McLean Community Center

Mission

The mission of the McLean Community Center is to provide a sense of community by undertaking programs; assisting community organizations; and furnishing facilities for civic, cultural, educational, recreational, and social activities apportioned fairly to all residents of Small District 1, Dranesville.

Focus

McLean Community Center (MCC or the Center) fulfills its mission by offering a wide variety of civic, social and cultural activities to its residents including families, local civic organizations, and businesses.

MCC offers classes and activities for all ages at nominal fees such as aerobics, computers, acting and tours. Special events and seasonal activities such as McLean Day, Taste of the Town, Fourth of July, Summer Camp, and a Craft Show are held at MCC, schools and parks. The Alden Theater presents professional shows, travel films and entertainment for children. The Old Firehouse is a popular teenage social and recreation center in downtown McLean, operated by the Center. Drop-in activities sponsored by MCC are available such as open bridge games and children's cooperative play.

Facilities and operations of the MCC are supported primarily by revenues from a special property tax collected from all residential and commercial properties within Small District 1, Dranesville. The Small District 1 real estate tax rate for FY 2007 is \$0.028 per \$100 of assessed property value, the same rate as in FY 2006. Other revenue sources include program fees and interest on

THINKING STRATEGICALLY

Strategic issues for the Department include:

- o Creating a strong central hub for McLean;
- o Increasing community involvement of families and seniors;
- o Creating greater awareness of community activities;
- o Maintaining fiscal integrity and increasing community partnerships; and
- o Expanding the Center's facility to meet the needs of the community.

investments. In FY 2006, total property assessments in Small District 1 rose 24.5 percent, reflecting an assessment base that is 95.0 percent residential and 5.0 percent nonresidential.

Financial and operational oversight of the Center is provided by the MCC Governing Board, elected annually at the McLean Day festivities in Lewinsville Park, which is hosted and underwritten by the Center. MCC receives its expenditure authority from the Fairfax County Board of Supervisors each fiscal year.

The MCC Governing Board and staff have developed and refined a strategic business plan which directs the expansion of the agency's functions for the next three years. MCC will remodel three restrooms and the community center kitchen as part of the continuing improvements. MCC will train staff to provide information to enhance the Center's capability as a "one-stop shop" for printed and online information on community activities. MCC also seeks to develop programs that increase community involvement of families and seniors. Residents and businesses will be included in identifying McLean's community needs and MCC staff will analyze those needs to determine potential areas of expanded programming facilities.

Creating greater awareness of and participation in community activities is also a part of MCC's strategic business plan. MCC will obtain contractual support for outreach and marketing to upgrade the Center's Web site and to provide online registration, as well as expand targeted marketing of programs and community activities.

MCC will maintain fiscal integrity and expand partnerships in support of the strategic plan by obtaining contractual professional support for fundraising and increasing business partnerships and sponsors of MCC activities.

FY 2007 Funding Adjustments

The following funding adjustments from the FY 2006 Revised Budget Plan are necessary to support the FY 2007 program:

- ◆ **Employee Compensation** **\$100,432**
An increase of \$100,432 in Personnel Services including \$99,376 associated with salary adjustments necessary to support the County's compensation program, and \$1,056 for evening, midnight and holiday shift differential increases.

- ◆ **After School and Camp Programs** **\$228,838**
An increase of \$228,838 including \$161,794 in Personnel Services primarily attributable to limited term salaries and fringe benefits and \$67,044 in Operating Expenses associated with expanded Community Center after school programs, performing arts programs for youth and families and extended camp day care hours.

- ◆ **Intergovernmental Charges** **\$18,631**
An increase of \$18,631 is due to intergovernmental charges. Of this total, an increase of \$18,050 is for Information Technology charges based on the agency's historic usage and the new software assurance program, and an increase of \$581 is for Department of Vehicle Services charges based on anticipated charges for fuel, vehicle replacement, and maintenance costs.

- ◆ **Carryover Adjustments** **(\$769,359)**
A decrease of \$769,359 is due to the carryover of one-time expenses as part of the FY 2005 Carryover Review. Of this total, \$162,389 is in Operating Expenses, \$7,391 is for Capital Equipment and \$599,579 reflects unexpended Capital Project balances.

- ◆ **Capital Equipment** **\$33,500**
Capital Equipment funding of \$33,500 is associated with the purchase of four computer-controlled lights to enhance the presentation quality of performances on stage and the replacement of an outdated security camera system.

- ◆ **Capital Projects** **\$63,000**
Total Capital Projects funding of \$63,000 is associated with the replacement of three Heating Ventilation Air Conditioning (HVAC) units, the upgrade of the security alarm key pads and wiring, sound boards for the DuVal studio and the relocation of stairs to the loft in the scene shop.

Board of Supervisors' Adjustments

The following funding adjustments reflect all changes to the FY 2007 Advertised Budget Plan, as approved by the Board of Supervisors on May 1, 2006:

- ◆ **Full Time Position for Camp McLean** **\$8,886**
An increase of \$8,886 is associated with the approval of 1/1.0 SYE regular merit Park/Recreation Specialist I position to manage and supervise Camp McLean programming, including extended day, winter and Spring Break camps, Teacher Workday camps, and the Longfellow after school program. In the FY 2007 Advertised Budget Plan, an amount of \$52,876 was included for a limited term Park/Recreation Specialist I position; however, it was determined that a regular merit position was required due to specific programmatic requirements that would have made it difficult to recruit the necessary skill set with a limited term position.

