

# HYPOTHERMIA PREVENTION PROGRAM

**December 1, 2020  
through  
April 1, 2021**

The Hypothermia Prevention Program expands shelter capacity for individuals experiencing homelessness during the winter months. The program provides warm shelter, food and other supportive services to connect guests to a variety of basic needs to include clothing, employment, housing and more.

**Sites open 24 hours a day, 7-days a week**

Individual sites will have capacity limitations due to social distancing, but staff will work to ensure that everyone has access to accommodations at one of the county's shelter locations.
