The bill makes additional changes to the processes for expungement and sealing, including updates to the process of forwarding a petitioner's criminal history record to the court and maintaining expungement pleadings under seal. The bill provides a petition process by which the person who was charged with an offense that was ordered to be expunged may request access to such expunged court or police record.

The repeal of the statute related to the limitation on the dissemination of criminal history record information related to the possession of marijuana and various other provisions of the bill have a delayed effective date of the earlier of (i) the date on which the processes to seal criminal history record information and court records pursuant to Chapters 524 and 542 of the Acts of Assembly of 2021, Special Session I, become effective or (ii) July 1, 2025. This bill is a recommendation of the Commission on the Virginia Alcohol Safety Action Program. (23103601D)

**SB 783** (Reeves) (Passed Senate, HCT) provides that a person whose driver's license has been revoked for multiple convictions of driving while intoxicated may file a petition for the issuance of a restricted driver's license without having to wait for the expiration of three years from the date of his last conviction when such person's last conviction resulted from a final order being entered by a court after the successful completion of a Veterans Treatment Court Program, behavioral health docket, or other specialty docket. **VA - SB1183 Applicant Fingerprint Database; participation in FBI Next Generation Identification Rap Back Serv.**

County Position: **Support**, support the ongoing state funding, ensuring the safety of vulnerable populations throughout the Commonwealth.

Primary Patron: Senator Bryce E. Reeves (R)

Summary:

Applicant Fingerprint Database; participation in FBI Next Generation Identification Rap Back Service, through Virginia Rap Back Service, for fingerprint-based criminal history record monitoring; penalty. Requires the Department of State Police (the Department) to participate in the Federal Bureau of Investigation's (FBI) Next Generation Identification (NGI) Record of Arrest and Prosecution (Rap) Back Service, through the Virginia Rap Back Service (the Service), for the purpose of allowing those agencies and governmental entities that require a fingerprint-based criminal background check as a condition of (i) providing care to (a) children, (b) the disabled, or (c) the elderly or (ii) (a) licensure, (b) certification, (c) employment, or (d) volunteer service to be advised when an individual subject to such screening is arrested for, or convicted of, a criminal offense. The bill provides that fingerprints submitted to the FBI through the Virginia Rap Back Service may be used for future searches, including latent searches.

The bill requires the Department to ensure that notification is made to the participating entity, defined in the bill, when an FBI Rap Back report is received. Any unauthorized use of the information submitted to the Service is prohibited; any willful violation with the intent to harass or intimidate another is a Class 1 misdemeanor. The bill requires the Department to promulgate regulations governing the Service and the removal and destruction of records on persons who are deceased or are no longer enrolled in the Service. The bill provides that such regulations shall provide that a participating entity shall disenroll any individual who is deceased or is no longer an individual as defined in this section within 30 days of death or such event that no longer requires such individual to be enrolled in the Virginia Rap Back Service, in order to ensure the prompt removal and destruction of records from the Virginia Rap Back Service. The bill authorizes the Department to charge a \$12 fee per individual enrolled in the Service, paid by any participating entity enrolling the individual in the Service and provides that when more than one participating agency enrolls the same individual in the Service, both entities shall be responsible for paying the full cost for maintenance and notification. The bill requires that any fees collected shall be deposited in a special account to offset costs of subscription fees, maintenance fees, and enhancements related to the Criminal and Rap Back Information Service.

Under current law, the Department maintains an Applicant Fingerprint Database (the Database) that functions similarly to the Service. The bill transitions the Department from using the Database and requires the Service to be operational no later than July 1, 2025, contingent upon appropriation of funds.

**Legislation No Longer Under Consideration****VA - HB1371** Education Savings Account Program established; Education Improvement Scholarships Tax Credits.County Position: **Oppose**

Primary Patron: Delegate Phillip A. Scott (R)

Summary:

Education Savings Account Program established; Education Improvement Scholarships Tax Credits. Establishes the Education Savings Account Program, to be administered by the Department of Education, whereby the parent of any

individual who is a resident of the Commonwealth and who is eligible to enroll in a public elementary or secondary school may apply for an Education Savings Account for his child into which the Department of Education deposits certain state and local funds and from which the parent makes certain enumerated qualifying expenses to educate his child in a setting and a manner other than full-time education in a public school. The bill requires the Program to be fully implemented prior to the beginning of the 2023-2024 school year.

The bill also increases the value of the Education Improvement Scholarships income tax credit for a donation to a scholarship foundation from 65 percent to 100 percent of the donation. The bill removes the aggregate limit on tax credits per year, which under current law is \$25 million, and removes individual minimum and maximum required donation amounts.

The bill raises the threshold for students to qualify for scholarships from 300 percent of the current poverty guidelines to 1,000 percent of free or reduced-price lunch standards or, for eligible students with a disability, from 400 percent of the current poverty guidelines to 1,200 percent of such standards. The bill grants scholarship foundations the discretion to determine what expenses may be funded by tax-credit-subsidized scholarships. Under current law, such expenses are limited by statute. The bill expands eligibility for scholarships to any student who is a resident of the Commonwealth and eligible to enroll in a public elementary or secondary school in the Commonwealth. Current law restricts eligibility to certain categories of students.

The bill removes the requirement that scholarship-funded schools report test results of scholarship-funded students. The provisions of the bill pertaining to the Education Improvement Scholarships income tax credits apply starting with taxable year 2023.

County Position: **Oppose**

Primary Patron: Delegate Scott A. Wyatt (R)

## Summary:

Elections; voter identification containing photograph required; who may register up to and including the day of the election; availability of absentee voting in person; return of absentee ballots. Requires presentation of a form of identification containing a photograph in order to vote and provides that a voter who does not have one of the required forms of identification is entitled to cast a provisional ballot. The bill repeals a provision that would permit any person who is qualified to register to vote to do so in person up to and including the day of the election and limits the persons who are entitled to register to vote after the close of registration records to members of a uniformed service on active duty, persons who are residing temporarily outside of the United States, and their spouses and dependents. The bill limits the period during which absentee voting in person is available from 45 days preceding the date of the election to the Wednesday, Thursday, Friday, and Saturday immediately preceding the date of the election. The bill requires that absentee ballots returned by mail be returned to the office of the general registrar by the close of polls on election day and be postmarked on or before the Saturday preceding the date of the election. The bill eliminates the use of drop-off locations for the return of absentee ballots. The bill requires absentee ballot applications to contain the last four digits of the applicant's social security number and provides that the failure of an absentee ballot to include a witness signature is a material omission, rendering the ballot void.

This amendment brings the increase to \$1.5 million.</p>
<p><b>Governor</b> Item 408 N.2</p>	<p>Increases by \$20 million GF funding available in FY 2024 for Operation Ceasefire Grant Fund. BUDGET PROPOSALS FOR THE 2022-2024 BIENNIUM  
DURING THE 2023 GENERAL ASSEMBLY SESSION  
as of February 16, 2023

<b>Economic Development/Workforce/Housing</b>		
<b>Governor</b> Item 113 O	Increases funding by \$35.5 million GF in FY 2023 (for a total of \$78 million) for required payments from the Major Headquarters (HQ) Workforce Grant Fund for the new Amazon headquarters (HQ2). This funding was contingently appropriated from 2022 actual revenue collections.	Although there is no direct fiscal impact to the County, since the Major HQ Workforce Grant Fund was established specifically for incentives related to the HQ2 project located in Arlington County, there is significant potential for regional benefits.
<b>Governor</b> Item 113 P.1	Increases funding by \$50 million GF in FY 2023 (for a total of \$104.5 million) for the Virginia Business Ready Sites Program Fund for the preparation of sites for industrial or commercial development. This funding was contingently appropriated from 2022 actual revenue collections.	<b>TBD.</b> The new Business Ready Sites Program and ongoing appropriation has the potential to make Fairfax County less suitable for Fund awards, as mega-sites are rare in Fairfax County.
<b>Senate</b> Item 113 #2s	Expands the eligibility for the Business Ready Sites Program Fund to include smaller sites of at least 50 acres. The amendment also makes smaller sites statewide eligible for the fund, rather than just sites in GO Virginia Regions 1 and 2.	<b>TBD.</b> Still unlikely that Fairfax County may have eligible sites, but including smaller sites could open the door for projects in the County.
<b>Senate</b> Item 113 #3s	Provides \$100 million GF in FY 2023 and \$150 million GF in FY 2024 for the Virginia Business Ready Sites program. The amendment increases the flexibility of the fund by allowing for the match requirement to be waived or reduced in economically distressed localities.	<b>TBD.</b> Fairfax County is likely not considered an economically distressed locality and will likely remain non-competitive for this program.
<b>Governor</b> Item 113 S.1 and T.1	Provides \$200 million GF in FY 2023 and \$250 million in FY 2024 for a Site Acquisition Pilot Program to identify and fill gaps in the Commonwealth's current portfolio of industrial properties available for economic development projects, or be deposited to the Business Ready Sites Program Fund. FY 2024 funding is contingent on actual GF revenue collections for FY 2023 being equal to or in excess of the official revenue estimate. Language sets out a process for prioritizing up to five sites for potential purchase or option by the Commonwealth.	<b>TBD.</b> There are three sites that have been reviewed and funded for the Virginia Economic Development Partnership to continue to investigate, with up to an additional five sites for exploration; however, none are in Fairfax County.

<b>Sales Tax</b>		
<b>Governor</b> Item 137	Updates sales tax estimates (approximately \$168 million GF over the biennium) and updates Average Daily Membership projections based on actual fall membership (\$71.2 million over the biennium).	This results in additional state funding of \$28.8 million in FY 2023 and \$9.1 million in FY 2024 over the FY 2023 Approved Budget.
<b>House</b> Item 137 #7h	Provides \$4.9 million GF in FY 2023 to address the Virginia Department of Education’s (VDOE) Calculation Tool error regarding sales tax payments regarding sales tax payments, which resulted in an overestimated amount of state funding totaling \$200 million over the biennium., with the intention of offsetting the remaining discrepancy through the net impact of the sales tax reforecast of \$84.8 million. Does not address FY 2024 shortfall as a result of the calculation error.	<p>The House proposal maintains the updates in sales tax estimates from the Governor’s budget.</p> <p>The House ensures divisions receive a per pupil amount of Basic Aid and sales tax in FY 2023 equal to the per pupil amount shown on the VDOE calculation tool in June 2022. 64 divisions are affected, and other divisions are offset by the net impact of the FY 2023 sales tax reforecast of \$84.8 million.</p> <p>The House proposal does not directly address the shortfall in FY 2024.</p>
<b>Senate</b> Item 137 #8s	Includes \$58.1 million in FY 2023 to hold school divisions harmless for the VDOE’s Calculation Tool error regarding sales tax payments, which resulted in an overestimated amount of state funding totaling \$200 million over the biennium. <b>Bonuses and Compensation Increases in FY 2024</b>		
<b>Governor</b> Item 137	Provides \$45.2 million GF in FY 2024 for the state share of a 1% retention bonus for SOQ-recognized instructional and support positions on September 1, 2023. Staff eligible for the bonus payment can be hired at any point during FY 2023 but must also remain employed with the same school division in FY 2024.	<p>The proposal would provide state funding of approximately \$4.3 million. A required local match based on the division’s Local Composite Index (LCI) is required in FY 2024.</p> <p>For FY 2024, the cost to provide a 1% retention bonus totals \$19.9 million. After accounting for state funding (and the fact that FCPS must pay 100% of any bonus for non-Standards of Quality (SOQ) positions), the net cost to FCPS would be \$15.5 million.</p>

