not be considered an "arms-length" or independent transaction. This disclosure must be made in writing to the Business Administrator and/or Chief Financial Officer for an evaluation. The Business Administrator and/or the Chief Financial Officer will respond to this disclosure in writing.

For a transaction to be considered "arms-length" or "independent", an ESCNJ employee should not be influenced, dependent upon, guided or controlled by a vendor into choosing that vendor, or item to purchase; nor should it appear to a third party that an ESCNJ employee made a purchasing decision which appears to be based upon a personal relationship between the ESCNJ employee and vendor.

The following are examples when a transaction is NOT considered arms-length or independent: (1) when there exists a personal relationship between an ESCNJ employee and a vendor, (2) when there exists the potential for a personal benefit to an ESCNJ employee, or (3) the parties to a business deal are dependent upon one another for "something" other than the purchase itself.

The Contractor shall disclose any relationship with an ESCNJ employee that would not be considered an "arms-length" or independent transaction, as described above. This disclosure must be made in writing to the Business Administrator and/or the Chief Financial Officer for an evaluation. The Business Administrator and/or the Chief Financial Officer will respond to this disclosure in writing.

In addition, the Contractor shall, if given a copy of the potential New Jersey Participant's conflict of interest policy, follow the process in that policy, or otherwise disclose to a potential New Jersey Participant any relationship that would not be considered an "arms-length" or independent transaction with that New Jersey Participant, as described above. This disclosure must be made in writing to the chief official (for example, the Superintendent at a board of education) at the potential New Jersey Participant.

Determination of the existence of a conflict of interest does not prohibit ESCNJ and/or a New Jersey Participant from entering into the contract and purchase order, respectively.

Any proposal copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse.

The Proposer must clearly designate the part of the proposal that contains a trade secret and/or privileged or confidential proprietary information as "confidential" in order to claim protection, if any, from disclosure. The proposer shall provide a sheet with the following legend, specifying the specific section(s) of his proposal sought to be restricted in accordance with the conditions of the legend:

*"The data contained in pages \_\_\_\_ of the proposal have been submitted in confidence and contain trade secrets and/or privileged or confidential information and such data shall only be disclosed for evaluation purposes, provided that if a contract is awarded to this Proposer as a result of or in connection with the submission of this proposal, CES and its Members and Participating Entities shall have the right to use or disclose the data therein to the extent provided in the contract. Further, to protect such data, each page containing such data shall be specifically identified and marked "CONFIDENTIAL". Within the required electronic submission, any item marked as confidential will need to be submitted in a separate folder marked "Confidential information".

The CES Executive Director will review the statement and will determine in writing whether the information will be withheld. **Contract Non-Exclusive:** Any contract resulting from this solicitation will be awarded with the understanding and agreement that it is for the sole convenience of CES, its Members or Participating Entities in New Mexico. CES reserves the right to obtain like goods and services from another source when necessary.

**Contractor:** As defined in Construction Industries Licensing Act, 60-13-1 NMSA 1978: "contractor" means any person who undertakes, offers to undertake by bid or other means, or purports to have the capacity to undertake, by himself or through others, contracting. Contracting includes constructing, altering, repairing, installing or demolishing any: road, highway, bridge, parking area or related project; building, stadium or other structure; airport, subway or similar facility; park, trail, bridle path, athletic field, golf course or similar facility; dam, reservoir, canal, ditch or similar facility; sewerage or water treatment facility, power generating plant, pump station, natural gas compressing station or similar facility; sewerage, water, gas or other pipeline; transmission line; radio, television or other tower; water, oil or other storage tank; shaft, tunnel or mining appurtenance; leveling or clearing land; excavating earth; air conditioning, conduit, heating or other similar mechanical works; electrical wiring, plumbing or plumbing fixture, consumers' gas piping, gas appliances or water conditioners; or similar work, structures or installations which are covered by applicable codes adopted under the provisions of the Construction Industries Licensing Act.

