ADDENDUM NO. 2

TO: ALL PROSPECTIVE BIDDERS

REFERENCE: IFB 2000003240

FOR: Concurrent Learning Classroom Cameras

OPENING DATE/TIME: October 29, 2020 and 3:00 pm EST.

IFB CLARIFICATIONS:

The following are responses to questions received via e-mail.

Q1. Bidders are instructed to use the Bid Tables in Bonfire to submit prices and pricing schedule and Appendix C is only for reference but there is no separate column for MSRP in both sheets. I can find a column for "unit price", should we attach a separate sheet that includes MSRP for each item or just mention on the portal?

Bonfire Bid Table BT-56IJ for Pricing Schedule Parts 1-3
Bonfire Bid Table BT-25NU for Pricing Schedule Part 4

A1. Bonfire does not have the capability to include a separate line for percent discount based on Manufacture price within the Bid Table BT-56IJ and BT 25NU. For this reason, a separate section for percentage discount was created in Bonfire that allows bidder to enter the percentages as it relates to the Bid Table. The screenshot below is from Bonfire where this section can be found:
