

**Fairfax County Land Development Services  
Permit Application Center  
Certificate of Compliance for Utility Installations**

A. REPORT (A brief description of work to be installed):

B. CERTIFICATION:

I hereby certify that I have read the section of the Land Disturbance Application entitled "Land Disturbance Permit Provisions" dated 02/2018, as well as the document titled "Permit Application Requirements and Utility Installation Criteria for Property Under Fairfax County Control" dated 01/2019, and that I am thoroughly familiar with the utility installation criteria contained therein.

I further certify that the work described above will be installed in strict conformity with the utility installation criteria as set forth in both the application and document.