The Act includes subcontractor and specialty contractor; and includes a construction manager who coordinates and manages the building process; who is a member of the construction team with the owner, architect, engineer and other consultants required for the building project; and who utilizes their skill and knowledge of general contracting to develop schedules, prepare project construction estimates, study labor conditions and advise concerning construction.

**Contractor Invoice:** The Contractor will send an invoice to CES or a CES Member after the delivery of goods and/or services. Goods and services will be invoiced at current contract pricing approved by AEPA including the 2% administrative fee and if applicable, the local New Mexico Gross Receipts Tax.

**Contractor's Quote to CES Member or Participating Entity:** When preparing a proposal under a CES awarded contract, the Contractor must clearly identify and break out supplies, materials, equipment, services, labor, and local New Mexico Gross Receipt Tax into individual line items as they appear on the Contractor's awarded price schedule or pricing methodology. Stated prices must include the CES two percent (2%) administrative fee. Before CES can pay a Contractor's invoice, it must collect payment from the CES Member or Participating Entity that received the product. CES believes it is better for the Contractor if CES places the slow-paying agency on "credit hold". If a Contractor places CES on "credit hold," agencies that pay promptly are penalized. If, on the other hand, CES places the offending agency on "credit hold", payment is more likely to result and only the offender is punished.

**Disclosure of Confidential Information:** Any confidential information provided to the Contractor by CES, its Members or Participating Entities or developed by the Contractor based on information provided by CES, its Members or Participating Entities in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of CES, its Members or Participating Entities. Upon termination of this Agreement, Contractor shall deliver all confidential material in its possession to CES, its Members or Participating Entities within thirty (30) business days of such termination. Contractor acknowledges that failure to deliver such confidential information to CES, its Members or Participating Entities will result in direct, special and incidental damages.

**Indemnification:** To the fullest extent permitted by law, Contractor must, defend, indemnify and hold harmless CES, its Members, its Participating Entities, its officers and employees, against any and all liability, claims, demands, actions, damages, losses, judgments, settlements, personal injury (including sickness, disease, death, and bodily harm), property damage (including loss of use), infringement, government action and all expenses, including attorneys' fees and litigation expenses, demands or expenses asserted by a third-party, caused by, or resulting from, Contractor's and/or its employees, act(s) or omissions(s) while Contractor, and/or its employees, perform(s) or fails to perform its obligations and duties under this agreement or acts or omissions occurring outside of this agreement. Any equipment or facilities damaged by Contractor's operation shall be repaired and/or restored to their original condition at Contractor's expense. Contractor shall at all times keep in force liability insurance limits as outlined in this solicitation. Failure to maintain current coverage in the amounts stated may result in termination of this agreement. CES shall be named as a co-insured on the insurance policy and the policy shall provide that the policy cannot be modified or cancelled without the approval of CES.

"This provision shall survive any termination of this Agreement. Contractor will promptly advise CES in writing of any action, administrative or legal proceedings or investigation as to which defense and indemnification shall apply."

**Indemnification Intellectual Property:** The Contractor shall defend, at its own expense, CES, its Members and Participating Entities against any claim that any product or service provided under this Agreement infringes any patent, copyright or trademark, and shall pay all costs, damages and attorney's fees that may be awarded as a result of such claim. In addition, if any third party obtains a judgment against CES, its Members and Participating Entities based upon Contractor's trade secret infringement relating to any product or services provided under this Agreement, the Contractor agrees to reimburse CES, its Members and Participating Entities for all costs, attorneys' fees and the amount of the judgment. To qualify for such defense and/or payment, CES, its Members and Participating Entities shall:

1. Give the Contractor written notice, within forty-eight (48) hours, of its notification of any claim;
2. Allow the Contractor to manage the defense and settlement of the claim as permitted by law; and
3. Cooperate with the Contractor, in a reasonable manner, to facilitate the defense or settlement of the claim.