as of February 16, 2023

<b>Governor</b> Item 136	Provides \$50 million in FY 2024 for \$5,000 teacher performance bonuses, to be awarded to top performing teachers identified by VDOE in conjunction with local school divisions.	The impact for FCPS cannot be delineated at this time as eligibility metrics are not included in the proposal. Bonuses will be paid to top performing teachers identified by VDOE and local school divisions based on student academic growth as demonstrated on assessments provided in the 2023-2024 school year, including the Standards of Learning assessments, through-year growth assessments, or other metrics as determined by VDOE.
<b>House</b> Item 137 #5h	Redirects the funding included in the Governor’s budget for performance and retention bonuses, and provides approximately \$109.6 million GF in FY 2024 for the state’s share of additional 2% salary increase, effective July 1, 2023, for a total salary increase of 7% in FY 2024. To receive the FY 2024 funding, divisions must have provided the minimum 2.5 percent increase in both FY 2023 and FY 2024.	For FY 2024, the cost to provide an additional 2% salary increase totals \$53.9 million. After accounting for state funding, the net cost to FCPS would be \$43.3 million. (FCPS must pay 100% of any salary increase for non-SOQ positions.)  The proposal would provide state funding of approximately \$6.2 million which reflects the elimination of the \$4.3 million retention bonus originally included by the Governor. A required local match based on the division’s LCI is required in FY 2024.
<b>Senate</b> Item 137 #5s and #7s	Redirects \$45.2 million of funding included in the Governor’s budget for performance and retention bonuses, and provides approximately \$116.8 million in FY 2024 GF for the state’s share of additional 2% salary increase, effective July 1, 2023, for a total salary increase of 7% in FY 2024.	The proposal would provide state funding of approximately \$11.3 million for salary for the additional 2% compensation supplement. However, that is reduced by the elimination of the 1% retention bonus of \$4.3 million originally included by the Governor. This results in a net increase of state funding to FCPS of \$6.9 million. A required local match for the 2% salary increase based on the division’s LCI is required in FY 2024.  For FY 2024, the cost to provide an additional 2% salary increase totals \$53.9 million. After accounting for state funding, the net cost to FCPS would be \$42.6 million. (FCPS must pay 100% of any salary increase for non-SOQ positions).

The cost to provide a \$1,000 bonus is estimated at \$33.9 million. After accounting for state funding, the net cost to FCPS would be \$13.6 million. (FCPS must pay 100% of any bonus for non-SOQ positions)
<b>Governor</b> Item 136	Provides \$10 million GF in FY 2024 for incentive payments for instructional positions in hard-to-fill positions or hard-to-staff schools.	The impact to FCPS cannot be delineated at this time as participating school divisions must report vacant instructional positions as of July 1, 2023, to VDOE and then VDOE will communicate each school division's available allocation for the program based on the vacancy data.  FCPS may not qualify as distribution of these incentives is typically prioritized to school divisions experiencing an overall free and reduced lunch rate of 40% or more.
<b>House/Senate</b>	No change.	
<b>Reading Specialist Positions</b>		
<b>Governor</b> Item 137	Provides \$16.9 million GF in FY 2024 for the state share of one reading specialist position for each 550 students in grades 4 and 5, beginning in school year 2023-2024.	<b>Positive.</b> This results in estimated state funding of \$1.2 million for FCPS as compared to the FY 2024 budget forecast presented on November 22, 2022, and the FY 2023 Approved Budget.  FCPS' current staffing for reading specialist positions would meet the new staffing ratio requirement.
<b>House</b> Item 137 #10h	Provides \$13.9 million GF in FY 2024 to fund the state share of one reading specialist per 1,100 students in grades 6 through 8.	<b>Positive.</b> This results in estimated additional state funding of \$1.3 million. The state share of one math specialist position will be provided to local school divisions	This results in estimated state funding of \$0.5 million for FCPS, as compared to the FY 2024 budget forecast presented on November 22, 2022, and FY 2023 Approved Budget.

<i>House/Senate</i>	No change.	
<b>English Language Learner Program</b>		
<i>Senate</i> Item 137 #13s	Provides \$24.3 million GF in FY 2024 to increase the ratio of English Language Learner positions from 20 per 1,000 students to 24 per 1,000 students	<b>Positive.</b> This results in estimated new state funding of \$4.2 million.  FCPS' staffing for English Language Learner staffing would meet the new staffing ratio requirement.
<b>Support Cap and Specialized Support Positions</b>		
<i>Senate</i> Item 137 #1s	Provides \$270.6 million in FY 2024 to fully eliminate the cap on support positions implemented in FY 2010. The current cap costs FCPS approximately \$26 million annually.	<b>Positive.</b> This results in estimated new state funding of \$25.6 million.  The County and FCPS strongly support fully eliminating the support cap, which has artificially lowered the state's funding contributions for critical educational support positions for more than a decade.
<i>Senate</i> Item 137 #11s	Provides \$56.9 million in FY 2024 for the state's share of four specialized support positions per 1,000 students, up from the current requirement of three positions per 1,000 students.	FCPS would receive an estimated increase of \$5.4 million for the state's share of four specialized student support positions per 1,000 students.  To meet this requirement in FY 2024, the total number of positions that would need to be added among psychologists, social workers, and nurses would be approximately 134 for a total of approximately \$18 million. After accounting for state revenue, the net cost totals approximately \$12.6 million.  These positions include nurses, school psychologists, and school social workers. The last time the state increased the ratio of specialized support positions, it cost FCPS and the County significant funding to meet the new standard, which could happen again in this case. Additional state funding to assist local school divisions in implementing any new standards would be very important.

<b>At-Risk Add-on</b>		
<i>Senate</i> Item #12s	Provides \$37.1 million GF in FY 2024 to increase the At-Risk Add-On maximum from 36 percent to 40 percent.	<b>Positive.</b> This results in estimated new funding of \$1.9 million.
<b>Other Items of Interest</b>		
<i>Governor</i> Item 137	Deposits an additional \$50 million in FY 2023 to the College Partnership Laboratory Schools Fund. A "college partnership laboratory school" means a public, nonsectarian, nonreligious school in the Commonwealth established by a baccalaureate public institution of higher education.	The impact for FCPS cannot be determined at this time.
<i>Senate</i> Item 137 #9s and #10s	Redirects \$145 million Lab School funding to other public education priorities.	The impact for FCPS cannot be determined at this time.
<i>House</i> Item 137 #12h	Provides \$12 million in FY 2024 in Lottery proceeds for school security grants.	The impact for FCPS cannot be determined at this time.
<i>Senate</i> Item 136 #8s	Provides \$50 million GF for school security grants in FY 2024.	The impact for FCPS cannot be determined at this time.
<i>Senate</i> Item 485 #1s	Contingent on FY 2023 revenues, would provide \$100 million from unobligated FY 2023 balances for school capital projects.	<b>Positive.</b> Based on last year's distribution, this could result in approximately \$6 million to FCPS.
<b>Impact to the Fairfax County Public Schools' (FCPS) FY 2024 Operating Fund Budget:</b>		
<p><b>Governor's Introduced Budget:</b> Compared to FCPS' FY 2024 Budget Forecast, presented to the School Board and the Board of Supervisors on November 22, 2022, the Governor's budget amendments include \$23.5 million more in sales tax and \$5.8 million more in state aid which is contingent on providing an average salary increase of 5% and a 1% retention bonus. It should be noted that several items would require additional expenditures for the local share, including a net \$15.5 million local expenditure associated with the 1% retention bonus, which were not assumed in FCPS' FY 2024 Budget Forecast.</p> <p><b>House Amendments:</b> Compared to FCPS' FY 2024 Proposed Budget, the House budget includes a decrease of \$5.2 million in state Aid.</p> <p><b>Senate Amendments:</b> Compared to FCPS' FY 2024 Proposed Budget, the Senate's budget includes a \$53.7 million increase in state aid.</p> <p>Both House and Senate amendments come with significant expenditure requirements that exceed any revenue provided.</p>

<b>Medicaid Waivers</b>		
<i>Governor</i> Item 304.J	Provides approximately \$15.2 million GF and \$15.8 million Non-General Funds (NGF) in FY 2024 to increase the number of Developmental Disability (DD) waiver slots, beginning on July 1, 2023, to 1,100 by adding 500 additional slots. This amendment increases the number of new Family and Individual Supports (FIS) waiver slots in FY 2024 from 500 to 930, and the number of new Community Living (CL) waiver slots from 100 to 170 in FY 2024.	<b>TBD.</b> The Fairfax-Falls Church Community Services Board (CSB) did not receive additional waiver slots in FY 2023 as new waiver slots were not included in the FY 2023 budget. As a result of a significant delay in the release of the waiver slots provided in the FY 2022 budget, those slots were recalculated and the CSB was provided with 150 total additional slots. With the addition of the 500 slots projected statewide in FY 2024, the Fairfax-Falls Church CSB's allocation is projected to increase by 70 slots, to 220 additional slots overall (typically the CSB receives 12-14% of total state allocations). The County supports increasing Medicaid DD waiver slots to address the Priority One (P1) waiting list, which averages over 3,000 annually in Virginia (the current P1 waiting list in Fairfax County is 920). The slot increases afford greater capacity for much needed services; however, they also call for an increase in support coordinators (+11) and supervisors (+1.5), and given persistent workforce issues across the state, the CSB will likely be challenged to balance competing demands.
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 304	Provides an additional approximately \$163,000 GF and \$23,000 NGF in FY 2024 for one service authorization position and one provider development position to support the 500 additional DD Medicaid waiver slots.	No direct County fiscal impact as these are Department of Behavioral Health and Developmental Services (DBHDS) positions.
<i>Senate</i> Item 311 #9s	Reduces the associated funding for two new positions included in the Governor's budget for the DD waivers program.	No direct County fiscal impact as these are DBHDS positions.
<i>Senate</i> Item 308 #13s	Directs the Governor to include in his 2024-2026 biennium budget funding for sufficient	<b>TBD.</b> The County supports increasing DD waiver slots to address the Priority One waitlist. Slot increases create greater

<b>Governor</b> Item 304.VVVV.	Directs the Department of Medical Assistance Services (DMAS) to seek federal authority to implement telehealth service delivery options for DD waivers that are currently authorized by the Appropriation Act or Code of Virginia.	Telehealth service delivery would impact support coordinators' ability to effectively assess an individual's environment, general health/well-being, and safety. This may be sufficient on a case-by-case basis when in-person visits cannot be managed, but it is not ideal or sufficient in all circumstances.
<b>House/Senate</b>	No change.	
<b>House</b> Item 304 #1h	Provides an additional approximately \$243,000 GF and \$354,000 NGF in FY 2024 to increase rates for Medicaid consumer-directed service facilitation training and visits, to reflect recommendations in the most recent report on the rebasing of DD Medicaid waiver services.	<b>Positive.</b> This is a step toward ensuring that waiver rates cover the actual cost of services in Northern Virginia.
<b>Senate</b> Item 304 #1s	Provides \$1 million GF and \$1.1 million NGF in FY 2024 to increase the rate for the Supported Living Residential waiver service to equal the rate for Group Home Residential (4-person or fewer).	<b>Positive.</b> This is a step toward ensuring that waiver rates cover the actual cost of services in Northern Virginia.
<b>House</b> Item 304 #4h	Adds approximately \$454,000 GF and \$494,000 NGF in FY 2024 to amend the Medicaid DD Community Living, Family and Individual Support, and Building Independence waivers, to allow for the Ticket to Work and Work Incentives Improvement Act as an allowable category for the waivers. Also amends the Medicaid Works program to expand the initial enrollment from the current 138% of federal poverty level to 200%.	<b>Positive.</b> Takes steps needed to ensure individuals with a DD Waiver can work without losing access to services.
<b>Senate</b> Item 304 #12s	Directs DMAS to amend the DD waivers for the Community Living, the Family and Individual Support, and the Building Independence waivers, to allow for the Ticket to Work and Work Incentives Improvement Act as an allowable category for the waivers. Also amends the Medicaid Works program to expand the initial enrollment from the current 138 percent of the poverty level to 200 percent.	<b>Positive.</b> Takes steps needed to ensure individuals with a DD Waiver can work without losing access to services.

<p><i>Senate</i> Item 308 #9s</p>	<p>Provides \$128,000 GF and \$384,000 NGF to implement SB 831, which directs DMAS to take steps to amend the Family and Individual Supports, Community Living, and Building Independence waivers, to implement a medically needy spend down provision that allows otherwise eligible individuals to spend income in excess of the limit for waiver services on medical expenses in order to meet the waiver income limit.</p>	<p>No significant County fiscal impact, but positive for individuals.</p>
<p><i>House</i> Item 304 #13h</p>	<p>Adds approximately \$550,000 GF and \$597,000 in matching federal Medicaid funding in FY 2024 for the fiscal impact of HB 1963, which combines the maximum annual allowable amount for assistive technology and electronic home-based support services for an individual receiving Medicaid DD waiver services to provide for greater flexibility (providing a total of \$10,000 available to an eligible individual for assistive technology and electronic home-based support services each year).</p>	<p><b>Positive.</b> No significant County fiscal impact, but combining the maximum annual allowable amount for these services for a total of \$10,000 annually is positive for individuals. This would allow greater flexibility for individuals who may have Assistive Technology or Electronic home-based needs that far exceed the previous amount of \$5,000 per service. May be more impactful if the flexibility combined Assistive Technology and Environmental Modification, but ultimately a positive impact. The County supports HB 1963.</p>
<p><i>Senate</i> Item 304 #13s</p>	<p>Adds approximately \$550,000 GF and \$597,000 NGF for the fiscal impact of SB 945, which combines the maximum annual allowable amount for assistive technology and electronic home-based support services for an individual receiving Medicaid DD waiver services to provide for greater flexibility (providing a total of \$10,000 available to an eligible individual for assistive technology and electronic home-based support services each year).</p>	<p><b>Positive.</b> No significant County fiscal impact, but combining the maximum annual allowable amount for these services for a total of \$10,000 annually is positive for individuals. <b>Senate</b> Item 304 #7s	Provides approximately \$6,900 GF and \$10,000 NGF in FY 2024 to increase the rate for Peer Mentoring waiver services in FY 2024, in accordance with the 2021 Burns & Associates rate report. The amendment assumes a growth in the number of individuals served.	<b>Positive.</b> This is a step toward ensuring waiver rates cover the actual cost of services in Northern Virginia.
<b>Senate</b> Item 304 #9s	Provides \$28 million GF and \$30.5 million NGF to fund a 5% increase in rates for DD waiver services to reflect increasing inflationary and labor market pressures on providers.	<b>Positive.</b> This is a step toward ensuring waiver rates cover the actual cost of services in Northern Virginia.
<b>Senate</b> Item 304 #10s	Provides \$1.9 million GF and \$2.3 million NGF in FY 2024 for DMAS to update the rates for consumer-direct facilitation services based on a recent rate study.	<b>Positive.</b> This is a step toward ensuring waiver rates cover the actual cost of services in Northern Virginia.
<b>Governor</b> Item 308.HH	Moves \$85,000 GF and \$85,000 NGF in FY 2024 from DBHDS to DMAS to support agency responsibilities associated with DD waiver services that will be transferred effective July 1, 2023. Includes language designating DMAS as the agency responsible for all financial analysis, rates, and budget work associated with Virginia’s DD waiver services.	No significant County impact.
<b>House/Senate</b>	No change.	
<b>Senate</b> Item 308 #8s	Directs DMAS to conduct a feasibility study of the addition of a 1915(k) waiver that contains complementary core services for those with developmental disabilities, without the requirement to meet nursing facility criteria. Core services will include, but not be limited to: personal assistance, respite, companion, services facilitation, in-home supports, and assistive technology in both consumer-directed and agency-directed waivers where applicable. The study will involve relevant stakeholders, including advocacy groups and individuals with developmental disabilities, and the report will be submitted to the GA by November 1, 2023.	<b>Positive.</b> In general, extending comprehensive services and supports to those in need, who are not nursing facility eligible, is significantly positive. The addition of another waiver would require more CSB staff to effectively manage such supports. There would be no impact to CSB, however, if the Managed Care Organizations (MCOs) are responsible for management, as is the case with the Commonwealth Coordinated Care (CCC+) Waiver.
<b>Senate</b> Item 308 #11s	Directs DMAS to submit a follow-up report to its brain injury waiver initiative, which was approved by the 2022 GA. The secondary follow-up report requires cost, service, and eligibility criteria to better inform the 2024 GA, and prepare the Commonwealth for	<b>TBD.</b> The County closely monitor this workgroup and attend relevant meetings. At present, it is not clear how this may impact DD Support Coordination.

	implementation of the brain injury waiver program.	
<i>House</i> Item 311 #5h	Transfers \$180,000 GF and two positions in FY 2024 from DBHDS to DMAS to support the workload associated with the transfer of financial management and oversight of the DD waivers.	No County fiscal impact.
<i>Senate</i> Item 311 #3s	Provides \$2 million GF in FY 2024 to implement a number of innovations for the DD system, including a workforce development and recruitment campaign, a business start-up/expansion incubator, and educational/informational resources on inclusive services for waiver recipients.	<b>TBD.</b> Further analysis is needed to determine how this funding could support local efforts.
<i>Governor</i>	Provides an additional \$350,000 GF in FY 2024 to maintain the Medicaid Waiver Management System (WaMS), including upgrades that will keep the system relevant and efficiently utilized, and to support interoperability with CSBs.	<b>TBD.</b> DBHDS system modernization to help decrease administrative burdens on CSB staff is critical. DBHDS currently has multiple, independent databases that create duplicate and, at times, triplicate data entry. This creates an administrative burden that reduces the ability of providers to deliver services, negatively impacts employees' working conditions, further exacerbates high staff turnover rates, and compromises data quality. Increasing collaboration between DBHDS and CSBs is positive.
<i>House/Senate</i>	No change.	
<i>Governor</i>	Provides an additional approximately \$261,000 GF in FY 2024 for two additional cybersecurity positions in the DBHDS central office, to support the IT security needs of the state-operated behavioral health and intellectual disability system, including state-operated facilities.	No significant County impact.
<i>Senate</i> Item 311 #8s	Eliminates funding for one of the two cybersecurity positions funded in the Governor's budget.	No significant County impact.
<b>Children's Services Act (CSA)</b>		
<i>Governor</i> Item 284.b.2.a	Reduces appropriation by \$6.9 million GF in FY 2023 to reflect the projected program spending level.	No County impact. Local CSA expenditures have been trending downward and therefore, sufficient budget authority is currently available. This represents state budgetary alignment with projected locality expenditures.

<i>House/Senate</i>	No change.	
<i>Governor</i> Item 284.M	Directs the Director of the Department of Planning and Budget (DPB) to revert approximately \$29.2 million in FY 2022 balances that were carried forward into FY 2023 pursuant to budget language.	No County impact. State expenditures have decreased by an estimated \$5 million. This item appears to be budget management at the state level.
<i>House/Senate</i>	No change.	
<i>House</i> Item 285 #1h	Removes the requirement that the Office of Children’s Services (OCS) implement statewide rates for special education private day services, effective July 1, 2023, and redirects the existing FY 2024 funding for OCS to provide technical assistance to localities with private day placements above the statewide average.	<b>Positive.</b> These changes are generally helpful for CSA customers. No fiscal or programmatic impact anticipated.
<i>Senate</i> Item 285 #1s	Eliminates language implementing private day special education rate setting on July 1, 2023, and redirects the existing funding for OCS to provide technical assistance for localities with private day placements above the statewide average.	<b>Positive.</b> These changes are generally helpful for CSA customers. No fiscal or programmatic impact anticipated
<b>Early Childhood Services</b>		
<i>House</i> Item 128 #1h	Directs the Commission on Early Childhood Care and Education to evaluate the future of the child care workforce, and report to the Board of Education and the Chairs of the House Education and Senate Education and Health Committees no later than December 1, 2023. This amendment is contingent on the passage of HB 1423, which would establish the Commission.	No County impact but helpful to evaluate child care workforce.
<i>House</i> Item 128 #2h	Directs the Commission on Early Childhood Care and Education to develop recommendations to prevent the loss of federally funded Head Start classrooms across the state, and report to the Chairs of the House Appropriations and Senate Finance and Appropriations Committees by December 1, 2023.	<b>Positive.</b> Fairfax County already has coordinated enrollment efforts that focuses to fill Head Start slots first.
<i>Senate</i> Item 128 #2s	Provides \$53,000 GF in FY 2024 to support the Commission on Early Childhood Care and Education.	No County impact.
<i>Governor</i> Item 129.V.	Allows the Superintendent of Public Instruction to alter staff-to-child ratios and group sizes for licensed child day centers and child day centers that participate in the Child Care Subsidy Program by increasing the number of children	This will provide flexibility for child-teacher ratio, likely due to staff shortage issues.

No County impact as it is reallocating adjustments from FY 2023.
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 137.C.14	Reduces funding to serve at-risk three-year-olds who are unserved by Head Start funding by approximately \$2 million GF in FY 2023.	No County impact as it is reallocating adjustments from FY 2023.
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 137.C.14	Revises teacher requirements for community-based providers that are recipients of Virginia Preschool Initiative (VPI) grants to align requirements for such providers under VPI and Mixed Delivery to increase the number of children served in high quality preschool settings.	<b>Positive.</b> This will allow reimbursement of teacher salary, which is currently not allowed.
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 137.C.14	Reduces funding to support increased VPI teacher to student ratios and class sizes by approximately \$52,000 GF in FY 2023.	No County impact as it is reallocating adjustments from FY 2023.
<i>House/Senate</i>	No change.

<i>House/Senate</i>	No change.	
<i>Governor</i> Item 137.C.15.a.	Reduces by \$7.7 million in FY 2023 and by \$7.7 million in FY 2024 the additional payment disbursed to local school divisions for the purposes of providing early reading intervention services to students in grades kindergarten through three.	<b>TBD.</b>
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 304.TTTT	Increases reimbursement rates for Early Intervention services, excluding case management, by 12.5%, effective for services provided on or after July 1, 2023. Provides \$1.1 million GF and \$1.2 million NGF in FY 2024 for the rate increase.	<b>Positive.</b> DMAS rates for Early Intervention services were increased temporarily by 12.5% on July 1, 2021, and expired on June 30, 2022, except for targeted case management/service coordination, which has been increased indefinitely. This would reinstate the increases that expired on June 30, 2022.
<i>House/Senate</i>	No change.	
<b>Child Welfare</b>		
<i>Governor</i>	Provides approximately \$8.3 million GF in FY 2024 to implement recommendations from the Office of the State Inspector General's audit of the state's Child Protective Services (CPS) system, to include additional CPS worker and supervisor positions, which will initially be targeted toward the local departments with the highest needs.	No County impact.
<i>House/Senate</i>	No change.	
<i>Senate</i> Item 55 #1s	Provides \$35,000 GF in FY 2023 for the Office of the Children's Ombudsman to support a feasibility study regarding the establishment of a Parents Advocacy Commission, consistent with the provisions of SB 1443.	No County impact.

<i>Governor</i> Item 137.C.23	Reduces by approximately \$1.2 million in FY 2023 the funding from the Lottery Proceeds Fund to support children attending public school who have been placed in foster care or other such residential care across jurisdictional lines.	No County impact.
<i>House/Senate</i>	No change.	

