

## Content for Survivor Focus Groups/Survey Initiative

### Attention Grabber:

Have you experienced Domestic Violence? Do have suggestions for how the community can promote accountability for domestic violence, both within and outside the legal system? We invite you to share your experience.

### Brief Explanation:

The Fairfax County Council to End Domestic Violence [[hyperlink](#)] created a workgroup to explore ways the community can support accountability for those who cause harm through domestic violence. YOU are the most valuable source of information. Our goal is to center survivor voices, and your input will inform Fairfax County's response to domestic violence. You can participate by:

- Participating in a focus group session in the community
- taking an online or paper survey
- talking to a volunteer facilitator one-on-one

**Your identity and personal information will be kept private and confidential.**
