

Fairfax County Fire & Rescue Department

Girls Fire & Rescue Academy 2019

Application Packet

To Parents/Guardians and Academy Applicants:

The Fairfax County Fire Department, is excited to announce its Girls Fire and Rescue Academy summer camp, taking place from **July 11 – 13, 2019**. The Academy is open to female students that are Fairfax County residents (7th – 12th grades) and is completely free of charge to participants. However, participants must provide their own shoes for physical fitness training and black boots as part of the uniform. The Academy will provide a unique insight into life as a Firefighter/EMT to encourage young women to consider the fire service as a career, either after high school or college.

Academy participants will take part in a fun-filled three-day academy of physical training, classes and Fire/EMS simulations. They will also have the chance to interact, ask questions and even eat dinner with an on-duty crew at a Fairfax County Fire and Rescue Station to experience the everyday life of a Firefighter/EMT.

Safety is our top priority. Academy participants will be supervised at all times by the highly trained professionals of the Fairfax County Fire and Rescue Department. Please carefully review all included Academy materials, including the proposed schedule of events, medical information and physician clearance for participation, assumption of risk and waiver requirements. All sections of this packet must be complete in full; incomplete packets may be rejected. Please type or write legibly in black ink; unreadable applications will also be rejected.

Please take care in completing the application as only **24** applicants will be selected for participation in this year's Academy.

Applicants are expected to be responsible and demonstrate a self-starting attitude. Applicants must be enrolled in 7th through 12th grades of the 2019-2020 school year, and be in good physical health to participate in the rigorous activities planned. Additionally, all applicants must pledge to participate in the entire program. Planned absences are not acceptable because of the limited space available, and the nature of the program requires full attendance to benefit. If you believe that you will be absent for any portion of the program, we ask that you do not consider applying for the Academy. All applications must be RECEIVED by us no later than close of business on Friday, May 17, 2019.

You may mail or scan and email your application to:
