

**FAIRFAX COUNTY, VIRGINIA**  
**Site Construction Testing and Sampling**  
**Final Report of Roadway Construction Inspections**

**Plan Number:** \_\_\_\_\_

**Project Name:** \_\_\_\_\_

**Address:** \_\_\_\_\_

**Certifying Engineer:** \_\_\_\_\_

**Roadway Name:** \_\_\_\_\_

**Extent of Description of Work Covered by this Report:** \_\_\_\_\_

Inspection reports numbered \_\_\_\_\_ to \_\_\_\_\_, and test reports numbered \_\_\_\_\_ to \_\_\_\_\_, Submitted with this Final Report, form a basis for, and are to be considered an integral part of this final report.

In my professional opinion, the site construction testing and sampling specified for the roadway portion of this project have been completed. The testing and inspection requirements have been performed and found to be in compliance with Count-approved plans and in conformance with the Fairfax County Public Facilities Manual (PFM). Violations of the PFM or Virginia Department of Transportation (VDOT) Specifications observed in the conduct of testing and sampling were brought to the attention of the appropriate individuals, and have been corrected, installed tested and found to be in compliance with the requirements described above.
