

June 2024

Dear Neighbor,

Summer is a great time to get out and explore the many opportunities and activities Fairfax County provides! Ride our vast array of **bike trails**, hike in our parks, paddle on a variety of waterways or bask in the sun at a water park, just to name a few. One highlight is the **FREE Mount Vernon Nights Summer Concert series** returning on Fridays at **Grist Mill** and Saturdays at the **Workhouse Arts Center** at 7:30 p.m. Keep an eye out for **Tourism Tuesdays** on our [Facebook](#), [LinkedIn](#), [Nextdoor](#) and [Instagram](#) accounts to learn more about the **FREE Potomac Banks Savings Pass**, featuring our various tourism partners that you can visit for **FREE or reduced admission**, as well as receiving discounts at the locations.

Also this month, we look forward to a community meeting for the **re-envisioning** of **Original Mount Vernon High School** and the opening of Bunnyman Brewery at the Workhouse Arts Center. Join us on **Tuesday, June 18** from 6 – 8 p.m. at the Gerry Hyland Governmental Center to share your input on a **new name** and identity for this historic, iconic building in the heart of the Mount Vernon District!

June is the time we **honor our dads and grads**. I am always proud to attend all the District **high school graduations** to see our graduates celebrate their achievement and take their next steps toward **bright futures**! As a **dad and granddad**, I know how important fathers and father figures are in all our lives and join with you in recognizing them this **Father's Day**.

I would like to introduce you to **Major Alan Hanson**, the new **Police Commander** at the **Lorton Police Station**. Over the coming months, he will be laying the foundation for the station when it becomes fully operational, establishing community **connections and coordinating outreach**. In exciting news, we are **welcoming Diego Rodriguez Cabrera** back to **TEAM MVD**! Some of you will remember that Diego was our LatinX Outreach Coordinator and worked on transportation and trails before leaving to pursue another opportunity. He has returned as our **Transportation and Parks liaison**, while **Peyton Smith** shifts from Transportation to **Land Use**. Diego was raised in Mount Vernon, attended the College of William and Mary and is **bilingual in Spanish**.

Sadly, this transition means we are **saying goodbye** to a **valued team member** – **Nick Rinehart**. Nick has led our Land Use efforts for the **past four years** and his **hard work**, dedication, resident interactions, GIS expertise and tallness **will be missed** by TEAM MVD and many in the community.

Respectfully yours in public service,

Celebrating Our Community

Mount Vernon Governmental Center Native Garden Tour and Open House

Thank you to everyone who came out to **explore our new native plantings** at the Mount Vernon Governmental Center on May 4! In 2018, we began **transforming** the governmental center **grass lawn into native perennial gardens**. This included the installation of native trees, shrubs and meadow plants to enhance wildlife habitat, improve water infiltration and shade the buildings. In 2022, additional plantings and **bioswales** were added. At the event, attendees learned about ways they can **start a native garden**, receive grant funding and learn about the **importance of native plants**. Thank you to **Team MVD** and the **Department of Public Works and Environmental Services** for putting together a great event for the community. Find the **full garden plant list** on our [website](#).

6th Annual Senior Safety Summit

We hosted a **very successful** Senior Safety Summit on May 15 at the Lorton Community Center. I enjoyed **connecting with so many of you!** This event was a great way to celebrate **May as Older Americans Month** and share about the **many resources** we have for our senior community. Thank you to **Team MVD** and **Neighborhood and Community Services**, Ali Malone and Syreeta Cole for all your hard work to help us put together this event for our community. Thank you to **Retirement Unlimited, Inc.** in coordination by **Paul Spring Retirement Community** for providing lunch. And, thank you to the many exhibitors and our wonderful presenters, **AARP, Department of Family Services, Fire and Rescue and KEG Consulting Driver Safety Services**. I look forward to seeing you all again next year!

Learn About Neighborhood & Community Services

Neighborhood and Community Services (NCS) promotes the **well-being of individuals**, families and communities by providing a variety of **recreational**, educational and developmental programs and services; by facilitating **community engagement** to identify areas of need and enhance countywide capacity for serving those needs; and by connecting residents with a continuum of County- and community-based resources that **promote equity** and **create positive outcomes** for people of all ages and abilities.

Neighborhood and Community Services also provides access and referrals to both government and community based resources for Fairfax County residents in need. Call [\(703\) 222-0880](tel:7032220880) for assistance with any **difficulties you are facing** - including **food, shelter, employment, financial assistance, healthcare** and more other needs.

Community Centers

Fairfax County Community Centers offer a safe, **structured environment** for individuals of **all ages**, abilities and backgrounds to **learn, play and engage** with the community around them. Programs provided at each location are as diverse as the needs and interests of the communities they serve. Center space is also available for County residents to reserve for **community meetings, clubs, classes** or even **social gatherings** (birthdays, weddings, etc.).

