Roll Call and Motions to Proceed with Electronic Meeting

Cathy Cole explained that, in order to conduct the meeting electronically in compliance with the emergency procedures authorized by FOIA, the State of Emergency, and the Emergency Ordinance, certain findings and determinations are required for the record. Cathy Cole called the roll, and all the commissioners participating stated their name and the location from which there were participating. Commissioners present were:

- Cathy Cole, chair, from her home in Springfield, serving as the At-Large Representative
- Cathy Muha, vice chair, from her home in Oakton, representing Sully District
- Tom Bash, from his mother-in-law's home in Silver Spring, MD, representing Springfield District

Cathy Cole motioned that each member's voice could be adequately heard by all participating members of the Fairfax Area Commission on Aging Executive Committee. Vice Chair Cathy Muha called for a second and a vote. Tom seconded. The COA Executive Committee voted unanimously to approve the motion.

Cathy Cole motioned that the State of Emergency caused by the COVID-19 pandemic made it unsafe for the Fairfax Area Commission on Aging Executive Committee and the public to

physically assemble. She further moved that the Fairfax Area Commission on Aging Executive Committee conduct the meeting electronically through a dedicated audio-conferencing line that the public could access. Cathy Muha called for a second and a vote. Tom seconded. The COA Executive Committee voted unanimously to approve the motion.

Finally, Cathy Cole motioned that all agenda matters would address the Emergency itself, were necessary for continuity in Fairfax County government, and/or were statutorily required or necessary to continue operations and the discharge of the Fairfax Area Commission on Aging's lawful purposes, duties, and responsibilities. Cathy Muha called for a second and a vote. Tom seconded. The COA Executive Committee voted unanimously to approve the motion.
