SUMMARY OF COMMENTS FROM TISHA DEEGHAN, DEPUTY COUNTY EXECUTIVE HUMAN SERVICES

T. Deeghan supports the CCFAC and its contributions to the Consolidated Community Funding Pool (CCFP) and Consolidated Plan processes. She is currently conducting one-on-one meetings with Board of Supervisor (BOS) members. CCFP awards will be announced at the May 1, 2018 BOS meeting. On June 26, 2018, there will be a BOS Health, Housing and Human Services (HHHS) committee meeting to focus on CCFP process improvement. In addition to improvements, the topic of contracting essential services currently offered by non-profits will be discussed. She urged CCFAC members to be present at both meetings.

BOS members noticed that there were vacancies on the CCFAC and would like to see more representation from their respective districts and the community. At the previous meeting, CCFAC members suggested seeking additional representation from the following areas: homeless prevention, aging/elderly, early childhood development/young children, behavioral health, and cross-cutting issues (e.g., civil rights, accessibility issues, “inequality”). T. Deeghan supports the suggestions from the CCFAC members and wants to also ensure that there is representation on the CCFAC from the various BOS members’ districts as well as the diverse groups that reside in the county. T. Deeghan will try to get suggestions of potential new members for the June 12th CCFAC meeting or June 26th BOS HHHS Committee meeting.

Discussion occurred about the County’s human services system consisting of 10 county agencies and non-profits. The group discussed technical assistance opportunities for non-profits in the past and present. Finally, the group discussed the desire to encourage more collaborative grants among the non-profit applicants.

STATUS OF THE CONSOLIDATED PLAN ONE-YEAR ACTION PLAN FOR FY 2019

As soon as the grant award information is received, HCD staff will finalize the Consolidated Plan One-Year Action Plan for FY 2019 for CCFAC and BOS approval. The Action Plan is due to the U.S. Department of Housing and Urban Development within 60 days of the grant award allocation notification but no later than August 16, 2018.
