- Print this page so you can refer to it while completing your application.
- This Program directly conflicts with the Governors School Program. You will not be able to participate in both programs.
- Please be accurate when entering your email address, as this is how we will communicate our acceptance decisions.
- You must create a 4 digit Personal Identification Number (PIN). This number is a password and will be tied to your email address. This allows you to save your work and return to your application at a later time for completion/edits.
- If you accidentally submit your application before you are ready, you can still edit the application by using your PIN number. All applications will be open until the due date, at which time you will no longer be able to access them.
- All decisions about acceptance to the Program will be completed by mid-December and will be emailed.
