The next section asks about sexual harassment and sexual discrimination. Sexual harassment is unwanted and unwelcome sexual behavior that interferes with someone’s life at school or any school sponsored activity (like band, sports, field trips, bus rides, or school activities/clubs). Sexual harassment includes unwelcome sexual advances, regardless of sexual orientation; requests for sexual favors; spreading sexual rumors; and other inappropriate verbal, electronic, or physical conduct of a sexual nature. Sexual harassment is NOT behaviors that a person likes or wants or is agreed to between two people (for example, kissing, touching, flirting that you both agree to). Sexual discrimination is a verbal, electronic, or physical action that discriminates or shows hostility towards an individual because of his or her sex, sexual orientation, or gender identification. Bullying is any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. It is not bullying when 2 students of about the same strength or power argue or fight or tease each other in a friendly way. “Bullying” does not include ordinary teasing, horseplay, argument, or peer conflict.

Bullying is any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor and victim; and is repeated over time or causes severe emotional trauma. It is not bullying when 2 students of about the same strength or power argue or fight or tease each other in a friendly way. “Bullying” does not include ordinary teasing, horseplay, argument, or peer conflict.
