

# Join the Friends of Dyke Marsh at these Events

## Save Trees, Remove Ivy

February 20, 10 a.m. to 12 noon.

For more information and to register, send an email to [info@fodm.org](mailto:info@fodm.org) and put "Ivy Removal" in the subject line.

**Flying Squirrels** -- Learn all about them on February 17, 7 p.m., via Zoom in a talk by naturalist, Kim Young and explore the often hidden life of the native southern flying squirrel (*Glaucomys volans*). You will learn how to look for them, their adaptations for nocturnal living and the truth about their ability to "fly." To register, visit [www.fodm.org](http://www.fodm.org) and click on the Zoom link under the Flying Squirrels presentation announcement in the left column of the FODM home page.

## Collect Trash

April 10, 10 a.m. to 12 noon.

Check our website, [www.fodm.org](http://www.fodm.org) for registration information.

## The Potomac River

May 26, 7 p.m., via Zoom.

Hedrick Belin with the Potomac Conservancy will examine the health of the river and its challenges.

To register, look for a link below the announcement (coming soon) in the left column of our home page, [www.fodm.org](http://www.fodm.org).

## Can you give a little time to Dyke Marsh?

Please check below and let us know how you might help preserve and restore the Dyke Marsh Wildlife Preserve.

Everyone's efforts make a difference.

I am interested in these activities:

- Control invasive plants (training provided)
- Staff a table at FODM and community events
- Clean up trash
- Plant plants and trees
- Help with school groups (with other volunteers)
- Lead programs for youngsters
