

An Increase in Thefts from Vehicles Yields this Safety Tip...

Write to Fight!

How can you help fight crime and get your property back?

Record the make, model and serial number of all your electronics, now! IF your items get stolen, give this information to police immediately! This will help in tracking the stolen items, arresting the criminal, and returning your property to you.

PLEASE RECORD AND RETAIN IN YOUR FILES:

Make: _____

Model: _____

Serial Number: _____

How are they breaking in?

- Breaking windows
- Entering through unlocked doors
- Bypassing locking system

How do you protect your valuables?

TAKE THEM OUT OF YOUR VEHICLE!

The reason people steal personal belongings from your car is because they see something they want. Remember, what is not valuable to you may be the object of their desire.

PLEASE take the extra time to **physically** remove your CD player, blue tooth, laptop, GPS, CDs, purse, radio, etc. from your vehicle. Remove any empty bags or briefcases to relieve the criminals' curiosities. Clean the GPS suction cup circle off of your windshield.

Render your car **UNATTRACTIVE!**
