FY 2023 Advertised Budget Context

- With recruitment and retention challenges at the forefront, this budget prioritizes compensation for County and Schools employees
- Integrates investments with those being made using the almost \$700 million received in stimulus funding
- Growth in Real Estate and Personal Property assessments are significant, and mitigating the impact on residents will be the focus of future discussions
- Adjustments are in alignment with the Priority Areas as outlined in the Countywide Strategic Plan

FY 2023 Advertised Budget Highlights

- Built on existing Real Estate Tax rate of \$1.14 per \$100 of assessed value
 - Based on equalization, results in an increase in the average tax bill of approximately \$666
- Includes balance of \$80 million for the Board's consideration, including for a potential reduction in the Real Estate Tax rate
- Fully funds School Operating request as included in the Superintendent's Proposed Budget
- Includes funding for full County compensation program
 - 4.01% Market Rate Adjustment
 - Performance, Merit and Longevity Increases, including a new 25-Year Longevity for Uniformed Public Safety
 - Adjustments associated with Market Studies
- Funds investments in Board priorities such as Affordable Housing, Diversion First, Opioid Use Prevention Efforts, Public Safety staffing, and the new Language Access Program
 - Includes baseline funds for previously-approved initiatives, such as the Co-Responder Program and School Health Nurse positions initially funded with stimulus funds
 - Includes increase of 109 positions, primarily for new facilities, the continuation of previous initiatives, and workload requirements
- Begins to implement recommendations from the Joint County/Schools Capital Improvement Program Committee
 - Allocates a total of \$5 million – shared equally between County/Schools – for Capital Paydown

National Economy

- The economy looks strong for now
 - In 2021, the economy grew at a rate of 5.7%, in contrast to a decrease of 3.4% in 2020
 - The economy gained approximately 6.5 million jobs in 2021 while the unemployment rate fell to 4.0% as of January 2022
 - Year-over-year inflation as measured by the Consumer Price Index surged to 7.5% in January, its highest level in 40 years
 - FY 2023 General Fund revenue forecast assumes that the national economy will continue to grow moderately
- Factors that could impact the future performance of the economy include:
 - The course of the pandemic
 - The decrease of federal stimulus
 - Inflation and Federal Reserve tightening of monetary conditions
 - Geopolitical conflicts

Local Economy

- The local economic recovery continued in 2021
 - In Northern Virginia, the number of jobs as of December 2021 increased by 54,900 or 3.8% compared to last December but remains 1.5% lower than December 2019
 - Some sectors have still not recovered from the effects of the pandemic:
 - ✦ Number of Leisure and Hospitality jobs is still down by 18.3% compared to 2019
 - ✦ Number of Professional and Business Services jobs is up by 3.0% compared to 2019
- In Fairfax County, the December 2021 unemployment rate was 2.2%, much lower than last December's rate of 5.5%, but higher than the 1.7% rate from two years ago
- Office vacancy rates in the County increased
 - The amount of empty office space increased to 20.3 million sq. ft.
- Growth in the County's FY 2023 real estate tax base of 8.57% is much greater than last year
 - Residential real estate strongly increased in value due to record low interest rates coupled with low inventory
 - Nonresidential real estate increased as well, but more modestly

Personal Property Tax

- The ongoing disruption in supply chains and the manufacturing of technological components has caused used and new car prices to continue to soar
- Vehicle values as of January 1, 2022 are even higher than the level already assumed in the FY 2023 Advertised Budget Plan
- Revenue projections based on November 2021 values assumed an increase in the average vehicle levy of 15.5% while updated information from JD Power for January 1, 2022 suggests an increase of over 33%
- With no changes to the Personal Property Tax rate or the methodology used to value vehicles for assessment purposes, the average vehicle levy for the taxpayer will increase by about \$181 while revenues will increase by \$83 million beyond what is included in the Advertised Budget
- Staff will discuss options with the Board of Supervisors at an upcoming Budget Committee meeting

FY 2023 Budget Summary

- Net County resources (revenues and transfers in) increase by \$330.17 million. Of the increase:
 - \$127.84 for County priorities
 - \$117.90 for Schools
 - \$5.17 for Reserve Requirements
 - \$79.26 million balance for Board Consideration
- Schools are 52.4% of General Fund Disbursements in FY 2023
- County's reserves remain budgeted at target of 10% of General Fund disbursements