Changes to FY 2006 Adopted Budget Plan

The following funding adjustments reflect all approved changes in the FY 2006 Revised Budget Plan since passage of the FY 2006 Adopted Budget Plan. Included are all adjustments made as part of the FY 2005 Carryover Review and all other approved changes through December 31, 2005:

◆ **Carryover Adjustments** **\$769,359**

As part of the FY 2005 Carryover Review, the Board of Supervisors approved encumbered funding of \$70,051 for professional and consulting services, repairs and maintenance and utility bills, and unencumbered funding of \$92,338 for theatre equipment, online registration software and landscaping and signage for the performing arts gazebo, \$7,391 in Capital Equipment for a Teen Center scan system for keeping statistical data and \$599,579 in unexpended Capital Project balances.

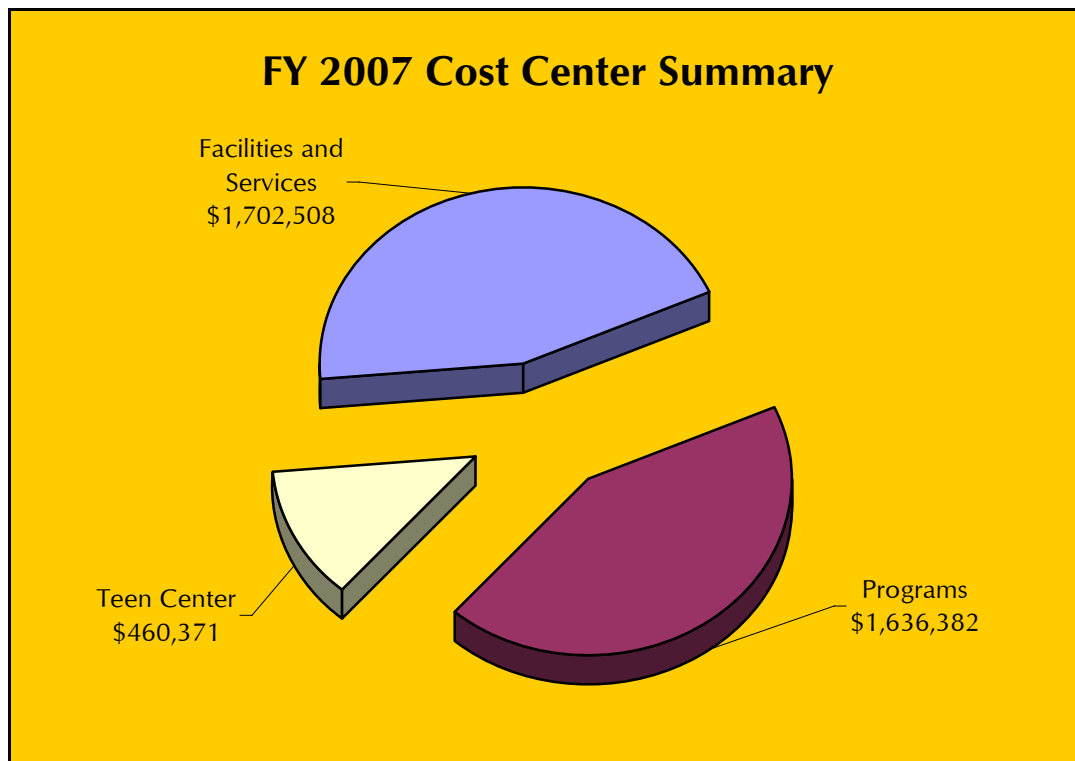

The following funding adjustments reflect all approved changes to the FY 2006 Revised Budget Plan from January 1, 2006 through April 24, 2006. Included are all adjustments made as part of the FY 2006 Third Quarter Review:

◆ **Third Quarter Adjustments** **\$315,730**

As part of the FY 2006 Third Quarter Review, the Board of Supervisors approved an increase of \$315,730. Of this total, \$81,000 in Personnel Services is due primarily to lower than projected vacancies and limited term support for a new after school program at Longfellow Middle School. An additional \$38,331 in Operating Expenses is primarily associated with "Celebrate Virginia" activities and recruitment-related expenses for a new Executive Director. The remaining increase of \$196,399 in Capital Projects reflect increased costs for a theatre rigging contract that exceeded original estimates by \$175,355 and \$21,044 for the replacement of three heating, ventilation and air conditioning (HVAC) units.

Performance Measurement Results

Patron hours have increased in most of the activities offered by MCC. It is anticipated that attendance at Youth and Teen Center activities will increase because of the new events and programs that are being planned. Classes and other activities for adults and children are also projected to increase.

Service quality is measured by customer satisfaction surveys. These are conducted at the conclusion of classes and other activities, and on-site at special events that attract large crowds. Additionally, a return postage-paid survey has been included in the Center's magazine, which is mailed to all residents of the tax district. A high level of approval has been noted in every aspect of operation, which is corroborated by the minimal number of complaints received.