BUDGET PROPOSALS FOR THE 2022-2024 BIENNIUM  
DURING THE 2023 GENERAL ASSEMBLY SESSION  
as of February 16, 2023

<b>House</b> Item 340 #1h	Moves \$4.1 million GF in FY 2023 to FY 2024 to redirect funding for child welfare improvements. This funding is not expected to be spent in FY 2023 and language is modified to enhance child welfare efforts, modernize information technology for child welfare workers, and increase and enhance support for kinship caregivers in child welfare cases.	<b>Positive.</b> No County fiscal impact.
<b>Governor</b> Item 345	Reduces funding provided for the cost of providing foster care and adoption subsidy payments by approximately \$14.3 million GF and \$566,000 NGF in FY 2023, and by approximately \$5.6 million GF and \$5.9 million NGF in FY 2024. Based on recent expenditure trends and the impact of child welfare policy changes, this amendment adjusts the appropriation for the necessary costs of providing payments to foster care and adoptive families.	<b>TBD.</b> Forecasted economic downturns are correlated with potential for higher needs for foster care, and if that happens, more funding may be needed.
<b>House</b> Item 345 #1h	Reduces GF spending by \$4.5 million in FY 2023 and \$3.8 million in FY 2024, and adds a commensurate amount of federal matching funds each year for adoption assistance, foster care and the federal-funded Kinship Guardianship Assistance Program, due to changes in the enhanced federal medical assistance percentage (FMAP) pursuant to the federal Public Health Emergency and the federal Consolidated Appropriations Act of 2023.	<b>TBD.</b> Forecasted economic downturns are correlated with potential for higher needs for foster care, and if that happens, more funding may be needed.
<b>Senate</b> Item 345 #4s	Provides \$200,000 GF in FY 2024 to continue funding the State-funded Kinship Guardianship Assistance Program.	<b>Positive.</b> Helps promote stability with kin caregivers.
<b>Governor</b>	Provides an additional approximately \$2.3 million GF and \$2 million NGF in FY 2024, to raise maximum maintenance payments made to foster family homes on behalf of foster children by 5%. This increase is also assumed for adoption subsidy funding, to ensure that adoption subsidies keep pace with foster family rates and to avoid any disincentives to adoption.	<b>Positive.</b> Increased maintenance payments for foster parents will have a positive impact on the County's GF. Adoption subsidies are paid for through federal Title IV-E, having no impact on the County's GF.
<b>House/Senate</b>	No change.	
<b>Governor</b> Item 345.M	Provides that any unspent Comprehensive Child Welfare Information System (CCWIS) funds will carry forward. This amendment provides	<b>Positive.</b> This is needed to move forward with a new child welfare system.

<i>Governor</i> Item 345.Q	Provides approximately \$935,200 GF in FY 2024 to support up to 12 kinship navigator programs. Includes language requiring the Virginia Department of Social Services (VDSS) to continue to seek and apply for any federal grant funds that can be used to support the cost of kinship navigator programs, and to submit a report on the effectiveness of kinship navigator programs by September 1 of each year.	<b>Positive.</b> The County is moving towards more placements with relatives.
<i>House/Senate</i>	No change.	
<i>Senate</i> Item 345 #1s	Provides \$180,000 GF and \$60,000 NGF in FY 2024 to expand Virginia's Title IV-E Child Welfare Stipend Program (CWSP), to include individuals preparing to work in Child Protective Services (CPS) slots, as well as several additional "general" child welfare position slots. The CWSP is a workforce development program, in partnership with five public state universities in Virginia, which prepares Master of Social Work (MSW) and Bachelor of Social Work students for a career in public child welfare. Students receive a \$10,000 stipend per academic year. In exchange, the recipient must commit to work at a local Department of Social Services within Virginia in foster care or adoption services for one year for each year of stipend funding.	<b>Positive.</b> Could have positive impact on recruitment for practitioners into child welfare field.
<i>House</i> Item 345 #3h	Provides \$250,000 GF in FY 2024 to support the development and implementation of a statewide driver's licensing program to support foster care youth in obtaining driver's licenses.	<b>Positive.</b> Helpful for older youth in foster care.

<i>Senate</i> Item 345 #5s	Reflects \$4.5 million in FY 2023 and \$3.8 million in FY 2024 in federal match savings from the enhanced federal match rate for Medicaid, which also applies to the federal Title IV-E program. The recent extensions of the public health emergency and Congressional action to phase down the enhanced match rate through the end of calendar year 2023 are reflected in these savings.	No County Impact.
<b>Health Departments</b>

<i>House/Senate</i>	No change.	
<i>Governor</i> Item 287.C.1	Provides an additional \$10 million GF in FY 2024 to the Nursing Preceptor Incentive Program, to raise the maximum incentive to \$5,000 (from \$1,000), and expand the program to include licensed practical nurses and registered nurses.	<b>TBD.</b>
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 287.E	Provides an additional \$1 million GF in FY 2024 to fund nursing scholarship and loan repayment programs to recruit and retain nurses and nurse faculty.	<b>TBD.</b>
<i>Senate</i> Item 287 #3s	Designates \$150,000 GF in both FY 2023 and FY 2024 to set aside a small portion of existing nursing scholarship funds for school nurse scholarships to address the lack of access to Registered Nurses (RNs) in schools.	<b>TBD.</b>
<i>Governor</i> Item 287.G	Provides \$30 million GF in FY 2024 for the Virginia Department of Health (VDH) to establish the Earn to Learn Nursing Education Acceleration Program.	<b>TBD.</b>
<i>Senate</i> Item 287 #2s	Reduces by \$10 million GF in FY 2024 funding for the Earn to Learn Nursing Education Acceleration Program, and transfers funding to higher education institutions to increase nursing faculty salaries at nursing schools to encourage more nurses to move into teaching. <b>House</b> Item 287 #1h	Reduces by \$5.4 million GF in FY 2024 funding for the Earn to Learn Nursing Education Acceleration Program. Also adds language to allow for the program to be implemented through contracts with private higher education institutions, as well as public ones.	<b>TBD.</b>
<b>House</b> Item 287 #2h	Adds approximately \$419,000 GF in FY 2024 and four positions in VDH to manage all of the state-funded Healthcare Incentive Workforce programs administered by VDH.	No County impact.
<b>Senate</b> Item 287 #1s	Provides approximately \$209,500 GF in FY 2024 to VDH for two positions to support the significant increase in workload based on the funding included in the introduced budget to expand a variety of workforce programs.	No County impact.
<b>Senate</b> Item 288 #1s	Provides \$5 million GF in FY 2024 to support Trauma Centers in the Commonwealth.	No County impact.
<b>Senate</b> Item 288 #2s	Provides \$2.5 million GF in FY 2024 to develop a grant program to fund hospital-based care management programs for frequent utilizers of emergency departments.	No County impact.
<b>Governor</b> Item 291.A	Provides an additional \$50,000 GF in FY 2024 to purchase medications for individuals who have tuberculosis (TB), to account for an increase in medication costs and to provide treatment options to more individuals.	<b>Positive.</b> On average, the Fairfax Health District has one-third of the Commonwealth's TB cases (reflecting the diversity of the population, which includes individuals from countries with high TB burdens). The Fairfax Health Department offers evaluation and treatment of active TB disease and latent TB infection. Additional funding will help mitigate the increasing medication costs to provide pharmacotherapy.
<b>House/Senate</b>	No change.	
<b>Governor</b> Item 291.N	Extends the repayment term for any existing Treasury loan authorized by VDH for the purpose of COVID-19 pandemic response activities to June 30, 2024, if federal reimbursement expected from the Federal Emergency Management Agency (FEMA) has not been received by the planned date of repayment.	<b>TBD.</b>

Prevention (CDC) through the Epidemiology and Laboratory Capacity grant to promote antimicrobial stewardship in acute care hospitals, outpatient , and skilled nursing facilities. The Fairfax Health District has entered into an MOU with VDH to improve antimicrobial stewardship among Fairfax County skilled nursing facilities. Additional funding would enhance the Health Department’s ongoing efforts to address increasing antimicrobial resistance in these high-risk settings.
<b>House/Senate</b>	No change.	
<b>Senate</b> Item 293 #3s	Directs VDH to plan an elimination campaign for Hepatitis B and C.	No County impact.
<b>Governor</b> Item 294	Provides approximately \$944,000 GF and \$698,000 NGF in FY 2024 to support local health districts that are expecting significant cost increases resulting from moving to new facilities or increasing rent in existing facilities.	<b>TBD.</b>
<b>Senate</b> Item 294 #1s	Provides \$140,000 GF in FY 2023 and FY 2024 to provide additional support to address an increase in rent costs for the Hampton Health District.	No County impact.
<b>Senate</b> Item 294 #2s	Provides \$250,000 GF in FY 2024 to improve early breast cancer diagnosis and mortality rates. VDH would provide grants to at least two, but no more than four, community-based organizations with breast cancer expertise and experience with minority community outreach.	No County impact.
<b>Senate</b> Item 294 #3s	Provides \$2.5 million GF in FY 2024 to provide support to all local health departments, to ensure family planning services are available across the Commonwealth.	No County impact.
<b>House</b> Item 295 #5h	Provides \$1.5 million GF in FY 2024 to VDH to establish the Virginia First-Year Nurse Residency Collaborative to support health care providers in increasing the retention of first-year RNs.	No County impact.
<b>Senate</b> Item 295 #5s	Provides \$100,000 GF in FY 2024 to support enhancements to the SmartChart system, previously known as the Emergency Department Care Coordination program.	No County impact.

	Environmental Protection Agency (EPA) grant funds for the Drinking Water State Revolving Fund. Increases NGF appropriation by \$91.9 million to keep pace with reimbursement and payment trends of drinking water grants.	
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 296	Provides an additional \$1.1 million GF in FY 2023 to cover federal deferrals associated with payments to the EPA dating back to March 2021.	<b>TBD.</b> This could be beneficial to Fairfax Water.
<i>House/Senate</i>	No change.	
<i>Senate</i> Item 299 #1s	Provides \$300,000 GF in FY 2024 and five positions to fund the Prescription Drug Affordability Board pursuant to SB 957.	No County impact.
<i>Governor</i> Item 404	Provides \$50,000 toward establishing a ban on abortions after 15 weeks of pregnancy.	Prohibition or limitations on abortion could interfere with the ability of individuals/families to determine the number and spacing of children. It may also increase the rates of unplanned births, which may increase families' risk factors, potentially increasing the likelihood of child abuse and neglect. There could also be an increase in unsafe abortions.
<i>House</i> Item 404 #1h	Provides \$50,000 into the Corrections Special Reserve Fund to reflect the estimated bedspace impact of HB 1795, which requires every health care provider licensed by the Board of Medicine who attempts to terminate a pregnancy to take steps to preserve the life and health of an infant that is born alive, similar to any other child born alive at the same gestational age.	This funding would be used to allocate additional beds in prisons for health care providers who are convicted of not taking life-saving measures when a fetus remains viable after the procedure is attempted. Though HB 1795 is no longer under consideration, it is likely that abortion-related issues will continue to receive attention in Virginia.
<i>Senate</i> Item 404 #1s	Removes language providing funding to the Corrections Special Reserve Fund related to abortion restrictions.	This would ensure that health care providers are not penalized for performing safe and legal abortions.
<i>Governor</i> Item 4-5.04	Prevents expenditures from GF or NGF sources from being used for providing abortion services, except as otherwise required by federal law.	Currently, public funds can only be used for abortion services in situations where pregnancy results from rape or incest, a physician certifies that the fetus is believed to have an incapacitating physical deformity or mental deficiency, or cases where the pregnancy threatens the life or health of the mother/birthing person. This prohibition could create health implications for pregnant individuals, as well as for victims of sexual violence.

