### Calendar Control Procedures (Revised 8/4/2020)

To provide for the orderly and gradual return to normal operations, the Fairfax County Juvenile and Domestic Relations District Court enacts the following Calendar Control procedures, which may be amended or rescinded by further court action:

- Timing:** Calendar Control matters will be heard remotely, by video conference or telephone, starting at 9:00 a.m. each day. **All persons appearing for Calendar Control must remain available by video or telephone from 9:00 a.m. until their case is called.** Calendar control requests are limited to ten minutes and will be heard on the designated date unless the volume of requests is too high or the judge has another assigned docket. Any requests not heard and completed on the assigned date must be rescheduled by the moving to another Calendar control date.
- Scope:** The Calendar Control docket is provided to address **non-emergency scheduling issues only.** Only the following matters will be heard on the Calendar Control docket:
  - Continuance requests.
  - Requests to schedule any hearing (including, without limitation, civil and criminal motions, discovery matters, competency hearings, and *pendente lite* motions) for a date certain.
  - Requests to consolidate cases, where a new petition has been filed dealing with the custody, visitation, or support of a child for whom another such petition has already been set for hearing and the two petitions would require the introduction of the same evidence.
- Setting and Notice:** Matters will be placed on the Calendar Control docket by the filing of the foregoing notice by **noon the day before.** All parties and guardians *ad litem* must be given actual notice (e.g., by private process server or delivery in another manner acknowledged by the recipient).
- Amendment.** These procedures may be amended by the Court from time-to-time.