**CES, its Members and Participating Entities Rights:** If any product or service becomes, or in the Contractor's opinion is likely to become, the subject of a claim of infringement, the Contractor shall, at its sole expense:

1. Provide CES, its Members and Participating Entities the right to continue using the product or service and fully indemnify CES, its Members and Participating Entities against all claims that may arise out of CES, its Members and Participating Entities use of the product or service;
2. Replace or modify the product or service so that it becomes non-infringing; or
3. Accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to the Contractor. The Contractor's obligation will be void as to any product or service modified by CES, its Members and Participating Entities to the extent such modification is the cause of the claim

**Insurance:** On contract award, the Contractor will, at its own expense, purchase and maintain insurance that will protect it from claims that may arise out of or as a result from its activities under this contract, where those activities are performed

by it, by any Subcontractor, by anyone directly or indirectly employed by any of the Contractors or by anyone for whose acts the Contractor may be liable during the entire performance period of this contract. The Contractor must furnish a Certificate of Insurance to the CES procurement officer prior to official award. If policy changes occur during the life of the contract, it is the Contractor's responsibility to provide updated proof of coverage to the CES procurement officer.

2. Bidders will submit a certificate of general liability insurance for personal injury, occupational disease, sickness or death, and property damage. Insurance will include "occurrence" claim provisions. Minimum acceptable coverage is one million dollars (\$1,000,000) combined single limit for bodily injury and property damage, or seven hundred fifty thousand dollars (\$750,000) bodily injury and two hundred fifty thousand dollars (\$250,000) property damage (each occurrence). **The Contractor will name CES and the CES Member as co-insured up to the limits of the Tort Claims Act.**
3. Will provide to CES a certificate of comprehensive vehicle liability insurance, for both owned and non-owned vehicles, shall be one million dollars (\$1,000,000) per occurrence combined single limit for both personal injury and property damage.
4. If required for professional services, will provide a certificate of errors and omissions insurance for damages caused by an error, omission, or any negligent acts caused by the Contractor and its Subcontractors in the performance under this agreement. Combined single limit per occurrence is one million dollars (\$1,000,000) and the annual aggregate limit of not less than two million dollars (\$2,000,000). The bidder will provide "tail" coverage at the completion of any contract entered into by CES or its Members for a minimum of 12 months, or the maximum time period reasonably available in the marketplace. The Contractor shall furnish certification of "tail" coverage as described following contract completion. This will be a condition of the final acceptance of work or services.
5. In addition, Contractor must provide, upon request, identical certification of insurance to any CES Member or Participating Entity using this contract. Prior to commencing any work, all Subcontractors must procure and maintain at its own expense until final acceptance of the work, written insurance coverage, and insurer's acceptance to the prime Contractor. All Subcontractors will provide workers' compensation insurance, which waives all subrogation rights against the prime Contractor and CES/CES Member/Participating Entities.

**Lease and Rentals:** Contractor can allow CES Members to enter into rent, lease or lease/purchase agreements, providing such agreements are in compliance with 6-6-12 NMSA 1978 Exemption from Bateman Act, 13-1-67 NMSA 1978 Definition; local public body, and Public Education Department policies, rules and regulations. CES will not collect lease payments. Contractor agrees that leases will be in compliance with the Uniform Commercial Code. All terms of leasing must be included in the proposal with interest rates described as related to a government standard. Contractor must indicate in its response to this solicitation if the shipping costs for the return of leased or rented equipment are the responsibility of the CES Member and what that cost will be. No sale of a contract to a third party will be made without informing CES and the CES Member of the transfer. If Contractor sells a lease contract to a third party, the cost of return must not be greater than the cost of return to the original Contractor.