<i>Senate</i> Item 4-5.04 #1s	Restores language that allows spending from appropriations for the provision of abortion services in accordance with state law.	The restoration of language would ensure that victims of rape and incest or those who have life-threatening pregnancy complications can access safe, legal abortions, even if they do not have the financial resources to pay for them.
<i>Governor</i>	Provides an additional \$125,000 in FY 2024 for sexual assault examiner training for Emergency Department staff, as required by the Code of Virginia.	No significant County impact.
<i>House/Senate</i>	No change.	
<i>House</i> Item 6 #3h	Continues the work of the Joint Subcommittee to Examine the Commonwealth's Pandemic Response.	No County impact.
<i>Senate</i> Item 6 #1s	Continues the work of the Joint Subcommittee to Examine the Commonwealth's Pandemic Response for an additional year, and allows the funding to be carried forward to the subsequent fiscal year.	No County impact.
<b>Department for Aging and Rehabilitative Services (DARS)</b>		
<i>Governor</i> Item 330.A	Provides an additional approximately \$285,000 GF and \$2.2 million NGF in FY 2024 to ensure DARS has sufficient resources to fully access federal vocational rehabilitation grant dollars.	No County impact.
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 330.B	Provides an additional approximately \$139,400 GF in FY 2023, and \$139,400 GF in FY 2024, to provide vocational rehabilitation services for persons recovering from mental health issues, alcohol, and other substance abuse issues.	No significant County impact.
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 330.I	Provides an additional approximately \$37,400 GF in FY 2024 for the Centers for Independent Living, to reflect the latest statewide salary actions. Language requiring DARS to collect and make operating data available is also included.	No County impact.
<i>House/Senate</i>	No change.	
<i>Governor</i> Item 330.K	Provides an additional approximately \$225,600 GF in FY 2024 to enable the Personal Assistance Services program to maintain wage alignment with Medicaid rates without reducing services. <b>Governor</b> Item 330.N	Provides an additional \$61,800 GF in both FY 2023 and FY 2024 for the Long-Term Rehabilitation Case Management Services Program.	No County impact.
<i>House/Senate</i>	No change.	
<b>House</b> Item 330 #1h	Provides \$570,000 GF in FY 2024 to expand community-based brain injury case management services to unserved or underserved areas of Virginia.	No County impact.
<b>Senate</b> Item 330 #2s	Provides \$570,000 GF in FY 2024 to expand community-based brain injury case management services. This funding would fund six case managers to serve approximately 300 Virginians.	No County impact.
<b>Senate</b> Item 330 #3s	Provides \$675,000 GF in FY 2024 to support publicly funded brain injury services providers – the inability to offer competitive wages and benefits has made it increasingly difficult to fill positions and retain employees.	No County impact.
<b>Senate</b> Item 330 #4s	Directs DARS to work with DBHDS, the Parent Educational Advocacy Training Center (PEATC), Virginia Commonwealth University’s (VCU) Partnership for People with Disabilities, and VCU-Rehabilitation Research and Training Center to ensure that online resources are readily available and disseminated to all individuals of transition age and their families.	No County impact.
<b>House</b> Item 331 #1h	Adds \$700,000 GF in FY 2024 for one-time supplemental funding to offset losses to local Area Agencies on Aging (AAAs) due to the impact of 2020 census changes on the distribution formula for federal Older Americans Act funding.	Eleven of the 25 AAAs in the Commonwealth will be affected by these financial losses, and may change or lessen services offered to older adults, adults with disabilities, and caregivers as a result. Though Fairfax County will not be negatively impacted by funding losses, the impact to other local jurisdictions may cause the migration of older adults to regions like Fairfax County in an effort to retain needed services. This supplemental funding will mitigate the negative impact to the AAA system as a whole. Strengthening the AAA system across the Commonwealth will need to be prioritized, as the percentage of older

<b>Senate</b> Item 331 #1s	Adds \$700,000 GF in FY 2024 for one-time supplemental funding to offset losses to local AAAs due to the impact of 2020 census changes on the distribution formula for federal Older Americans Act funding.	Eleven of the 25 AAAs in the Commonwealth will be affected by these financial losses, and may change or lessen services offered to older adults, adults with disabilities, and caregivers as a result. This supplemental funding will mitigate the negative impact to the AAA system as a whole. Strengthening the AAA system across the Commonwealth will need to be prioritized, as the percentage of older adults in the Commonwealth is projected to reach 25% by 2030.
<b>House</b> Item 331 #2h	Adds \$380,000 GF in FY 2024 to expand the Virginia Public Guardian and Conservator Program to serve 50 additional individuals in need of guardianship services and add one position for a policy analyst.	No direct County impact but provides more slots/opportunities for incapacitated individuals to be served by public guardians. Will mitigate the waiting list for public guardians.
<b>Senate</b> Item 331 #2s	Provides \$160,000 GF in FY 2024 to support the implementation costs of SB 1140, which directs DARS to develop and provide training for court-appointed guardians by July 1, 2024.	Currently only public guardians (vs. private guardians) receive guardianship training by DARS. The vast majority of guardians in the Commonwealth, however, are private guardians who receive no formalized training. This funding will allow for all guardians to receive formalized training at the state level to obtain a foundational understanding on the court requirements and expectations for guardians, better equipping them to serve vulnerable wards under their care.  Currently, there is one FTE who manages the Fairfax County guardianship program and provides regular orientation, consultation, or information to private guardians on their roles and responsibilities in the absence of a formalized training. This additional

		funding for DARS to create a training program for guardians would expand the capacity for Fairfax County program staff to focus on guardianship tracking activities for the growing program (over 2,800 wards currently in Fairfax County). Centralized training for private guardians provided by DARS was a recommendation of the 2021 JLARC Guardianship study.
<i>Senate</i> Item 334 #1s	Reduces by \$1 million GF in FY 2023 and FY 2024 the appropriation provided for Disability Determination Services (DDS) for Medicaid.	No County impact.
<i>Senate</i> Item 336 #1s	Provides \$150,000 GF in FY 2024 to fund a position for an Executive Director for the Commonwealth Council on Aging, pursuant to provisions in SB 1218.	No County impact
<b>Department of Medical Assistance Services (DMAS)</b>		
<i>Governor</i> Item 302	Reduces funding by \$1.5 million GF in FY 2023 and \$250,000 GF in FY 2024 for the estimated cost of hospital and physician services for individuals subject to involuntary commitment. Projected expenditures are lower than previously estimated.	No significant County impact.
<i>House/Senate</i>	No change.	
<i>Governor</i>	Adjusts funding for the Family Access to Medical Insurance Security program to reflect the latest forecast of expenditures as projected by DMAS.	No County impact.
<i>House/Senate</i>	No change.	
<i>Governor</i>	Adjusts funding for the Commonwealth's Medicaid Children's Health Insurance Program (CHIP) to reflect the latest expenditure forecast as projected by DMAS.	No County impact.
<i>House/Senate</i>	No change.	
<i>Governor</i>	Provides funding for the cost of Medicaid utilization and inflation as estimated in the most recent expenditure forecast.	No significant County impact. Provides required increases due to higher costs and utilization.
<i>House/Senate</i>	No change.	
<i>Governor</i>	Adjusts Medicaid and CHIP appropriations to account for the anticipated extension of the national public health emergency through April 11, 2023. The expected extension would mean that the federal continuous enrollment requirement would expire on April 30, 2023,	No County impact.

<b>Governor</b> Item 304	Adjusts Virginia Health Care Fund appropriation to reflect the latest revenue estimates.	<b>Positive.</b> Provides funding based on latest revenue estimates.
<b>House</b> Item 304 #2h	Adds \$11.7 million GF and reduces \$12.5 million NGF by capping the funds that DMAS retains related to the intergovernmental transfer of funds by which Medicaid provides supplemental payments for five local government owned and operated nursing facilities.	<b>Positive.</b> This amendment will allow the County-owned nursing home Birmingham Green (BG) to retain a higher portion of supplemental payments, thereby allowing for a smaller general fund transfer to BG, which is based on actual costs and utilization rates.
<b>Senate</b> Item 304 #6s	Allows five local government owned and operated nursing facilities to retain a higher portion of supplemental payments through intergovernmental transfer of funds.	<b>Positive.</b> This amendment will allow the County-owned nursing home BG to retain a higher portion of supplemental payments, thereby allowing for a smaller general fund transfer to BG, which is based on actual costs and utilization rates.
<b>House</b> Item 304 #3h	Increases funding for nursing homes through the Nursing Facility Value Based Program by \$31.1 million GF and \$31.1 million from matching federal Medicaid funds in FY 2024.	The increased reimbursement will offset costs of operation, allowing for nursing homes' continued capacity to serve the community.
<b>Senate</b> Item 304 #15s	Provides \$20 million GF and \$20 million NGF to increase nursing home reimbursement. These changes add funding to the Value-based program, encourage reinvestment in facility infrastructure, and eliminate the minimum occupancy adjustment for nursing facility capital rates.	The increased reimbursement will offset costs of operation, allowing for nursing homes' continued capacity to serve the community.
<b>House</b> Item 304 #6h	Adds approximately \$179,000 GF and \$211,000 NGF to increase adult day health care rates by 24%, bringing the rate from \$64.17 to \$78.97 per day for the rest of the state, and \$69.30 to \$85.93 in Northern Virginia.	<b>Positive.</b> This is a step toward ensuring waiver rates cover the actual cost of services in Northern Virginia.
<b>House</b> Item 304 #7h	Provides \$1.3 million GF and \$1.3 million NGF in FY 2024 for the fiscal impact of HB 1512, which provides for the initial purchase or replacement of Complex Rehabilitative Technology manual and power wheelchair bases and related accessories for Medicaid patients residing in nursing facilities.	<b>Positive.</b> Funding will allow for the purchase of critical wheelchairs and accessories for persons in nursing facilities, increasing their mobility options and quality of life.

BUDGET PROPOSALS FOR THE 2022-2024 BIENNIUM  
DURING THE 2023 GENERAL ASSEMBLY SESSION  
as of February 16, 2023

<b>House</b> Item 304 #14h	Adds \$2.5 million GF and \$2.5 million from matching federal Medicaid funds in FY 2024, for the Medicaid impact of providing an increase in the Auxiliary Grant (AG) rate for low-income individuals residing in assisted living facilities.	<b>Positive.</b> Increasing the AG rate will further support the AG community. This increase would greatly increase the likelihood that assisted living facilities (ALFs) would sustain more AG bed set asides, which are already very low across the County and Commonwealth. Currently, AG rates are far below actual costs for ALF care.
<b>House</b> Item 304 #21h	Provides approximately \$200,700 GF and \$218,000 NGF in FY 2023 and FY 2024 to increase reimbursement for Early Periodic Screening Diagnosis and Treatment (EPSDT) therapeutic Group Homes that were excluded from the 12.5 percent rate increase, despite qualifying for such increase in 2021 and 2022.	<b>Positive.</b> This is a step toward ensuring waiver rates cover the actual cost of services in Northern Virginia.
<b>Governor</b> Item 304.A	Provides an additional approximately \$268,800 GF in FY 2024 and an additional approximately \$280,600 from the federal trust fund for reimbursement to the institutions within DBHDS.	<b>TBD.</b>
<b>House/Senate</b>	No change.	
<b>Governor</b> Item 304.UUUU	Updates the reimbursement methodology for outpatient rehabilitation services to the resource-based relative value scale. This change is necessary to align Virginia's reimbursement methodology with Medicare and industry standards. All changes must be budget neutral.	No County impact.
<b>House/Senate</b>	No change.	
<b>Governor</b> Item 304.XXXX	Increases provider rates for agency- and consumer-directed personal care, respite, and companion services by 5%, effective July 1, 2023. Provides \$42 million GF and \$47.2 million NGF in FY 2024 for the rate increase.	<b>Positive.</b> A rate increase would attract more qualified staff and increase provider capacity.
<b>Senate</b> Item 304 #3s	Provides \$58.3 million GF and \$66.1 million NGF in FY 2024 to increase reimbursement rates by 12% for Medicaid personal care, respite, and companionship services provided in agency-directed and consumer-directed waiver programs. This would change the consumer-directed rest-of-state rate from \$12.70 to \$14.22 per hour and the Northern Virginia rate from \$16.45 to \$18.42 per hour. The agency-directed rate would increase from \$18.51 to \$20.73 per	<b>Positive.</b> A rate increase would attract more qualified staff and increase provider capacity. 	hour for rest-of-state and from \$21.79 to \$24.40 per hour in Northern Virginia.	
<i>Senate</i> Item 305 #1s	Provides \$7.3 million GF in FY 2024 and ten positions to fund the fiscal impact of SB 1327, which would create a state-funded comprehensive health care coverage program for individuals in Virginia who are under 19 years of age, are not covered under a group health plan or health insurance coverage, and, but for their immigration status, would be eligible for Virginia's Medicaid or FAMIS program.	This would positively impact many youth served by the CSB, because if they had comprehensive medical coverage, they would have other options for behavioral health care beyond the CSB. And when such youth are served by the CSB, there would be funding to support those services.
<i>Governor</i> Item 308.EE	Requires DMAS to convene a workgroup to examine the impact of including psychiatric residential treatment services in the managed care program. This workgroup must examine potential cost and program and system of care impacts, including how local funding and the federally required independent assessment process for these services must be accounted for in managed care.	<b>Workgroup offers a potential for positive outcomes.</b> This would be a new benefit that could potentially strengthen community support for behavioral health services. There is currently no reimbursement for residential treatment, so including psychiatric residential treatment services in the managed care program has the potential for opening up needed community supports. Ensuring any new program provides beneficial services that are easy for consumers to navigate in a cost-effective way is critically important, particularly if managed care is the option being examined by the state.
<i>House</i> Item 308 #1h	Modifies language in the Governor's budget which establishes a workgroup to examine the impact of including certain children's psychiatric residential treatment services in the Medicaid managed care program. It adds children's residential services and children's group home services to be examined for including in the Medicaid managed care program. Language also is modified to include representatives of the public and private provider community as members of the workgroup.	Workgroup offers a potential for positive outcomes, and expanding to include children's residential services and children's group home services as additional services is positive.
<i>Governor</i> Item 308.FF	Provides \$428,565 GF and \$428,565 from federal funds in FY 2024 for seven positions to increase the amount of third-party liability recoveries. It is expected that these positions will generate sufficient savings in the Medicaid program to offset the new administrative costs.	No significant County impact.

