Fairfax County Supervisor Walter Alcorn's Statement **on Governor Spanberger's Veto of Casino Bill**

On behalf of all residents of the Hunter Mill District, I want to thank Governor Spanberger for vetoing this bad bill.

We never wanted it and we never asked for it. Just having this in statute would chase away real economic development opportunities for Tysons, which is already the 12th largest business district in the country. Tysons' future is now brighter than it was yesterday thanks to Governor Spanberger.