As required by New Mexico law, the lease agreement with the CES Member or Participating Entity will need to contain a termination provision for Non-Appropriation of Funds. In the event no funds or insufficient funds are appropriated and budgeted by CES, its Members or Participating Entities (Lessee) governing body or are otherwise unavailable in any fiscal year for the payment of lease and other amounts due under any lease, the lease shall terminate on the last day of the fiscal period for which appropriations were received or other amounts are available to pay amounts due under the lease without penalty or expense to the Lessee. It is the decision of CES, its Members, or Participating Entities to determine the sufficiency of funds, which determination shall be accepted by the Lesser and is final. The Lessee shall give the Lesser or its Assignee written notice at least thirty (30) days in advance of such occurrence.

**Legal Remedies:** All claims and controversies are subject to the New Mexico Procurement Code, NMSA 1978, and Sections 13-1-21 through 13-1-199.

**Liens:** All materials and services will be free of all liens.

**Local Representation:** Depending on the type and level of products and services offered, the Contractor must demonstrate their sales, support, and service staff are physically located where they can respond to and deliver services in a timely and cost-effective manner.

**Manufacturer Endorsement:** The Contractor must demonstrate it is an authorized distributor of the products and services offered, has access to manufacturer's technical support and warranty services, and possesses the certifications required to install, configure, and maintain the products offered within the state of New Mexico.

**New Mexico Procurement Code:** Sections 13-1-21 through 13-1-199 NMSA 1978 may be cited as the "Procurement Code".

**Offer Acceptance Period to Execute a Contract with CES:** In order to allow CES the opportunity to evaluate the bids approved by AEPA, CES requires that the AEPA approved Contractor submit to CES a complete electronic copy of its response to AEPA's solicitation with original signatures within fifteen (15) days of CES's request. CES will issue its supplemental packet within thirty (30) days after receipt and review of the approved Contractor response. The approved Contractor will have fifteen (15) days to return the CES supplemental packet. After CES receives the request information in

the supplemental packet, CES issue a contract for the products and services as approved by AEPA.

**Ordering Process:** Contractor agrees to adhere to CES' ordering process(es).

**Ownership of Materials and Documents:** CES, its Members or Participating Entities shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "**materials**") which are originated or created through Contractor's work pursuant to this Contract. Contractor, for valuable consideration herein provided, shall execute all **documents** necessary to assign and transfer to, and vest in CES, its Members or Participating Entities all Contractor's rights, title and interest in and to such original **materials**, including any copyright, patent and trade secret rights which arise pursuant to Contractor's work under this Contract.

**Patent and Copyright Infringement:** Contractor will, at their expense, defend CES and its Members and Participating Entities against any claim that any equipment or software supplied hereunder (even if such equipment or software are modified by CES or its Members, subject to the last paragraph of this section) infringe a patent or copyright in the United States, or a U.S. Territory, and will pay all costs, damages and attorney's fees that a court finally awards as a result of such a claim. To qualify for such a defense and payment, CES must:

1. Give Contractor prompt written notice of any such claim after becoming aware of such claim.
2. Allow Contractor to control and fully cooperate with Contractor in the defense and all related settlement negotiations.

CES will be reimbursed for all expenses incurred by CES in fully cooperating with Contractor as specifically requested by contract. CES is not required to incur any expenses specified in this paragraph, which are not reimbursable, by the Contractor. If any CES Member and Participating Entities are involved by any party in any way, the same provisions that apply to CES in this paragraph will apply to the CES Member or Participating Entity. Contractor's obligation under this section is conditioned on CES' agreement that if the subject of such a claim, CES will permit the Contractor, at its expense and option, either to procure the right for CES and its Members or Participating Entity to continue using the equipment and/or software, or to replace or so modify with equipment or software which are functionally equivalent so that they become non-infringing. If neither of the foregoing alternatives is available on terms which are reasonable in Contractor's judgment and satisfactory to CES, CES will request its Members or Participating Entity to return the equipment or software on written request by Contractor at Contractor's expense.