<i>House/Senate</i>	No change.	
<i>Governor</i> Item 308.GG	Authorizes DMAS to reprocure the Commonwealth’s managed care service delivery system, with an expected implementation date of July 1, 2024. Additionally, authorizes DMAS to make changes to the managed care program, as necessary, to improve fiscal efficiency and enhance health care delivery. Provides approximately \$1.7 million GF and \$2.6 million NGF in FY 2023 to support one-time costs associated with the re-procurement.	<b>TBD.</b> It will be important to monitor the Request For Proposal process to ensure there are no significant changes to the Medicaid benefit package in areas related to behavioral health. It is essential that the state’s service delivery system provides beneficial services that are easy for consumers to navigate, including appropriate rates for providers and services, particularly in high-cost areas like Northern Virginia.
<i>Senate</i> Item 308 #2s	Provides direction to DMAS regarding the re-procurement of the Medicaid managed care contracts. In addition, \$500,000 GF in FY 2024 is provided for an independent review of the proposed changes in the program and any fiscal impacts. Since the implementation of the new contracts is delayed, the administrative funding provided in the Governor’s budget is unnecessary and removed by this amendment.	Amendment seeks to give DBHDS more direction related to re-procurement of Medicaid managed care contracts. No direct County impact, but it will be important to monitor the Request For Proposal process to ensure there are no significant changes to the Medicaid benefit package in areas related to behavioral health. It is essential that the state’s service delivery system provides beneficial services that are easy for consumers to navigate, including appropriate rates for providers and services, particularly in high-cost areas like Northern Virginia.
<i>Governor</i>	Directs \$20 million in FY 2024 from the State and Local Fiscal Recovery Funds from ARPA to DMAS to procure a vendor to assist in the redetermination of Medicaid enrollees following the end of the COVID-19 public health emergency. This funding would be in addition to the \$5 million in ARPA funding in FY 2023 previously provided. It also directs \$10 million in FY 2024 in ARPA funding to VDSS to support overtime costs at local departments for Medicaid redeterminations. Additionally, it bars the transfer of the new funding until a report detailing the Commonwealth’s final plan to perform all unwinding activities is provided to the Task Force on Eligibility Redetermination.	<b>Positive.</b> This would provide overtime pay for Medicaid Unwinding. Fairfax County Department of Family Services (DFS) has more than 40,000 Medicaid cases to address as a part of unwinding, and additional funding to support overtime is needed.

<i>House</i> Item 304 #17h	Adds \$3.3 million GF and \$12.5 million NGF in FY 2024 to support associated costs with a contract to support local agencies during the unwinding of Medicaid continuous coverage requirements.	<b>Likely positive.</b>
<i>Senate</i> Item 308 #1s	Provides \$2.8 million GF and \$13.4 million NGF for additional assistance in handling the increased workload for the Medicaid eligibility determination process that will begin as the Medicaid continuous enrollment requirement ends on April 1, 2023.	<b>Likely positive.</b>
<i>Senate</i> Item 486 #2s	Moves the appropriation provided by ARPA funding from FY 2024 to FY 2023 for Medicaid redetermination costs.	<b>Likely positive.</b>
<b>Housing</b>		
<i>House</i> Item 114 #2h	Provides \$500,000 GF in FY 2024 to the Department of Housing and Community Development (DHCD) to assist in the delivery and support of housing studies directed by the GA and the Virginia Housing Commission, the housing needs assessment, plans included in HB 2046, and the proposed expansion of the Livable Homes Tax Credit in HB 2099.	No County impact. Funding would go to DHCD. The Livable Homes Tax Credit could help County residents, but it is a state tax credit so no fiscal impact to the County.
<i>House</i> Item 346 #1h	Requires VDSS to allow applications for the Low-Income Home Energy Assistance Program (LIHEAP) to be submitted in any month during the year, and allows for grant awards to be made retroactively for the 2022-2023 heating season.	No significant County impact.
<i>Senate</i> Item 346 #1s	Requires VDSS to allow applications for the LIHEAP program to be submitted in any month during the year, and allows individuals to apply retroactively for heating assistance, since the close of the prior application period in November 2022.	No significant County impact.
<b>Behavioral Health</b>		
<i>Governor</i> Item 144.W	Provides \$9 million GF in FY 2024 to support student mental health services in K-12 and institutions of higher education.	<b>TBD.</b> This is a positive use of funding to address significant youth behavioral health challenges, though it is unclear how and where funding will be allocated. Support for additional state funding for youth behavioral health services is included in the County's Legislative Program.

<b>House</b> Item 144 #2h	Makes technical changes to provide for higher education specific solutions, rather than combined higher education and K-12 solutions. Funding for K-12 mental health services is provided under VDOE.	No County impact.
<b>Senate</b> Item 144 #1s	Clarifies the use of funds to support higher education institutions, and removes language related to elementary and secondary schools as a result of other initiatives provided in public education.	No County impact.
<b>Governor</b> Item 283.I.	Provides \$750,000 GF in FY 2024 to cover the one-time cost of a consultant to assist with implementing a plan to transform behavioral health.	<b>TBD.</b> Further analysis and information on how and where funding will be allocated is needed.
<b>Senate</b> Item 283 #1s	Removes \$750,000 GF in FY 2024 included in the Governor’s budget for a Behavioral Health Transformation Contractor.	No significant County impact.
<b>Senate</b> Item 283 #2s	Removes \$250,000 GF in FY 2024 included in the Governor’s budget to develop a strategic plan for the health care workforce.	No significant County impact.
<b>Governor</b> Item 283.K.	Provides \$250,000 GF in FY 2024 for the Secretary of Health and Human Resources, in collaboration with the Secretary of Veterans Affairs, to cover the one-time cost of a consultant that will study the Commonwealth’s coordination of behavioral health and substance abuse programs, with an emphasis on veteran services. The study will include state efforts to address substance use disorder, suicide, and post-traumatic stress disorder. A report will be due by October 1, 2023.	No direct County fiscal impact, but study is focused on an at-risk population.
<b>Senate</b> Item 283 #3s	Removes \$250,000 GF in FY 2024 included in the Governor’s budget for a statewide coordination study of behavioral health and substance use disorder services with an emphasis on veterans.	No direct County fiscal impact.
<b>Governor</b> Item 287.B	Provides an additional \$2.5 million GF in FY 2024 to VDH for the Virginia Behavioral Health Loan Repayment Program, raising the maximum award amount for child and adolescent psychiatrists, psychiatric nurse practitioners, and psychiatrists, from \$30,000 to \$50,000.	<b>TBD.</b> A positive step by the state to find ways to stabilize the behavioral health care workforce in the future. To support behavioral health staff working at CSBs and other public agencies, language could be added prioritizing access to such funding for those participating in the public behavioral health care system.
<b>House/Senate</b>	No change.	

BUDGET PROPOSALS FOR THE 2022-2024 BIENNIUM  
DURING THE 2023 GENERAL ASSEMBLY SESSION  
as of February 16, 2023

<b>Governor</b> Item 287.H	Provides \$5 million GF in FY 2024 to VDH for loan repayments for psychiatric registered nurses and psychiatric nurse practitioners who work in Virginia for four years. The schedule will provide repayment of 25% of the eligible loan at the end of each year for the four completed years of service.	<b>TBD.</b> A positive step by the state to find ways to stabilize the behavioral health care workforce in the future. To support behavioral health staff working at CSBs and other public agencies, language could be added prioritizing access to such funding for those participating in the public behavioral health care system.
<b>Senate</b> Item 287 #4s	Consolidates a proposed psychiatric registered nurse and psychiatric nurse practitioner loan repayment program, included in the Governor’s budget, into the existing Behavioral Health Loan Repayment Program. The existing program already provides loan repayment to psychiatric nurse practitioners, so this amendment adds psychiatric RNs to the program, eliminating the need for a completely separate program that otherwise imposes an administrative burden on VDH.	Language-only administrative change. The amendment also moves the \$5 million GF for the proposed program to the Behavioral Health Loan Repayment Program, increasing the program’s FY 2024 appropriation to \$9.1 million.
<b>House</b> Item 295 #2h	Provides \$250,000 GF in FY 2024 for a pilot program between the Association of Free and Charitable Clinics and the Virginia Telehealth Network, to support the integration of behavioral health safety planning and intervention into clinical health services.	No significant County impact.
<b>Governor</b>	Transfers approximately \$1 million GF in FY 2024 from DBHDS’ central office to state-operated facilities, to assist with infrastructure requirements for implementation of electronic health records. Per DPB, this zero-sum transfer has no fiscal impact.	No significant County impact.
<b>House/Senate</b>	No change.	
<b>Governor</b> Item 304.GG	Provides an additional \$1 million GF and an additional \$1 million NGF in FY 2024 to support 20 additional psychiatric residency slots, funded through Medicaid, beginning in FY 2024.	<b>TBD.</b> Positive step by the state to find ways to stabilize the behavioral health care workforce in the future.
<b>House/Senate</b>	No change.	
<b>Governor</b> Item 304.WWWW	Provides authority to expand provider qualifications, allowing individuals working on their required hours of supervision for certification through DBHDS to be eligible for registration through the Department of Health Professions (DHP) to be approved as a Medicaid provider type for mental health and substance use disorder peer supported services.	<b>TBD.</b>

