WHAT IS MY PLUS STATUS?

AND WHAT DOES IT MEAN?

Awaiting Plans

Submission requires document upload into the Plan Room.

Minimum Submission Review

Plans are reviewed by engineering admin staff.

On Hold

Submission is assigned to staff and actively being reviewed.

Corrections Requested

Upload additional information or resubmit plans in Plan Room. (Also applies to "Waiting for Information" and "Waiting for Corrections" tasks.)

Inspections Pending

Inspections are pending, scheduled, or in progress.

Closed

Final inspection has passed, and all fees have been paid.

Submitted

Submission details are awaiting review by intake staff.

In Queue

Submission is acceptable (Review Cycle #1) and awaiting an active plan review (Review Cycle #1+).

In Review

Submission is assigned to staff and actively being reviewed.

Waiting for Payment

(Issuance) Plan is approved. Payment for total review cycles must be received before stamped plans and documents are available for download.
(Inspections) Inspections are billed as they are performed, but the status will not change until inspections are completed.

Documents Pending

Where required documents were not furnished during an inspection, as applicable, they are to be uploaded in this status.