Contractor agrees to refund CES, its Members or Participating Entities a refund for returned equipment as depreciated unless otherwise mutually agreeable in writing. The depreciation will be an equal amount per year over six (6) years. In the event that Contractor's written request for return is made after full depreciation, the Contractor will pay CES, or its Members who purchased the equipment, an amount equivalent to the fair market value of the returned equipment. ## 21. Oregon, Intermountain Educational Service District (IMESD)

### ***A. Additional Agency Terms and Conditions – all categories***

Intermountain Education Service District (“IMESD”) is an educational service district organized under the laws of the STATE OF OREGON. Pursuant to Oregon Law ORS 279A and IMESD is authorized to cooperate with other entities and in such regard is authorized to cooperate with them in the purchasing of goods and services pursuant to these contract documents. As other entities cooperate with IMESD to take advantage of the goods and services made available pursuant to these contract documents, the terms and conditions of any such sales shall be in accordance with the contract documents.

Additionally Senate Bill 3184 enables Oregon's Education Service Districts to offer the services they provide to component school districts to other organizations. For the past 10 years, the InterMountain ESD (formerly Umatilla-Morrow ESD) has been a leader in expanding revenue available for schools and IMESD programs by providing these services outside of 19 local school districts. (Reference: [ORS 334.185](#))

Under Oregon public contracting rules, each individual public agency will have its own local rules it must adhere to, in addition to statewide public contracting laws. InterMountain Education Service District does not presume that its cooperative purchasing program will necessarily comply with every agency's internal public contracting rules. We always advise potential customers to review the bid solicitation carefully and recommend review by their legal department and/or procurement personnel to assure that contracting laws are complied with.

**ADVERTISING AND MARKETING:** Bidders must demonstrate they possess the necessary resources and have a proven track record to market, offer, obtain, deliver, install and provide the sales and technical support services to IMESD and its participating agencies within the state of Oregon in a timely and cost effective manner.

**APPLICABLE LAW AND VENUE:** Any dispute arising out of any of the contract documents, or out of their performance, shall be decided by litigation in the Circuit Court of the State of Oregon in the county of Owner's residence, the parties consenting to jurisdiction in said court and permanently waiving jurisdiction in any other court, state or federal. In the event of litigation the prevailing party shall be entitled to an award of reasonable attorney's fees and costs at trial and upon any appeal thereof. In the event that the successful bidder breaches a term of condition of a contract awarded, the IMESD may terminate the contract. In addition to the right to terminate due to the successful bidder's breach, and all other rights and remedies contained in other provisions, the IMESD reserves all its rights and remedies at law and in equity available due to the breach.

**HAZARDOUS CHEMICALS:** The Successful bidder shall supply current MSDS for all products as required below even if these sheets have been supplied in previous years.

The agencies participating on IMESD agreement will need MSDS and labels for certain products defined as hazardous chemicals by the State of Oregon in accordance with ORS 654.025(2) and 656.726(3). The successful bidder has the responsibility to determine such products and to provide MSDS and labels for such products. The MSDS shall be received by the IMESD by or at the time of the initial shipment of such products.

These requirements have been determined by the State of Oregon Workers Compensation Department, and published as Oregon Administrative Rules 437, Division 2 Hazard Communication. This document is available from Hazard Communication Coordinator, Accident Prevention Division, State of Oregon, Labor and Industries Building, 350 Winter St. NE, Salem, OR 97310, phone: (503) 378-3272 or (800) 922-2689 any local Accident Prevention Division Office.

**HOLD HARMLESS:** Bidders shall indemnify, hold harmless, and defend the IMESD from any and all liabilities, settlements, losses, penalties, costs, expenses, attorney fees (including attorney fees on appeal) in collection with any action, suit or claim based upon or allegedly based upon, resulting from or allegedly resulting from the successful bidder's negligence, omission, activities or services provided pursuant to a contract awarded to such bidder.

**LAW OF THE STATE OF OREGON:** Any contract between the IMESD and a bidder shall be entered into within the State of Oregon, and the laws of said state, whether substantive or procedural, shall apply to the contract.

