

Volunteers Needed as Drivers!

Shepherd's Center of South County supports older adults who no longer drive. Volunteers use their own vehicles driving folks to medical, dental, and physical therapy appointments. All volunteers have passed background checks. The round trip typically takes less than three hours.

Driving one trip per week or more if your schedule allows would be a wonderful way to support your community.

Contact Volunteer Recruitment Coordinator, 703-715-7592

Are you 50+ and no longer able to drive?

Free medical transportation is provided to older adults living in our South Fairfax County Service Area who no longer drive. Please call our office 5 business days in advance of your appointment to arrange for a ride. 703-799-0505.
