Staff in attendance: None.

Guests/Visitors: None.

Start time: 7:40 PM

The committee discussed the following:

- Minutes: Jordan Tautges moved to approve the minutes of the February 19, 2024 meeting. Amber Beichler seconded the motion. None opposed. No abstentions. The motion passed.
- Location: The committee discussed hosting the event at either a Fairfax County library or community center. The preferred library location would be able to accommodate more than 60 people. The committee is going to call the Mott Community Center, James Lee Community Center, and Jim Scott Community Center to ask questions about renting a room.
- Date: The committee is leaning toward hosting the event on May 17 with a backup date of May 10. The date will depend on the preferred location's availability. The time will likely be between 11 AM to 1:30 PM.
- Future Meetings: The committee agreed to schedule meetings on March 18, April 15, and April 29.
- Focus area: The committee discussed which indicators from the Women and Girls Study to focus on for the May event. One idea is to look at the impact of the different indicators on the overall health of women and girls in Fairfax County with a specific focus on mental health.
- The committee will follow-up to see when the report is expected to be released and ask for details of the March event.

End time: 9:20 PM