In addition to any requirements listed, vendor shall comply with all, current, applicable state, federal and local laws, regulations and ordinances. If through mistake or otherwise any such provision is omitted then submission by either IMESD or the vendor-partner the contract shall be amended to make such inclusion or correction. IMESD Also reserves the right to amend the contract resulting from state law changes. Vendor-partners will be sent written notification of such changes.

**SEVERABILITY:** The parties agree that if any term or provision of a resultant contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular term or provision held to be invalid.

**TAXES:** Taxes, whether State or Federal, shall not be included in bid prices. Our Employer Identification No: 93-6000924 indicated our tax exemption status as a political subdivision. Contractor must certify compliance with the Oregon tax laws in accordance with ORS 305.385 when applicable.

#### ***D. Procedure for Agencies Processing Orders under IMESD in Oregon***

---

Once the award is made to the vendor, IMESD will market these contracts by: 1) including the contract on the IMESD website, 2) announcing the award in flyers, and 3) attending vendor events throughout school year. A list of schools, contact names, addresses and phone number can be accessed through the Oregon Department of Education website. At this point the vendor contacts schools and schools may contact the vendor. When the school/agency identifies a product or services and agrees on price it issues to Vendor a purchase order for that item or service, referencing the AEPA Bid number. The purchase order must include an additional one percent (2%) administrative fee in the total to be forwarded by the vendor to IMESD after the sale. All participating vendors agree to and are subject to audit proceedings of IMESD member sales.

Upon receipt of the purchase order, the vendor provides the goods or service listed on the purchase order. It is important to remember the vendor makes delivery to the member unless other arrangements are made in cooperation with IMESD. When all items and services on the purchase order have been delivered to the member in a complete and satisfactory manner, vendor then invoices the member for the goods and service. This invoice includes the additional one percent (2%) administrative fee to the total amount invoiced of the goods or service provided by the vendor. This percent is based on the total sales of goods or services. The member then pays the vendor including the one percent (2%) administrative fee. IMESD then invoices the Vendor for the 2% administrative fee based on the sale of goods and services collected by the vendor.

Bidders are advised that the *resultant* contract(s) may be extended, with the authorization of the Bidder, to other public bodies, or public agencies or institutions of the United States to permit their use of the contract at the same prices and/or discounts and terms of the resulting contract. If any other public body decides to use the final contract, the Contractor(s) must deal directly with that public body concerning the placement of orders, issuance of purchase orders, contractual disputes, invoicing and payment. The County of Fairfax acts only as the "Contracting Agent" for these public bodies. It is the Contractor's responsibility to notify the public body(s) of the availability of the contract(s). Other public bodies desiring to use this contract will need to make their own legal determinations as to whether the use of this contract is consistent with their laws, regulations, and other policies. Each public body has the option of executing a separate contract with the Contractor(s). Public bodies may add terms and conditions required by statute, ordinances, and regulations, to the extent that they do not conflict with the contract's terms and conditions. If, when preparing such a contract, the general terms and conditions of a public body are unacceptable to the Contractor, the Contractor may withdraw its extension of the award to that public body.

