

CODE CHANGE OPEN HOUSE

Proposed Public Facilities Manual (PFM) Amendment on Street Light Waiver Criteria

Land Development Services is pleased to host a virtual information session on a proposed amendment to the PFM to modify the existing provision regarding requests to waive the requirement to install street lights by adding criteria that must be considered before it can be approved.

Street lights illuminating an intersection.

Virtual event via Microsoft Teams

Please note the same presentation will be given at both sessions.

February 26, 2024, 12:00 noon

Meeting ID: 259 021 962 138