	Authorizes DMAS to adjust caseload limits for peer recovery specialists to align with DBHDS and DHP revised policies to increase access to peer recovery services.	
<i>House/Senate</i>	No change.	
<i>House</i> Item 304 #5h	Adds approximately \$438,000 GF and \$1.3 million NGF and language directing DMAS to establish reimbursement parity between certain substance use disorder and mental health services.	<b>Positive.</b> Increased funding is an important step towards increasing behavioral health service capacity, as community providers are challenged to meet ongoing community needs for this service.
<i>Senate</i> Item 304 #14s	Directs DMAS to establish reimbursement parity between substance use disorder (SUD), and mental health (MH) partial hospitalization (PHP) and intensive outpatient programs (IOP) by increasing the MH PHP and IOP reimbursement rates to the same reimbursement rate as SUD PHP and IOP.	<b>Positive.</b> Directs DMAS to increase the rates for MH PHP from a per diem rate of \$250.62 to \$500.00, and to increase the rate for MH IOP from a per diem of \$159.20 to \$250.00. DMAS will have the authority to implement this reimbursement change effective July 1, 2023.
<i>House</i> Item 304 #10h	Provides approximately \$43,000 GF and \$384,000 NGF in FY 2024 to provide Medicaid reimbursement for collaborative care services to treat mental health conditions and substance use disorders.	<b>Positive.</b> Beginning Medicaid reimbursement for collaborative care management services in a primary care setting is helpful for individuals.
<i>Senate</i> Item 304 #5s	Provides approximately \$43,000 GF and \$384,000 NGF in FY 2024 to provide Medicaid reimbursement for collaborative care services to treat mental health conditions and substance use disorders.	<b>Positive.</b> Beginning Medicaid reimbursement for collaborative care management services in a primary care setting is helpful for individuals.
<i>Senate</i> Item 304 #4s	Provides \$17.4 million GF and \$37 million NGF in FY 2024 to increase reimbursement rates for community-based mental health services.	<b>Positive.</b> Increasing rates by 10% for these services supports increased capacity for community providers.
<i>Senate</i> Item 304 #8s	Provides \$28.2 million GF and \$30.7 million NGF to increase the reimbursement rates by 5%, for physicians providing adult preventative and primary care, pediatric, and psychiatric services.	No significant County impact.
<i>Senate</i> Item 308 #3s	Provides \$275,000 GF in FY 2024 and directs DMAS to contract with the Virginia Center for Health Innovation to develop a plan for a value-based payment pilot program to advance the integration of mental health services in primary care settings, in consultation with the Virginia Task Force on Primary Care.	<b>TBD.</b>
<i>Senate</i> Item 308 #5s	Provides \$225,000 GF and \$225,000 NGF in FY 2024 for DMAS to conduct the following rate studies: (i) to establish a methodology for an annual adjustment of community-based	<b>TBD.</b> Impact depends on the recommendations that come out of the study.

<b>Governor</b> Item 311.HH	Provides \$15 million GF in FY 2024 for grants to school divisions, public community-based providers, or private community-based providers to contract for the provision of school-based mental health services.	<b>TBD.</b> Further analysis and information on grant process is needed, but could be a positive use of funds as the CSB continues partnering with schools to enhance youth behavioral health services in the community. Support for additional state funding for youth behavioral health services is included in the County's Legislative Program.
<b>House</b> Items 136 #17h and Item 311 #4h	Moves \$15 million GF in FY 2024 (included in the Governor's budget) for school-based mental-health services from DBHDS to VDOE.	No concerns with moving this from DBHDS to VDOE.
<b>Senate</b> Item 311 #22s	Restores the budget language for the school-based pilot for mental health services in schools.	<b>TBD.</b> Further analysis and information on grant process is needed, but could be a positive use of funds as the CSB continues partnering with schools to enhance youth behavioral health services in the community. Support for additional state funding for youth behavioral health services is included in the County's Legislative Program.
<b>House</b> Item 311 #1h	Provides approximately \$181,000 GF in FY 2024 to create a social media campaign for suicide prevention targeting teens and one position to manage the campaign.	No significant County impact.
<b>Governor</b> Item 311.MM	Provides \$20 million GF in FY 2024 for comprehensive psychiatric emergency programs or similar models of psychiatric care in emergency departments. Projects may include public-private partnerships, including contracts with private entities. All selected programs must collaborate with the region's CSB or Behavioral Health Authority.	<b>TBD.</b> Further analysis and information on how and where funding will be allocated is needed. Investments in a comprehensive psychiatric care program would be a positive use of funds.
<b>House</b> Item 311 #6h	Adds \$250,000 GF in FY 2024 to the Carilion Comprehensive psychiatric emergency program to provide technical assistance to the new psychiatric emergency programs across the state. This amendment also directs DBHDS to report on the projects and their impact on the state behavioral health hospital census, and to consider the location of the proposed psychiatric	No County impact.

	emergency programs so they serve priority areas in the state.	
<i>Senate</i> Item 311 #2s	Provides \$650,000 GF in FY 2024 for DBHDS to contract with a vendor to implement a secure online portal for CSBs to upload and share patient documents with inpatient psychiatric facilities. This is a recommendation of the Behavioral Health Commission.	Using a Health Information Exchange or building interconnectivity between DBHDS, hospitals, and CSB's using industry standard live exchange integration technology would likely provide a better solution than the creation of a new portal.
<i>House</i> Item 311 #2h	Directs DBHDS to <ul style="list-style-type: none"> <li>• Identify all current DBHDS requirements related to documentation and reporting of CSB behavioral health services;</li> <li>• Identify which of these requirements currently apply to work by CSB direct care staff;</li> <li>• Identify any DBHDS requirements of direct care staff that are duplicative of or conflict with other DBHDS requirements;</li> <li>• Eliminate any requirements that are not essential to ensuring consumers receive effective and timely services; and</li> <li>• Report to the State Board of Behavioral Health and Developmental Services and the Behavioral Health Commission on progress made toward eliminating administrative requirements that are not essential, duplicative, or are conflicting.</li> </ul>	Positive step toward reducing administrative burdens and ensuring CSB does not have to do duplicative work. CSB direct care providers spend a significant amount of time on administrative work, which reduces time available to provide care to patients. Given staff shortages and apparent delays in consumers' access to services, existing direct care staff need to be able to maximize their work time devoted to consumer care to the fullest extent possible.
<i>Senate</i> Item 311 #18s	Directs DBHDS to identify and eliminate duplicative and non-essential documentation and reporting requirements for CSBs. This is a recommendation of the Behavioral Health Commission.	Positive step toward reducing administrative burdens and ensuring CSB does not have to do duplicative work.
<i>Senate</i> Item 311 #13s	Directs DBHDS to complete a comprehensive review of the performance contracts with CSBs and revise all performance measures in the base performance contracts and addendums. DBHDS is directed to report to the Behavioral Health Commission by December 1, 2023, and implement changes before finalization of FY 2025 performance contracts. This is a recommendation of the Behavioral Health Commission.	This is very broad and could lead to additional administrative burdens for the CSB if DBHDS does not carry this out within the scope of existing performance contracts.

<p><b>Senate</b> Item 311 #4s</p>	<p>Requires DBHDS to share CSB performance information with local CSB Boards and other key state-level entities on a regular basis to help improve accountability in the CSB system. (There is currently no requirement for DBHDS to share information with local CSB governing boards about their CSB's performance on a regular basis). This is a recommendation from the JLARC report on CSB behavioral health services, as well as a recommendation of the Behavioral Health Commission.</p>	<p>No anticipated impact as CSB already shares this information with the CSB Board.</p>
<p><b>House</b> Item 311 #3h</p>	<p>Requires DBHDS to report annually on CSB performance to ensure it is monitoring performance and consumer outcomes and appropriately intervening if needed.</p>	<p>CSB is concerned with the broad language in this amendment, as DBHDS already captures information from the CSB's monthly report as a part of the state performance contract. This would be an additional administrative burden unless it is integrated into existing business processes.</p>
<p><b>Senate</b> Item 312 #5s</p>	<p>Directs DBHDS to amend CSB performance contracts to require that (i) any funding appropriated by the GA to CSBs for staff compensation only be used for staff compensation and (ii) CSBs report annually on any staff compensation actions taken during the prior fiscal year to DBHDS. This is a recommendation of the Behavioral Health Commission.</p>	<p>TBD.</p>
<p><b>House</b> Item 311 #7h</p>	<p>Allows licensed marriage and family therapists to partake in the Boost 200 pilot program, and receive payment of supervisory hours, along with licensed clinical social workers and licensed professional counselors. This amendment also allows the Virginia Health Care Fund to use any carryforward money in FY 2024 to continue funding the Boost 200 pilot program.</p>	<p>This could help staff seeking licensure and those supervising them.</p>
<p><b>Senate</b> Item 311 #21s</p>	<p>Allows licensed marriage and family therapists to partake in the Boost 200 pilot program, and receive payment of supervisory hours, along with licensed clinical social workers and licensed professional counselors. <p><i>Senate</i> Item 311 #6s</p>	<p>Provides approximately \$343,000 GF in FY 2024 for DBHDS to develop a comprehensive trauma-informed care training program for elementary and secondary school teachers, providing such trauma-informed care training once every three years to each school division.</p>	<p>Aligns with SB 1300, which directs the Board of Education to work in collaboration with DBHDS to develop a comprehensive trauma-informed training program. No significant County impact, but important to ensure this DBHDS and VDOE effort does not interfere with ongoing local efforts. DBHDS and VDOE developing a new standardized training program would be ineffective, as excellent trainings already exist. DBHDS/VDOE could compile a list of existing programming and resources specific to trauma sensitive school work. Coordination with the Department of Criminal Justice Services (DCJS) could be important as well.</p>
<p><i>Senate</i> Item 311 #16s</p>	<p>Includes language to override the Code of Virginia such that DBHDS shall deem appropriate community housing to include housing for individuals with a developmental disability (DD), serious mental illness (SMI), or SUD.</p>	<p><b>TBD.</b></p>
<p><i>Senate</i> Item 311 #17s</p>	<p>Directs DBHDS to work with DMAS to:</p> <ul style="list-style-type: none"> <li>• Develop and implement a targeted review process to assess the extent to which CSBs are billing for Medicaid-eligible services;</li> <li>• Provide technical assistance and training, in coordination with Medicaid MCOs, on appropriate Medicaid billing and claiming practices to relevant CSB staff;</li> <li>• Evaluate the feasibility of central bills; and</li> <li>• Report the results of targeted reviews.</li> </ul> <p>This is a recommendation of the Behavioral Health Commission.</p>	<p><b>TBD.</b> DMAS is probably the more appropriate agency for this work, as it is not a content expertise area for DBHDS. It will be important that this is helpful to CSBs, rather than creating additional work for them.</p>
<p><i>Senate</i> Item 311 #19s</p>	<p>Directs DBHDS to develop and begin implementation of a plan to restore the bed capacity of the state hospital system that was taken offline in recent years due to workforce shortages.</p>	<p><b>TBD.</b> No immediate impact as it directs the Commissioner to develop and begin implementation of a plan. Unfortunately, this amendment does not include funding and includes an extended timeline for implementation.</p>

BUDGET PROPOSALS FOR THE 2022-2024 BIENNIUM  
DURING THE 2023 GENERAL ASSEMBLY SESSION  
as of February 16, 2023

<p><i>Senate</i> Item 311 #20s</p>	<p>Directs DBHDS to report annually to the State Board of Behavioral Health and Developmental Services and the Behavioral Health Commission on average salaries, turnover, and vacancy rates by position type across community services boards. This is a recommendation of the Behavioral Health Commission.</p>	<p>VACSB recently completed a salary survey, so this information is already available.</p>
<p><i>Governor</i> Item 312.D</p>	<p>Combines funding and earmarks for alternative transportation and alternative custody for court-ordered individuals subject to temporary detention and emergency custody orders to provide needed flexibility to target resources toward the specific needs of each community. The combination of these appropriations will ensure that the elements of the emerging system are compatible with one another and support continuous care of the population. The amended language also clarifies that alternative transportation and custody programs can be administered through contracts with private contractors, local law enforcement organizations, CSBs, or other methods as necessary to implement the program. It also includes \$1 million GF in FY 2024 for local law enforcement agencies that agree to utilize off-duty officers to transport and/or maintain custody of an individual awaiting admission to a mental health facility or for whom a bed has not yet been identified.</p>	<p><b>TBD.</b> Further analysis is needed to determine full impacts to the County.</p>
<p><i>House</i> Item 312 #3h</p>	<p>Delineates the funding for alternative transportation and alternative custody to provide additional transparency on the use of this funding.</p>	<p><b>TBD.</b> Similar to the Governor’s budget, further analysis is needed to determine full impacts to the County. If combining funding for alternative transportation and alternative custody provides greater flexibility in how funding is spent, the Governor’s proposed budget item is preferable.</p>
<p><i>House</i> Item 312 #5h</p>	<p>Directs DBHDS to use NGF to contract with local law enforcement agencies to utilize the off-duty officer program to provide transportation services, or assume custody of an individual under a TDO awaiting admission to a facility or for whom a bed has not yet been identified.</p>	<p>No significant County impact. Amendment directs DBHDS to use NGF first.</p>