County Compensation

\$102.48 mil

- Funding for the County's full compensation program is included
 - Market Rate Adjustment of 4.01%
 - ✦ The County's living wage increases to \$15.90 per hour
 - Performance, Merit and Longevity increases, including a new 25-year longevity step proposed for uniformed pay plans
 - ✦ Average increase of 2.15% for non-uniformed merit employees; 3.85% for uniformed merit employees
 - ✦ A higher proportion of employees are eligible for longevity increases due to backlog from past two years and proposed 25-year longevity
 - Adjustments resulting from market studies were accelerated and implemented with the pay period beginning February 12

County Compensation (continued)

- Funding is included for benefits adjustments, including budgeted 5 percent health insurance premium increases in January 2023
- No changes in retirement employer contribution rates are required
 - As of June 30, 2021, funded ratios range from 81.3% to 90.2%
 - County moved to a more conservative assumed rate of return of 6.75% (down from 7.25%)
- Savings in County contributions for OPEB are realized (included in County savings figure)
 - As of June 30, 2021, OPEB Plan is fully funded, with funded ratio of 102.0%
 - Moved to more conservative assumed rate of return (6.25% down from 6.50%) and reduced amortization period from 30 years to 20 years

Joint County/Schools CIP Committee

- The final report from the Joint County/Schools Capital Improvement Program (CIP) Committee was released in October 2021 and endorsed by the Board on December 7, 2021
- Recommendations from Committee included:
 - Increase in the annual bond sale limit from \$300 to \$400 million
 - ✦ Would occur gradually beginning with a \$50 million increase (split evenly between County/Schools) in January 2023
 - ✦ Second \$50 million increase (split evenly) would occur in January 2025
 - Dedication of the equivalent of one penny on the Real Estate Tax rate to be utilized for debt service payments on the increased sales and to increase Capital Paydown investments
 - Increase in the percentage allocated to the Capital Sinking Fund at year-end, with Schools included in the allocation

Debt Service Requirements

\$5.11 mil

- For FY 2023, increase of \$2.36 million for County and \$2.75 million for Schools supports programmed debt service payments
 - Bond sale in January 2022 included \$120 million for the County and \$180 million for Schools
 - ✦ Interest rate of 1.75%
- In accordance with the recommendations from the Joint CIP Committee, bond sales planned for January 2023 are increased by \$25 million each for the County and Schools. These increases do not impact FY 2023 debt service payments.

	FY 2022	FY 2023	FY 2024	FY 2025
County	\$120m	\$145m	\$145m	\$170m
Schools	180m	205m	205m	230m
Total	\$300m	\$350m	\$350m	\$400m

Capital Paydown Investments

\$5.00 million

- Based on resource constraints, the equivalent of a full penny is not included in the FY 2023 proposal
 - A \$5 million investment – split evenly between the County and Schools – is included
- As no additional debt service requirements are required in FY 2023 for the increased January 2023 bond sales, this investment would be utilized for Capital Paydown
 - For County, \$1 million is recommended to be utilized for feasibility studies
- Recommend gradually increasing investment over time

Recommended Changes to Bond Referendum Plan

- Significant backlog of outstanding unissued bonds as a result of project delays due to the COVID-19 pandemic, scope changes, co-location opportunities
- Based on projected timing of upcoming bond sales, several changes to the bond referendum plan are recommended:
 - 2-year deferral of many County referendums, with 6 years between referendum instead of every 4 years
 - No County referendum in November 2022
 - Move Northern Virginia Regional Park Authority capital contribution out of bond program to General Fund
 - Recommend no change to timing of Schools, Metro, or Libraries schedule
- Anticipate no impact to project completions or projected sales for approved referendums

 - The County's reserves are maintained at their target of 10% of General Fund disbursements

Looking Forward

- Staff will continue to monitor revenues and General Assembly actions and will return to the Board with additional recommendations as part of the Add-On package in April
- Three Budget Committee meetings in March (March 1, 15, 29) to discuss budget issues in more detail, including Personal Property Tax options
- Staff will continue to maximize stimulus resources as appropriate
- Looking ahead to FY 2024....
 - Trajectory of pandemic and continuing economic impacts are unknown
 - Recruitment and retention will likely remain a challenge for some time
 - Collective bargaining agreements will be incorporated
