Jump Start Your Day with a Healthy Breakfast

Newsletter and/or KIT

Are your students skipping breakfast in the morning? Did you know… a healthy breakfast improves their attention in class, keeps them feeling full longer and helps boost their grades? It is important they start their day with a healthy breakfast that includes whole grains, fiber and protein. Short on time? Give their body the energy it needs with a quick granola bar or some fresh fruit!

**Healthy Breakfast Ideas:**

- Yogurt with Granola
- Fruit and Cheese
- Peanut Butter Waffle