BUDGET PROPOSALS FOR THE 2022-2024 BIENNIUM  
DURING THE 2023 GENERAL ASSEMBLY SESSION  
as of February 16, 2023

<p><i>Senate</i> Item 311 #5s</p>	<p>Transfers \$4.1 million GF in FY 2024 from the amounts included in the Governor’s budget for the Compensation Board for a program to support sheriffs with transportation and custody of temporary detention orders. This amendment moves those funds to DBHDS, which has a new program that reimburses off-duty law enforcement for these activities. Since this program is temporary the funding is consolidated in the DBHDS program and is expanded to reimburse for over-time and on-duty time.</p>	<p>No County impact. Amendment makes a technical change to where funding will be, moving it from the Compensation Board to DBHDS. Overall, the \$4.1 million is positive as a funding source outside of law enforcement to assist with the custody of individuals awaiting admission.</p>
<p><i>Senate</i> Item 311 #11s</p>	<p>Directs the Commissioner of Behavioral Health and Developmental Disabilities to convene stakeholders to develop a shared understanding of the roles and responsibilities of CSBs, law enforcement, private hospitals, and state hospitals to appropriately manage and transfer patients during periods where severe capacity constraints threaten to delay access to care for prolonged periods of time. The Commissioner shall submit a plan to the Behavioral Health Care Commission by October 30, 2023.</p>	<p><b>TBD.</b> There is significant variation in how this is handled across the Commonwealth, so it could be positive to have a shared understanding and standard. County would monitor development of plan.</p>
<p><i>Governor</i> Item 312.O.2</p>	<p>Sets aside \$1.5 million GF to pursue a pilot program to support the discharge of private hospital patients at-risk of transfer to state mental health hospitals from the existing appropriation of \$7.5 million GF in FY 2024 for DBHDS to pursue alternative inpatient options to state hospitals, or to increase capacity in the community for individuals on the Extraordinary Barriers List.</p>	<p><b>TBD.</b> Further analysis and information on location of pilot program needed to determine full impacts to the County.</p>
<p><i>House/Senate</i></p>	<p>No change.</p>	
<p><i>Governor</i> Item 312.P</p>	<p>Expands language to allow funding currently earmarked for dementia patients to also be used for the discharge and diversion of all older adults (aged 60 and older) who may otherwise be admitted to a state facility.</p>	<p><b>TBD.</b></p>
<p><i>House/Senate</i></p>	<p>No change.</p>	
<p><i>Governor</i> Item 312.W</p>	<p>Provides \$58.3 million GF in FY 2024 to expand and modernize the comprehensive crisis services system, including but not limited to, investment in additional crisis receiving centers, crisis stabilization units, and enhancements to existing sites. 	approximately \$845,000 for administrative costs.	
<b>House</b> Item 312 #1h	Provides \$25 million GF in FY 2024 to create additional crisis stabilization units in addition to those proposed in the Right Help, Right Now plan. This amendment also directs DBHDS to place the new crisis stabilization units in priority areas in the state.	Based on the criteria included in this amendment, the County has concerns that Region 2 (Northern Virginia) may not be considered a priority area, and these funds could be disproportionately sent to other areas of the state. The County supports increasing the availability of community-based crisis services, community residential capacity for early intervention to prevent hospitalization, and local psychiatric beds for people with behavioral health issues.
<b>Senate</b> Item 312 #1s	Provides \$30 million GF in FY 2024 for the creation of additional crisis receiving centers and crisis stabilization units, and to make enhancements to existing sites, with language directing DBHDS to prioritize funding based on need.	This amendment provides more funding than the House version, and does not include the priority area language, but it is unclear how this funding would be distributed. This could have a positive budgetary impact on the CSB.
<b>Governor</b> Item 312.X	Provides \$8 million GF in FY 2024 for supervised residential care, giving priority to projects that prioritize individuals on the state's Extraordinary Barriers List.	<b>TBD.</b> Further analysis and information on where funding will be allocated is needed to determine full impacts to the County
<b>House</b> Item 312 #2h	Requires DBHDS to report on the projects for supervised residential care funded through Item 312 in the budget to the Chairs of the House Appropriations and Senate Finance and Appropriations Committees.	No significant County impact.
<b>Governor</b> Item 312.Y	Provides \$20 million GF in FY 2024 for the one-time costs of establishing additional mobile crisis services in underserved areas.	No significant County impact.
<b>House/Senate</b>	No change.	
<b>Governor</b> Item 313	Provides an additional \$8 million to expand housing opportunities for individuals with serious mental illness through the Permanent Supportive Housing (PSH) program.	<b>Positive.</b> The need for permanent supportive housing for individuals with SMI in the County is very high. It is important that this funding includes wraparound case management for individuals, to help ensure that those individuals are successful in maintaining their housing, as housing alone will not be sufficient.
<b>Senate</b> Item 313 #1s	Provides \$50 million GF in FY 2024 to increase funding for PSH, which provides stable housing for individuals with SMI. At an average annual	<b>Positive.</b> The need for PSH for individuals with SMI in the County is very high. It is important that this funding includes

<b>House</b> Item 313 #1h	Provides \$36.5 million GF in FY 2024 for salary adjustments for CSB staff.	<b>Positive.</b> State funding for increases in CSB staff compensation is a County priority. The House amendment maintains the current format for distributing funding.
<b>Senate</b> Item 313 #5s	Provides \$50 million GF in FY 2024 to increase compensation for CSB and Behavioral Health Authority staff in FY 2024.	<b>Positive.</b> State funding for increases in CSB staff compensation is a County priority. It is unclear how funding would be distributed in this amendment, as DBHDS would determine the allocations rather than the current format being utilized.
<b>House</b> Item 313 #2h	Provides \$2 million GF in FY 2024 to provide matching grants to the National Center for Healthy Veterans and Up Center in Virginia Beach to provide behavioral health care to veterans in Virginia.	No significant County impact, but funding is focused on an at-risk population.
<b>House</b> Item 313 #3h	Adds \$8.4 million GF in FY 2024 in additional support for children's behavioral health services, bringing the FY 2024 total to \$16.8 million. Also revises language to allow flexible uses of funds to build service capacity focused on specialized needs of children and youth.	<b>TBD.</b> These funds are divided among the regions based on the current availability of the services. In Region 2, this is one of the funding buckets for CR2 (Community Regional Crisis Response) and the funding goes directly to Arlington CSB as the fiscal agent and contract manager. While additional funding for psychiatrist hours or to expand CR2 services would be helpful, workforce challenges may impact the effectiveness of this funding. In FY 2023, the CR2 average vacancy rate is 23% of their staffing plan, despite increasing staff salaries and paying hiring bonuses. Support for additional state funding for youth behavioral health services is included in the County's Legislative Program.
<b>Senate</b> Item 313 #3s	Adds \$8.4 million GF in FY 2024 for children's behavioral health services and revises language to encourage flexible uses of funds to build service capacity focused on specialized needs of children and youth.	<b>TBD.</b> These funds are divided among the regions based on the current availability of the services. In FY 2023, the CR2 average vacancy rate is 23% of their staffing plan, despite increasing staff salaries and paying hiring bonuses. Support for additional state funding for youth behavioral health services is included in the County's Legislative Program.
<i>Senate</i> Item 312 #2s	Provides \$7.9 million GF in FY 2024 to support the continued implementation and management of the expansion of the Virginia Mental Health Access (VMAP) program to early childhood (ages zero to five). Funds would include the addition of regional early childhood specialists and new training of primary care providers. Funds will also allow VMAP to plan, implement, and manage an expansion to pregnant and postpartum mothers. VMAP will train both the OB/GYNs and pediatric clinicians on screening and early recognition of Perinatal Mood and Anxiety Disorders.	<b>TBD.</b> Further analysis needed to determine impact to County.
<i>Senate</i> Item 312 #4s	Directs DBHDS to contract with one or more higher education institutions to establish training and technical assistance centers for preadmission screening clinicians. This is a recommendation of the Behavioral Health Commission.	CSB has concerns about additional training requirements being added if some of the current state requirements are not eliminated or modified, as getting prescreening staff through the certification process is already a challenge. The Northern Virginia region already has one of the lowest hospitalization rates, and current prescreening training is robust, so additional training is likely not necessary in Northern Virginia.
<i>Senate</i> Item 312 #6s	Provides \$250,000 GF in FY 2024 to support Specially Adapted Resources Clubs (SPARC), which provide essential day programs for adults with profound disabilities at five locations in Northern Virginia. SPARC offers the same supportive structure and continued education that its participants enjoyed in school and provides a variety of educational services in the form of leisure learning that allows participants to work on life skills while socializing with a community of peers.	<b>Positive.</b> A number of CSB clients currently receive services from SPARC. CSB is also providing assistance to SPARC on funding opportunities for their program to help support those with intensive needs in the Fairfax-Falls Church community.

Source	Amendment	Fairfax County Impact
<b>REGIONAL ITEMS</b>		
<b>Northern Virginia Transportation Authority (NVTA) Funding</b>		
<i>Governor</i> Item 460	Includes approximately \$869.1 million for distribution of NVTA Fund revenues over the biennium, approximately a \$47.1 million increase.	<p>The amount received by the County is dependent on actual collections from revenue sources. Through its Six Year Program, NVTA allocates 70% (approximately \$608.4 million in 2022-2024) to regional projects, and that funding has already been approved for projects through adoption of NVTA's FY 2018-2023 and FY 2020-2025 Six Year Programs.</p> <p>Fairfax County should receive approximately \$117 million over the biennium to allocate for local projects approved by the Board of Supervisors (30% funding returned to localities), minus the respective shares provided to the Towns of Vienna and Herndon. Approximately \$14 million annually of this "30% funding" will likely be transferred to the Commonwealth's Washington Metropolitan Area Transit Authority (WMATA) Capital Fund for the County's share of local funding for State of Good Repair, as required by HB 1539/SB 856 (2018).</p>
<i>House/Senate</i>	No change.	
<b>Regional Gas Tax</b>		
<i>Governor</i> Item 444	Provides approximately \$207.4 million over the 2022-2024 biennium for regional gas taxes (for NVTC, Potomac and Rappahannock Transportation Commission (PRTC), and other regional gas taxes). Estimates approximately \$88.3 million for NVTC over the 2022-2024 biennium, and an additional \$22.2 million annually that is transferred to the WMATA Capital Fund per HB 1539/SB 856 (2018). Also, \$15 million of NVTC and PRTC revenues are transferred annually to the Commuter Rail Operating and Capital Fund.	The amount received by NVTC and the County is dependent on actual collections from the revenue sources.

<i>Senate</i> Item 447 #1s	No changes to program funding levels. However, also provides that the CTB may annually allocate up to 30% of Transit Ridership Incentive Program (TRIP) funding to improve bus infrastructure and facilities, and to assist transit agencies in transitioning to zero-emission planning, charging infrastructure, and workforce training.	Would provide funding to a program that could help fund electric vehicle infrastructure for the Fairfax Connector. Similar to HB 2338 (McQuinn)/SB 1326 (McClellan), which the County supports.
<b>Virginia Passenger Rail Authority/Rail Programs</b>
