

Locating a Test Report by Property Address

Step 1. Open the Cross Connections Web Page

Step 2. Click on the building tab and scroll down below the “General Search” Bar

Step 4. Click on the Link labeled “Reports (4)” in the upper right corner and select “Backflow Assembly Test Report On Demand”

The screenshot shows the Fairfax County Virginia website. The header includes the 'FAIRFAX COUNTY VIRGINIA' logo and a search icon. Below the header, there's a navigation bar with links: 'Home', 'Building', 'Enforcement', 'Environmental Health', 'Fire', 'Planning', 'Site', and 'Zoning'. A red banner reads 'PLUS TEST ENVIRONMENT to access Full'. In the top right corner, there's a link 'Reports (1): Backflow Assembly Test Report' which is highlighted with a red box. At the bottom, there are tabs for 'Record Info', 'Payments', and 'Parcel Information'.

Step 5. To Search for “Related Record’s”, which will likely also have a Test Report, click on the “Record Info Tab” and select Related Records. This will display a list of ALL Records at the location that are expected to be tested together. (i.e. Condo Community, Shopping Center, Business Park, Hospital Complex, etc.)

Step 6. Each Test Report will need to be downloaded individually by clicking the “View” link next to the Record, then repeat Step 4.
