Welcome Deputy County Executive Tisha Deeghan

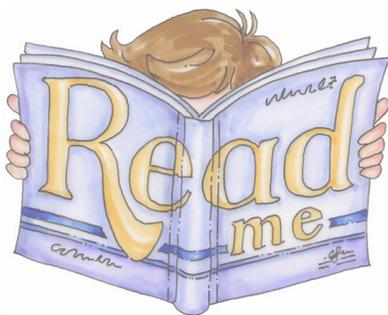

CSA is excited to welcome Tisha Deeghan as the new Deputy County Executive. As Deputy County Executive, Tisha serves as the chair of the Community Policy and Management Team, which guides the work of CSA. Tisha began her new position on January 8, 2018 and chaired her first CPMT on January 19th.

Since 2014, Tisha has served as the executive director of the Fairfax-Falls Church Community Services Board (CSB). "I am humbled and excited to receive this appointment. The foundation of a successful community is equity in opportunity," says Deeghan. "The health and human services system provides many of the building blocks to help people realize their potential, and for communities to thrive. I look forward to One Fairfax; to building on terrific community partnerships; and to improving, integrating and hopefully simplifying the way people interact with county services."

We're looking forward to her leadership and insight as we continue to work on providing services and supports to children, youth, and families that help them to be healthy and resilient in Fairfax County.

You can learn more about DCE Tisha Deeghan by reading the [January 9th HHS News blog post](#) and watching the [final edition of Pat's Corner](#) where Deputy County Executive Pat Harrison introduces Tisha and chats with her about immediate priorities.

New Manager of Reston Youth and Family Outpatient Services Hired

It is a pleasure to announce that Dr. Patricia Sloate has been hired as the Manager of Reston Youth and Family Outpatient Services. She earned her Doctorate in Clinical Psychology from the California School of Professional Psychology and has been licensed as a clinical psychologist since 2000.

Dr. Sloate began her CSB career in Emergency Services at that time and has worked in Youth and Family Services in the following roles: Psychologist conducting court ordered assessments on the Child Abuse and Neglect Team and Senior Clinician in outpatient services. She has been a supervisor in Youth and Family Outpatient since March 2012.

She will begin her new assignment on March 5. During the month of March she will be oriented to her new duties by current Manager Barbara Lennon, who will be retiring in April.

We hope you will join us in congratulating Dr. Sloate on her promotion and in wishing her well in her new position.

Introduction to Intensive Care Coordination Facilitators

In January's CSA Newsletter, we introduced you to the new Intensive Care Coordinators at United Methodist Family Services (UMFS). This month we'd like to take the opportunity to introduce you to the CSB's Wraparound Fairfax team of wraparound facilitators.

With the addition of the new staff at UMFS and Wraparound Fairfax our ICC program is fully staffed and able to serve 100 families. We're excited about the additional capacity to serve more families and the skills and experience both teams bring to the wraparound process.

Tip of the Month

Juliana Swanson

Remember — If the child/youth for whom you are having an FPM is 14 y/o or older, they **MUST** participate in the meeting and sign the Meeting Action Plan.

This requirement is waived if it is clinically not advisable for the child/youth to participate. In those cases it should be noted on the signature page why the child was not present.

If the child/youth leaves before the meeting ends or participates by phone (from hospital, out-of-town placement, etc.) they still need to sign the MAP.

If they participate and refuse to sign for some reason that should also be noted on the signature page.

Did you know.....February is:

American Heart Month

Black History Month

Chocolate Lover's Month

The only month that may not have a full moon.