A Power of Attorney must accompany the bid bond and must appoint the surety's true and lawful attorney-in-fact to make, execute, seal and deliver the bid guarantee bond. Failure to submit the required bid security with the Bid shall render the bid non-responsive and the bid shall be rejected.
- **Public Works:** State of Washington statute requires workers be paid prevailing wages when employed on public works projects and on public building service maintenance contracts. (RCW 39.04.010, RCW 39.12.010 and 020) It is the contractor's responsibility to be acquainted with and comply with State regulations regarding payment of prevailing wages on public works projects. Prevailing Wages are established by the Washington State Department of Labor and Industries and can be obtained on the web at <http://www.lni.wa.gov/TradesLicensing/PrevWage/WageRates/default.asp> or by contacting Labor and Industries at 360-902-5335. KCDA serves all counties in Washington State. The County in which the project is located will be identified once a member initiates a request for the service, and the effective wage rate to be applied to a specific project is to be based on the date of this bid during the original contract term, and if contract extensions are granted, the prevailing wage rate in effect at the time of the latest extension. A copy of the applicable prevailing wage rates are also available for viewing at the office of KCDA. Upon request KCDA will mail a hard copy of the applicable prevailing wages.
- **Application:** The Public Works Act regulates wages paid to workers, laborers and mechanics performing public work. It does not apply to work that is clerical, executive administrative or professional in nature. It does not apply to work of a secretary, engineer or administrator, unless they are performing construction work, alteration work, repair work, etc. Prevailing wage application depends on the work that is performed, regardless of the worker's job title. (RCW 39.12.020 and WAC 296-128-510 through 530). Definition: Public Works is all work, construction, alteration, repair or improvement that is executed at the cost of the state or any other local public agency. This includes, but is not limited to, demolition, remodeling, renovation, road construction, building construction, ferry construction and utilities construction. (RCW 39.04.010). Public Building Service Maintenance Contracts: Prevailing wages are also required on all public building service maintenance (janitorial) contracts. (RCW 39.12.020). **Contractors bidding a Public works project exceeding \$1,000,000.00 must declare who their HVAC, Plumbing and Electrical subcontractors will be and submit this information with bid documents in order for the bid to be responsive (RCW 39.30.060).** Such projects also have special considerations pertaining to prefabricated materials (RCW 39.04.370) and use of apprentices (39.04.320).
- **Reciprocity:** In accordance with RCW 39.04.380 any bidding process for public works in which a bid is received from a nonresident contractor from a state that provides a percentage bidding preference, a comparable percentage disadvantage must be applied to the bid of that nonresident contractor. This does not apply to public works procured pursuant to RCW 39.04.155, 39.04.280 or other procurement exempt from competitive bidding.
- **Prevailing Wage:** Definition: Prevailing Wage is the hourly wage, usual benefits and overtime, paid in the largest city in each county, to the majority of workers, laborers and mechanics. The rate is established by the Department of Labor and Industries for each trade and occupation employed in the performance of public work. If Federal funds are used, bidders must comply with provisions of Davis-Bacon Act.
- **Basic procedures:** A Statement of Intent to Pay Prevailing Wages and Affidavit of Wages Paid must be filed and approved for the contractor and all subcontractors. No payments can be made until all Contractors/Vendors have submitted an approved intent form. KCDA cannot release retainage until all Contractors/Vendors have an approved Affidavit of Wages Paid form certified by the Industrial Statistician. (RCW 39.12.030, 040, 042). Costs for filing shall be the responsibility of the Contractor. Once the work is successfully completed, KCDA will release 95% of the project cost and withhold 5% retainage for as dictated by law. The final 5% will be paid when the following is completed: acceptance of project completion to the satisfaction of the KCDA ordering member, followed by receipt of approved Affidavit of Wages Paid Forms, Releases from Washington State Department of Labor & Industries, Employment Security Department and the Department of Revenue.
- **Federally Funded Projects:** In addition to the Federal Requirements of Section III General Terms and Conditions, Davis-Bacon prevailing wage requirements apply to public works construction contracts of \$2000 or more when a project includes any federal funding of any amount. When there is a difference between applicable state and federal prevailing wages for a particular classification of labor, contractors and subcontractors are required to pay the higher of the two prevailing wages. Applicable federal prevailing wage determinations can be found at <http://www.wdol.gov/>. Contractors/Subcontractors must be knowledgeable and adhere to all federal prevailing wage requirements, including but not limited to paying workers weekly and providing certified weekly payrolls for the contractor and subcontractors of any tier as required in the Davis-Bacon Act and applicable U.S. Department

of Labor regulations. Falsification of any prevailing wage payroll records may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of Title 18 and section 231 of Title 31 of the United States Code. Contractor shall inform all subcontractors of the Davis-Bacon requirements and the prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses. Contractor must coordinate all requirements related to federal funded projects with the KCDA member Agency.
