

# Make Your COVID-19 Vaccine Appointment

Use the Vaccine Administration Management System (VAMS) to Schedule Your COVID-19 Vaccine Appointment at a Health Department clinic or at the Tysons Community Vaccination Center

For individuals who live in Fairfax County; the Cities of Fairfax and Falls Church; or the Towns of Clifton, Herndon and Vienna

**The COVID-19 Vaccine is FREE.**

**1**

Click “Schedule your first appointment” to get started at:

<https://guest.vams.cdc.gov/?jurisdiction=FX>

**2**

Select a location, date, and time.

**3**

Confirm your appointment. Enter your information to create your VAMS account or complete as a guest.

Use VAMS to:

- Create an account to reschedule or cancel your appointment.
- Complete your prevaccination questionnaire before your appointment.
- Print a copy of your vaccination record after your second dose.

A parent or other adult (18 years and over) must physically accompany a minor at the COVID-19 vaccine appointment.

## Need Language Assistance?

VAMS is currently available in English and Spanish. Users can change their web browser settings to their desired language as an alternative. If you need assistance in another language or have difficulty using the online systems, call the Fairfax County Health Department at 703-324-7404.

Use Vaccines.gov to search for additional locations offering the COVID-19 vaccine.