Keeping the County Cool: FCPD Launches 2024 Summer Crime Prevention Initiative

On June 4, the Fairfax County Police Department launched their **2024 Summer Crime Prevention Initiative** and announced this year's focus areas. In an ongoing effort to **proactively combat crime** and keep the County the **safest jurisdiction of its size**, FCPD is working together to reduce crime through **strategic prevention** and **focused enforcement**. The Summer Crime Prevention Initiative will have a different focus area and patrol coordination model each month, in coordination with the FCPD's **Crime Analysis Unit (CAU)** using data to **combat crime trends** and patterns more effectively.

For the month of June, officers will be **strategically deployed across the County** to combat criminals who target our local communities and businesses. This three-prong approach will include (1) officers increasing proactive patrol and enforcements to combat **reckless street takeovers**, (2) increasing foot patrols and presence at **late-night establishments** and (3) working with **community partners and businesses** to create better long-term solutions. Nominate a Climate Champion for the 2024 Environmental Excellence Awards

Now is the time to **recognize** the **people and organizations** within our community who take the time and initiative to **care for our natural spaces** and **resources** which benefits all who live, work and play in Fairfax County. If you know a person, business or organization who **deserves recognition** for the work they do to **protect our environment**, **nominate them today** for the 2024 Environmental Excellence Awards. Nominations can be made using the [online form](#) and must be **submitted by June 9**. [Learn more.](#)

Shrink the Lawn

If you grew up in suburbia, a **pristine lawn** was a welcome herald of spring. So what, is the problem with a well-kept, manicured turf-grass lawn? The **grasses we use for turf**, even varieties with names like “Kentucky Bluegrass”, are **not native to America**. Most species of turfgrass planted in the U.S. are native to Europe, and like all non-native plant species, they do next to nothing to support our local wildlife. **Eliminating turfgrass** and **planting native flowers**, shrubs and trees, can vastly increase the kinds and number of caterpillars, birds, frogs and other critters living here. The task of **creating a healthier environment** seems big, but small efforts by many people can add up. If we **shrink the lawn** by converting even a modest patch of existing turfgrass to native plantings, we will have improved the food web and biodiversity of our yard - and that is **no small matter**. Longtime Hybla Valley Business to Close

When Robert Hines, Jr. first opened **Sun Sew Vac** in 1975, he was just two years out of **Fort Hunt High School**. At the time, he decided the **retail experience** he'd gained helping at his dad's vacuum store in Old Town Alexandria held a more promising future for him than college, so he began a career in **repair and sales**. According to a note to customers, the store will **no longer accept items** for repair as of **June 1**, and June 15 is the last day for special orders. All repairs must be picked up by June 22, which also is the last day that gift cards can be redeemed. The store will be open 10 a.m. to 2 p.m. on its **final day, June 29**. Mount Vernon District's School Board Rep Proposed FCPS Budget Amendments

Mount Vernon District School Board Member, **Mateo Dunne**, proposed several amendments to Fairfax County Public Schools' (FCPS) **FY 2025 proposed budget** at the May 21 work session with his fellow school board members. Dunne has been speaking out for months about his preference to **focus salary increases on lesser paid teachers** and support staff rather than provide an across-the-board pay raise for FCPS employees. Pet Adoption Corner

Meet Gracie

Say hello to Gracie! This gorgeous **2 year old kitty** would love to hang out on your lap and **purr you a sweet melody!** Gracie **loves her yarn ball and being pet** but also likes her personal space from time to time and finds contentment in a large window where she can **watch the birds fly by**. Gracie is really, **REALLY scared in the shelter**, so visiting her will be a little stressful for her and a first step in your relationship, so you'll need to trust that she will flourish in your home on her own time. If you are looking for a **lovely girl to join your home**, look no further, meet Gracie today!

Gracie is currently available at the **Lorton Campus**. If you would like to **meet her or any of the adoptable pets at the Fairfax County Animal Shelter**, visit during open hours! For more info on the adoption process, including requirements and fees, [click here](#).

Important Safety Information

Code Compliance - Food Trucks

Food trucks are only able to **operate in certain places**, most notably to ensure they locate where there is adequate parking and space to gather around the truck. Here is some information about the **types of locations and associated regulations**.

- Food trucks can apply to seek approval to operate as a **"mobile food vendor"** on a [Park Authority](#) property.
- To operate on **commercially or industrially zoned properties**, or **nonresidential** parts of planned district zoned properties (i.e. mixed-use developments), the [Zoning Administration Division](#) requires approval of a **Food Truck Location Permit** and each food truck must have its own **Food Truck Operation Permit**. Up to three food trucks can simultaneously operate and there are site-specific and operational use standards that must be met for both permits.
- Through the Health Department, food trucks can seek an [agreement](#) to allow them to operate on sections of **five public streets**. For concerns about food trucks in public streets without permission, contact the Police Department at 703-691-2131, TTY 711.
- **Open-air food stands** – like those selling fruit or other goods from pickup trucks or cars with folding tables – are generally **not considered food trucks** and so are not approved to operate in Fairfax County.

A Health Department [Food Establishment Permit](#) is required for all food trucks, as is a [Solicitors License](#), issued by the Department of Cable and Consumer Services.

DCC is here to help – if you have questions, want to make a report or if you are the subject of enforcement and need assistance.
