Fairfax County's CoC encourages applications from all eligible applicants regardless of whether the entity is currently receiving HUD funding or has ever received CoC funding. This includes any organizations led by and for Black, Indigenous, or other People of Color historically marginalized. Technical assistance will be provided to ensure this funding opportunity is accessible.

Applications for NEW funding opportunities will be due to Stephen Knippler, CoC Manager, at stephen.knippler@fairfaxcounty.gov by 4:00 p.m. on September 13, 2024.

Note: OPEH is aware of HUD's CoC Builds NOFO, a funding opportunity to add new permanent supportive housing units to the community, and looks forward to discussing this at the August 28 CoC Membership Meeting, too. More information on CoC Builds will be forthcoming.
