2023 Focus Areas:

Equity Committee - Using the equitable results framework, the equity subcommittee will integrate an equity and racial justice lens into all areas of CEDV work to include enhancing diversity and community engagement, examining council structures, and developing strategies to improve equitable outcomes for all persons impacted by interpersonal violence.

Court Process - to enhance coordination of criminal and civil justice responses to domestic violence.

Step Up 4 Kids - to improve the short-term and long-term outcomes in the lives of children who have witnessed domestic violence by improving the government and community response, enhancing clinical intervention services, and providing opportunities for individual impact.

Accountability – to increase understanding of and enhance the position of offender services in the coordinated community response to domestic violence.

2024 meetings to be scheduled.
