Contesting

You will have until May 1st following reward distribution to contest any issues by emailing LiveWell@fairfaxcounty.gov.

Reward Distribution Cont.

What if I do not have an FSA or HSA?

- If you have not elected an FSA or HSA with your health plan, our partner TASC will open an FSA on your behalf to hold only those rewards earned through MotivateMe.
- In March, when rewards are distributed, TASC will mail you a letter with your FSA debit card and information on managing and accessing your account. It may appear as “junk” mail. Do not throw it away.
- Note: If you have an active FSA, you may not receive notification or a new card. Check your account balance in March/April to see if rewards have been added above your individual contributions.

Reward Distribution Cont.

I just elected to open an HSA, why don't I see my rewards?

- A participant in the MyChoice plan who earns MotivateMe rewards must have an active Health Savings Account (HSA) that is available to accept contributions at the time rewards are originally distributed. You must complete the security protocol to set up your account. If the account is not set up, there is no place to distribute the rewards and are therefore forfeited.

I have an active HSA, why don't I see my rewards?

- If your account is maxed out for your annual contribution limits, the funds cannot be added and are therefore forfeited.

Reward Distribution Cont.

What are the 2021 HSA and FSA contribution limits?

- HSA- \$3,600 (individual), \$7,200 (two-party/family), +\$1,000 more (55+)
 - Note: Rewards will not be deposited into a maxed-out HSA's
- FSA- \$2,750 (traditional and limited purpose), \$5,000 (dependent care)
 - Note: Rewards may be deposited into maxed-out FSA's. It is the account holder's responsibility to not exceed the IRS limits.

LiveWell distributes MotivateMe rewards into HSA's and FSA's so that employees are not taxed on their rewards.

Questions?

Leaving Fairfax County Gov.

What happens to my rewards if I retire, leave, or terminate employment with the county?

- If you retire (and do not maintain eligible coverage), leave, or terminate employment with the county after receiving rewards,
